Butter Scarce In Many Stores

HIGHER POINT RATIONING HAS FAILED TO INCREASE RETAIL SUPPLY

The action of the OPA the first of the year, increasing the red points on butter from 20 to 24 has not eased the shortage locally, a survey of markets reveals, this despite the fact that sales of oleomargarine are constantly on the up-swing.

Reports not only from Tecumseh but throughout the county indicate that there is scarcely a store that is not without butter two or three days out of the week and some of them four and five days. When butter shipments arrive, and they are "short" shipments, the few pounds are gone within a matter of two or three hours.

Many markets are further rationing their supply of butter by allowing customers to buy only half a pound at one time. This method stretches the available butter to a greater number of families and in that way eases the shortage.

Sale of oleomargarine is said to be several times the amount that is was in pre-Pearl Harbor days when, in Lenawee county, ordinarily rich in dairy products, the sale was small. Cheese and cheese products also are in heavy demand but like butter, rationing points are high and stocks are none too plentiful.

Meat stocks also are reported to be exceedingly low in many markets, particularly beef. This, too, is despite the fact that many cuts of beef which were ration-free before the first of the year now have been returned to the ration list.

Supplies of canned goods, both fruits and vegetables, seem to be quite ample in most of the stores in the county, the survey indicates. While there is a shortage of some fruits, and points are high, in the main housewives are finding but little difficulty in obtaining these proce-

TWO PERSONS HURT WHEN CAR HITS TREE

Two persons were injured, one seriously, in an automobile accident on M-52, about a mile and a half north of here, at 4 a. m., Monday morning.

State police at Clinton, who investigated the accident, said that the car was driven by Walter Dunbar, 28, of Tecumseh, and that Mrs. Corleone Walters, 19, of Tecumseh, was riding with him. The car was traveling toward Tecumseh, failed to round a curve and hit a tree. It was badly wrecked. Dunbar suffered a fractured right leg below the knee, and cuts about the body and head. Mrs. Walters suffered cuts and bruises. Both were removed to Tecumseh hospital by a passing motorist. Police said that both Dunbar and Mrs. Walters said that they were asleep when the accident happened.

Dunbar is still a patient at the hospital but Mrs. Walters was given first aid there and then released.

Switzerland is the topic of the next meeting on January 22, with Mrs. Guy T. Pocklington as leader. Members are to bring 10 cents each for the March of Dimes.

Aged Resident Is Found Dead

WILLIS G. SCHREDER, 87, DIES AT HIS HOME; FUNERAL HELD WEDNESDAY

Willis G. Schreder, aged 87 years, was found dead in bed Monday afternoon in his home on East Pottawatamie street where he lived alone. Mr. Schreder was down town Saturday but on Monday the neighbors became worried not seeing any chimney smoke or light and officers were called to investigate. There were no fires in the house so it is thought he died sometime Saturday night. He had been failing for several months. Justice F. C. Hanna, acting as coroner, decided an inquest was not necessary.

Mr. Schreder was born in Clinton township February 14, 1857 and was the son of Mr. and Mrs. Israel Schreder. He spent his entire life in this community and moved from his farm northeast of town into the village 30 years ago. In early life he was married to Miss Margaret Gillespie who died a number of years ago leaving three children. He later was married to Mrs. Ehtel Mathias, who survives. Mr. Schreder was a member of the Prsebyterian church and of Tecumseh Lodge, F. & A. M.

Survivors are the widow who is a patient in a nursing home in Morenci, a daughter Mrs. Ethel Steele of Britton; two sons Albert Schreder of Detroit and Leon Schreder of Jackson; five grandchildren and five great grandchildren.

Masonic funeral services were conducted Wednesday afternoon at Collins Funeral Home. Rev. J. C. Murdoch officiated and bearers were brother Masons. Burial was in Brookside cemetery.

MRS. HATTIE KEMP DIES AT HOME HERE

Mrs. Hattie A. Kemp, aged 88 years, wife of Charles H. Kemp, died early Wednesday morning at her home on South Maumee street after a long illness. Mrs. Kemp was a member of the Presbyterian church and of the Pythian Sisters.

Besides her husband she leaves a daughter Mrs. Maude Wilson of Tecumseh, a son Harvey Lewis of Britton, a sister Mrs. Alice Doyle of Adrian, four grandchildren and two great grandchildren.

Funeral services will be held Friday afternoon at 2 o'clock at the Belding Funeral Home. Rev. James Cameron Murdoch will officiate and burial will be in Brookside cemetery.

CHANGE IN SCHEDULE

E. H. Van Vleet of Tecumseh's retail delivery service announced a new schedule today, effective as of January 15. After that date only one delivery will be made each day, leaving the downtown district at 9:30 a. m., for all residents of East Chicago boulevard and territory north, and at 3 p. m., from the downtown district for West Chicago boulevard and all territory south. The change is necessary because of wartime restrictions and shortages, Mr. Van Vleet said.

Board Studies War Diplomas

CHANGE IN POLICY IS CONSIDERED, BUT MUST WAIT N.C.A. RULING

The board of education, in regular meeting Tuesday evening, discussed the question of granting diplomas to students who left Tecumseh high school during their senior year and who have served in the armed forces of nation for a period of two years.

In view of the fact that this step would be a departure from the policy previously adopted by the board, under which diplomas could be granted through a transfer of credit, and, also, because the granting of diplomas outside of the procedure previously adopted is in direct opposition to the recommendations of the North Central Association, of which the local school is a member, it was decided to table the question until the meeting in February, giving the superintendent an opportunity to investigate the advisability of such a step.

There was little other business to come before the board. The resignation of Al Helzerman was accepted and it was announced that H. W. Henry is filling the vacancy as janitor of the central school building. Current bills were audited and ordered paid.

Mrs. Harley Anderson, Tipton Resident, Dies

Mrs. Harley Anderson, aged 55 years, a resident of Tipton all her life, died suddenly Thursday at her home a half mile north of that village, where she was born September 28, 1889. Clinton Cagers Here Tomorrow

GAME MAY DECIDE WHETHER OR NOT TECUMSEH TAKE LEAGUE HONORS

By Jim Sisson

The Tecumseh Indians, now having won six straight cage games this season including one from Adrian, a class B team, will meet the Clinton Redskins tomorrow on their own court. The Clinton five, also undefeated in league play, will attempt to defend their record of five wins in a row. Last week Clinton trounced Morenci 51-30, to capture their fifth win in six starts, while Tecumseh engaged Adrian in a non-league contest.

In the past five years, when Coach Fred Raizk has coached the Indian cage team, Tecumseh has netted seven wins of the ten engagements with Clinton. In the season 1939-1940, the two rivals split their games, but in the following schedule the Indians downed the Redskin five twice. And in the 1941-1942 contests, Tecumseh also rang up duo victories and took the undefeated league championship. The Redskins finally made a comeback in the 1942-1943 events when Tecumseh fell victims twice in very close contests. Last year's Indians, however, kept up the winnings and humbled Clinton to take the championship again.

This season's games of the old Red People's tribes will probably decide the championship, as every other five in the county league has been defeated at least twice. Following the contest on the T.H.S. floor will be another crucial battle of cage knowledge and performance in the Clinton gym Feb. 16.

Last Friday, the Adrian invasion gave Tecumseh another double victory as the Varsity turned the Maples back 32-28 and the Reserve 22-19. At half time the Adrian Varsity had nosed ahead 12-11, but Tecumseh's powerful comeback gave the Raizkmen a four point edge when the final whistle blew, John Murdoch led the Braves' scoring with 12 points for high honors and Capt. Jim Osburn collected 9 markers to help put Tecumseh on top. Hammack, Bancroft, and Randall also racked up some of the valuable points. Earl Baldwin held top scores for the Reserves with 7 points.

DEGREE IS CONFERRED BY TECUMSEH O. E. S.

Mrs. Sarah Pocklington Buried at Holloway

Mrs. Sarah Ann Pocklington, aged 85 years, widow of the late Cornelius Pocklington of Ridgeway township, died Saturday morning at Tecumseh hospital, the result of a broken hip suffered in a fall nine weeks ago in the home of her daughter, Mrs. Howard Swift at Holloway. Mrs. Pocklington was born in Ridgeway township and lived 80 years on the farm where she made her home with Mr. and Mrs. Swift.

She leaves four daughters, Mrs. Ina Swift of Holloway, Mrs. Mae Rixom of Britton, Mrs. Lena La-Bounty of Tecumseh, and Mrs. Harriett Butler of Pulaski, nine grandchildren and four great grand children. Her husband and a son Clifford preceded her in death.

Funeral services were held Monday afternoon at the Niblack Funeral Home in Britton with burial in the Raisin cemetery at Holloway. Rev. J. C. Murdoch officiated. Mrs. Forrest Weichner sang with Mrs. Ford Exelby as accompanist. Bearers were Ronald Pocklington, Ernest, Clyde and John Kelley.

Those attending from away were Mrs. T. O. Butler of Pulaski; Mr. and Mrs. Robert Johnson of Hanover; Ernest and John Kelley of Detroit; Mrs. Charles Sloan and Mr. and Mrs. Clyde Kelley of Adrian, and Mrs. Donald Gieske of Norvell.

Adult School Courses Here

PLAN OF CONTINUING EDUCATION IS ANNOUNCED BY PUBLIC SCHOOLS

The Tecumseh public schools are again planning to offer a number of adult education courses which will extend over a period of 10 weeks and which will be open to all persons living in the Tecumseh area. These courses, like courses which have been offered by the local schools in previous years, are planned to meet the expressed needs or desires of adults in the community. Classes will be organized, therefore, only if the demand as revealed by the initial enrollment is large enough to warrant their inclusion in the program.

Plans have already been completed for a course in "Soil and Water Conservation and Use" for the farmers in the area. This course will be offered at the Tecumseh Grange Hall with George E. Parsons as instructor. Other courses which have been proposed and for which there has been some demand are (1) Beginning Typing, (2) Fundamentals of Bookkeeping, (3) Arts and Crafts, (4) Homemaking, and (5) a recreational program for men. All adults who are interested in one or more of these courses are advised to read the next issue of The Herald for further information regarding the program.

WED IN CLINTON

Ora L. Rathbone of Wayne and Mrs. Stella M. Cone of Chelsea, formerly of Britton, were married December 30 at the Congregational parsonage in Clinton by the Rev. O. E. Priest. They were attended by Mr. and Mrs. Harlan Keran of Britton, nephew and niece of the groom and close friends of the bride. After dinner in Clinton they left at once for their home in Wayne, where the groom is an accountant and storekeeper for the Ford Motor Company. The bride has been employed for sometime at the Federal Screw Works in Chelsea but has given up her position.

Pipes Popular With Smokers

CIGARETTES ARE "OUT" IN MOST STORES FIVE DAYS OUT OF EVERY SIX

Looking for a package of cigarettes Well, who isn't?

A trip through Tecumseh's business district on Tuesday of this week revealed that in only two shops out of approximately a dozen that regularly offer cigarettes for sale could a smoker buy a pack of "fags" and a then be couldn't be fussy about his "T" zone.

Cigarettes, it seems, have gone with the war and while merchants here are rationing the small supply that they receive, there still isn't nearly enough to go around.

"We get in a dozen cartons (120 packages) of cigarettes in the afternoon and by 6 o'clock they are entirely gone," was the way one dealer put it. "One customer tells another and while we sell only one pack to a person, we soon have 120 customers. Then, for the next few hours we're telling the late comers that we're sorry but we have sold out."

The facts are, merchants say, that they are receiving only a small percentage of the number of cartons of cigarettes that they did before and during the early part of the war. No longer is it possible for a dealer to tell his wholesaler to ship him any quantity of any particular brand. The dealer takes just what the wholesaler sends him, regardless of brand. And he's thankful to get what he gets. Any kind of cigarette is saleable.

As a result of the shortage, merchants report that there has been a big up-turn in pipe smoking—in fact, they say, one is not always able to buy his favorite brand of pipe tobacco.

And what is causing the shortage? Well, there's a difference of opinion but some dealers believe that smoking is on the increase; that war-nerves are responsible. Others say that many of the cigarettes are being smoked by the fair sex who never before used the weed.

But regardless of the facts, there's shortage. If you don't believe it, ask any smoker.

Mrs. Marian L. Walters Dies at Brooklyn Home

The body of Mrs. Marian L. Walters will be brought here today for burial in Brookside cemetery following funeral services at 2 o'clock at the Hause Funeral Home in Clinton.

WHO ARE WE?

Are we the only ones? Have we the only wisdom? What we need to win the peace is just what we needed to win the war—joint councils of strategy, collective action, collective thinking, collective wisdom.

We who have fought together should not be chance acquaintances, meeting only to separate when the emergency is temporarily over. We are comrades who should have learned how to give and take and who by working together should have grown to appreciate each other.

The international conferences which have been held these past months—the Food Conference, the International Labor Conference, the Monetary Conference, UNNRA, Dumbarton Oaks and the rest—have not been secret meetings planned to foist power politics upon the world—but a sincere seeking for the lowest common denominator on which to build the foundation for a solution of our common problems. In contrast to the policy of national economic isolationism, which denies the existence of mutuality of interests, they have searched for ways of cooperation, which would be to the enlightened self-interest of each nation.

There can be no permanent peace if each nation pursues its domestic policy without regard to its effect on the outside world. This applies to us as much as it does to the nations of Europe. As long as the ocean was a barrier, we could stand aloof. Now the ocean is no longer a barrier, but a lane. We are a part of the world, not apart from it.

In common council we can learn each others problems. Through friendly discussion we can achieve understanding. The huge obstacles in the path to reconstruction can be conquered only by all of us collectively, regardless of our race, our nationality, our class, or our creed, if we keep our ideals, if we cling steadfastly to the belief that humanity by its own exertions can attain a higher and nobler destiny than anything it has known. Only in this way may ... world made free from war be realized.

We are not the only ones.

COULD YOU PAY $10,000

AS A RESULT OF AN AUTO CRASH?

Suppose your car becomes involved in an automobile accident in which one or more persons are injured or killed?

Could you conveniently pay $5,000 or $10,000 —lay the cash on the line?

That's what the new Michigan Responsibility Law says you must do, and,

If you don't do it, you lose your right to drive until the claim is paid and until such time as you satisfy the state that you are responsible, should other accidents occur.

Why take a chance? See us for insurance that will give you complete protection.

Production War Is Biggest News

That the Michigan "battle for war production" is entering its most urgent phase since Pearl Harbor appears to be the real news for Michigan's first week in 1945.

This column started out to be a review of the home front news in 1944.

Mrs. Winthrop Winfield is a patient at Tecumseh hospital.

Seaman Packard graduated December 23 from gunner's school at Harlingen, Texas and has been promoted to corporal.

Pvt. L. Wayne Dunbar, son of Mr. and Mrs. W. L. Dunbar, who was inducted into the armed service at Ft. Sheridan, Ill., December 20, has been assigned to Kessler Field, Miss., for Army Air Corps training.

Mrs. Oscar Bryan and Mrs. Wayne Bovee and son spent Friday in Detroit with Miss Marie Whittersteen.

Pvt. Derman Titley was home from Ft. Sheridan, Ill., Sunday to see his mother Mrs. Herman Titley a patient at University hospital in Ann Arbor. He left Tuesday for Kessler Field, Miss., for Air Corps training.

The Wit and Wisdom Club will meet Monday evening at the home of Mr. and Mrs. George Parsons with Rev. and Mrs. N. MacNaughton assisting. Rev. B. O. Bashore will be the leader and Mrs. Fred Sheldon will present charades.

A Cordial Welcome To All

We are reminded that in January, 1942, just after Pearl Harbor, we noted that "Washington now plans for a three-year war;" that "production of arms, growing as it has been, it totally inadequate to meet new needs," and that "unless the German nation collapses from weak morale or a lack of needed supplies, we must wait until 1943 and possibly 1944 before there are sufficient arms and trained men to justify a full-fledged military offensive." That was approximately 36 months ago!

D-Day did not come until 1944.

In May, 1943, Lieut. General Brehon H. Somervell, chief of the army services of supply, visited Michigan. He warned then that the U.S. army would not be completely equipped until late 1944, called rumors of over-production the work of "fifth-columnists" and declared that only in the field of ammunition was there a reserve.

One year ago, December of 1943, the American home front was flush with optimism and confidence that Germany might capitulate by Christmas. Again the illusion in the minds of many persons that the war would be over soon.

General Eisenhower issued a pre-New Year's statement, predicting Victory in 1944 as the reward for the heavy price to be paid from an Allied invasion. Politicians speculated upon the possible effect of victory before the November election. Post-war progrma were pushed.

In January of 1944 the state of public opinion was said to be one of "complacency" and "over-confidence." The army-navy thinking at Washington was that the public was letting down and should be jacked up to be more tense and grim.

Late in January the WPB decided to suspend reconversion, to hold up for the present any sizeable increase in civilian production.

The army-navy decision, which prevailed, was that this was WAR—in fact, all-out total WAR—and that until the defeat of Germany was assurred, there should be no trifling with the mechanism of production of war goods.

In March the domination of the military, as to the future course of war production, was noted still more. Quotas were set; orders were issued accordingly. The White House issued an order urging review of deferments; the need for replacements was publicly acknowledged.

The warm days of spring focused the public's thinking on the coming of D-Day in Europe. Still the assumption prevailed that the invasion would be successful and that a weakened Germany, impotent to meet the terrific blows, would surrender unconditionally during the Fall months as Germany capitulated in 1918.

By mid-July, following landing of Allied troops in Normandy, public opinion was speculating on the time of the 1944 victory.

The failure of the Luftwaffe to make an appearance anywhere in Europe, the conceded lack of Germany reserves in men and material, and German scarcity of gasoline and oil—all these influenced our thinking that 1944 was the time to begin thinking about that post-war job.

The exodus of war workers from Michigan war plants became a steady stream. All of this was disturbing to army-navy officials who debated with WPB Chairman Donald Nelson about the effect of post-war reconversion plans. Nelson's attitude: Workers would stick to high-pay war jobs as long as they can IF they see evidences that the government has plans under way for after-the-war employment.

By October the public attitude was still one of confidence. German troops were being pushed back almost daily. A Washington news letter informed clients of the imminence of Germany's defeat, adding that "informed opinion at Washington still is that it will be 4-to-6 weeks."

Looking over the events of 1944, we raise this question: Who is responsible for the public's over-confidence and over-optimism?

A few days ago George Lyons, news chief of the Office of War Information, declared at Supreme Headquarters in Paris, as reported by the Associated Press: "In my opinion the Army is making a bigger mistake than it did in the Patton case (the incident of Lt. Gen. George S. Patton's slapping a soldier in Sicily). It is following a head-in-the-sand policy. It could tell a great deal more without giving any information to the Germans."

Lyons protested vigorously against the suppression of bad news.

On Dec. 14, in a friendly note to "Michigan GI Joes," the "Michigan Mirror" writer made this comment: "You Know, Joe, the newspapers still print the news as Washington gives it out. Officials at Washington possess vital war information. Much of it is censored and not disclosed to newspapers at once."

COPYRIGHT 1945, STANDARD OIL COMPANY

Many a car owner finds himself bedeviled with car troubles this winter . . . because ordinary care isn't enough for older cars in this 4th War-Winter. Rationed driving, with its short trips and necessary slow speeds, drains battery life and power. It also builds up sticky sludge—which tends to clog oil lines and screens, and may lead to burned-out bearings, to stuck rings and scored cylinders. The older the car, the greater the danger.

"Nurse" and "coddle" your car for the balance of the winter. It will pay you handsome dividends in smoother, more economical operation and longer car life. See your Standard Oil Dealer frequently.

WER'E QUITTING for the DURATION!

Due to war-time conditions, especially the difficulty to obtain quality merchandise, we have decided to quit business until after Victory.

We have sold our stock and from this date on we are no longer in the retail jewelry business. However, our store will be open each Monday and Tuesday, Friday and Saturday, during the month of January, from 12 noon until 5 p. m., to accommodate those who have lay-aways and repair merchandise in our store.

WE THANK YOU!

We desire to say, "Thank You" to our many friends and customers. We'll be seeing you again with a bigger and better stock of jewelry after the war is over.

NOTICE OF SPECIAL TOWNSHIP MEETING AND ELECTION

WHEREAS, at a meeting of the Township Board of the Township of Macon, Lenawee County, Michigan, held on the fifth day of January, 1945, a franchise ordinance was adopted, entitled as follows:

AN ORDINANCE granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to construct, maintain and commercially use electric lines consisting of towers, masts, poles, cross-arms, guys, braces, wires, transformers and other electrical appliances on, along and across the public highways, streets, alleys, bridges and other public places, and to do a local electric business within that portion of the TOWNSHIP OF MACON, LENAWEE COUNTY, MICHIGAN, lying south of the east and west quarter line intersecting Sections 13 to 18, respectively, of said Township, for a period of thirty years.

WHEREAS, said Consumers Power Company has heretofore filed its written acceptance of said franchise, and has requested that the question of confirming the grant thereof be submitted to the qualified electors of the Township, at a special election to be held for that purpose, and has also paid to the Township Board the estimated expense of holding such special election; and,

WHEREAS, there has been heretofore filed with said Board, a petition signed by at least twelve electors, requesting that a special township meeting and election be called for such purpose;

NOW, THEREFORE, in pursuance of such resolution, notice is hereby given that a special meeting and election will be held in said Township at the Macon Town Hall on Thursday, the 15th day of February, 1945, for the purpose of voting on the confirmation of the action of said Township Board in granting such franchise.

The polls of said election will be opened at 7 o'clock in the forenoon, or as soon thereafter as may be, and will be held open until 6 o'clock P. M., Eastern Standard (War) Time. The Township Clerk will be in his office on the 26th day of January, 1945, said date being the twentieth day preceding the date of said election, for the purpose of reviewing the registration, and registering such of the qualified electors of the Township as shall appear and apply therefor, which registration may be made on said date, between the hours of 8 o'clock A. M. and 8 o'clock P. M.

Said franchise as granted by said Board, is on file with the undersigned Township Clerk for the purpose of inspection by the qualified electors.

BY ORDER OF THE TOWNSHIP BOARD.

EARL W. PAYNE,
Township Clerk.
Dated, January 5, 1945. Jan. 18

AN ORDINANCE

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to construct, maintain and commercially use electric lines consisting of towers, masts, poles, cross-arms, guys, braces, wires, transformers and other electrical appliances on, along and across the public highways, streets, alleys, bridges and other public places, and to do a local electric business within that portion of the TOWNSHIP OF MACON, LENAWEE COUNTY, MICHIGAN, lying south of the east and west quarter line intersecting Sections 13 to 18, respectively, of said Township, for a period of thirty years.

Section 1. The Township of Macon, Lenawee County, Michigan, hereby grants the right, power and authority to the Consumers Power Company, a corporation authorized to transact business in Michigan, its successors and assigns, hereinafter called the Grantee, to construct, maintain and commercially use electric lines consisting of towers, masts, poles, cross-arms, guys, braces, wires, transformers and other electrical appliances, for the purpose of transmitting, transforming and distributing electricity on, along and across the public highways, streets, alleys, bridges and other public places, and to do a local electric business within that portion of the Township of Macon, Lenawee County, Michigan, lying south of the east and west quarter line intersecting Sections 13 to 18, respectively, of said Township, for a period of thirty years.

Section 2. In consideration of the rights, power and authority hereby granted, all of which shall vest in the Grantee for a period of thirty (30) years as aforesaid, said Grantee shall faithfully perform all things required by the terms hereof, and such performance by the Grantee shall be in lieu of all license fees, permits or charges of every name and nature, except property taxes, which the Township might otherwise levy and impose.

Section 3. All of Grantee's towers, masts and poles shall be neat and sightly, and so placed on either side of the highway as not to unnecessarily interfere with the use thereof for street or highway purposes. All of Grantee's wires carrying electricity shall be securely fastened so as not to endanger or injure persons or property in said streets and highways. All work performed by said Grantee in said streets and highways shall be done so as not to interfere with the use thereof, and when completed, the same shall be left in as good condition as when work was commenced. The Grantee shall have the right to trim trees if necessary in the conducting of such business, subject, however, to the supervision of the highway authorities.

Section 4. Said Grantee shall at all times keep and save the Township free and harmless from all loss, costs and expense to which it may be subject by reason of the construction and maintenance of the structures hereby authorized. In case any action is commenced against the Township on account of the permission herein given, said Grantee shall, upon notice, defend the Township and save it free and harmless from all loss, cost and damage.

Section 5. Said Grantee shall be entitled to charge the inhabitants of said Township for electric energy furnished therein, the rates, including minimum charges, as approved by the Michigan Public Service Commission, to which Commission authority and jurisdiction to fix and regulate electric rates and rules regulating such service in said Township, are hereby granted for the term of this franchise. Such rates and rules shall be subject to review and change at any time upon petition therefor being made by either said Township, acting by its Township Board, or by said Grantee.

Section 6. The rights, power and authority herein granted, are not exclusive.

Section 7. This ordinance shall cease and be of no effect after thirty days from its adoption, unless within said period the Grantee shall accept the same in writing filed with the Township Clerk, subject to confirmation of the grant hereof by at least a majority of the electors of said Township voting thereon at a regular or special township election to be held in the manner provided by law. Upon the acceptance and confirmation thereof, the same shall constitute a contract between said Township and said Grantee for a period of thirty years from the date of such acceptance. Jan. 11

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER SIXTEEN | TECUMSEH, MICHIGAN, THURSDAY, JANUARY 18, 1945 | FIVE CENTS PER COPY

Sgt. Robt Check Killed In Leyte

WAS FORMER PRODUCTS WORKER; CHAS. IRELAN MISSING IN ACTION

St. Sgt. Robert Check, son of Mr. and Mrs. John Check of Cone, and a former employee of Tecumseh Products Co., was killed in action on Leyte Island, November 26. St. Sgt. Check had been previously wounded but had recovered and returned to active duty. He had served in the South Pacific for 30 months and had seen action in Buna, Saidor and Attu. He entered the army in April 1941 and had but one furlough since that time and that in October 1941. He was sent overseas in April 1942 and had been on active duty continuously.

A Christmas V-Mail greeting to his family was the last communication received; his last letter arrived October 7.

Missing In Action

Mrs. Charles Irelan was notified Saturday by the War Department that her husband Pfc. Irelan, has been missing in action since December 17. Pfc. Irelan had been in the army about a year and overseas since September. He had been in England, Scotland, France and Germany and the last letter received by his wife was dated December 14 in Germany. Mrs. Irelan and four children live in their home just west of Tecumseh.

Grandson Killed

Mr. and Mrs. Byron Covell of Britton have received word of the death of their grandson Technician Corporal Donald E. Miller, which occurred November 24, from wounds received in action on Leyte Island November 19. Corp. Miller who was 19 years of age, was the son of Mr. and Mrs. Lawrence Miller of Howell and was inducted into army service in August 1943. He was with the 24th Division which invaded Leyte.

Mrs. Myrtie Kilpatrick Dies At Home In Milan

Mrs. Myrtie Kilpatrick, aged 64 years, a former resident of Britton, died January 6 at her home nea Milan. Mrs. Kilpatrick was formerly Myrtle Pilbeam, daughter of Thomas Jefferson and Adaline Masten Pilbeam and was born near Britton September 14, 1880. In October 1900, she was married to Ervin Grannis and the couple settled on a farm near Milan where his death occurred in June 1924. She later married Foster Kilpatrick who died in June 1937.

She leaves a son Peter L. Grannis, with the Seabees in the Pacific, three daughters; three sisters Mrs. Minerva Harriott of Adrian, Miss Mabel Pilbeam and Mrs. Erma Brown and a brother Shirley Pilbeam, all of Britton, and several grandchildren.

The funeral and burial were held January 13 in Milan.

WIT AND WISDOM CLUB

Miss Ruth Harding was speaker at the meeting of the Wit and Wisdom Club held Monday evening at the home of Mr. and Mrs. George Parsons. The assisting host and hostess were Rev. and Mrs. Norman Mac Naughton and the program included charades directed by Mrs. Fred Sheldon.

TO INSTALL VESTRY

The vestry of St. Peter's church, elected at the annual parish meeting last week, will be installed with special exercises at the 11:15 a. m. service in the church on Sunday, January 21.

TO MEET TUESDAY

Tecumseh Music Club will meet Tuesday evening, January 23, at the home of Mrs. Al Helzerman with Miss Ruby Preston and Mrs. Perry Hayden assisting. Mrs. Helzerman willp resent a program on the life of Debussy.

YOUR SUBSCRIPTION, IS IT DUE?

Many subscriptions to The Herald are coming due at this season of the year, especially in the Tecumseh area. Please note the expiration date, printed beside your name and address. It will tell you when your subscription expires.

The expiration date is your signal to renew so that your name will not be removed from the list in these critical war days because of the scarcity of paper.

TOWNSHIP TAXES

Beginning Tuesday, December 12, I will be at the United Savings Bank, Tuesdays and Fridays for the collection of taxes, insurance and dog tax.

Amey K. Scutt,
Dec. 7 tf—adv. Township Treas.

Teachers' Institute In Adrian on Friday

The Lenawee County Teachers' Institute will be held at the Adrian high school auditorium Friday, January 19, beginning promptly at 9:30 a. m. The principal speakers will be Dr. Walter Cocking, managing editor, school executive of New York; Miss Edna Means, characterist, of Chicago; Dr. M. Van Ameyde, principal of Lincoln Consolidated School, Ypsilanti; Dr. Geo. Kiss of U. of M., Ann Arbor and Dr. Laura Zirbes of Ohio State University, Columbus, O.

Public schools here will close for the institute.

2 Eggs A Month For The British

ELWIN MURPHY WRITES FROM ENGLAND TELLING OF RATIONING THERE

Folk in Tecumseh may grumble about the cold, the shortage of cigarettes and the high price of eggs but take it from Corporal Elwin Murphy, somewhere in Great Britain, they have little reason to complain.

Cpl. Murphy, who, before entering service, managed the theatre at Blissfield and for a time was connected with the Strand Theatre here, in a letter this week to Walter Nichols, manager of the Strand, tells something about life in wartorn England.

"Am writing you from somewhere in Great Britain," Murphy's note says. "Sorry I haven't written you sooner, but I haven't been in any position to do any writing for certain military reasons.

"This is pretty country but very quaint and kinda old fashioned. I'd still like to be back in the good old States.

"Everything is rationed to us here, even our coal. We get one scuttle of coal a day, five pack of cigarettes per week, one bar of soap, two candy bars, two razor blades a week, and many things we need we go without.

"The civilians get two eggs per month, for example, some tough going. New Year's eve is just another night here (the letter was written December 31) but at least I have my memories of those past."

OFFICERS ELECTED BY THE REBEKAHS

The Rebekah Past Noble Grand Club met last Wednesday evening at the home of Mrs. Cora Boyd and elected the following officers: Mrs. Martha Lowe, president; Mrs. Lillian French, vice president; Mrs. Mary Furgason, secretary; Mrs. Jennie Hodges, treasurer. A potluck supper preceded the meeting and games were enjoyed during the social hour with prizes going to Mrs. Audrey Glancy, Mrs. Hodges and Mrs. Furgason.

GETS FINAL PAPERS

Luigi Gallo of Tecumseh, a native of Italy, received his final naturalization and citizenship papers at a hearing conducted in the Lenawee circuit court last Wednesday. He was one of a group of seven to be admitted to citizenship.

FIRST LIEUTENANT

Lt. Ralph Camburn who is with the Army Air Force in England has completed a part of his missions and has been made a first lieutenant. He is the son of Mr. and Mrs. Clare Camburn.

Adult Education Courses Offered

HOME PLANNERS INSTITUTE ANNOUNCED; REGISTRATION MONDAY

Registrations for adult education classes are to be made at the local high school building next Monday evening, January 22, at 7:30 p. m. All adults and out-of-school youth who are interested in the classes listed below are asked to enroll on the date specified in order that school officials may determine whether their is sufficient interest and demand to warrant the organization of classes.

One important change in the program which has been deemed advisable since the publication of the previous announcement is a substitution of a "Home Planners Institute" for the class in home making.

This phase of the adult education program is being offered through the University Extension Service and will consist of a series of eight meetings designed to assist all persons who are planning the erection of a home following the war. Topics to be discussed by authorities from the University of Michigan staff include:

(1) The selection of a home site.
(2) The role of the architect.
(3) The choice of materials to be used.
(4) Construction.
(5) Heating and air conditioning.
(6) Interior decoration.
(7) Landscaping.
(8) Financing.

In view of the fact that details regarding the institute cannot be completed by next Monday all adults who are interested in the program are requested to register for the course on Monday, January 29, which will also, in all likelihood be the date of the first meeting. An Institute fee of $1.00 per person will be charged to defray the expenses incurred by the local school in sponsoring the program.

Classes for which adults are requested to register next Monday evening include:

(1) Beginning Typing.
(2) Bookkeeping.
(3) Arts and Crafts.
(4) Physical Fitness class for men.

In view of the fact that the cost of this part of the adult program will be met largely through a grant under the Michigan Adult Education Program, there will be no charge made for registration in the classes which are to be organized next Monday evening.

GETS PROMOTION

POPE FIELD, N. C., Jan. 18—Wayne E. Selders, son of Mr. and Mrs. John E. Selders of Tecumseh, Michigan, has been promoted to private first class at this base of the First Troop Carrier Command. Pfc. Selders, who is married to the former Marguerite F. Bird of Crowley, Colorado, is now assigned to a tactical squadron of the 349th Troop Carrier Group.

NEW A. & P. MANAGER

Carl McLaury is the new manager of the local A. & P. Super Market succeeding Nate Smith. Mr. McLaury comes from Milan where he was manager of the Milan store for 5½ years. Mr. Smith was offered a transfer to the Bronson store but is remaining in Tecumseh where he recently purchased a home.

Memorial Service Is Held For Sgt. Brazee

Sunday morning at the Baptist church, 150 relatives and friends of the late Sgt. Edward A. Brazee, gathered to pay tribute to his memory in a memorial service. Sgt. Brazee was reported killed in India as a result of an airplane crash.

Edward's life exemplifying Christ's teachings was reviewed by the Rev. B. O. Bashore, pastor of the church, and W. L. Berkhof, superintendent of schools, and the audience was urged to rededicate their lives to Christ in tribute to the sergeant's and other lives laid down in the cause of freedom.

David Green sang as the dedication solo, "Take My Life and Let It Be." The gold star was revealed on the service flag bearing 52 blue stars. An azalia plant was presented to the parents, Mr. and Mrs. Alvin Brazee. The service concluded with the responsive reading of a poem, "He Can't Come Home, He's Gone on Home."

Officers Are Chosen By Lutheran Church

At the congregational meeting of Grace Ev. Lutheran church held Sunday, January 14, the following officers were elected: Paul Maves, president; James Tonneberger, financial secretary; Harvey Dinse, trustee; Otto Teske, deacon. These officers will be installed Sunday, January 21.

The Ladies Aid Society of the church met on Thursday and elected Mrs. C. R. Henkel as president; Mrs. D. Poley, vice president; Mrs. J. de Ruiter, secretary and Mrs. G. Bailey, treasurer.

MINSTREL SHOW TO BE STAGED BY GRANGE

Tecumseh Grange met Thursday evening at the home of Mr. and Mrs. M. G. Partridge and made plans for an entertainment contest between the men and women members. The men decided to present a minstrel show February 2 and the ladies planned an entertainment to be held later in the month. Refreshments were served during the social hour.

Mr. and Mrs. Lawrence Hoagland, Mr. and Mrs. Leroy Mathews, Mr. and Mrs. Richard Bruce and Mrs. C. N. Eastof and son Raymond are the supper committee for the next meeting on January 25.

DR. HARRISON TALKS TO ROTARY CLUB

Dr. Samuel Harrison, president of Adrian College, was the speaker at the regular meeting of the Tecumseh Rotary Club, Tuesday evening at Brees Huose. Dr. Harrison who spent five years in China from 1920 to 1925, spoke on the subject, "Toward and Understand of Allied Peace." His talk was very interesting and educational. Next week's meeting will be in charge of the Rev. J. C. Murdoch.

CHILD STUDY CLUB

The January meeting of the Child Study Club was held at the home of Mrs. Duncan Oliphant, with Mrs. Leroy Titley and Mrs. Hugh Andrews the assisting hostesses. "The Social Development of the Young Child" was the topic presented for discussion by Mrs. Garth Hall, Mrs. James Elliott and Mrs. Carl Cederquist. Refreshments were served in conclusion.

The February meeting will be held at the home of Mrs. Sam Sisson.

Sugarboys Bow To The Indians

DEFEATED IN TUESDAY'S GAME, 40 to 10; CLINTON HUMBLES RAIZKMEN

By Bill Sisson

The THS Indians won another contest Tuesday evening when they travelled to Blissfield, defeating the Sugarboys on their own cage court by a score of 40 to 10. Murdoch with 14 points led the scoring. Cheever led the reserves with 7 points and a final score of 20 to 8 in favor of the Indians.

The wild basketball contest in the Tecumseh gym last Friday, brought the Tecumseh Indians their first defeat of the season. The Clinton Redskins, who were the invaders, won their sixth game and captured the L. C. A. A. lead by edging out Tecumseh in one of the traditional contests.

The T. H. S. gym was packed very tightly as the spectators flooded in to see the old rivals in battle again. This victory gave Clinton its fourth win over Tecumseh in the last eleven cage games. But Tecumseh was left with the unique satisfaction of having come the closest to defeating Clinton and having held the Redskins to their lowest score in league play.

Although Clinton is now leading the league, the Indians still have a good chance to take at least part of the championship by downing the Redskins in their second meeting. This contest will be played at Clinton February 16.

The Indians began their seventh game very well by playing a slow and careful type of ball. In fact, it was so effective against the Clinton five that they led at half time 9-6 and had not allowed a single field goal.

However, the third stanza proved to be a sudden downfall for the Braves as Clinton gathered 9 points to lead 15-12. And during the final period, Clinton gathered another 4 markers, to even the 2 field goals by Tecumseh in the last minute of play. The previous lead collected by the Redskins, however, gave them the 3 point victory.

The Indians outplayed the Redskins while the clock was running, by chalking up 7 field goals to Clinton's 4. However, the Redskins slipped in 11 charity tosses while Tecumseh was able to sink only two.

John Murdoch led the Indians with 3 baskets and a free throw only to be tied by the county's high scorer, John Gilman, who also collected 7 markers. Bancroft followed close behind with 6. The Reserve contest gave some satisfaction to the cheering Tecumseh rooters as the Raizkmen trimmed the Clinton seconds 31-9.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. John Cowan are announcing the engagement of their daughter Wilma Lucille to Pfc. Delmar S. Dunham, son of Mrs. Daisy Bartel, both of Britton. Pfc. Dunham recently returned from nearly three years in the Pacific.

ON DRAFT BOARD

Henry N. Raymond of Seneca, formerly of Tecumseh, has been appointed a new member of the Lenawee county draft board to succeed John C. Howell, who resigned. Mr. Raymond was elected secretary of the board.

Four From Tecumseh Report For Service

Doran Withrow, Jack Puffer, Mervin H. Pilbeam and Russell R. Sage from Tecumseh; Francis J. Nichols and Clifford Marr of Onsted and Ralph Scriver, Clinton, were among the group of 44 Lenawee county men inducted into the army and navy January 4. Withrow and Nichols were assigned to the army, the others to the Navy.

The county draft board has an order for 164 men between the ages of 18 and 25 in the 2-C group to report for pre-induction in Detroit Tuesday, January 23.

Franchise Vote

VILLAGE COUNCIL AT MANCHESTER FAVORS NATURAL GAS PLAN

Manchester, Mich., Jan. 18—Natural gas service for Manchester now is in sight.

At its meeting last week the Village Council unanimously approved a proposed franchise authorising Consumers Power Company to provide natural gas serivce.

The franchise will be submitted to the voters at a special election Tuesday, February 13, and if the Council's action is ratified the Company, according to Division Manager H. H. Koelbel, will make natural gas service availble to the people of Manchester "at the earliest possible moment."

Plans include laying a branch line between Manchester and the Panhandle Eastern pipeline which passes within a few miles of the village. The Panhandle line brings natural gas from the fields of Texas and Kansas to be distributed by Consumers in Jackson, Kalamazoo, Pontiac and many other communities.

"Under ordinary circumstances I would saw we could be in Manchester with natural gas this summer," said Mr. Koelbel, "but wartime conditions make it impossible to predict just when the branch pipeline and service mains could be completed."

The franchise provides that unless construction begins within three years, the Council will have the privilege of cancelling the franchise.

Rates would be in accordance with a schedule which has been filed with the village clerk, which sets forth the same rates as are now in effect in Flint, Pontiac, Kalamazoo, Jackson and elsewhere. Either the village or the company, would have the right at any time to petition the Michigan Public Service Commission for a change in the rate schedule.

FUNERAL SERVICES HELD FOR MRS. HATTIE KEMP

Funeral services for Mrs. Hattie Kemp were held Friday afternoon at Belding Funeral Home with Rev. J. C. Murdoch officiating. C. O. Bailey was the soloist, accompanied by Mrs. John Calhoun. Bearers were Fred Weslow, Ernest Church, K. D. Hall, Ronald Pocklington, John Calhoun and Grover Burg, and burial was in Brookside cemetery.

Among those from away who attended were Glen Wilson of Atlanta, Ga., Miss Lillian Orendorff of Flint, Mrs. C. J. Doyle of Adrian, Mr. and Mrs. Grover Burg of Ann Arbor and others from Adrian, Tipton, Holloway, Ridgeway and Tecumseh.

Youth Club Is Ordered Closed

YOUTH COUNCIL SETS FORTH REASONS AND TENDERS RESIGNATION

The Opekasit Club, operated here for a little more than a year as a youth club and financed largely from Community Chest funds was ordered disbanded by the Youth Council's board of directors, in session Monday evening. The action followed a meeting of the board, to which interested parents and citizens were invited. It was said that not more than five citizens other than board members attended the meeting. Members of the Youth Council also tendered their resignations.

The Youth Council today authorized this statement in connection with its action:

"The present Tecumseh Youth Council has decided for a number of causes that any reasonable purpose it could see for being no longer exist or are thwarted by condition over which it has no control. Therefore, the Council hereby declares itself disbanded and the Youth Club which it controls, closed.

"We wish to explain the reason for our action.

"The Youth Council was instituted to establish and control a Youth Club in Tecumseh for the purpose of attempting to curb and prevent what is commonly termed juvenile delinquency.

"At the present time we are unaware of flagrant delinquency on the part of young people in Tecumseh. In any case, if there be any such delinquency such young people are not attracted to a Youth Club such as the Council has maintained.

"On the other hand, instances have been cited of young people using the excuse of attendance at the Youth Club in order to leave their homes for other reasons. And some parents complain that they have difficulty with their children who clamor to go to the Youth Club, when heretofore their children have been contented to entertain themselves at home.

"Even if a Youth Club were desirable, the problem of supervision remains unsolved. We know of no adult in Tecumseh trained in youth guidance and supervision who is available even for a reasonable wage to plan and execute and oversee the activities of a proper youth club.

"With all respect and gratitude for those adults who have volunteered their part-time services, the result of inadequate supervision has resulted in repeated damage and destruction of club property by careless and even malicious young persons.

"We do make a recommendation based upon three qualifying conditions:

"Those conditions are: 1. If there is widespread feeling that directed recreational and occupational activities are needed for the youth of Tecumseh; 2. And, if adequate funds for personnel and equipment can be made available and be guaranteed; and, 3. if the services of a qualified person can be obtained, then we recommend that such a person be employed by the Village Council to plan and execute a year-round program of activities for young people in Tecumseh. We have in mind a summer program of athletics, picnics, games, hikes, crafts and such other activities as are beneficial; a winter program of outdoor activities such as skating, tobogganing and skiing and other indoor activities such as games, dramatics, crafts, dancing and parties, for which the school could be used.

"Such a plan would entail the expenditure of several thousands of dollars annually and the employing of a person whose sole profession is the field of youth guidance and supervision.

"We wish to thank all who have sympathized and aided our attempt to fulfill our function. We want to especially pay tribute to Miss Lucille Murdoch who has given of herself untiringly and enthusiastically to help make the Youth Club a success. With adequate support she would have succeeded.

"And so we tender our resignations willingly that any who believe we might be mistaken can take over where we left off, but we still believe the reasons for our action to be sound and well-founded."

It was announced that those persons who have donated any equipment to the Youth Club may call Mrs. Frank Smith or Mrs. R. H. Moore if they wish it returned or to make other disposition of their property. If no calls are received the property will be sold.

The Youth Council was made up of the Rev. John Scarlett as president; Mrs. Frank Smith, treasurer; Mrs. R. H. Moore, secretary; Lee Randall, Wilfred Waldron, W. L. Berkhof and the Rev. B. O. Bashore.

REGARDLESS OF YOUR STATUS IN LIFE—

What Can You Do To Prevent Inflation?

By Robert G. Fuller

The following article on finances, written by Robert G. Fuller, appeared in the T.P. Broadcast, the Tecumseh Products Company's shop magazine, this week. Because of its timely nature, The Herald reprints it so that it may be read and digested by a greater number of people.

Whatever our status may be as individuals, as a nation we enter the year 1945 under rather well-to-do circumstances. We have in our pockets some thirty-five billion dollars more than there are things to buy—even after paying taxes. For the fifth straight year we have had a gigantic margin of extra money.

For some people this is a cause for optimism and self-congratulation. Others more thoughtful, view it in much the same light as an engineer watching the gauge on a steam boiler rise toward the danger point. If the boiler holds, if that pent up steam can be controlled, it will help to drive American steadily forward through the postwar years. If it lets go—if all those dollars are turned loose to bid against each other for food, colthing, and all the necessities of life—well, that's inflation in its most violent and destructive form.

It has been happening recently in Greece. Not long ago the Greek who had a drachma could count on it buying food or clothing or other goods to the extent of 19½ cents. By early Nvember of 1944 he needed 16,000,000,000 drachmas to buy one cent's worth of goods.

Russia, Germany and other countries have gone through similar periods. In Russia, after the first World War prices rose until an egg or an apple was sold for 10,000 roubles. In Germany under normal conditions it was possible to exchange five marks for an American dollar. By January 1923 the exchange called for 7,260 marks. In February it took 21,210 paper marks. By July it had passed the million point and by the end of the year, four billion paper marks were needed to buy what could be purchased with one American dollar.

These were not mere financial manipulations, recorded in obscure corners of financial pages. They gravely affected the lives of everyone in the country, and ultimately in the entire world. It is not necessary for inflation to go to any such extremes as in Greece, Russia, or Germany to wreak economic havoc in America. Runaway prices that stop far short of those fantastic levels nevertheless can spell hardship and misery for nearly everyone in America. But most of all it means ruin for the more than 20,000,000 people with fixed incomes; the white collar workers, old folks with savings, veterans with pensions, dependents of men and women in the armed forces, the beneficiaries of trusts, insurance policies, and employee pensions, and millions of others.

Victory by our armed forces in Europe and elsewhere will not end the peril of inflation. So far, it is true, the cost of living during the present war, according to government statistics, has not risen as much as during the first World War. In 57 months of the first conflict, the cost of living went up 66% whereas in 57 months of this war it had risen only 26.8%. But what must be remembered is, that after the end of the first World War, the cost of living rose more than twice as fast as it did during the war itself.

It looked good for a time. Money came easily—and went easily. Prices soared. Sugar was 28 cents a pound, eggs $1.25 a dozen. Rents and other living costs rose proportionately. That was inflation. But it ended as it always does with the balloon bursting. By 1921 factories were closed. Men were laid off. Prices and wages were sinking fast. We were beginning to wish we had saved some of the money we spent so freely a few years before. We were learning the lesson that what goes up must come down; depression always follows an inflation.

But we hadn't learned it too thoroughly. By 1929 everything was skyrocketing again. Stocks went up fifty points in a week. Everybody was buying everything—bidding against each other for jewelry, stocks, real estate, regardless of cost. Only the far-sighted worried about depression. In the roaring twenties most of us were confident that we had finally buried that bogey.

But the rule still held. What went up came down. There were bread lines and apple vendors. Jobs were hard to find. Prices were dropping, wages were dropping. It was a lesson to last a lifetime.

But will it? Once again, as a people we have money, in our pockets, in our bank accounts, in War Bonds and other savings. The question is: Can we keep it there until it is safe to spend it for things we really want—for homes, for education for our children, for travel, for better living, for retirement—or will we launch out on another buying spree, bidding against each other things we don't really need, buying things we don't really need, forcing prices up, making another ruinous depression inevitable.

To a very great extent the answer lies with each of us as an individual. There are four principal ways in which everyone can help to prevent inflation:

1. Buy only what you need.
2. Pay no more than ceiling prices. Don't be stampeded into bidding up the prices of things you don't really need.
3. Keep your own prices down. Don't take advantage of conditions to ask for more—for your labor, your services, or the goods you sell.
4. Save. Buy and hold all the War Bonds you can afford.

In 1920 a point was finally reached where our sanity returned and we refused to continue to pay fantastic prices. They called it a "buyer's strike"—but it stopped inflation in its tracks.

This time, why can't we apply this commonsense before inflation gets under way and by the same means—restricted buying?

If we can, we will have proved that at last we have really learned the lesson that what goes up must come down.

UNFORGIVABLE NEGLIGENCE

Shortly before the Christmas holiday, the people of a Western city heard the wail of fire sirens. At first they thought nothing of it. The sirens whine every day in large cities. But this was different. Rig after rig wheeled out of station houses and went shrieking through the streets. First aid cars and police sirens screamed in the wake of the fire engines. The news spread that a school was burning—a grade school housing four hundred students. Foreboding and horror clutched at thousands of hearts. Disaster and tragedy were written on thousands of faces. But fortunately, cool thinking and rigid fire drills paid off. Four hundred children returned home safely. An entire city breathed a sigh of thankfulness.

In that narrowly averted tragedy there is a lesson. The school was a firetrap, yet lethargy and unwillingness to add a few dollars to local tax bills kept the school in use. Throughout the nation similar schools are being used every day. If we are so careless as to permit a single child to attend school in a building that by all standards of modern construction is unsafe, what can we expect in other aspects of fire prevention?

Thousands of persons die in the flames of burning buildings each year. Each year responsible authorities strive harder to drive home the simple lesson of caution. The people of at least one city which nearly lost hundreds of its youth through unforgiveable negligence, may now realize how much remains to be done.

Brake Relining

One of our Specialties

More and more every day, we are finding that customers appreciate the service that we are giving on brake repair and relining.

We are in a position to reline the brakes on almost any make of car or truck and to do the work promptly and efficiently.

Remember, brakes are mighty important now, far more important than when new cars might have been purchased or repair parts obtained. Bring your car to us for all types of brake service.

Tire Repairing—Vulcanizing

Don't neglect small breaks in the casing of your tires because soon the water and moisture gets into the fabric and then—well, the tire generally blows out.

You can avoid costly blowouts by having your tires repaired in our shop. Our vulcanizing method makes it possible for us to give you prompt service and at a minimum of expense.

A CORDIAL WELCOME TO ALL

Annual Parish Meet Held at St. Peter's

Fifty people were present for the supper and annual parish meeting at St. Peter's church last Wednesday evening. The rector, the Rev. John R. Scarlett, reported on the state of the parish to the end of 1944 and suggested means for it to be of more effective service to its members and the community during the new year. He emphasized the needs for improving work among the young people, in the church school and in the women's guilds. He called for people in trouble, especially in these days of tension and crisis, to depend more upon the church and their pastor, whose business is fundamentally reconciliation. "Too many people turn to the church for help as a last resort, when it is too late for help from any source," he said.

Other reports received were from the parish treasurer, Leland Randall, concerning the 1945 budget, L. W. Larsen, the church school, Lester Rogers; the choir, Fred Dickinson; the Army-Navy commission, Mrs. H. B. Lewis, Mrs. Glenn Driscoll, Mrs. J. W. Smith; St. Peter's Guild, Mrs. J. W. Smith; the Daughters of St. Peter, Mrs. Glenn Driscoll; the Lyster League, Mrs. Thomas O'Hara; and the Altar Guild, Mrs. R. K. Anderson.

Vestrymen for 1945 were elected as follows: for three years, P. C. Satterthwaite, W. P. Van Tuyle, Glenn L. Driscoll, Lester Rogers; for two years, L. W. Larsen, O. W. Farver, Leland Randall, C. O. Butler; for one year, Jens Touborg, George McCombs, M. L. Dannells, L. A. Curtiss.

At a brief vestry meeting in the rectory following the annual meeting vestry officers and delegates to the annual convention of the diocese of Michigan were elected. Vestry officers are Lester Rogers, senior warden; M. L. Dannells, junior warden; Glenn Driscoll, secretary; George McCombs, treasurer. Delegates elected to the diocesan convention to be held at St. Paul's Cathedral, Detroit, on Wednesday, January 31, are L. Rogers, L. W. Larsen, Geo. McCombs. Their alternates are John Zeigler, M. W. Wilson and O. W. Laidlaw.

Mrs. Rose E. Burrow Dies In Indianapolis

Mrs. Rose E. Burrow, aged 71 years, died early Saturday morning at the home of her daughter and husband, Mr. and Mrs. Frank Snell in Indianapolis, Ind., where she had made her home the past two years. She had been in failing health for three years and confined to her bed for three weeks.

Mrs. Burrow was born August 19, 1873, in Danville, Pa., and had lived in Tecumseh for 40 years before going to Indianapolis. Her husband Frederick R. Burrow preceded her in death in 1907.

She was a member of the Tecumseh Presbyterian church and of Tecumseh chapter, Order of the Eastern Star.

Survivors are her daughter Mrs. Ethel Snell of Indianapolis; a brother William E. King of Kenmore, N. Y.; a grandson Corp. Charles Alden Snell in the Philippine Islands.

Funeral services were held Monday afternoon at Collins Funeral Home. Rev. Edward Escolme officiated and services were conducted by Tecumseh Chapter, Order of the Eastern Star. Bearers were Kenton Hunt, Fred VanTyne, Richard Roe, William J. Hanna, F. C. Hanna and H. H. Hanna and burial was in Brookside cemetery.

Mrs. Frank Gilmore Dies At Home In Parma

Mrs. Frank Gilmore, a former resident of Macon township, died last Wednesday at her home in Parma after 14 years of invalidism.

She leaves her husband, two sons Bertram of Lake Worth, Fla., and Donald of Parma; two daughters Mrs. Carlton Moe and Miss Hilda Gilmore of Parma.

Mrs. S. W. Boyce, Clarence Gilmore, Mr. and Mrs. Wilbur Boyce, Mrs. Oral Freer and daughter Julia, with Mr. and Mrs. Ray Gilmore and Herbert Gilmore of Macon and Misses Lulu and Julia Gilmore of Ridgeway were in Parma Saturday for the funeral.

DIES IN MAINE

Word has been received here of the death of Mrs. Clarence Symonds which occurred after a long illness in Skowhegan, Maine, where she and Mr. Symonds had made their home for a number of years. Mrs. Symonds was the former Gertrude Van Ness of Tecumseh, and Mr. Symonds also made his home here for some time.

Survivors are the husband, a brother Lester H. Van Ness of Cleveland, O., and three nephews.

Lighting Research is "MOVING the SUN"

This picture is not as impossible as it seems. It illustrates something that science is planning for your home of tomorrow. Only, instead of moving your bath fixtures outdoors, you'll do your sunbathing in the privacy of your own bathroom.

Lighting research is virtually moving the sun indoors — bringing you all of the priceless benefits of sunshine at the snap of a light switch. For example:

★ Softer, more abundant light for easy seeing.
★ Ultraviolet that produces essential Vitamin D.
★ Short-wave ultraviolet that kills germs.
★ Soothing, penetrating heat.

Why not start planning now for your sunlit home of tomorrow. Any home, old or new, can have indoor sunshine. We will be glad to advise you without charge or obligation.

SETS A RECORD

A 7TH AAF HEAVY BOMBER BASE IN THE PALAUS—Lieutenant Harold J. Leach, whose wife is the daughter of Mr. and Mrs. Clifford E. McClure of 411 Logan St., Tecumseh, has set a record for his 7th AAF bombardment group in the Palaus. His plane has made five three engine landings in five weeks. The two most recent landings occurred in one day.

Headed for a Jap held target in the Phillippines, Lieutenant Leach's plane developed an oil leak in the number four engine. The Liberator continued on its over-water flight, but just short of the target the engine died. Unable to continue, the crew jettisoned the bombs and headed the plane for a friendly base on Leyte.

After making repairs, Lieutenant Leach and the crew took off for their home base. They had flown a few miles off the Philippine coast when the engine stopped again. On three engines they stayed on course, and after a four hour over-water flight, made a safe landing at their base in the Palaus.

COULD YOU PAY $10,000
AS A RESULT OF AN AUTO CRASH?

Suppose your car becomes involved in an automobile accident in which one or more persons are injured or killed?

Could you conveniently pay $5,000 or $10,000 —lay the cash on the line?

That's what the new Michigan Responsibility Law says you must do, and,

If you don't do it, you lose your right to drive until the claim is paid and until such time as you satisfy the state that you are responsible, should other accidents occur.

Why take a chance? See us for insurance that will give you complete protection.

How Americans
Can Earn More
Buy More
Have More

What kind of life will you have in the postwar period? Will servicemen find jobs? What about demobilized war workers?

These are questions on everyone's mind today, and it is not too early to find answers to them.

Our first and all-important job is to win the war. But the time has come when we must look beyond military victory —to make sure that we will have, in peace, the kind of world for which we are now fighting.

POSTWAR PROSPERITY FOR ALL

In this undertaking American business—manufacturing, retailing, farming, construction, transportation—will play a major role. For it is primarily to business that the returning servicemen will look for a job, the demobilized war worker come for peacetime employment, and the American public turn for a higher standard of living. It is to American business, too, that the people of other lands will look for the tools and goods with which to rehabilitate their nations and provide for themselves a higher standard of living.

Business plans and is ready to meet its responsibilities.

Its plans are based on common-sense facts—that the key to postwar prosperity is HIGH PRODUCTION, and that the way to keep production at a high level is to be sure that all of us will be able TO BUY the things our farms and factories can produce.

Only an income based on production can provide, at the same time, THE MONEY TO BUY WITH and THE THINGS TO BUY.

HOW THIS CAN BE BROUGHT ABOUT

Every wage-earner is both a producer and a consumer—he makes things and he buys things.

If he is PAID enough for what he MAKES, and given good enough BARGAINS in what he BUYS, the "process of prosperity" can be put in motion and lasting jobs created. They can't be made through government hand-outs—which only increase public debt nad raise taxes still further.

Two things are required to put this "process of prosperity" into operation. The first is an honest and aggressive effort by management to fulfill its part of the program. The second is public cooperation—in creating conditions favorable to the full play of the country's limitless energy and ambition.

Business is pledged to do its part—first, by increasing the opportunities for all to EARN and, second, by increasing the opportunities for all to BUY.

TO INCREASE THE OPPORTUNITIES FOR ALL TO EARN, business pledges a just and enlightened wage policy, and the opening of every possible avenue of advancement for the worker.

It proposed to proceed at the earliest possible moment with the starting of new ventures and the expansion of old in order to provide more jobs for more people—including returning servicemen and demobilized war workers.

It proposes to put into workers' hands the most efficient tools available—so that a worker, by increasing his production, may add still further to his earnings.

TO INCREASE THE OPPORTUNITIES FOR ALL TO BUY, business proposes to make full use of the technological "know how" it has accumulated during the war to put on the market the finest products that can be made, at the lowest prices for which they can be sold.

It proposes to seek, through unending study and research in the fields of production and distribution, every possible means for lowering prices still further over the years, so that more of the good things of life can be enjoyed by more and more of the people.

It proposes to encourage full and free competition to avoid restraint of trade and so assure better and better values.

YOUR HELP IS NEEDED

This is business's program for the future. To bring it about as quickly as possible will require your help. For its accomplishment will need legislative action—action that you can encourage. Postwar tax policies that leave sufficient funds for expansion. Laws that clearly prevent unregulated monopoly. Labor policies that establish the responsibilities of both labor AND management. And business operation under LAW instead of by unpredictable "directive."

NOTICE OF SPECIAL TOWNSHIP MEETING AND ELECTION

WHEREAS, at a meeting of the Township Board of the Township of Macon, Lenawee County, Michigan, held on the fifth day of January, 1945, a franchise ordinance was adopted, entitled as follows:

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to construct, maintain and commercially use electric lines consisting of towers, masts, poles, cross-arms, guys, braces, wires, transformers and other electrical appliances on, along and across the public highways, streets, alleys, bridges and other public places, and to do a local electric business within that portion of the TOWNSHIP OF MACON, LENAWEE COUNTY, MICHIGAN, lying south of the east and west quarter line intersecting Sections 13 to 18, respectively, of said Township, for a period of thirty years.

WHEREAS, said Consumers Power Company has heretofore filed its written acceptance of said franchise, and has requested that the question of confirming the grant thereof be submitted to the qualified electors of the Township, at a special election to be held for that purpose, and has also paid to the Township Board the estimated expense of holding such special election; and,

WHEREAS, there has been heretofore filed with said Board, a petition signed by at least twelve electors, requesting that a special township meeting and election be called for such purpose;

NOW, THEREFORE, in pursuance of such resolution, notice is hereby given that a special meeting and election will be held in said Township at the Macon Town Hall on Thursday, the 15th day of February, 1945, for the purpose of voting on the confirmation of the action of said Township Board in granting such franchise.

The polls of said election will be opened at 7 o'clock in the forenoon, or as soon thereafter as may be, and will be held open until 6 o'clock P. M., Eastern Standard (War) Time. The Township Clerk will be in his office on the 26th day of January, 1945, said date being the twentieth day preceding the date of said election, for the purpose of reviewing the registration, and registering such of the qualified electors of the Township as shall appear and apply therefor, which registration may be made on said date, between the hours of 8 o'clock A. M. and 8 o'clock P. M.

Said franchise as granted by said Board, is on file with the undersigned Township Clerk for the purpose of inspection by the qualified electors.

BY ORDER OF THE TOWNSHIP BOARD.

EARL W. PAYNE, Township Clerk.

Dated, January 5, 1945. Jan. 18

Mrs. Nellie Kenrick, Former Resident, Dies

Word has been received by friends here of the accidental death of Mrs. Nellie Kenrick, which occurred December 5 in a fire in Cleveland, O. Mrs. Kenrick lived with her family in Tecumseh from 1908 till 1914 and during that time her husband Lewllyn Marks Kenrick, was employed as telegraph operator at both depots then in operation here. Mrs. Kenrick was the daughter of David and Lucina Welch of North Adams and was born at Linden, Kansas, December 6, 1870. Her mother died three years later and she was brought back to North Adams to be reared in the home of her grandmother.

On June 14, 1893, she was married to Mr. Kenrick, whose work took him first to Indiana, then to Wisconsin and Michigan, where he was employed in Bronson, Britton, Lenawee Junction, Monroe, Clinton, Tecumseh and Eaton Rapids. Mr. Kenrick was killed by a railway train at Millersburg, Ind., in 1921.

Two of the Kenrick children entered the ministry and received their training at Taylor University. Harold graduated there in 1923 and following his graduation later from Princeton Seminary, took a Methodist pastorate in Western New York in 1926. At present he is preaching at Machias, N. Y. The daughter Aileen later married the Rev. Orville W. French and after a year's pastorate in Indiana went to Korea under the Oriental Missionary Society. She and her family now reside at Wilmore, Kentucky.

Burial services for Mrs. Kenrick were held in North Adams on December 8.

Public Installation Held By Pythian Sisters

On Wednesday evening, January 10, the Pythian Sisters held a public installation of officers in their hall with Mrs. Lynn Harris as installing officer, Mrs. Alta Lidke as grand manager, and Mrs. Lynn Hubbard as grand senior. The officers installed were: Lela Oliphant, most excellent chief; Esther Beckman, past chief; Margaret Kempf, excellent senior; Margaret Swift, excellent junior; Ruth Abner, manager; Rilla Kring, mistress of finance; Jean Hall, mistress of records and correspondence; Leia Wood, protector; Minnie Whelan, guard; Roma Waters, pianist; Ruth Vincent, press correspondent; Alta Lidke, staff captain.

Following the installation other officers were introduced by the mistress of records and correspondence, and Judy Beckman, as flower girl, and in formal dress accompanied by Glenn Williams, presented each new officer with a corsage from the most excellent chief. Mrs. Oliphant then addressed the group and introduced the newly elected chaplain or commander Forrest Abner, who spoke briefly. Gifts were presented to the past chief, retiring past chief and most excellent chief.

The meeting closed with assembly singing of America and a moment of silent prayer for the boys and girls in service. Later the K. of P. quartet entertained the group with several songs and buffet refreshments were served by the officers and committee composed of Mrs. Carl Thompson, Mrs. Frank Beal, Mrs. Elmer Wilt and Mrs. Frank Gray.

The next meeting will be the annual roll call and 100 per cent attendance is requested either in person or by message. Those desiring transportation are to notify Mrs. Harry Schuch or Mrs. Luther Wood. At the following meeting a study of the foundation of Pythianism will be started with Mrs. Dora Aten as instructor. The Knights will show slides and explain their lesson on Friendship.

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER SEVENTEEN | TECUMSEH, MICHIGAN, THURSDAY, JANUARY 25, 1945 | FIVE CENTS PER COPY

Home Planning Institute Here

WILL START NEXT WEEK MONDAY EVENING; EIGHT LECTURES IN ALL

Registration for a Home Planners Institute, designed with a thought in mind for Tecumseh folk who plan the post-war building and remodeling of homes, will be held next Monday evening at the high school at 7:30 p. m., and, according to W. L. Berkhof, superintendent, the first lecture in the series of eight, will be given at 8 p. m. the same evening. The Institute is sponsored by the school, cooperating with the University of Michigan Extension Department. Similar Institutes are being held in other parts of the state and are attracting audiences ranging from 200 to 400 persons.

"We are of the opinion that there are enough people in Tecumseh who are vitally interested in post-war building and remodeling," Mr. Berkhof said, "and it is for that reason that we have made the Institute a part of our adult education program locally. Because of the heavy expense in conducting the course on the part of the University, it is necessary to charge a $1 registration fee for the series. However, the $1 pays for all eight of the meetings, bringing the cost of each meeting to less than 13 cents per person."

Topics to be discussed by members of the University staff are:

The Selection of a Home Site.
The Role of the Architect.
The Choice of Materials to be Used.
Construction.
Heating and Air Conditioning.
Interior Decoration.
Landscaping.
Financing.

Experts in each field to be discussed will be sent to Tecumseh each Monday evening for eight weeks, Mr. Berkhof said, to give interested persons the benefit of their knowledge. Subsequent meetings in the Institute, he said, will be held at 8 p. m., each Monday evening at the high school.

"In all probability the lecture part of the home planners series will last about one hour and after that the meeting will be thrown open to discussion. Persons interested in building may ask the specialists any questions they desire about their particular problems," Mr. Berkhof said. "I feel certain that the scores of people here who are planning to build after the war will find the lectures highly educational and very timely."

Registration for other night school courses in the school's adult education program also will take place next Monday evening. All adults and out-of-school youth interested in the classes are asked to register at that time, as that officials may know wheher or not there is sufficient interest to warrant the organization of classes.

Classes for which adults are asked to register next Monday are:

Beginning Typewriting.
Bookkeeping.
Arts and Crafts.
Physical Fitness Class for Men.

Because a large portion of the expense of these courses is borne by the state, no registration fee is charged.

DUNDEE RESIDENT DIES SUDDENLY

Mrs. Alba Gee, aged 69, wife of Phillip Gee of Dundee, died suddenly Monday evening of a heart attack. Mrs. Gee and daughter were returning from her son's home when their car stalled in a snow drift. They attempted to walk for help when Mrs. Gee was stricken and died instantly. Snow plows were necessary before they could be reached.

Mrs. Gee leaves her husband, two daughters Dorothy and Carol of Monroe and a son Edward O'Connor of Dundee, also a sister and a daughter in Kansas, and two step-daughters Mrs. John Kopka and Mrs. Russell Starkey of Tecumseh.

The funeral and burial will be held today in Dundee.

LYSTER LEAGUE

The Lyster League met last Wednesday evening at the home of Mrs. Leo Aldrdyce for their regular meeting and a program in charge of Mrs. Lelah Thurlby. Refreshments were served. A special meeting was held last evening at the parish house for election of officers. The next regular meeting will be held February 7 at the home of Mrs. Charles Mensing.

New Lighting Contract O. K.'d

VILLAGE SHIFTS STREET LIGHTING MAINTENANCE TO CONSUMERS CO.

The village relieved itself of all maintenance of street lights when it authorized a new contract with the Consumers Power Company, Monday evening, and while the shifting of responsibility will cost the village about $100 more annually, it was said that Tecumseh will benefit materially.

In the future, under the new contract, the Consumers company must maintain all lights, including downtown boulevard lights. Heretofore, broken lamp posts, globes, painting and other repairs came out of village funds. The council also asked that the boulevard lights be allowed to burn all night in the downtown district, before they have been turned off about 11 o'clock.

The council, in session Monday evening, authorized the purchase of a 550 gallon gasoline tank and other oil storage tanks and soon it plans to furnish its own gasoline and oil for all village trucks and other equipment. The tanks will be buried at the village garage on North Pearl street and dispensing will be under the direction of the village engineer.

The move was deemed advisable, it was said, because under the present system, where gas and oil are purchased at retail, the village loses heavily in tax payment. Although the village is entitled to refunds, the added bookkeeping eats up the tax, it was said.

Some $10,000 worth of government War Bonds, due February 1, will be sold by the village and the money reinvested in bonds, the council said. At present, the village has $30,000 invested in War Bonds.

Gustav A. Wuerthner of Manchester, Dies

Gustave A. Wuerthner, life long resident of Manchester, well known throughout Washtenawee and Washtenaw counties, died Thursday at Veterans Hospital in Dearborn, where he had been a patient nearly four years. Both of his legs had been amputated during that period but he had been in fairly good health and his death came unexpectedly.

Mr. Wuerthner who was nearly 70 years of age, was born January 22, 1875 in Manchester and was a son of the late John and Caroline Yeutter Weurthner. He was a veteran of the Spanish-American War and at the close of the war became a partner in the clothing firm of Wuerthner Bros. with his father and brother Carl. He was a member of the Emanuel Evangelical and Reformed church and also of the Maccabees, and all his life had been an ardent baseball fan.

Survivors are two sisters, Mrs. A. M. Kiebler of Clinton and Miss Lelah Wuerthner of Tecumseh, and two brothers Carl of Manchester and Julius of Great Falls, Montana.

Funeral services were held Sunday afternoon at the Emanuel church in Manchester, Rev. H. S. von Rague officiated and burial was in Oak Grove cemetery.

W. L. COLLINS DIES

William L. Collins, aged 78 years, died Thursday afternoon at his home in Ann Arbor where he had lived 45 years. He had been failing for some time but ill only a few days. He was born June 7, 1866 in Saline township and was the son of the late Samuel and Mary Collins. He was a member of the First Methodist church of Ann Arbor.

Survivors are a son Hazen S. Collins with the Merchant Marines, a daughter Mrs. Mildred Hathaway of Jackson, a sister Mrs. Jennie Burg of Ann Arbor and a grandson. Funeral services were held Sunday in Ann Arbor and the burial was in Macon cemetery.

ENJOYS XMAS DINNER

Sgt. Gerald Driscoll writes his parents Mr. and Mrs. Glenn Driscoll from England, of eating Christmas dinner with Mr. and Mrs. John Goddard at Wisbech, Combs, England, parents of Don Goddard of Tecumseh. He writes "chicken, mashed potatoes, sauce, fruit cake and everything. Nice people and sure treated me like a king. Had my breakfast served in bed, slept in son's pajamas and wore his robe in the morning."

Miss Beulah Truesdale Weds Howard P. Morris

At a double ring ceremony December 31 at Bethany Chapel in Chicago, Miss Beulah Truesdale, daughter of Mr. and Mrs. John C. Truesdale of Tecumseh, became the bride of Howard P. Morris, a.m.m. 2/c, son of Mrs. George Lerch of Toledo and C. W. Morris of Detroit. Their attendants were Bryan Morris, uncle of the groom and Mrs. Betty McKarney.

The bride wore a winter white wool street length dress with Burmarose accessories; her flowers were roses. The bridesmaid wore a misty green wool dress with black accessories and pink carnations.

Mrs. Morris is a graduate of Tecumseh high school and of Mercy School of Nursing in Jackson. The groom is a graduate of Libby high school in Toledo and before his enlistment was employed at Briggs Aircraft in Detroit. He returned in August from two years overseas duty in the South Pacific.

The couple are making their home at 2014 Larkdale Drive, Glenview, Ill., where the groom is stationed at the Naval Air Base.

Memorial Services Are Held For Donald Miller

Memorial services for T/5 Donald Miller, who died on Leyte Island in the Philippines November 24, from wounds sustained November 19, were held January 14 at the First Baptist church in Howell.

Donald was the only son of Mr. and Mrs. Lawrence Miller and a grandson of Mr. and Mrs. Byron Covell of Britton and Mr. and Mrs. Frank Miller of Adrian. He was born March 12, 1925, and received all his education in the Howell school where he had lived since February 1929. He left school before graduation to enter military service July 23, 1943. He was assigned to radio repair work with the infantry and received his basic training at Camp Croft, S. C. After being sent overseas in February 1944, he was first stationed in New Guinea and later participated in several invasions, including those on Hollandia and Leyte.

His father is employed as switchboard repairman for the Michigan Bell Telephone Co. at Howell and the family has many friends around Britton and Tecumseh.

Mrs. Byron Covell and Mrs. Fred Miller of Britton, Mr. and Mrs. Elmer Miller and son, Mr. and Mrs. Frank Miller of Adrian, Mr. and Mrs. Harold Covell of Clinton and Mr. and Mrs. James Underwood of Sylvania attended the services. His grandfather Byron Covell was unable to attend because of illness.

FELLOWSHIP SUPPER

A Fellowship Supper was held at the Friends church Monday evening honoring St. Sgt. Ivan Maynard, recently returned after 50 missions over Europe; Pvt. Clarence Randolph, home after 27 months in Iceland and Robert Meads, who left Tuesday for naval training. A program was presented and included talks by both returned service men, music and readings and motion pictures.

Tecumseh Bows To Manchester

INDIANS NOW TIED WITH DUTCHMEN FOR SECOND PLACE IN LEAGUE

By Jim Sisson

The Tecumseh high school cage five lost its second game of the season last Friday to the Manchester quinett, 35-24. It was a very bad night for the Indians; the basket seemed impossible to hit while the Dutchmen slipped the ball in from all angles. An early lead was taken by Manchester and by the half Tecumseh was trailing 21-12. The game was played on Tecumseh's court.

The third and fourth quarters were not much brighter for the hapless Braves, as a Manchester "fast-break" slipped through several times for two points. The third stanza gave the Dutchmen a margin of 27-16 and each team collected 8 more markers in the final period.

Sutton, from Manchester, led the scoring with 17 points while Murdoch, with 4 field goals, drew high honors for the Indians. LeMar Cheever, who gathered 11 points, helped the Tecumseh Reserves to a 40-20 victory in the preliminary.

This loss places Tecumseh in a tie for second place in the league with the Dutchmen while Clinton still holds first. Tomorrow the Indians will be hosts for the Addison five. The Hudson game which was scheduled for February 2 has been changed to February 1.

ENGLISH GOVERNMENT DISCUSSED BY ESCOLME

The Rev. Edward Escolme, pastor of the Friends church here and a native of England, discussed the English form of government when he addressed the Rotary Club at its regular meeting, Tuesday evening at Brees House. His talk was very interesting. The Rev. Mr. Escolme was the guest of the Rev. J. C. Murdoch, who had charge of the meeting. Next week's meeting will be in charge of Wade L. Jones and the speaker will be from the University of Michigan.

Ask For Funds To Fight Polio

HALF OF MONEY RAISED LOCALLY STAYS IN LENAWEE COUNTY

County chapters of the National Foundation for Infantile Paralysis, including Lenawee county, are now busily engaged in raising funds for the Annual Infantile Paraysis Appeal which began January 14 and continues through January 31.

Each chapter retains fifty percent of the amount raised in the community and sends the other fifty percent on to the National Foundation. The money sent to the National Foundation is really an investment by the chapter which sends it. The Foundation spends part of this money in the form of grants to universities and medical centers for research into the cause and prevention of polio, in Michigan, since 1938, $658,535 was received in grants for research. In 1944, $379,590 was sent for research at the University of Michigan School of Public Health, State Department of Health at Lansing, and to Wayne University in Detroit. Michigan is one of the centers of polio research and receives more in return from the Foundation than it sends out of the state to the Foundation.

In addition to the research sponsored by the National Foundation, money sent from the communities is put into an epidemic reserve. In any county in the United States, large or small, where an epidemic occurs and financial or medical aid is needed, the Foundation steps in to assist the community. To the Foundation a patient in the least populous county in Michigan is as important as one in the most populous county. Wherever local resources do not suffice, aid is available for one case or for an epidemic. In 1944 over $12,000 was sent to individual counties in Michigan by the Foundation. Among those counties assisted were: Arenac, Baraga, Clinton, Ionia, and Oakland.

One chapter expended $1,000 a day during the epidemic. A smaller chapter's expenses were $20,000 for fifty cases. Half of the $20,000 expenditure came from the National Foundation when the chapter exhausted its resources.

Contributions to Infantile Paralysis Appeal in this community may be sent to Judge Maurice E. Tripp at Adrian.

GOOD CHEER CLASS

The Good Cheer class of the Baptist church will entertain their husbands, also the Baraca Men's class at a potluck supper Friday evening, January 26. Supper will be served promptly at 7 o'clock and those attending are to bring their own table service, butter and sugar. The men will furnish the program.

R. N. A. MEET

The Royal Neighbors will meet Wednesday evening, January 31, at the home of Mrs. Lafe Stevenson for a pot luck supper and installation of officers. The drill team met last evening at the home of Mrs. Marie Raymond and the auditing committee on Monday evening with Mrs. Harry Tuckey.

HOSTESS AT SHOWER

Mrs. Maynard Mulvany was hostess last Wednesday evening at a miscellaneous shower for Mrs. Frederick Radant, nee Clara Mills, married recently. Games were the diversion and refreshments were served. Mrs. Radant received a variety of gifts.

SPORTSMAN'S BANQUET

The annual Sportsman's Banquet sponsored by the Lenawee County Conservation League will be held Tuesday evening, February 6, at the Civic Auditorium in Adrian with Ben East as the speaker. Tickets locally may be obtained of Fred Van Tyne.

OPEN HOUSE

Mr. and Mrs. Fred Miller, who live west of Clinton, will hold open house from 2 to 5 p. m., Wednesday, January 31, for friends and relatives, in observance of their 50th wedding anniversary.

Registration Of Farmers Delayed

CONFUSION OF ORDERS HALTS PROGRAM OF SUPERVISORS-FARM BUREAU

Dates for the registration of farmers under 38 years of age desiring to obtain or retain II-C classifications (farm deferments by Selective Service) have been postponed by the Lenawee County Extension Service indefinitely, pending the unraveling of a mess of conflicting information to both that office and the County Board of Supervisors, LeRoy Titley, Tecumseh supervisor, said today.

In Tecumseh township, such farmers were to have registered for deferments on February 20, Mr. Titley said, but as a result of the confusion such a registration has been cancelled.

According to Mr. Titley, county farmers in the several townships were to have re-registered on given dates, setting forth their farm activities and giving the board other information which later would determine whether or not deferment from military service should be granted. It appears, however, that at the time such a program was worked out between the supervisors and the Extension office, the draft board already had been advised that such farmers (men under 38 years of age) already had been reclassified and placed in I-A. As a result of such draft board action, the farm re-registration was deemed by the supervisors and the Extension office to be unnecessary.

"In other words," Titley said, "you wouldn't want a farmer to receive a letter today from the Extension office telling him to re-register on February 20 and in the next mail get a notice from his draft board that he was in I-A and to report the following Friday in Detroit for a physical examination."

Louis G. Hall, in a letter to Titley, has this to say regarding the confused orders:

"Obviously, the Agricultural Extension Office and the Rural Supervisors as a group would want their respective positions made clear to all farm people before the registrations proceeded. This is mine:

"The Selective Service Board has now made it definitely clear that the information we would have obtained in the 1945 "Michigan Agricultural Questionnaires" would not be considered by them at this time as they review the II-C group from 18 to 26 years. Accordingly, I would not care to ask farm people to make out a questionnaire that was not to be used by the Selective Service Board and this for the simple reason that their case had already been decided upon without first making the situation clear.

"Will you make clear to your local people your own reactions as you announce this postponement. Give it as wide publicity as you may deem suitable at the earliest possible moment. You and all farmers will be advised if it appears that these questionnaires may again have the consideration of the Selective Service Board as cases are reviewed for possible II-C classifications.

"When that fact can be re-established we will be only too willing to proceed with you as Supervisor in obtaining this basic information for our farm registrants. At that time another schedule of Registration dates will be announced.

"You will, of course, advise all farmers that they will continue to have the right of appeal from I-A classifications. Until some clarification of these conflicting instructions are received, we will continue to accept any questionnaires in the Supervisors Room at the Court House which registrants may volunteer to file. We feel that it may be to some advantage for those who wish to appeal their cases to have the new 1945 report in their files."

MARRIAGE ANNOUNCED

MESSAGE TO REMEMBER

Not many weeks ago Americans were preparing to celebrate the defeat of Germany. The celebration theratened to become a disruptive orgy. Concern over the situation caused employes of the Boston and Maine Railroad to pledge support of the war effort after V-Day in a message that should not be forgotten, although at present victory in Europe seems farther away than it did last summer. The message says:

"We don't know when V-Day over Germany will be. . .but when it does come, we. . . know how we're going to 'celebrate.'

"On V-Day we'll be working—full time, full speed. There aren't going to be any parties. Our men aren't going to spike the switches and get together for any whoopee! There won't be any empty desks in our office, or freight trains standing idle in our yards. We ask you not to ride our trains that day to go celebrating.

"Most of us will go to church. We shall thank God, and pray for speedy victory over Japan. We urge you to do the same.

"Probably it isn't any of our business what you do on V-Day. But complete victory is everybody's business. The time you might be tempted to take off from your job puts every one of us that many hours farther away from the victorious end. The uproarious spirits you might bring to partying would fall pretty flat when you bumped into Bob Jones, or Mrs. Smith, or any one of a million other Americans with boys in the Pacific.

"We. . . make this plea now, so you'll have plenty of time to think it over. And we make it in the sober conviction that only on the day of total victory, and not before, can any of us afford to let down."

Your Car Must Last

For the Duration

There's no use trying to kid yourself that in the Spring you'll trade your old car for a new one—car trading is out.

It's a fact your present car must last until the war is over. . .maybe this year, perhaps another year after that. . .maybe longer.

That's why we claim that it's just sound business to take care of your car. And we're mighty glad to tell you that we'll do everything in our power to help you to keep it running.

PLANS

WHEEL CHAIR FUND

To residents of Tecumseh, Clinton, Tipton, Cambridge, Britton, Manchester and Saline and all rural vicinities.

It is being put on through the Crowell-Collier Publishing Co., who solicit subscriptions for most of the standard magazines from individuals and concerns throughout the county and the commission on each is turned over to the American Legion to be used for the purchase of wheel chairs.

A fracture bed, insufflation unit and hospital beds have been secured previously. All of this equipment is available free for residents of the above named communities.

Cash donations are not accepted. Only the price of the magazine subscription desired, and then only to such persons carrying a letter of identification from the American Legion.

You are being asked and urged to order any magazines you may have use for through this medium to enable the American Legion to further benefit the community.

Your support will be appreciated.

The American Legion Auxiliary

Mrs. Marvin Watkins, President

To the man in fighting clothes—those are fighting words which mean nothing can be spared in opposing the enemy's strength and strategy! Every available round of ammunition; every order from those in command; every life engaged in the offensive are hurled in concentrated effort to banquish, man by man, machine by machine, inch by inch of ground. . .the forces that would stifle the people's freedom.

It remains for those of us at home to take up the cry as well! "Give 'em everything you've got"—in the sweat of our brow at our war job; in participating in securing the benefits of price control; in exerting ourselves to salvage every war need; and above all in our purchase of War Bonds.

Those boys in uniform are giving "All" including life, if necessary. We can't let them down.

Don't Gripe About Shortages--

Out of this; short of that; no butter; no cigarettes!

Folks, for the first time in nearly four years we are finding out that we are at war. . .an all-out war.

Don't gripe! You don't hear the soldiers griping. They too are out of many things but they keep on fighting.

Be patient! You're an American, too, just like the lad in uniform who gave his life.

Would you trade places with him?

COULD YOU PAY $10,000 AS A RESULT OF AN AUTO CRASH?
Suppose your car becomes involved in an automobile accident in which one or more persons are injured or killed?
Could you conveniently pay $5,000 or $10,000 —lay the cash on the line?
That's what the new Michigan Responsibility Law says you must do, and,
If you don't do it, you lose your right to drive until the claim is paid and until such time as you satisfy the state that you are responsible, should other accidents occur.

Our Careful Dry Cleaning

Doubly Important in War-time!

Yes, careful dry cleaning is mighty important in these war times because we know from actual experience that clothing can be made to give months and months of EXTRA wear if it is given our careful attention.

Send your suits, coats and dresses to us regularly for cleaning and pressing. Note for yourself how much fresher they look, how much longer they wear as a result of this freshness.

Twenty-five to fifty per cent more wear in clothing is mighty important in these war times. But you can get extra wear out of every garment if you will give it attention.

HOW'S YOUR GASOLINE MILEAGE?

In these days of rationing, it's important that you get the utmost miles out of every gallon of gasoline. Faulty carbueration, ignition, spark plugs, steal plenty of gasoline. Bring your car to us for service. Stretch your gasoline miles.

H. P FORD STARTS PRODUCING EGGS
HERE IS HIS RECORD SO FAR THIS YEAR

With the permission of H. P. Ford (Dr. Blanden's father-in-law, who is now on the John Harwood place just south of Tecumseh) we reprint a record of performance of his flock.

We interviewed Mr. Ford by telephone Monday of this week, and with his permission are publishing the following facts and figures:

He started his egg production with 100 Leghorn pullets, hatched March 25, 1944. Then on April 25, 1944 he bought 200 straight Rock chickens. Before the Rocks were 16 weeks old he had sold 45 Roosters, averaging 5¼ pounds apiece.

The first egg appeared when the pullets were 4 months, 2 days old.

Egg production for the past 4 months has been as follows:

September	155 dozen
October	210 dozen
November	238 dozen
December	281 dozen
January thru the 21st	1,979 eggs

Actually, there have been 175 pullets under production.

Mr. Ford told us that this was the first time in 25 years that he had raised any chickens himself.

He was kind enough to say "Hayden's Egg Mash is O. K. It did a fine job for me."

HASTEN TO HAYDEN'S.

"RED" BECKER GIVE US A FEW INTERESTING HOG STATISTICS
226.1 LB. HOGS AT 5½ MONTHS.

Wm. Leslie Becker, better known as "Red" to hundreds of his friends, came into the Hayden Flour Mill office last week with some figures that will be of interest to hog raisers everywhere:

On Oct. 31st, 1944 he sold 13 hogs, 5½ months old that brought a gross weight of 2,940 pounds. This is an average of 226.1 pounds per hog. The hogs brought $14.35 cwt.

On January 4, 1945 he sold 15 more hogs, and this time the hogs, aged 7 months, 2 days each, weighed an average of 298 pounds. They brought $14.65 cwt.

They Are O.I.C. Hogs

There are two factors present in this good job of Hog Production:

1st—Good management. Plenty of fresh water, near the feed. Red says there was no "transportation" lost between the waters and the feed.

2nd—HAYDEN'S HOG BALANCER was used, with Red's own grain.

HASTEN TO HAYDEN'S.

The PREMIER Steel Furnace

This furnace can't leak. It's made like a high pressure steam boiler. Joints are secured with big, closely spaced rivets, then as an additional safeguard, they are electrically welded!

Take no chance on leakage of smoke or noxious gases. Replace that dangerous old heating plant with a modern PREMIER Steel Furnace.

Grandma's Room is WARM Now!

Grandma's room was in the most remote corner upstairs—farthest of all from the furnace. She nearly froze—until Dad had a PREMIER Blower attached to the furnace. Now she gets plenty of heat—and Dad saves money on the fuel bill.

Perhaps YOUR gravity furnace needs a PREMIER Add-on Blower. Would you like to save on fuel — get quicker heat — more heat from a smaller fire — enjoy clean, filtered circulated air? Then see the PREMIER blower today and learn how economically you can have it installed.

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER EIGHTEEN | TECUMSEH, MICHIGAN, THURSDAY, FEBRUARY 1, 1945 | FIVE CENTS PER COPY

Brown-Out of Lights Ordered

SIGNS, STORE WINDOWS MUST BE DARK, FEDERAL ORDER RULES

A coal saving "brownout" ordered by the War Production Board will go into effect throughout the nation today, and the co-operation of Tecumseh merchants and individual residents is urged in complying with these conservation measures. The order is necessitated because of an impending coal shortage in 1945, and compliance with its requests is expected to effect an approximate saving of two million tons of coal annually throughout the nation.

The brownout prohibits all outdoor electrical lighting not necessary for public safety, as well as operation of outdoor business. Show windows will be dark beginning tonight and theatre marquees are restricted in their use of electricity to 60 watts, Walter Nichols of The Strand Theatre, said.

Although the WPB expects voluntary compliance with the order, violators will find there are sharp teeth in the enforcement of its demands, and violations which continue even after a warning has been issued are subject to penalties which may include the discontinuance of electric service at the direction of the WPB.

In addition to the prohibitions laid down by the brownout, home owners are urged to co-operate to the fullest extent by conserving on the amount of electricity used in the home. They can do their part in the conservation program by using lights only when needed and refraining from leaving a light burning in the home during the absence of the entire family.

While the tightening of the conservation program is made necessary primarily because of the coal shortage, it is also a reflection of the labor shortage in the mines and transportation difficulties. Further savings are expected from the measures being taken by the Director of Defense Transportation in eliminating special and excursion trains and any increase in passenger schedules over normal year-around schedules to resort areas.

It is also essential that savings be made in heating, since this field alone is expected to bear the largest reduction in consumption of coal, and to this end all places of business and residences are asked to maintain a temperature not to exceed 68 degrees.

Miss Marguerite Smith Weds Warren B. Totten

Miss Marguerite E. Smith, daughter of Mr. and Mrs. Floyd J. Smith of Adrian, formerly of Tecumseh, and Pfc. Warren B. Totten, son of Mr. and Mrs. Ralph Totten of Detroit, were married Friday evening at the home of her parents by the Rev. Paul Wengel. Their attendants were her sister Mrs. Clarence Quigley as matron of honor and Leland McKimmey as best man, with Galen Quigley, two year old nephew of the bride as ring bearer.

Following the ceremony refreshments were served to 45 guests.

Mrs. Totten is a graduate of Tecumseh high school and is employed in the office of the Bohn Aluminum Co. in Adrian. Pfc. Totten is a graduate of Adrian high school and has been in the army since 1941. He returned recently from three years overseas in the European area and will report at Ft. Sheridan, Ill., February 15.

State's Isolation Sentiment Changes as do the Blue Stars

VANDENBERG'S REMARKS IN CONGRESS REFLECT MICHIGAN THINKING

By Gene Alleman
(Special To The Herald)

If Senator Arthur H. Vandenberg's statesmanly and courageous utterance on American foreign policy is an accurate index, Michigan has traveled a long, long way in its thinking since Pearl Harbor.

The change of Michigan public opinion, however, still appears to be predicated on the same motivating force: self-interest.

We think as we do because we must look out for ourselves.

Here is the answer, as we see it, to a reversal of attitude that approaches the state of being a paradox. And here also is a subject, believe it or not, that is as Michigan as Mackinac whitefish. Gold stars are appearing in increasing number; what used to be an abstract and far-away thing, known as "foreign relations," has become overnight something very vital to our life because it affects the future security of our homes and the lives of our loved ones.

It was Senator Vandenberg, among others who were honest and sincere in their thinking, who believed that we might insulate ourselves against recurrence of involvement in European troubles.

Listen to Senator Vandenberg in his remarkable statement before the United States Senate on January 10:

"I have always been frankly one of those who has believed in our own reliance. I still believe that we can never again—regardless of collaborations—allow our national defense to deteriorate to anything like a point of impotence.

* * *

"But I do not believe that any nation hereafter can immunize itself by its own exclusive actions. Since Pearl Harbor, World War 2 has put the gory science of mass murder into new and sinister perspective.

* * *

"Our oceans have ceased to be moats which automatically protect our ramparts. Flesh and blood now compete unequally with winged steel. War has become an all-consuming juggernaut.

"If World War No. 3 ever unhappily arrives, it will open new laboratories of death too horrible to contemplate. I propose to do everything within my power to keep those laboratories closed for keeps. . . . I think American self-interest requires it."

Since the United States cannot insulate or immunize itself against the horrors of modern war, so goes the Vandenberg reasoning, we should act immediately to prevent war at its very root and not wait until we are involved once more because self-interest prompts us to fight.

* * *

What is this ounce of prevention?

Here again the Vandenberg concept is a bold departure from prewar thinking of the so-called "isolationist" Middle-West.

Maintaining that this Nation has the "same self-interest in permanently, conclusively and effectively disarming Germany and Japan," Vandeberg advocates that the major allies enter into a military alliance to keep the Axis disarmed and, furthermore, that the President of the United States be delegated power (which he already has) to "join our military force with others in a new peace league."

If the Allies could agree to such a military alliance, pledged never to permit Germany or Japan to rearm themselves and plunge us into a World War No. 3, Vandenberg believes such action would remove many of today's confusions, doubts and frustrations" leading to controversial unilateral and bilateral actions by our allies.

* * *

Declaring that we must win our two wars with maximum speed and minimum loss, the senior Michigan senator maintains it would be good common sense for us "by effective international co-operation to do our full part in charting happier and safer tomorrows."

There you have it, with all the implications of word symbols: International cooperation by a military alliance with Great Britain, Russia and China!

We can imagine the stirring of latent prejudices when these words are weighed. Even President Roosevelt has not gone this far, although it will be recalled that Governor Thomas E. Dewey, long thought to be a non-interventionist, espoused an "entangling alliance" with Great Britain while at the Mackinac Island conference in September, 1943.

Times have changed, the reversal of thinking, illustrated lately by the Vandenberg address, is somewhat of a paradox. It is a portent of tomorrow's new issues.

Pneumonia Is Fatal To Frank Stilts, Macon

Frank Stilts of Macon who was taken to St. Joseph's hospital in Ann Arbor Sunday evening seriously ill, died of pneumonia late Monday afternoon. Mr. Stilts had moved to a farm near here in October 1913 coming from Ypsilanti where he had been engaged in the insurance business. He had been in failing health for two years. He was a member of the Saline Federated church and of the Masonic lodge of Ypsilanti.

Survivors are the widow Bertha, a son Donald of Saline and a foster-son Junior at home. A son Raymond preceded his father in death.

Funeral services will be held in the home this (Thursday) afternoon at 2:30. Rev. William Bach of Saline will officiate and burial will be in Macon cemetery.

Harry Friedlander Dies Suddenly In Oklahoma

Harry Friedlander, well known piano tuner and a resident of Ridge way for over 25 years, died suddenly Monday in Oilton, Okla. where he and Mrs. Friedlander were spending the winter. Mr. and Mrs. Jennings Frayer left at once for Oilton and will return here the last of the week with the body when funeral arrangements will be made.

Survivors are the widow, formerly Emma Birdsall and a son by a former marriage in California.

WORLD DAY OF PRAYER

World Day of Prayer will be observed throughout the nation on Friday, February 16, and in our own community with services at the Presbyterian church on Friday afternoon, with all churches participating.

The World Day of Prayer, has been observed on the first Friday in Lent for 25 years and the circle has widened until now 51 different countries throughout the world are observing this worship service.

NIGHT SCHOOL POPULAR

The Physical Fitness Course for men, a part of the night school educational program offered at the high school, attracted a good enrollment last Monday evening and will continue each Monday night for several weeks. It also was indicated that a course in typewriting and bookkeeping would be started in connection with the night school course, next Monday evening.

LYSTER LEAGUE

The Lyster Junior Service League met last Wednesday evening at St. Peter's parish house and elected the following officers: Mrs. Donna Elliott, president; Mrs. Frances Randall, vice president; Mrs. Clara Havens, secretary; Mrs. Carolyn Mitchell, treasurer; Mrs. Betty Price, chaplain; Mrs. Wallace Rutherford and Mrs. Ziska Alderdyce, publicity.

NEW RECTORATE

Rev. E. T. Rodda of Trenton, a former pastor of St. Peter's church, has been called to St. Andrews Episcopal church, in Louisville, Ky., and begins his new duties March. 1.

Funeral Services Held For Mrs. Sarah Jackson

Mrs. Sarah E. Jackson, aged 88 years, died Friday at the home of her son Rickard Jackson in Franklin township where she had made her home for 20 years. She had been confined to her home the past 10 years and had steadily failed for two years.

Mrs. Jackson was born in Oak Harbor, Ohio, September 27, 1856. She was a mmeber of the Methodist church of Detroit.

Survivors are two sons Rickard and George both of Franklin township, seven grandchildren and eight great grandchildren.

Funeral services were held Monday morning at Collins Funeral Home, with Harry Starbuck of Adrian College, officiating. The body was taken to Port Clinton, O., for burial in Lake View cemetery.

GEO. SCHUMM SPEAKS

George Schumm gave an interesting and instructive talk on "Management and the Worker" at the meeting of the Wit and Wisdom Club held Monday evening in the home of Mr. and Mrs. W. L. Berkhof. The program also included assembly singing and in conclusion refreshments were served.

CLASS MEETING

The Reliable class of the Methodist church will meet Tuesday afternoon at 2 o'clock in the home of Mrs. Clarence Beach, 212 West Shawnee street.

Scared Pussy Rescued From Telephone Pole

A howling pussy cat, perched 30 feet above the ground at the top of a telephone pole at the rear of the Tecumseh Postoffice, last Thursday morning, attracted considerable attention and was finally rescued by Jack Richards of the Consumers Power Co.

The cat, apparently frightened by a dog, climbed the pole during the night and was not discovered until it became daylight Thursday morning. Postoffice employees attempted to coax the animal down the pole but to no avail. Finally a call was sent to the Consumers company and a truck was dispatched to the rescue.

"It was all very easy," P. A. Bowen, postmaster, said. "Mr. Richards backed the truck to a position near the pole, hoisted the automatic extension ladders and I furnished him with a mail sack. The cat at first objected, apparently frightened, but soon he was in the bag. On the ground, Mr. Richards opened the sack and the cat jumped out, looked around and then ran across the parking lot."

No one seems to know whose cat caused all the commotion. It was an average sized pussy, grey and white.

Jewett Whelan Dies: Was Franklin Farmer

Jewett Whelan, aged 79 years, a native of Franklin township, died Saturday night at the home of Mrs. Nancy Smelts near Clayton where he had made his home for 18 years. Mr. Whelan was born in Franklin township January 20, 1866, and was a farmer there for many years. He was married November 24, 1887 to Elizabeth Mary Pawson who died in December 1912. His daughter, Mrs. Vera Anderson died suddenly January 4 at her home in Tipton. Mr. Whelan was a charter member of Tipton Lodge, Knights of Pythias.

Survivors are the son-in-law Harley Anderson of Tipton; two grandchildren Sgt. Harold Anderson of Camp Lee, Va., and Mrs. George Mattis of Adrian, two sisters Mrs. Carrie Pawson of Onsted and Mrs. Rose Slater of Tipton, a brother-in-law John Oliver of Muskegon and several nieces and nephews.

The body was brought to the Belding Funeral Home here and was taken Tuesday to the Community church in Tipton where funeral services were held Tuesday afternoon. Harry Starbuck officiated and burial was in the Tipton cemetery.

Michael E. Bachman Buried In Ridgeway

Michael E. Bachman, aged 75 years, a life long resident of this community, died Sunday morning at Tecumseh hospital, after a long illness. Mr. Bachman was born in Macon township and spent his life in Britton, Adrian and Ann Arbor, moving to Ridgeway 13 years ago. He was a member of Tecumseh Lodge, F. & A. M., and of the Ridgeway Methodist church.

Home Plan Institute Will Be Continued

The Home Planners Institute, announced last week by the public schools and open to any resident here who plans, in post-war, to build a home, or who otherwise might be interested, attracted a good crowd at the high school, Monday evening. Some 28 persons enrolled for the course, which will continue each Monday night at 7:30 p. m., at the school.

Last Monday evening, H. O. Whittemore of the University of Michigan, discussed the selection of a home site. Following his talk there was a round table discussion.

Next Monday evening, Prof. Geo. B. Brigham of the University will discuss the designing of a house.

Persons who did not enroll for the course last Monday evening may do so next Monday. There is a fee of $1 for the entire course of eight meetings.

School Health Reported Good

IMMUNIZATION AND VACCINATION PROGRAMS ARE DECLARED SUCCESS

As a result of the immunization program in the public schools, conducted by the Tecumseh Health Education Committee, some 88 percent of the school children here are protected against diphtheria and 87 percent are protected against smallpox. This is adequate protection, it was said. However, to maintain this protection it is necessary for parents of pre-school children to immunize their children before having them enter school.

The State Department of Health advises diphtheria immunization at six months and smallpox vaccination at twelve months of age. The Tecumseh Health Educatin Committee and the school board recommend that all children be immunized against diphtheria and vaccinated for smallpox before entering school.

The committee wishes to thank the community for its interest shown and splendid cooperation given in the health program.

Miss Edith Mae Young Buried Here, Tuesday

Miss Edith Mae Young, aged 55 years, died early Friday morning at Tecumseh hospital, where she had been a patient for nine weeks. Miss Young was born in Macon township November 4, 1889 and was the daughter of David and Anna Jane Lowry Young. She lived in Macon until 17 years ago when she moved to Tecumseh and located at 209 West Cummins. She was employed at the Hayden Mill until her illness. Cousins are her only survivors.

Funeral services were held Tuesday afternoon at the Collins Funeral Home. Rev. Edward Escolme officiated and burial was in Brookside cemetery.

Indians Second In League Race

TECUMSEH DEFEATS ADDISON AS CLINTON 'DOWNS DUTCHMEN; IN HUDSON TONIGHT

By Jim Sisson

The Addison Millers met another defeat as they invaded the Tecumseh gym last Friday. The lowly Millers never got started as the Indians made their comeback after last week's loss to Manchester. In winning from Addison, Tecumseh gained rights to second place in the league alone, for the Clinton five downed Manchester and pushed them into third place in the L.C.A.A. standings.

The first quarter brought a barrage of baskets for the Indians and there was no letting up in the second stanza. By half time the Braves had amassed a 23-9 lead.

In the third period Tecumseh gained eight more markers and 13 in the final to put their scoring at a new high for the year. Fred Raizk's second string put in the points to raise the total to 50.

John Murdoch again gained high honors for Tecumseh with six field goals and three charity throws for 15 points. Following behind was Jim Osburn with 8. Lee Clark led for the Tecumseh Reserves to their 10th victory, 27-10, with 10 points.

Tonight, the Indians travel to Hudson for their 11th game of the current season. The Raizkmen will be trying for their 9th victory.

New Garbage Truck Is Now In Tecumseh

A new motor truck, to be used by the Village of Tecumseh in the collection and disposal of garbage, arrived this week and is being put into condition for operation. It must wait, however, the arrival of new licenses from Lansing.

Wade L. Jones, village clerk, said that as soon as the truck was in readiness for operation the council would meet, probability work out a schedule for the collection and disposal of garbage by municipal authority. When such a collection will begin, he said he did not know.

ROSCOE ADAMS DIES; BURIAL IN DEERFIELD

Roscoe Adams, aged 57 years, a Deerfield township farmer, died Tuesday afternoon at the Will Nursing Home on South Union street, where he had been a patient about six weeks. He leaves the widow in Deerfield; two daughters, Mrs. Alice Foster and Mrs. Arlene Lopez both of Ann Arbor, and four grandchildren. Mrs. Foster a trained nurse has been caring for her father at the nursing home.

The body was removed to Deerfield where funeral services and burial will be held Friday afternoon.

LOSS NOT ESTIMATED IN LOCAL CLUB FIRE

Fire, believed to have started from faulty wiring in the kitchen of the Tecumseh Club, above the office of The Tecumseh Herald, did an unestimated amount of damage to the club rooms, about 2:45 o'clock, Wednesday afternoon. Water, used to extinguish the fire, leaked through the floor into The Herald's press room, doing slight damage.

Quick action on the part of the firemen checked the blaze in about 10 minutes.

BAPTIST MEETING

The Baptist Young Folks Association met Thursday at Rollin and the local group furnished music for the program. "Christians in Demand" was the topic for discussion with the sub-topics, at home, at school, throughout the world. Dr. Harvey Turner, president of Hillsdale College was the guest speaker.

Plans are now being made for the next meeting to be held in Tecumseh in April.

MOTHER DIES

Mrs. Lillian Owen and daughter Mrs. Carl Kempf left Wednesday morning for Sioux City, Iowa, called by the death of the former's mother Mrs. L. E. Rappleye which occurred Monday night. The husband Lafayette Rappleye, and two sons Rev. E. L. Marousek of Jefferson, Iowa, and Lloyd A. Marousek of Sioux City, also survive.

NOTICE

BETTER AMERICA, NOT A NEW ONE

Most of us [illegible] arguing over plans to provide a greater quantity of medical care to the people, that the all-important item of quality has been neglected. However, the attention of medical men has been centered on both quality and quantity.

One medical authority points out that the advance of medicine has not been halted in the United States in the war period, but rather has proceeded with an intensity that is the amazement of all the other nations of the world.

We have seen the death rate for pneumonia among American troops drop from 28 per cent in World War I, to a fraction of 1 per cent in this war. We have seen the death rate from meningitis drop from something like 80 per cent 35 years ago, to 3 to 5 per cent at this time. And recently a physician at the Great Lakes Naval Training Station reported 75 consecutive recoveries from meningitis—not one death until the seventy-sixth case.

It has been said that opponents of revolutionary changes in our form of government seek a better America, not a new one. And that certainly applies to the medical profession. It opposes the sweeping away of a medical system that has brought such great benefits to the nation. It believes that the system can be improved and the benefits retained. Its approach to new schemes rests on the simple query, Will they improve and extend medical service? If, through experiment and experience, they are found wanting, the doctors can be counted upon to make a last ditch fight against them.

Grade 1 Tires

Are Very Scarce!

Protect Your Tires with our

Vulcanizing Service

OPA tells us that day by day, grade one tires for passenger cars are becoming more and more difficult to obtain. The rubber needed for these tires has gone to war—across the seas to help our lads win Victory from Hitler and Tojo.

It behooves you, then, to protect the tires that you have and we know of no better way than to bring them to us for service. If you have small cuts, we'll vulcanize them and protect the precious fabric of your tire. Keeping out water, ice and snow assures you of added miles of service.

Yes, we are in a position to give you speedy recapping service if that is what your tires require. Drive in today for an inspection and let us determine just what steps you should take to protect your tires.

Youth Week is Observed by C. E.

CHRISTIAN ENDEAVOR REACHES 64TH BIRTHDAY WITH FORWARD, YOUTHFUL SPIRIT

"Whatever else is accomplished during Christian Endeavor Week, the period of January 28 to February 4, 1945, should be a time of personal challenge for all young people."

This message from program suggestions issued to Christian Endeavor societies and unions throughout North America is typical of the spirit of an annual observance that looks forward even more definitely than backward. The sixty-fourth birthday of C. E. has a youthful impact.

"Christian Endeavor Week-Youth Week is not a time merely to dramatize 'youth in the church,'" national leaders of Christian youth declare, in explaining the spirit and suggesting the details of the 1945 observance. "It is a time when young people should be brought face to face with their personal commitment to Jesus Christ and to His way of life; when they face their personal responsibility to the work and worship of their church; when they face great issues of contemporary life, upon which the gospel of Christ must be brought to bear; and when they unite in tasks which Christian youth may undertake together.

"For those who have not committed themselves to Christ and aligned themselves with the church, it should be a time of personal decision.

"For those who have previously taken this step, it should be a time of reconsecration and rededication to the high purposes which have claimed their lives."

For more than thirty years, Christian Endeavor has been holding birthday celebrations, in which allegiance to Christ was reaffirmed and youth's privileges and responsibilities in the life of His church were examined and restated. The actual birthday falls on February 2—and the first society in Portland, Maine, was organized on that date in 1881. By custom the annual celebration begins on the last Sunday in January and includes the first Sunday in February.

A great new program "Christian Endeavor Calls a Million Youth to Enlist for Christ—in winning others—in Christian Citizenship—in Post-War Leadership" has been launched and will be emphasized during C. E. Week.

The new effort to win many more youth and to draw them into the leadership training of youth calls for organized membership increase activities which will be started this week. To impact the thinking of the masses a Christian Endeavor outdoor poster is used.

Miss Helen Anderson Weds Sgt. Ray Williams

The Redeemer Presbyterian church of West Grand Boulevard, Detroit, was the scene Sunday afternoon of the marriage of Helen E. Anderson of Detroit, daughter of Mr. and Mrs. Fred Anderson of Tecumseh, and Sgt. Ray G. Williams also of Tecumseh. Rev. Gifford Roby performed the ceremony at 4 o'clock before the altar which was decorated with baskets of all white flowers.

The bride was lovely in a gown of ice blue brocaded taffeta fashioned with fitted bodice, sweetheart neckline and long full skirt. Her fingertip veil was fastened at the head to a tiny juliet cap and she carried an arm bouquet of white carnations with white ribbons. A single strand of pearls was her only ornament.

The bridesmaid, Betty Nell Sigler, wore an identical gown of lemon yellow brocaded taffeta and carried an arm bouquet of iris and daffodils, with yellow ribbons. She also wore a single strand of pearls.

Mrs. Anderson, mother of the bride and foster mother of the groom, wore a dress of wine crepe with a corsage of gardenias. Joseph F. Glenn attended the groom and Dr. Kerney Atkinson and Dr. Edward Rupp, both of Detroit, served as ushers. Harold F. Koch of Dearborn sang "Ava Maria," and "Because."

Following the ceremony a reception was held at The Clara Ford Nurses Home, 7470 Byron Ave. A tiered wedding cake topped with a miniature Marine and bride centered the table from which punch was served by Josephine Fryer of Dearborn and Sarah Thomas of Cleveland.

Mrs. Williams is a graduate of the Ford Centennial high school, the Clara Ford School of Home Arts of Detroit, and the Henry Ford Hospital School of Nursing and Hygiene. She has been employed at the Ford Hospital since her graduation and is now Head Nurse on a surgical floor.

Sgt. Williams is a graduate of the Ford Centennial high school, the Ford Training and Apprentice Schools, and previous to enlisting in the U. S. Marine Corps he was employed at the Rouge Plant as electrician. He has served 4 years and 4 months in the U.S.M.C. and at present is on furlough after 33 months of service in the Southwest Pacific.

Sgt. and Mrs. Williams are spending a week in Cleveland, Ohio, after which he will report at Paris Island, S. C., to be reassigned for further service. Mrs. Williams will return to her duties at the Ford Hospital, and will be at home at 2615 Nebraska, Detroit.

BAND PARENTS MEET

The Band Parents Club met Thursday evening at the home of Mr. and Mrs. Lawrence Bater on East Logan street. Mrs. Clark Goodacre presided and Clare Camburn spoke on "Band Delinquency." Later cards were played and prizes won by Mr. Camburn and Mrs. George Hay. Refreshments were served by Mrs. Bater assisted by Mrs. Lee Randall and Mrs. Lewis Lent.

COFFEY—MILLER

DON'T WASTE COAL!

Conserve Fuel For Victory with Automatic Heat Controls

Never, since the days of World War No. 1 has coal been as SCARCE as it is today. In many cities, homes are cold because fuel supplies are extremely low. In other towns, families are "doubling up" because of the shortage of coal.

Why don't you cut down your coal consumption, make your house more comfortable, by installing a heat control unit on your furnace. It's a patriotic improvement, and an economical one, too.

Automatic heat controls, you know, enable you to check runaway temperatures. You set your thermostat for 70 degrees and there your furnace heat stays—so long as there's fuel in the firepot.

Automatic heat controls are inexpensive, easy to install. You can do the installation yourself if you are handy—or we can do it for you. ACT TODAY. INSTALL A HEAT CONTROL UNIT. Save Coal—Speed Victory.

How many times have you silently complimented men whom you know on the appearance of their clothing? You may see them, day after day, months on end, but always they look their best; clothes always neat and clean.

When you see such a man you can make up your mind that he takes care of his clothes. That he sends them regular for cleaning and pressing.

You can look just as well, and make your clothes wear much longer, if you'll send your clothes to us, too, for cleaning and pressing. It's the secret of getting extra months of wear out of all of your garments.

CAMPBELL'S CLEANING SHOP

There is NO SUBSTITUTE for QUALITY Foods--

Regardless of how much of a "bargain" you are offered in food products, there is only one yardstick by which "bargains" can be measured and that is "quality." If what you buy is not "quality"—if a part of what you buy goes into the discard, then there is no "bargain."

We have prided ourselves for years and years on selling only 'quality" foods, foods that we can guarantee, unconditionally.

We know that our customers appreciate our standard of quality, especially in these times of rationing when food is ammunition.

If you are interested in quality foods we invite your patronage.

Her fingertip veil was fastened at the head to a tiny Juliet cap and she carried an arm bouquet of white carnations with white ribbons. A single strand of pearls was her only ornament.

The bridesmaid, Betty Nell Sigler, wore an identical gown of lemon yellow brocaded taffeta and carried an arm bouquet of iris and daffodils, with yellow ribbons. She also wore a single strand of pearls.

Mrs. Anderson, mother of the bride and foster mother of the groom, wore a dress of wine crepe with a corsage of gardenias. Joseph P. Glenn attended the groom and Dr. Kerney Atkinson and Dr. Edward Rupp, both of Detroit, served as ushers. Harold F. Koch of Dearborn sang "Ava Maria," and "Because."

Following the ceremony a reception was held at The Clara Ford Nurses Home, 7470 Byron Ave. A tiered wedding cake topped with a miniature Marine and bride centered the table from which punch was served by Josephine Fryer of Dearborn and Sarah Thomas of Cleveland.

Mrs. Williams is a graduate of the Ford Centennial high school, the Clara Ford School of Home Arts of Detroit, and the Henry Ford Hospital School of Nursing and Hygiene. She has been employed at the Ford Hospital since her graduation and is now Head Nurse on a surgical floor.

Sgt. Williams is a graduate of the Ford Centennial high school, the Ford Training and Apprentice Schools, and previous to enlisting in the U. S. Marine Corps he was employed at the Rouge Plant as electrician. He has served 4 years and 4 months in the U.S.M.C. and at present is on furlough after 33 months of service in the Southwest Pacific.

Sgt. and Mrs. Williams are spending a week in Cleveland, Ohio, after which he will report at Paris Island, S. C., to be reassigned for further service. Mrs. Williams will return to her duties at the Ford Hospital, and will be at home at 2615 Nebraska, Detroit.

DON'T WASTE COAL!

Conserve Fuel For Victory with Automatic Heat Controls

Never, since the days of World War No. 1 has coal been as SCARCE as it is today. In many cities, homes are cold because fuel supplies are extremely low. In other towns, families are "doubling up" because of the shortage of coal.

Why don't you cut down your coal consumption, make your house more comfortable, by installing a heat control unit on your furnace. It's a patriotic improvement, and an economical one, too.

Automatic heat controls, you know, enable you to check runaway temperatures. You set your thermostat for 70 degrees and there your furnace heat stays—so long as there's fuel in the firepot.

Automatic heat controls are inexpensive, easy to install. You can do the installation yourself if you are handy—or we can do it for you. ACT TODAY. INSTALL A HEAT CONTROL UNIT. Save Coal—Speed Victory.

His Clothes Look New, They're Always Pressed!

How many times have you silently complimented men whom you know on the appearance of their clothing? You may see them, day after day, months on end, but always they look their best; clothes always neat and clean.

When you see such a man you can make up your mind that he takes care of his clothes. That he sends them regular for cleaning and pressing.

You can look just as well, and make your clothes wear much longer, if you'll send your clothes to us, too, for cleaning and pressing. It's the secret of getting extra months of wear out of all of your garments.

CLEANING SHOP

There is NO SUBSTITUTE for QUALITY Foods--

Regardless of how much of a "bargain" you are offered in food products, there is only one yardstick by which "bargains" can be measured and that is "quality." If what you buy is not "quality"—if a part of what you buy goes into the discard, then there is no "bargain."

We have prided ourselves for years and years on selling only 'quality" foods, foods that we can guarantee, unconditionally.

We know that our customers appreciate our standard of quality, especially in these times of rationing when food is ammunition.

If you are interested in quality foods we invite your patronage.

H. P FORD STARTS PRODUCING EGGS HERE IS HIS RECORD SO FAR THIS YEAR

With the permission of H. P. Ford (Dr. Blanden's father-in-law, who is now on the John Harwood place just south of Tecumseh) we reprint a record of performance of his flock.

We interviewed Mr. Ford by telephone Monday of this week, and with his permission are publishing the following facts and figures:

He started his egg production with 100 Leghorn pullets, hatched March 25, 1944. Then on April 25, 1944 he bought 200 straight Rock chickens. Before the Rocks were 16 weeks old he had sold 45 Roosters, averaging 5¼ pounds apiece.

The first egg appeared when the pullets were 4 months, 2 days old.

Egg production for the past 4 months has been as follows:

September	155 dozen
October	210 dozen
November	238 dozen
December	281 dozen
January thru the 21st	1,979 eggs

Actually, there have been 175 pullets under production.

Mr. Ford told us that this was the first time in 25 years that he had raised any chickens himself.

He was kind enough to say "Hayden's Egg Mash is O. K. It did a fine job for me."

HASTEN TO HAYDEN'S.

BEFORE YOU decide to cash that War Bond—wait a minute.

For the last 3 years, you've been buying Bonds steadily—saving part of every dollar you earned.

You've formed the *habit* of saving.

You've been accumulating money against unforeseen troubles or a time of need.

You've been working to build up a nest egg—and by golly, you've got Uncle Sam helping you do it! Every time you put in $3, he will make it $4—if you hold your Bond to maturity.

You've been laying aside money to help safeguard your job after the war, and help guarantee a healthy, prosperous Country for us all.

You've been helping to fight inflation and to keep prices down.

Last, but by no means least, you've been sending your dollars into the fight—backing up G. I. Joe.

You don't want to undo all you've done. It just isn't smart. To say that it's cutting off your own nose is to put it very, very mildly.

DON'T cut off your own nose. Hang on to your War Bonds. Hang on to them till they come due—and meantime, buy some more!

Job Insurance Paid To 69,000

56,000 PERSONS OUT OF WORK IN MICHIGAN ON JAN. 1, REPORT SAYS

High unemployment level in war industries was reflected in unemployment compensation operations in Michigan during 1944. A maximum of 56,000 persons were out of work as the year closed, and most of these were for brief periods between jobs. This a far cry from 1935 when unemployment figures for this state were estimated at 342,892. These were the highlights of a review of operations released today by Dr. Robert M. Ashley, chairman of the Michigan Unemployment Compensation Commission. He pointed out that his figures are preliminary estimates which will be subject to minor revision.

During the past year only 140,173 persons filed initial claims for unemployment insurance in Michigan and approximately 69,000 actually collected benefits. These payments amounted to about $6,175,312 for 328,051 weeks of compensable unemployment. On the average, each person received about $18.84 per week in benefits for 4.8 weeks.

The greatest amount of unemployment occurred in Flint and Detroit. These cities together accounted for more than 56.2% of the initial claims filed during 1944.

As claims for unemployment insurance shrank under the impact of war production, tax collections for the unemployment insurance trust fund reached a total of $8,576,037. Lower estimate rates assigned to employers for the past year resulted in a 17% decline from 1943 in the amount of tax collections deposited. However, the amounts paid in benefits represented only 11.5% of contributions paid, whereas in 1940, the last calendar year unaffected by war influences, benefits paid were 53.5% of current contributions.

Michigan's unemployment insurance trust fund totaled $287,743,251.90 at the year-end, and should reach $272,000,000 by the end of January when collections are received on 4th quarter 1944 payrolls. If this total is divided among all workers who had earned wage credits in 1942, it would mean that each could receive $136 in benefits. Estimates of post-war unemployment resulted from reconversion of war industries to peace time production reveals that this fund should be sufficient to carry all jobless war workers through the first impact of the reconversion period.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 29th day of January in the year one thousand nine hundred ad forty-five.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of EDITH M. YOUNG, Deceased.

On reading and filing the petition, duly verified, of Richard F. Roe praying that an instrument in writing purporting to be the last will and testament of said deceased, may be duly proved and admitted to probate, and that administration of said estate may be granted to petitioner, the executor named in said instrument, or to some other suitable person.

It is Ordered, That Monday, the 19th day of February next, at nine o'clock in the forenoon, Eastern War Time, be assigned for the hearing of said petition.

And it is Further Ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulated in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

(A True Copy)

MAURICE E. TRIPP,
Judge of Probate.

Make it a date with Miss Bobby Socks. You'll adore her. She'll be in Tecumseh soon.—adv.

Pvt. Raymond Mattis is home from Lubbock Field, Texas, on two weeks furlough with his parents Mr. and Mrs. H. J. Mattis and will then report at Chanute Field, Rantoul, Ill.

The Pythian Sisters held their regular meeting last Wednesday evening and during the meeting the charter was draped for the late Mrs. Vera Anderson. Mrs. Grace Simmons was elected a trustee. Later games were played, prizes going to Mrs. Marguerite Luce and Mrs. Imobelle Kahle. Refreshments were served in conclusion.

The Merry Marvels 4-H club met Monday evening with their leader Miss Isabelle Tripp and spent the time mending darns and making slips.

DAUGHTERS ELECT

The Daughters of St. Peter have elected the following officers for the year: Mrs. Cecile Smith, president; Mrs. R. C. Dannells, vice president; Mrs. Glenn Driscoll, secretary; Mrs. Clyde Barber, treasurer; Mrs. Lynn Hubbard, chaplain.

The group will meet February 6 at the home of Mrs. Smith for a potluck supper and social evening.

REBEKAHS INSTALLED

Recently elected officers of the Rebekah lodge were installed Friday evening, Mrs. Eva Moore, of Blissfield, a district deputy, acting as installing officer. Mrs. Florence Kopka, retiring past noble grand, was presented with a gift. A potluck supper for members preceded the meeting and at the close of the ceremonies refreshments were served to guests present from Britton and Blissfield.

The second greatest Reason in the World

WHENEVER you are sorely tempted to cash in a War Bond—*for whatever reason*—think for a moment.

There are many great reasons why you should not cash in your Bonds before they mature—before they pay you back $4 for every $3 you've invested.

The first—and greatest—reason is that you are an American, and you have pledged yourself to back American fighting men with all your strength, courage and character.

The *second greatest reason* is that by cashing in Bonds you may be risking the future of your children.

For the War Bonds you keep today can spell the security of your child's tomorrow.

Don't depend on tomorrow to take care of itself. Remember—no job is as sure as your Bond. Don't cash in a single one before its time.

ARE YOU FEEDING HOGS

or

ARE YOU FEEDING WORMS

You are feeding hogs to make money, so why not just feed hogs, instead of feeding hogs and worms.

Feed at any price is too costly to feed a wormy lot of hogs, especially when there are sure and effective ways of ridding your hogs of worms.

TRY P.T.Z.—(Phenothiazine)

A small amount of P.T.Z. mixed in one feeding in most cases is all that is needed. This method is a safe, easy way of worming pigs. Just tell us how many pigs you have and we will weigh out the proper amount to do the job right. H.P.T.Z. is packed in the bulk.

NINETY-FIFTH YEAR—NUMBER NINETEEN | TECUMSEH, MICHIGAN, THURSDAY, FEBRUARY 8, 1945 | FIVE CENTS PER COPY

Farmers Must Register Now

DATES FOR FILLING OUT OF RURAL QUESTIONNAIRES TO BE SET

Registration of 2-C classification farmers in Lenawee county, which was to have started last January 22 and then was postponed because the draft board called all farmers between the ages of 18 through 25 years for physical examinations, will be re[illegible] at the court house in Adrian.

The registrations will be on a township basis and conducted by supervisors through the cooperation of the county extension service. The work started at 10 o'clock this morning, with farmers from Madison and Palmyra reporting. Tomorrow, farmers from Rome and Adrian townships will register. It was explained that those from 18 through 25 years who already have filed their 1945 Michigan agricultural questionnaires need not report again, but all farmers 26 through 37 years are to register.

The questionnaires furnish information on farm operations on which the local draft board makes its decision in placing farmers in 2-C classification or inducting them into the armed services. When Tecumseh farmers will register has not been announced, but it was said that county-wide registrations would continue through March 9.

The calling of class 2-C farmers for induction without regard for their importance to the agricultural picture in Lenawee county has caused a sharp protest from H. D. Moran, a member of the county Selective Service Board, and he has submitted his resignation to Gov. Kelly. Mr. Moran has been a member of the board since April 29, 1943.

In writing the governor Mr. Moran declared that he has "conscientiously carried out the responsibilities of the office to the best of my ability.

"However, as of today I respectfully ask that you accept my resignation as it will be impossible for me to continue to fulfill my oath of office and to carry out the new instructions that have been given to me by the State Selective Service headquarters. I refer to new orders given our local board affecting all registrants now deferred in 2-C, ages 18 through 25 years.

"We have been told that all 2-C registrants must be ordered for induction regardless of their importance to agriculture.

"That if our local board places a registrant under 26 years of age in 2-C that our state director will exercise his right of appeal to the appeal board.

"That if the appeal board upholds the local board's 2-C decision the state director will then exercise his right of appeal to the presidential board and we are further advised in that case this board will most certainly place the registrant in 1-A."

ASH WEDNESDAY SERVICE

The penetential season of Lent will begin on Ash Wednesday, February 14. This holy day will be observed at St. Peter's Episcopal church with a celebration of the Holy Communion at 10:30 a. m. The traditional Book of Common Prayer, Penetential Office and Litany will be said at 8 p. m. The Rev. John R. Scarlett, rector, will talk following the latter service.

There will be a celebration of Holy Communion at 10:30 a. m., and an evening service at 8 p. m., on each Wednesday during Lent.

SPECIAL SUNDAY SERVICE

Miss Eva Clausen, evangelist, and Miss Celeste Richardson, soloist and pianist, will have charge of the evening service next Sunday at the Tecumseh Friends church at 7:30 p. m. These workers conducted two series of special meetings in this church last year, and they have many friends who will be glad to see them again.

OLD-TIME DANCE

An old-time square dance with music by Glenn Driscoll's orchestra and Othel Green of Grass Lake as caller, will be featured at St. Peter's Parish house this evening, for the entertainment of parishioners and their friends. Refreshments will be served.

Scouts Launch Paper Pick-Up

"GENERAL EISENHOWER CAMPAIGN" TO CONTINUE FOR THE DURATION

In connection with the 35th anniversary of Scouting [illegible] Boy Scouts in Tecumseh this week announced the launching of the "General Eisenhower campaign" for the collection of waste paper in Tecumseh, the drive to continue for the duration of the war.

"We are now all set to begin the paper collection and it will be an every-day, every-week affair for the duration, "Halsey Eggleston of the Scout committee, said. "We have storage space in the Williamson building on S. Ottawa street, and when we get a truckload of paper, it will be taken to a Monroe plant."

Mr. Eggleston said that the Scouts plan to use carts, old buggies, wheelbarrows, etc., to do the collecting. No gasoline will be used. Persons who have waste paper they desire to dispose of are asked to call Mr. Eggleston at Campbell's Cleaning Shop. The Scouts will call for it.

In connection with the anniversary celebration this week, Eggleston said that the Scouts here would go to the Presbyterian church on Sunday for the regular 11 o'clock service. There will be a court of honor and potluck supper in a "parents' night" observance at the Presbyterian church Tuesday evening, February 13, at 7:30 p. m., for Troop A.

Prizes offered in connection with the waste paper campaign it was said are as follows: First prize, $15 in Scout equipment, second prize, $10 in Scout equipment, and third prize, $5 in Scout equipment. Money for the prizes will come from Scout funds.

Seitz, Tecumseh, all rations suspended 60 days; and George Phillips, Blissfield, case continued.

While not heard by the commissioners, the local board said that the rations of L. C. Betz of Hillsdale had been suspended for 180 days by the Detroit office.

FRIENDLY CLASS

The Friendly class of the Friends Sunday school met Tuesday evening with Mrs. Charles Manley for their regular meeting which was followed by a Valentine party.

Firemen Answer Two Alarms On Saturday

The local fire department was called to the Mastercraft Aeronautical Products Co. plant on South Ottawa street shortly after noon Saturday, where the furnace exploded after a water coil burst, throwing live coals out onto the floor. No fire damage resulted and no one was injured.

Later in the afternoon the department answered an emergency call to Clinton where the home of Mr. ad Mrs. Frank Furgason was partly destroyed by a blaze which started near a chimney. The roof, attic and second floor were badly burned. Furniture was removed and the first floor was damaged by water.

Mr. and Mrs. Furgason moved to the home of a daughter until repairs can be made.

ROTARIANS WILL GO TO PANCAKE SUPPER

COUNCIL MEETS

The regular meeting of the Village council was held on Monday evening and except for routine business there was little work for the trustees and hence an early adjournment. Current bills were audited and ordered paid and reports of officers and department heads were read and placed on file.

Morenci Cagers Here On Friday

RAIZKMEN PREDICT ANOTHER VICTORY AFTER WIN OVER HUDSON HIGH

By Bill Sisson

Coach Fred Raizk's Tecumseh high school Indians today were predicting another cage victory for Friday evening when they meet the Morenci high quintet on the local court. The preliminary game will start at 7 o'clock.

The Indians clipped off their ninth victory last Friday when they travelled to Hudson to emerge on the long end of a 23 to 8 score. In this game the Tecumseh cage defense held their opponents from making a field goal throughout an entier half. It was the third time that Coach Raizk's defense had brought this about.

In the first Manchester game three weeks ago the Indians buckled down in the second half to hold the Dutchmen scoreless. When the Clinton five came to Tecumseh, they were allowed only six free throws in the first half; but later came back to edge out the Braves by three points. Then last Friday the tight Tecumseh defense held the Hudson five to one charity toss throughout the first half.

The Hudson game ended with the Indians on top 23-8, for their ninth victory against two defeats. At half time the home town quintet led 16-1; but slackened slightly during the final periods to rack up only seven more markers.

Dermont Poley, an Indian forward, led the scoring with 10 points. The Reserves also triumphed for their eleventh win 30-16. LaMar Cheever captured top honors with 11 markers.

Another change has been made in the Indian's schedule; the second Clinton contest which was formerly slated for February 16 has been moved back to Thursday, February 15 because of referee trouble. It will be played in the Clinton gym.

Miss Margaret Ash Weds Corp. Paul Tarris

Miss Margaret Ash, daughter of Mr. and Mrs. P. G. Ash of Ridgeway, and Corp. Paul A. Tarris, son of Mr. and Mrs. W. O. Tarris of Fostoria, O., were married Sunday afternoon in the home of her parents, by the Rev. A. B. Johns.

Preceding the ceremony Miss Janet Manthy, accompanied by Miss Lillian Dibble sang "I Love You Truly" and "Always." Miss Margaret Tarris of Fostoria was maid of honor and Miss Julia Freer of Tecumseh, the bridesmaid. Seventy-five guests from Fostoria, Toledo, Monroe, Dearborn, Willis, Palmyra, Adrian and Tecumseh attended.

The couple left on a short trip after which Corp. Tarris will return to his base at Miami Beach, Fla., and Mrs. Tarris will resume her duties with Dr. H. Heffron's office in Adrian. Corp. Tarris recently returned from oveseas duty in the Pacific.

GARDEN CLUB TO MEET

Geo. Adamson Finds Chronometer Made By His Grandfather

A chronometer, made, it is believed, in the year 1829 by Thomas Adamson in Liverpool, England, is now in the possession of his grandson, Geo. H. Adamson of Tecumseh, manufacturer of navigational time instruments for the Army and Navy. The instrument has been thoroughly cleaned and adjusted by its new owner, who declares it to be one of the finest timepieces he has ever seen. He also has a pocket watch, made by his grandfather.

The chronometer, Mr. Adamson believes, was originally sold to some ship company and eventually found its way to an Iowa jewelry shop, where it was discovered some weeks ago by one of Mr. Adamson's friends. It was purchased and sent to Tecumseh.

The chronometer, its new owner says, is extremely accurate, varying only a few seconds in a 90-day period. It is housed in a rosewood box, brass trimmed. It is one of two chronometers known to have been made by the English watchmaker, the other one being in New York City. Mr. Adamson estimates that it required from six months to a year of his grandfather's time to make the instrument.

Stores Close For Prayer Meet

COMMITTEE ASKS HALT IN BUSINESS FROM 2 TO 3:15 NEXT FRIDAY

The local World Day of Prayer committee is asking that all business places be closed during the Day of Prayer service, from 2 till 3:15 p. m., on Friday, February 16, so that employees may attend. Services will be held in the Presbyterian church and all churches will participate.

The service this year was prepared by writers of the Central committee for England, Wales and Ireland and the theme is "That ye should show forth the praise of Him who hath called you out of darkness into His marvelous light." Worshippers are urged to read carefully and thoughtfully 1 Peter before the Day of Prayer. The committee says: "The church has a significant part in the days ahead, and must exert practical witness to the fact of God's purpose in human affairs. The gospel must be preached more vigorously both by word and in our lives, bringing as it does a call to redemption and to fellowship in the lives of men and women."

Filipino Homes Raided By Japs

ST. SGT. PUFFER WRITES OF EXPERIENCES IN THE PHILIPPINES

The Japanese treated the Filipino people cruelly and stole most everything of value, Staff Sgt. Warren Puffer, son of Mr. and Mrs. Ray Puffer, advises his parents in a letter received this week. Sgt. Puffer is a member of a field artillery unit and is connected with the supply depot. It is believed that he has been in the Philippines since shortly before Christmas, going there from New Guinea and Australia.

Previous letters to his parents tell of the extreme heat in New Guinea where temperatures registered 120 degrees, with from 9 to 15 inches of rain falling in a single night only to be turned to steaming heat by the following day's sun.

Written on January 24, young Puffer's letter follows:

"At last I have the time and the place to drop you a few lines. I know you are worrying about me, but I want you to know that I am well and O.K.

You've probably guessed that I am somewhere in the Philippines. I would like to tell you more of the particulars and some of the things I've seen, but of course that is impossible.

We had a pretty good trip over here and it was uneventful. The chow was pretty good and the water was pretty clean. This writing is pretty poor but I am writing this sitting on the ground so you will have to excuse it for this time.

Our first contacts with the Filipinos proved very interesting. They are so glad to see us and happy that we are here. They are very, very friendly, but at first they were a bit shy. They're very polite and will do anything that they can for you.

Last night Ben and I went to one of their houses and had roast chicken which was very delicious. They broiled it over an outside fire and floured it with garlic and believe me it was good. Hope to go back tomorrow for some more. The homes are made of bamboo built high off the ground and very well made. They are quite primitive in some things but that is due to not being able to get modern things. The Japs were cruel to them and took everything they had. They stole their food and clothing and anything else of value so the poor people haven't anything. All they have is rice to eat and we give them some of our food once in a while and they really like it. They come around all of the time looking for dirty clothes to wash and any other job we can give them. Oh, yes, I might add that the women, most of them, are very pretty. The one that washes my clothes is really a pretty little thing. Maybe I'll be able to send you a few pictures.

I haven't had any mail service since a couple of days after Christmas and I hope it starts coming through."

WOUNDED IN FRANCE

Mrs. Margaret Kempf was notified Thursday by the War Department that her husband Pfc. Henry F. Kempf was seriously wounded in action in France, January 17. Pfc. Kempf who is the son of Mrs. Henry Kempf, was a machine gunner with Patch's 7th Army. He was inducted into service in December 1943 and had been overseas since June 1944, first going to England and then to France in October.

Mrs. Kempf also received a telegram from her husband at the same time she received the casualty message, but it contained no further information but asked her to "be brave."

HOME FROM PACIFIC

Corp. Ned F. Lanning, son of Mr. and Mrs. Bert Lanning, who recently arrived home after 33 months service in the Pacific, will report in Miami, Fla., at the end of his furlough. Corp. Lanning, who has been with the 32nd Red Arrow Division nearly four years, has been awarded the President's Citation, the Combat infantryman's badge, four bronze campaign stars and the Good Conduct Medal.

WOUNDED IN ACTION

Corp. James B. Geehan, son of Mrs. Ella M. Geehan and James H. Geehan of Adrian, formerly of Tecumseh, was wounded in action in Belgium, December 29, and is a patient in a hospital in England. Corp. Geehan has been overseas since August 1944.

CHIMNEY FIRE

The fire department was called to the Mulvany house, corner of Logan and Union streets, Tuesday evening, where a chimney was burning out. The house is occupied by Robert Maupin and family.

No damage resulted.

"BROTHERS TOGETHER"

Perhaps not everyone realizes what a great world asset has developed from the Boy Scout Movement. The problems that will face the democratic nations in a post-war world will be not merely economic. They will be psychological as well. Whole countries will have to develop new habits of thinking and foster a spirit of cooperation with each other based no mutual tolerance and respect.

Around the world the Scout Movement for over three decades has proved to be an effective means of building understanding and good-will among youth. Before the war the world Scout membership numbered more than three millions. Over seventy lands had Boy Scouts, all with the same ideals and enjoying practically the same program. Their regularly scheduled world jamborees or camps brought together every four years 25,000 and 50,000 boys from all over the world. The International friendships formed by these boys have spread in ever widening circles.

Both Mussolini and Hitler feared the power of Scouting and abolished the Scout organizations in their countries in favor of their own heel-clicking, hate-fostering youth programs. In the invaded countries they have persecuted Scouts with special vindictiveness. But Scouts met in secret and kept in touch with each other through the International Scout Bureau in London. They are prepared to take up where they left off as each country is liberated.

Now the Boy Scouts of America in observing their 35th Anniversary takes the theme "Scouts of the World—Brothers Together." The principles engendered by the Boy Scout Program have the chance to be one of the strong links in universal world peace.

Leader—Mrs. Robert Smith
Chapel Choir—"Memories of Galilee"
Solo—"I'll Take You Home Again Kathleen"—Mr. C. O. Bailey
Reading—"Thomas Alva Edison"—R. M. Beach
Chapel Choir—"Beautiful Isle of Somewhere"

Thomas Alva Edison's birthday is February 11th, so we have chosen to make this program a memorial service dedicated to his memory. Musical numbers on the program were selected from favorites of the great inventor.

Edison's birthday is of significance to us because the Martha-Mary Chapel which has been made available to us for these Sunday community services is a physical part of the Edison Institute Daily chapel services are conducted here by the children of the Edison Institute Schools in this area.

At the last meeting of the Community Club which was held in the home of Mr. and Mrs. Clayton Bigelow, it was decided at the business session to postpone the election of officers until the next session. Floyd Totten presided at the business session. Mr. R. A. Halladay announced the program which included "group singing" with Mrs. R. A. Halladay at the piano; two readings by Mrs. Russell Collins; vocal solo by Mrs. Carfon Foltz accompanied by Mrs. R. A. Halladay; speaker, Rev. Carfon Foltz. A cooperative dinner was served before the business session by the hostess and her committee.

Last Monday evening Mr. and Mrs. William Swick entertained a group of neighbors and high school students numbering 69 in the honor of their grandson Jack Swick who was home on a week's leave from Great Lakes Training Station. A potluck supper and a social time were the evening's diversions. Jack returned Wednesday evening to Chicago.

Mrs. Jennie Younglove was hostess last Saturday evening to a group of neighbors who came to help her celebrate her birthday anniversary. A bounteous potluck supper was served to thirty-seven guests. The evening was spent socially. Mrs. Younglove received many gifts and cards of greeting.

Mrs. Charles Howell and children were guests Wednesday, January 31 of her parents Mr. and Mrs. Fred Miller of west of Clinton who were celebrating their 30th wedding anniversary. In the evening Mr. Howell with his wife and children were guests of her brother and wife, Mr. and Mrs. Russell Miller, who entertained with dinner in observance of the 60th wedding anniversary of his parents and also of Russell Miller's birthday anniversary.

A group of neighbors met at the home of Mrs. Paul Lewis Saturday evening to observe her birthday anniversary. An enjoyable time with games and visiting was spent following a potluck lunch. Mrs. Lewis received many gifts.

Charles East recently observed his 91st birthday anniversary at his home at his usual daily work. He is in his usual health and is active for one of his age.

Mr. and Mrs. Eric Halladay and family of Detroit were Sunday dinner guests of his parents Mr. and Mrs. R. A. Halladay. They were also guests of his sister Mrs. Guy Hoover and Mr. Hoover.

Mrs. Raynor Scudder returned home Sunday from a hospital in Detroit where she had been a patient for a week after an operation for appendicitis.

Sunday evening guests in the home of Mr. and Mrs. Clayton Bigelow were Mr. and Mrs. Wm. Lichty of Detroit, Mr. Lichty and Mrs. Jr. Bigelow are brother and sister. The Jr. Bigelows spent Sunday in Detroit with the Lichty's.

Your **FARM TOOLS** are
WEAPONS OF WAR

The tools that you use on your farm are a part of the supply line reaching to our fighters on every front—for without them your farm isn't fit to produce the vast quantity of Food for Freedom for which our boys are counting on you.

That is why we are especially anxious to be of service to the farmers. We are offering pre-fabricated brooder houses and pig houses—built right here in our own shop, and ready for delivery to your farm.

Pig Houses, built and ready for delivery, priced at **$32**

Brooder Houses, priced at **$150**

COULD YOU PAY $10,000

AS A RESULT OF AN AUTO CRASH?

Suppose your car becomes involved in an automobile accident in which one or more persons are injured or killed?

Could you conveniently pay $5,000 or $10,000 —lay the cash on the line?

That's what the new Michigan Responsibility Law says you must do, and,

If you don't do it, you lose your right to drive until the claim is paid and until such time as you satisfy the state that you are responsible, should other accidents occur.

Why take chances? See us for insurance that will give you complete protection.

Scouts To Play Part In Peace

One of the greatest adventures the Boy Scouts of America has brought to the American boys, says Dr. Elbert K. Fretwell, Chief Scout Executive, has been "the adventure of friendship, the brotherhood that speaks around the world."

In his message to the Boy Scouts of America on their 35th anniversary which will be observed from Feb. 8th to 14, Dr. Fretwell believes that "the Scouts of the World—Brothers Together' will do their part to build the triumphant new world."

His message follows:

"For 35 years Scouting has brought to American boys a great adventure, the adventure of the out-of-doors smoke rising from the camp fire, the lure of unblazed trails. It has brought the adventure of citizenship, serving other people, the Good Turn Daily, helping to win the war. These and many other adventures have captured the imagination of boys. One of the greatest of them all has been the adventure of friendship, the brotherhood that speaks around the world.

"In practically every civilized country on the earth, Scouts are dedicated to tolerance, good-will and friendliness. There are 1,800,000 of us here. There are over 3,000,000 brother Scouts throughout the world. We like to think of all of them as Tennyson put it, as 'a glorious company, the flower of men, to serve as model for the mighty world.'

"The time, God willing, will come soon, when the 'Scouts of the World—Brothers Together' will do their part to build the triumphant new world, more glorious because of their devotion to Scouting's high ideals and service."

Mr. and Mrs. Fred Miller Married 50 Years

Mr. and Mrs. Fred Miller celebrated their 50th wedding anniversary Wednesday, January 31, and held open house at their home west of Clinton for nearly 50 friends and relatives from Brooklyn, Manchester, Clinton, Macon, Tipton, Adrian and Tecumseh.

A large tiered wedding cake decorated with gold and white roses, and tea were served by Mrs. Chas. Howell, Nancy Howell and Mrs. Harold Snyder from a table covered with a hand crocheted lace cloth and centered with yellow talisman roses.

Miss Minnie Larzelere and Fred Miller were married January 31, 1895, in Manchester and have always lived in this vicinity. Both enjoy good health. They have three sons Clyde and Russell of Clinton and Charles of Manchester; one daughter Mrs. Charles Howell of Macon, nine grandchildren and one great grandchild.

Mrs. Russell H. Miller entertained 20 at a family dinner in their honor Wednesday evening, also honoring the birthday of her husband R. H. Miller. Table decorations were in gold and white and centered with a large birthday cake.

MEMORIAL SERVICES

At the regular meeting of Tecumseh Chapter, Order of the Eastern Star, held Thursday evening, memorial services were conducted for the late Mrs. Mary Oliver, Mrs. Rose Burrow, a past grand matron, Harry Friedlander and a past grand patron. The degree was conferred on Mrs. Glenn Driscoll, Miss Betty Heidenreich and Mr. and Mrs. Don Hunt. It was voted to purchase another war bond, also to hold a card-party in March for the benefit of the Ida Hibbard Fund. A patriotic ceremony was presented by the officers. Canned fruit may be brought to the March meeting or left at the George Wilson gas station. Refreshments were served in conclusion by Mrs. Ted Ehinger and committee and special tables were laid for those with anniversaries in February.

2 MEN FACE CHARGES FOR DRIVING AWAY CARS

Two Ridgeway township men were released on bond, pending a probation report and sentence in Circuit Judge G. Arthur Rathbun's court, Wednesday, after they had pleaded guilty to charges of unlawfully driving away an automobile and assisting in the same charge. Bonds of $250 in each case were furnished.

The two men are LaVerne Steele, 38, of Britton, and Edward J. Grady, 29, of the Ridge Road. They were taken into custody Monday and Tuesday by state police and arrainged in Justice F. C. Hanna's court, Tuesday, where they waived examination.

According to Wm. Hanna, chief of police, the men came to Tecumseh on Monday and succeeded in driving away, without the owners' consent, cars belonging to Merll Murphy, Leo Seidel, James Osburn and Forest Abner. The Murphy and Osburn cars were taken from the parking lot, Seidel's, and Abner's from their homes. All cars were recovered, having been abandoned after short drives in town.

"Had keys been removed from these cars they could not have been driven," Chief Hanna said. "This should be a warning to motorists to remove the keys from their cars wherever they leave them."

John R. Zeigler, assistant prosecutor, represented the People at the justice court examination and in the circuit court arrainement.

Mrs. Mary M. Smith, 84, Buried In Ridgeway

Mrs. Mary M. Smith, aged 84 years, widow of the late Gilbert Smith of Britton, died Thursday at the home of her daughter in Wyandotte after several months illness.

The body was brought to Britton and funeral services were held Saturday afternoon at the Niblack Funeral Home with burial in Ridgeway cemetery.

HONOR DAUGHTER

Mr. and Mrs. Clark Rathbun entertained Saturday evening at their home on South Pearl street in honor of their daughter Marvel Jane Rathbun who was home for the weekend from the University of Michigan. A six-thirty dinner was served the nine guests and Valentine decorations were carried throughout the evening. An epergne with sweet peas formed the centerpiece of the dinner table. Hearts was the diversion of the evening and prizes were awarded to Marjorie Colson, Marilyn VanWinkle and Marvel Rathbun.

PASTOR RESIGNS

Rev. O. E. Priest, pastor of the Congregational church in Clinton, has presented his resignation to become effective at the pleasure of the church but not later than May 1. Rev. Priest has been pastor of the Clinton church for two years and before that had served as pastor of the Christian church in Britton for eight years. He plans to retire from active ministry and will remain in Clinton where he has purchased land just east of the village and plans to build as soon as materials are available.

GETS JAIL SENTENCE

Alfred Scott, 40, Tecumseh, drew a sentence of 10 days in the county jail and a fine of $25 and $3.75 costs, when he pleaded guilty of being drunk and disorderly, in Justice F. C. Hanna's court, Tuesday. In default of payment he must serve a 30-day jail sentence.

BUY WAR BONDS

SHE'S THREE YEARS OLDER NOW

—But Her Daddy's Still in the Fight, and the War Bonds You Bought Back in the Days of Pearl Harbor are Still Needed in the Fight, Too—for Victory!

REMEMBER this touching picture of a little girl's farewell to her war-bound daddy? Appearing shortly after Pearl Harbor, it touched the hearts of millions of Americans and helped to launch the greatest voluntary savings program in all history.

That girl is three years older today. In that time, our enemies have been pushed steadily back toward their own frontiers . . . thanks in no small measure to the overwhelming flood of tanks, ships, planes and guns that more than 85 million Americans have poured into the fight through their purchases of War Bonds.

But her daddy is still at war—the fight goes on—the money you've put into Bonds is still needed, just as it was after Pearl Harbor. KEPT IN THE FIGHT—KEPT IN WAR BONDS—IT WILL CONTINUE TO WORK FOR VICTORY—AND FOR YOU.

For just as that little girl has grown, so have the War Bonds you bought three years ago. The $100 Bond you paid $75 for then is already worth more than you paid—and how swiftly the time has passed! In another year it will be worth $80—at maturity, $100. Here's money you'll need later—for education, repairs, replacements, retirement—just as your country needs it today.

• • •

So let this picture remind you—HOLD TIGHT TO YOUR BONDS!

Your WAR BOND is the best investment in the world -keep it

REGISTRATION NOTICE
—for—
Village Election
MARCH 12, 1945

To the Qualified Electors of the Village of Tecumseh, County of Lenawee, State of Michigan:

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Village Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Village not already registered who may APPLY TO ME PERSONALLY for such registration. Provided, however, that I can receive no names for registration during the time intervening between the twentieth day before any regular, special or official primary election and the day of such election.

The last day for General Registration does not apply to persons who vote under the Absent Voters' Law. (See Registration by Affidavit.)

Notice is hereby given that I will be at my office in the Lilley Bank Building on

February 20, 1945—Last Day

the twentieth day preceding said election, as provided by Sec. 3, Chapter 3, Part II, P. A. 306, 1929, and Sec. 1, Chapter 3, Part II, P. A. 1939 and Act 31, P. A. 1941, from 8 o'clock a. m. until 8 o'clock p. m. on said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Regisration by Affidavit

Sec. 10—Any absent voter, as defined in this act, whose name is not registered and who shall claim the right to vote by absent voter's ballot at any election or primary election, may at the time of making application for absent voter's ballot present to the Village Clerk an affidavit for registration which shall be in substantially the following form:

AFFIDAVIT FOR REGISTRATION

State of Michigan, County of ....., ss.

I, ..., being duly sworn, depose and say that I am a citizen and duly qualified elector of the.....precinct of the Village of..... in the County of..... and State of Michigan; that my post office address is No..... street....., or R. F. D. No..... P. O.....; that I am not now registered as an elector therein and that I am voting by absent voter's ballot at the election (or primary election) to be held upon the.....day of..... 194..; which ballot accompanies this affidavit; that I make this affidavit for the purpose of procuring my registration as an elector in accordance with the statute that I make the following statements in compliance with the Michigan Election Law: Age.....; Race.....; Birthplace.....; Date of naturalization..... I further swear or affirm that the answers given to the questions concerning my qualifications as an elector are true and correct to the best of my knowledge and belief.

.....

Taken, subscribed and sworn to before me this.....day of..... A. D. 194..

.....

Notary Public in and for the County of....., State of Michigan. My commission expires.....194..

Note—If this acknowledgement is taken outside of the State, the Certificate of the Court that the person taking the acknowledgement is a notary must be attached.

Registration of Absentee by Oath

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, UNDER OATH, state that he is a resident of such precinct and has resided in the VILLAGE TWENTY DAYS next preceding such election, designating particularly the place of his residence, and that he possesses the other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself or some member of his family, or owing to his absence from the VILLAGE on public business or his own business, and without intent to avoid or delay his registration, he was unable to make application for registration on the last two days provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he shall then be permitted to vote at such election or primary election. If such applicant shall, in said matter, wilfully make any false statement, he shall be deemed guilty of perjury.

Provision in Case of Removal To Another Precinct

Any registered and qualified voter who has REMOVED from ONE ELECTION PRECINCT of a VILLAGE to another precinct of the same VILLAGE, shall have the right, on any registration day, as in this act provided, on application to Village Clerk, as the case may be, to have his name transferred from the registration book of the precinct from which he HAS REMOVED to the registration book of the precinct in which he THEN RESIDES. Such elector shall have the right to have such transfer made on any ELECTION or Primary election day, by obtaining from the board of inspectors of such election or primary election of the precinct from which he HAS REMOVED, a CERTIFICATE OR TRANSFER, and presenting the said certificate to the BOARD OF ELECTION INSPECTORS OF THE PRECINCT IN WHICH HE THEN RESIDES.

WADE L. JONES,
Feb. 15 Village Clerk.

OBITUARY

Annie L. Rappleye

Annie Laurie Rappleye was born April 12, 1871, in Springfield, Missouri, and had lived at Table Grove, Ill., and St. Paul previous to coming to Sioux City, where she lived for 59 years. She died January 29.

She was active in the Order of Eastern Star, being past matron of Isis chapter. She attended the First Presbyterian church.

If one were to epitomize her life in a sentence or two, it might be said that she remained young in spirit and outlook even though the passing years crowned her with hair white as snow and as beautiful. Gracious in manner, sympathetic in spirit, hopeful in outlook, and with a faith in the unseen which was shown best by those who knew her best, she heard her call from this life with the same cheerful smile with which she met friends and loved ones.

All of her descendants, except one who was too far away to come, were present at the funeral.

She is survived by the widower, Lafayette E. Rappleye, a daughter, Mrs. Lillian A. Owen of Tecumseh, Michigan, two sons, Rev. E. L. Marousek of Jefferson, Iowa, and Lloyd A. Marousek of Sioux City, and by five grandchildren.

OBITUARY

Harry A. Friedlander was born April 13, 1868 in Watsonville, Calif., and died January 29, 1945, at Oilton, Oklahoma. He was married September 5, 1914, to Emma P. Birdsall of Britton and they made their home in Ridgeway for 27 years.

Mr. Friedlander was a piano tuner by profession and did an extensive business in his line for many years, both here and in the west.

Survivors are the widow, a son Norton J., and a daughter Gertrude by a former marriage, a sister Mrs. Rosa Cohen and a granddaughter Mrs. Gloria Faris, all of San Francisco, also several nieces and nephews in California and New York state and a large circle of friends. A daughter and a granddaughter preceded him in death.

The funeral was held Monday afternoon at the Niblack Funeral Home in Britton. Rev. A. B. Johns officiated and B. J. Beasley conducted Masonic services. Bearers were Dewey Sturtevant, Jennings Frayer, Tom Birdsall, Warren Benham, Leroy Titley and Clyde Bailey and burial was in Ridgeway cemetery. Relatives and friends attended from Ypsilanti, Macon, Saline, Britton, Tecumseh and Ridgeway.

GOVERNMENT ORDER

Concerning The Use Of Electricity

Effective Feb. 1, '45

War requirements have created a shortage in the supply of coal and other fuels. In order to save fuels used in the generation of electricity, the War Production Board has issued an order (Utilities Order U-9) providing that—

Electricity Shall Not Be Used For Any Of The Following Purposes:

1. Outdoor advertising and outdoor promotional lighting.
2. Outdoor display lighting except where necessary for the conduct of the business of outdoor establishments.
3. Outdoor decorative and outdoor ornamental lighting.
4. Show window lighting except where necessary for interior illumination.
5. Marquee lighting in excess of 60 watts for each marquee.
6. White way street lighting in excess of the amount determined by local public authority to be necessary for public safety.
7. Outdoor sign lighting except for:

   (a) Directional or identification signs required for fire and police protection, traffic control, transportation terminals or hospitals; or directional or identification signs for any similar essential public services the lighting of which is specifically certified to be necessary by local public authority.

   (b) Directional or identification signs using not more than 60 watts per establishment, for doctors and for hotels and other public lodging establishments.

VIOLATIONS

If the War Production Board determines that any person is using electricity in violation of this order, it may direct the electric supplier serving such person to disconnect service and prescribe the conditions under which service may be reconnected.

In addition, any person who wilfully violates any provision of this order or who in connection with this order wilfully conceals a material fact or furnishes false information to any department or agency of the United States is guilty of a crime and upon conviction may be punished by fine or imprisonment.

APPEALS

Any person affected by this order who considers that compliance will work an exceptional or unreasonable hardship on him or who considers that compliance will endanger public health or safety may appeal for relief to the District Office of the War Production Board for the area in which the consumer is located.

EFFECTIVE DATE

Effective date of that portion of the order forbidding use of electricity for the purposes specified above is **February 1, 1945.**

Garbage Pickup Yet Uncertain

COUNCIL IS CONSIDERING PLAN AS LICENSE DELAY HOLDS UP WORK

The program to belaunched by the village for the collection and disposal of garbage, ashes and other trash still is in the making but when it will be started is problematical.

And there are plenty of problems. First, it was to win the approval of the War Production Board for permission to purchase a suitable truck. This problem was surmounted, and the truck is here but now the village is waiting for the state to issue the proper license for its operation.

Problem number two with the village is to find a crew of men to operate the truck. True, the village has several men in its employ, but if it shifts two or three of these men to the new work then jobs that they were doing must go undone unless new employees can be found to fill their places.

Then, there is problem number three, and that is how the work should be done, whether garbage and rubbish will be picked up at the rear of dwellings or whether the village will require that it be moved to the curb line on certain days, that it may be more easily handled.

One thing appears to be certain, the cost of the operation will be taken from the village general fund and assessed against the general tax roll, making all property share alike in the expense.

In the meantime, many residents of the village are worrying about how to dispose of their garbage until the council is able to work out the program and get the truck into operation. Some residents are burning their garbage, others are "burning" because it is not being collected.

However, this much seems certain. There will be a village operated and controlled garbage collection in Tecumseh soon if—the state gets around to issue a license and the council can find the men to do the work.

Chilean Is Speaker at The Rotary Club

Teodoro Jara of Santiego, Chile, chosen by his countrymen some 18 months ago to study American industry and its methods and who, for several months, has been at Meyers Aircraft Company, Tecumseh, was an interesting speaker when he addressed the Tecumseh Rotary Club, Tuesday evening at St. Peter's parish house. Mr. Jara was the guest of Bruce Hoffman, who had charge of the program.

Although he spoke no English when he received his commission to study in America, the youthful student now speaks the language fluently, as well as Spanish. He has successfully passed the U. S. government examination as an airplane mechanic and will return to Chile on February 28. He told many interesting things about his home nation and praised the United States as "a beautiful country."

Mr. Hoffman spoke briefly preceding the talk, explaining that Mr. Jara won his commission to study here in competetive examinations, ranking highest in a class of 300. He said the study is being fostered by American manufacturers, and he urged that the U. S. send students to Latin America to study their customs. He said he believed that such a plan would foster good will between nations.

Rotarians attended the Shrove Tuesday pancake supper at St. Peter's, Tuesday evening, but next week will meet as usual, at Brees House. F. H. Peiffer, a former Rotarian, industrial relations director of Tecumseh Products Co., was a guest.

ALTAR SOCIETY

St. Elizabeth Altar Society met Monday evening at the home of Mrs. Jean Gulat with 18 members in attendance. Four new members were added to the roll call. Plans were made for a Mother and Daughter banquet in May and also for a grab bag at the next meeting to be held March 14, at the home of Mrs. Betty Strand. Refreshments were served. Guests were Fr. Weier, Mrs. Bud McEnroe and Irene Pask.

GETS ARMY HONOR

Sgt. Richard Socks has been awarded the expert infantryman's badge and has been transferred from San Luis Obispo, Calif., to the east coast for overseas assignment.

TOWNSHIP TAXES

Beginning Friday, February 9, I will be at the United Savings Bank, Tuesday and Friday afternoons only for the collection of taxes, insurance and dog tax.

Amey K. Scutt,
adv.-tf. Township Treasurer.

Deadline For Taxes Is Drawing Nearer

With nearly $10,000 remaining in unpaid township taxes, Amey K. Scutt, Tecumseh treasurer, reminded property owners today that the deadline for payment without penalty is drawing near and she urged their cooperation.

The total tax bill of the township this year amounts to $47,588.77. Of this amount, Mrs. Scutt said, $37,981.65 has been paid, leaving a balance of $9,607.12.

"I believe that we will collect nearly all of the tax," Mrs. Scutt said, "but property owners are waiting to be reminded that the 'last day' is near. Most folk desire to avoid paying a penalty."

Mrs. Scutt also called attention to the need for payment of dog taxes as well as property taxes.

Indians Ready For The Redmen

TO PLAY CLINTON TONIGHT AND WIN MIGHT BRING ABOUT LEAGUE TIE

By Jim Sisson

The high school cage quintet again drubbed the Morenci Bulldogs. After a very close contest last December, which Tecumseh won 30-29, Tecumseh got back at the Bulldogs last Friday and excelled them 41-31 for an unquestionable victory. The game was played on the local court.

Both teams started well but the Braves climbed out in front at the close of the first quarter 14-11. The Tepee Town Boys then settled down and quickly jumped far ahead to lead 30-12 at the half.

The Bulldogs rallied in the final period, but could not even hope to make the mark that the Indians kept raising.

John Murdoch, Tecumseh's high scorer, led the Indians to their tenth win with 14 markers, followed by Chuck Bancroft with 11. The T.H.S. Reserves also won, 44-13, to remain the only undefeated team in the county.

Tonight, the Indians meet the Clinton five, who edged them out previously. The second place Indians have the best chance of defeating the league leaders even on the opponent's gym. If Clinton loses both of its last two games and Tecumseh wins both, it will place Tecumseh in a tie for first with the Redskins.

Brownie Scouts' Mothers Entertained at Tea

Mothers and friends of the Brownie Scouts were entertained at a Valentine Tea in the Baptist church parlors Saturday afternoon. Ninety members and guests attended and tea was served from a candle lighted table with a valentine centerpiece by Margaret Touborg, Joan Pfaus, Mary Lou Alderdyce, Phyllis Butler, Barbara Cornell, Dolores Deshler and Helen Furgason.

Mary Ellen Folk, Sylvia Helzerman, Anita Dickinson, Janis Boltz, Martha McKenzie, Garnet Drouillard, Betty Wilson and Doris Ann Phillips were initiated to membership and honors were awarded to Mary Lou Alderdyce, Helen Furgason, Phyllis Butler, Barbara Cornell, Dolores Deshler, Joan Pfaus and Margaret Touborg who will receive their wings in March.

The program consisted of piano solos by Joan Pfaus and Margaret Touborg, recitations by Judith Johnston, Theresa and Barbara Cornell, Janis Boltz, Sally Jo Rentschler, Jane Ellen Smith, Barbara Ousterhout, Helen Furgason, Wanita Cleveland and Mary Nixon.

In a contest to name Spool Dolls made by the scouts Margaret Touborg was awarded the prize for naming her doll "Woodella" and Mary Nixon received honorable mention for the name of "Spooley."

NURSES TO MEET TUESDAY

The Lenawee District Nurses' Association will hold a dinner meeting at 7 o'clock Tuesday evening February 20 at the Adrian Club in Adrian. Industrial nurses will have charge of the program and Mrs. Thelma Brewington, executive secretary of the state nurses' association will be the guest speaker.

RECEIVES PURPLE HEART

Mrs. Doris Pawson has received the Purple Heart awarded to her husband Pfc. Willard L. Pawson who was wounded in action on Leyte, November 19, and has since been in a hospital in New Guinea. Pfc. Pawson writes that he has practically recovered and hopes to be back with his company soon.

WOUNDED IN ACTION

Pvt. Donald D. Meyer, son of Mr. and Mrs. H. F. Meyer, formerly of Britton, is reported wounded in action in Germany, January 20, and now in a hospital in France. His sister, Mrs. Ernest Carothers, lives in Britton.

Boulevard Safe only for Rabbits

We do not know who has been directing the County Road Commission's activities in the removal of ice and snow from West Chicago, from the downtown district to Adrian street, but we can think of many residents of that section who, had they known the official's name, would have been happy to have sent him a Valentine yesterday—and it wouldn't have been one of the sweetheart kind, either.

From the appearance of the street at 5:30 p. m., Tuesday, one might have been led to believe that the Commission's snow plow crew held a picnic in the afternoon. How many plows and men were needed to get the street into such a deplorable condition, only the Commission knows. This much, however, remains a fact:

Every driveway on the street was blocked; piled full of ice and snow two and three feet deep.

Every cross walk leading from the sidewalk across Chicago boulevard was in a similar condition.

To cross Chicago boulevard on foot, pedestrians were forced to use the street intersections. Only a cat or a rabbit would have dared to have used the sidewalks.

Why in the name of common sense it is necessary for the Commission to hurl the ice and snow into crosswalks and driveways on that street remains a riddle. By operating the plows in the opposite direction, the snow could be rolled up in the center of the street, onto the boulevard, where it would be out of everybody's way. Crosswalks and driveways would not be blocked and the Commission would be doing the taxpayers a genuine service. As it is, residents no more than get their driveways cleaned out than they are pushed full of snow by the Commission's plows. Likewise, the village street department must battle the crosswalks daily if they are to be kept open to the public.

The Commission has done an excellent job this year in keeping main trunk lines open to traffic, despite the heavy snowfall and cold weather. We recognize that this has done this with a minimum of manpower and equipment.

We'd like to congratulate them for the grand over-all job they've done—but we must agree with the boulevard residents that their efforts on that street have been ill-directed.

$2,000 FIRE LOSS AT GRAVEL COMPANY

Fire at the Willis G. Porter Sand & Gravel Co. Wednesday morning did at least $2,000 damage to equipment. The salamander blew up about 9:30 and destroyed the boat house. A new pump was installed on Tuesday and damage to the Diesel engines is not yet known. The local fire department was called and worked about an hour to prevent further damage.

Tuesday morning at 10:30 the department was called to the D. A. Greenman home on East Chicago Boulevard where a leaking oil stove had caught afire. No damage resulted.

HAROLD ASH DIES

Harold Ash, 51, a former resident of Raisin township, near Holloway, died February 6 at his home in Sparta where he had lived for several years. He leaves the widow Anna, three sisters Mrs. Edward Meyers of Adrian, Mrs. Genevieve Snyder of Palmyra, Mrs. Marian Berry of Adrian; four brothers, Pearl G. Ash of Ridgeway, Ernest of Toledo, Clyde of Cleveland and Clarence of Monroe.

PRESBYTERIAN LEAGUE

The Presbyterian League will meet Tuesday evening, February 20, at the home of Mrs. K. D. Hall, with Mrs. Garth Hall and Mrs. George Wilson assisting in entertaining. Mrs. Howard Truesdale will have charge of the Handicraft program and plans for the Silver Tea to be held February 24 will be discussed.

SPECIAL SERVICE

Miss Eva Clausen, evangelist and Miss Celeste Richardson, soloist and pianist will again have charge of the Sunday evening service in the Friends church at 7:30. They have been guests of Mr. and Mrs. R. R. VanWinkle during their stay in Tecumseh.

4 Former THS Students To Receive Diplomas

Four former Tecumseh high school students, now in the armed forces, will receive their diplomas in June, as the result of credits they have accumulated in the Army and Navy, the board of Education decided at its meeting, Tuesday evening.

The students to get diplomas are: George Underwood, Russell Collins, Robert Smith and Don Hoekstra. The first three are in the Navy, Hoekstra in the Army.

The action is in keeping with the board's policy of granting diplomas to students who entered the armed forces, as quickly as credits that they had gained in the service could be transferred back to the school here.

All four of the boys will be officially advised of the board's decision this week.

Local Farmers Will Register

MARCH 5 TO 9 IS THE DATE SET FOR TECUMSEH AND IMMEDIATE AREA

March 5 to 9, inclusive, are the dates set for the registration of this area farmers, 26 to 28 years of age, who expect to retain II-C classifications (agricultural deferments) from Selective Service for the 1945 farming year, it was announced today by LeRoy Titley, local supervisor. The place of registration is in the supervisors room at the court house, Adrian, and the time is from 10 a. m. to 4 p. m., Eastern War Time.

Farmers from these townships will register on the above dates: Macon, Tecumseh, Clinton, Franklin and Cambridge. Ridgeway, Deerfield, Blissfield and Riga farmers will register February 26 to March 2. Raisin farmers registered February 12.

The registrations are being conducted by the township supervisors, assisted by the County Agricultural Service. It was pointed out that Selective Service requires that all men 26 to 38 years old, who expect to retain their II-C classifications for the coming year, must submit to the County Extension Office a new "Michigan Agricultural Questionnaire" properly executed. It is the responsibility of every farm operator to appear not only for himself if he is of draft age, but with any and all workers on his farm who may be registrants in this age limit.

It was pointed out that operators should bring their 1944 acreage and production figures, also figures on the 1944 livestock sales and production and the gross sales in dollars from the farm in 1944.

Sgt. John J. Schuler Weds Miss Arlene Carl

Miss Arlene Carl, daughter of Mr. and Mrs. C. D. Carl of Jerome, and Sgt. John J. Schuler, son of J. F. Schuler of Clinton, were married Saturday evening, February 3 at the home of her parents, the Rev. Mr. Hathaway officiating, reading the double ring service. Their attendants were the bride's sister Miss Virginia Carl and Robert Francis. Carolyn Ritter, niece of the bride, played the wedding march from Lohengrin and Madeline Ritter was the ring bearer.

Following the ceremony a buffet supper was served by Edna Ritter and Helen Davis. Only the immediate families were present.

The bride who is a graduate of Addison high school and Mercy hospital school of nursing in Jackson, was employed for several years on the nursing staff at Tecumseh hospital. Recently she has taken a position as nurse for the Goodyear Company in Jackson. Sgt. Schuler recently returned from 36 months service in the Southwest Pacific. He will report at the end of his leave to Miami, Fla., for further assignment and the bride will resume her duties in Jackson.

Wit, Wisdom Club Enjoys A Program on Lincoln

Mrs. E. D. Brown assisted by Mrs. Jennie Temple and Miss Gertrude Spaulding, entertained the Wit and Wisdom Club Monday evening at her home on West Pottawatamie street. Rev. Alvin C. Brazee presided at a brief business session and read a Valentine received from his son Donald who is in the Netherland East Indies and which was designed and made in his camp.

The program was in charge of Mrs. Ellsworth Collins and opened with the club singing "O Drink To Me Only With Thine Eyes." Mrs. Collins then showed pictures of Lincoln from his youth up till the time of his death and related interesting facts about each picture. She then introduced Mrs. Irene Kendrick of Blissfield who told historical facts concerning Lincoln; told how people dressed in those days and compared Lincoln's time with the present. She raised the question "would a man of Lincoln's calibre be brought out in the readjustment period in our own country after the war." Mrs. Kendrick also showed some copies of "The Watch Tower" published in Adrian in 1862 and 1863, one of which contained an editorial comment on the Emancipation Proclamation.

A spelldown concluded the program, Rev. Brazee and Wilfred Waldron choosing sides, the latter's side winning. A social hour with refreshments followed.

Products Aid To Employees Over $500,000

AVERAGES $10 PER MONTH PER EMPLOYEE SINCE COMPANY CAME HERE

The Tecumseh Products Company has spent more than a half million dollars in employee benefits since the company came to Tecumseh, according to a compilation made by Robert Fuller, and announced in this week's issue of the "T-P Broadcast," shop house organ. The benefits include insurance, hospitalization and housing program.

The announcement as made by Mr. Fuller follows:

I think few employees realize the amount we have paid out for their benefit that they never see. This is one of the items in the cost of doing business, and must come out of the products sales price. Over half a million dollars has been paid out by us since we came to Tecumseh.

This amount is about $120.00 for each employee each year, or $10.00 per month. This is in addition to your pay and not deducted from your pay, and amounts to a colossal sum when added together.

The main item is insurance, comprising our part of your life insurance, the entire amount of your compensation insurance is used to pay you when you are hurt and our share, equal to yours, of your old age insurance that you start drawing when you are 65.

Hospitalization represents our payments to various hospitals and doctors for their fees in taking care of the needs of those who are eligible under our hospital plan. When the calamity of sickness comes you don't have to eat into your savings or go into debt to take care of it. We foot the bill. Most people don't realize what an advantage this is, until is strikes home.

Housing program is the amount we furnished to certain employees as down payment, or part of a down payment, for a new house, back before the war, when building was permitted.

A summary of amounts paid out, is as follows—

Insurance	$467,312.63
Hospitalization	41,135.42
Housing Program	6,880.00
	$515,328.05

ON WAY TO GERMANY

Pfc. Henry Walden writes The Herald January 4 from Luxembourg which he says is far more beautiful country than France or England, and is on his way to Germany. In a second letter written January 17, he tells of going deer hunting and getting his deer, although he had only four hours to accomplish the feat.

Pfc. Walden has been awarded campaign ribbons with three stars for meritorious service at the Normandy beachhead, the French campaign and the battle for Germany. He celebrated his 20th birthday February 4 with 18 months overseas.

IT MAKES THE WIRES HUM

Few people realize the part coal plays in producing the electric light and power with which this nation is so abundantly supplied. For example, in October, 1944, according to the Federal Power Commission, fuel burning electric generating plants produced 13,450,394,000 kilowatt hours of electricity; water power plants produced 5,771,352,000.

The coal industry can be justly proud of the fact that 55 per cent of all this electric energy is generated from bituminous coal. Last year, for electric utilities, railroads, factories, homes and farms, over 600,000,000 tons of coal were produced.

The industry is now working to provide postwar coal for home heating in more uniform sizes and practically dustless. No wonder the United States has outstripped the world in all manner of production when it has industries that, while meeting abnormal demands, plan ahead to give constantly improved service when conditions become normal.

WE ARE INTERESTED IN HELPING FARMERS SUPPLY FOOD *for* VICTORY!

We understand, Mr. Farmer, that you are extremely short of help, that you are having your difficulties, too, in this war.

But we also realize that your farm is directly connected with the front battle line, that without the food you produce our boys, over there, cannot go on winning Victory.

We're vitally interested in helping you in any way that we can. That's one of the reasons why we have built in our own shops, brooder and pig houses, ready for delivery to you.

Pig houses are priced at $32 and the Brooder houses at only $150.

Britton Youth Wins Air Medal

SGT. FRANK E. MATHEWS MAY NOW WEAR DISTINGUISHED UNIT BADGE

For outstanding achievement in the China-Burma-India theatre of operations the veteran Troop Carrier Group to which Sgt. Frank E. Mathews of Oregon, Mo., is assigned, has been cited by the 12th Air Force. Sgt. Mathews is now entitled to wear the Distinguished Unit Badge. Last April his Troop Carrier Group stationed in the Mediterranean theatre of operations, was suddenly ordered to fly to the support of Allied forces battling the Japanese in the Imphal Valley, India, and the Myitkyina area, Burma. Seven days later the big twin engined C-47 transport planes of this group were delivering the needed supplies when they would do the most good.

The unit continued to support the allied arms for two and a half months and played a tremendous part in driving the Japanese from Northern Burma and the Imphal Valley. The group affectionally called "Cerney's Circus" after its commanding officer Colonel John Cerney of Harrison, Idaho, is now back in the Mediterranean theatre starting its 27th months overseas.

During the 75-day emergency the (censored) Troop Carrier Group delivered troops, tons of food, equipment, medical supplies, arms, ammunition and mules, in addition to evacuating Allied casualties on return flights, each pilot and crew member averaged over 290 hours flying time per individual.

This gigantic task was accomplished against terrific odds. The planes of the organization, devoid of protective armor and defensive weapons of any kind, flew daily missions over enemy territory while constantly being subjected to attacks by Jap fighters. Eleven of the group's air craft were lost to enemy action.

Sgt. Mathews is the nephew of M. W. Mathews, 310 S. Pearl St., Tecumseh and the youngest son of the late Roy Mathews of Britton.

Former Tecumseh Boy Gets Army Citation

WITH THE 12TH AIR FORCE IN ITALY—Corporal Cloyd Richard, son of Mr. and Mrs. C. L. Richard of Jasper, Mich., formerly of Tecumseh, is serving with the [illegible] Machine [illegible] unit of the 12th Air Force Headquarters in Italy, which has been awarded a Meritorious Service Unit Citation by Major General Cannon. The award was made on the basis of "superior performance of duty in the accomplishment of exceptionally difficult tasks in the Mediterranean Theater of Operations."

Corporal Richard, who entered the Army in January, 1943, has been overseas 17 months in Tunisia and Italy. He attended Tecumseh schools and was graduated from Sand Creek high school, where he starred in basketball, in 1941. Prior to entry in the armed forces he was employed by the Kewaunee Manufacturing Co. at Adrian.

The organization in which Corporal Richard is now serving is one of the outstanding Machine Records Units in the Army and the fifth oldest one now overseas. During the period covered by the citation award, it was the only mobile unit of its kind to be serving an entire Air Force of more than 100,000 personnel. It acts as a forward field office of the Adjutant General's Department in Washington and in addition provides strength and statistical data of vital importance to the command of the 12th Air Force.

Founder's Week Is Observed By A. & P.

The originator of straight-line food distribution will be honored this week by the Great Atlantic and Pacific Tea Company as it begins local observance of Founder's Week.

"The event this year comes at a time when both our fihgting forces and our home front enter the most decisive phase of the war," R. R. Betz, vice president of the company's operations declared today. "It can be celebrated with pride in the knowledge that the business principles of George Huntington Hartford, who founded the A & P in 1859, have enabled the company to lend its full strength to the war effort."

At the outset of the fourth war since the establishment of the food chain, John A. Harford, company president and son of the founder, issued a signed statement pledging the A & P to continue efforts to cut the cost of bringing food from producer to consumer; to assist farmers in the orderly marketing of their products at fair prices; and to hold down living costs by selling food at the lowest margin of profit in the history of the retail grocery business.

Betz declared that in addition to following the terms of its pledge, the company has kept faith with its founder by adhering strictly to government pricing and rationing programs, as well as cooperating in conservation and salvage campaigns.

BETTER CAR CARE "PAYING OUT" IN 4TH WAR-WINTER!

"George - isn't it about time to have the Standard Oil Man do some work under the hood of the car?"

COPYRIGHT 1945, STANDARD OIL COMPANY

Sticky sludge is building up in many thousands of cars this winter. It always *does* in winter—but it's especially bad this year because of rationed, short-trip driving. Sludge tends to clog oil lines and screens and may lead to burned-out bearings and scored cylinders.

Better change oil every 60 days, or at 1000 miles—whichever comes first. Get sludge-resistant, low-in-engine-carbon, easiest-on-the-battery motor oil—Standard's Iso-Vis 10 W. And see your Standard Oil Dealer frequently.

1,000 Passengers!

We thought you would be interested to know that in January we carried well over one thousand passengers. Not an amazing figure in comparison to the large taxi companies but when we figured out that the largest part of these were war workers, farmers whose cars were snowed in the garage and people whose age or health would not permit them to walk on the snow and ice, it made us feel good that we had been able to help so many of you folks.

Meeting you has been a pleasure and we hope to meet many more of you soon.

How About BROILERS in 1945

We have heard by the grape vine route that the Army has "frozen" all of the eastern broiler production. If that is so, the demand for broilers in 1945 should be very good.

We have a broiler ration that has done an outstanding job on broiler production.

Feed HAYDEN'S BROILER MASH from the very moment the chicks are big enough to eat.

It's all you need from start to finish. If you want some blooming good broilers, this season, make plans now to

AN OLD AMERICAN CUSTOM

What's the oldest American Custom?

GRIPING.

Back in 1620 we griped about the cold winters—and built New England. We griped about the hot summers—and built the South.

We griped about the forests—and turned them into wagons and bridges and homes. We griped about Indian maize—and invented corn bread and bourbon. We griped about the stagecoach—and put the steam engine together. We griped about sailing around the Horn—and dug the Panama Canal. We griped about yellow fever—and found a cure for it.

* * *

WE'RE STILL GRIPING.

In the army, the navy, the air force—we gripe. The Germans call us the "I want to go home" soldiers. They're right. We do want to go home—home to the best country on earth. That's why we fight so hard. Fight and gripe. Take Rome and Aachen and Saipan. And Gripe.

* * *

BACK HOME WE GRIPE, TOO.

Labor gripes because it wants more money. Investors gripe because they want more generous dividends. Consumers gripe because they want more for their money. Management gripes because it's caught in the middle and finds it harder and harder to make ends meet.

And that's good. Because the sum of all these gripes represents our restlessness, our dissatisfaction with things as they are, our itch to do better and better and better.

And that's how improvement is born.

For—in satisfying all the gripes, including its own—management raises money for more efficient machinery, so that labor can produce better goods at lower prices. This enables the consumer to buy more. And THAT results in more jobs, higher wages and fair profits.

That's the American way—born of griping. Griping and a willingness to cooperate.

* * *

Right now we have the greatest productive capacity in all history. Much of it was built for war—and will have to be rebuilt for peace.

In rebuilding it, however, we must take steps to make sure we will be able to BUY all the many things that our factories and farms can produce.

AND THAT CAN BE DONE. Not through government handouts—which result only in more and more debt. But by using our productive capacity to provide us with more for our money in the things we buy, so that we can buy MORE—and thus create MORE earnings for all.

This is the "process of prosperity." Indeed, by making full use of this country's limitless energy and ambition, we can help lead the world into an era of peace and plenty greater than any yet seen.

Two things are necessary to realize this opportunity. One is a liberal, forward-thinking policy on the part of business. The other is public cooperation.

Business is pledged to do its part—first, by increasing the opportunities for all to EARN and, second, by increasing the opportunities for all to BUY.

TO INCREASE THE OPPORTUNITIES FOR ALL TO EARN, business pledges a just and enlightened wage policy, and the opening of every possible avenue of advancement for the worker.

It proposes to proceed at the earliest moment with the starting of new ventures and the expansion of old in order to provide more jobs for more people—including returning servicemen and demobilized war workers.

It proposes to put into workers' hands the most efficient tools available—so that a worker, by increasing his production, may add still further to his earnings.

TO INCREASE THE OPPORTUNITIES FOR ALL TO BUY, business proposes to make full use of the technological "know how" it has accumulated during the war to put on the market the finest products that can be made, at the lowest prices for which they can be sold.

It proposes to seek, through unending study and research in the fields of production and distribution, every possible means for lowering prices still further over the years, so that more of the good things of life can be enjoyed by more and more of the people.

It proposes to encourage full and free competition to avoid restraint of trade and so assure better and better values.

It is an Old American Custom once we are awakened to outdream, outthink, outwork, outproduce, outfight, outinvent, and outprosper any country in the world.

The help of every American is needed to outmode the tendency now prevalent to destroy these American customs, by disturbing private initiative—the thing that made us great. We, if permitted, and aided by proper laws will do all of this.

REGISTRATION NOTICE
—for—
Village Election
MARCH 12, 1945

To the Qualified Electors of the Village of Tecumseh, County of Lenawee, State of Michigan:

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Village Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Village not already registered who may APPLY TO ME PERSONALLY for such registration. Provided, however, that I can receive no names for registration during the time intervening between the twentieth days before any regular, special or official primary election and the day of such election.

The last day for General Registration does not apply to persons who vote under the Absent Voters' Law. (See Registration by Affidavit.)

Notice is hereby given that I will be at my office in the Lilley Bank Building on

February 20, 1945—Last Day

the twentieth day preceding said election, as provided by Sec. 3, Chapter 3, Part II, P. A. 306, 1929, and Sec. 1, Chapter 3, Part II, P. A. 1939 and Act 31, P. A. 1941, from 8 o'clock a. m. until 8 o'clock p. m. on said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Registration by Affidavit

Sec. 10—Any absent voter, as **defined in this act, whose name is not registered and who shall claim the right to vote by absent voter's ballot at any election or primary** election, may at the time of making application for absent voter's ballot present to the Village Clerk an affidavit for registration which shall be in substantially the following form:

AFFIDAVIT FOR
REGISTRATION

State of Michigan, County of ....., ss.

I, ...being duly sworn, depose and say that I am a citizen and duly qualified elector of the.....precinct of the Village of..... in the County of..... and State of Michigan; that my post office address is No..... street....., or R. F. D. No..... P. O.....; that I am not now registered as an elector therein and that I am voting by absent voter's ballot at the election (or primary election) to be held upon the.....day of..... 194.., which ballot accompanies this affidavit; that I make this affidavit for the purpose of procuring my registration as an elector in accordance with the statute that I make the following statements in compliance with the Michigan Election Law: Age.....; Race.....; Birthplace.....; Date of naturalization..... I further swear or affirm that the answers given to the questions concerning my qualifications as an elector are true and correct to the best of my knowledge and belief.

.....

Taken, subscribed and sworn to before me this.....day of..... A. D. 194...

.....
Notary Public in and for the County of....., State of Michigan.
My commission expires.....194..
..Note—If this acknowledgement is taken outside of the State, the Certificate of the Court that the person taking the acknowledgement is a notary must be attached.

Registration of Absentee by Oath

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, UNDER OATH, state that he is a resident of such precinct and has resided in the VILLAGE TWENTY DAYS next preceding such election, designating particularly the place of his residence, and that he possesses the other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself or some member of his family, or owing to his absence from the VILLAGE on public business or his own business, and without intent to avoid or delay his registration, he was unable to make application for registration on the last two days provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he shall then be permitted to vote at such election or primary election. If such applicant shall, in said matter, wilfully make any false statement, he shall be deemed guilty of perjury.

Provision in Case of Removal To Another Precinct

Any registered and qualified voter who has REMOVED from ONE ELECTION PRECINCT of a VILLAGE to another precinct of the same VILLAGE, shall have the right, on any registration day, as in this act provided, on application to Village Clerk, as the case may be, to have his name transferred from the registration book of the precinct from which he HAS REMOVED to the registration book of the precinct in which he THEN RESIDES. Such elector shall have the right to have such transfer made on any ELECTION or Primary election day, by obtaining from the board of inspectors of such election or primary election of the precinct from which he HAS REMOVED, a CERTIFICATE OR TRANSFER, and presenting the said certificate to the BOARD OF ELECTION INSPECTORS OF THE PRECINCT IN WHICH HE THEN RESIDES.

A Symbol of Great Meaning NOW and in the World of TOMORROW

SUPPOSE you had been in business for 50 years making a good product which was used in every home. In spite of shortages in manpower and materials you had made enough of your product for every war production and civilian use. And you had done all this without increasing the price one penny and then you suddenly discovered that three out of four of your customers did not know or understand your product chiefly because you had never thought to tell them about it. Would your face be red? Well, ours was!

When a recent survey disclosed that three out of four of our customers did not understand a kilowatt hour we thought that something should be done about it because in the bright new post-war world kilowatt hours are going to be increasingly important in bringing to every home new high standards of electrical living.

A kilowatt hour is really not difficult to understand. Electricity is measured in units of pressure (volts) and in units of current flow (amperes). Multiply these two together and you have a unit of power, the watt. The watt is a relatively small unit and it is customary to use 1,000 wats or a kilowatt as a practical unit of measurement. It represents energy equivalent to 1¾ horsepower. When you use 1,000 watts, or a kilowatt, for one hour you have consumed a kilowatt hour. In subsequent messages we will show what kilowatt hours can do for you.

Garbage Pickup Rights Sought

TWO PERSONS WANT CONTRACTS HERE; VILLAGE MAY STAY OUT OF BUSINESS

There is a possibility that the Village of Tecumseh will not go into the business of collecting and disposing of garbage, even though it has purchased a new truck and has made its plans to begin such a service, it was indicated today.

The village council, in session Monday evening, received a report from its health committee to the effect that an inquiry has been received from a party already in the garbage collection business elsewhere, asking for the privilege of such a contract here. On Tuesday, a similar request was received from another party, it was said.

Both parties seeking contracts locally, it was said, will submit offers in writing to the council when it meets in regular session on the first Monday in March. If a program which meets with the approval of the coucil can be worked out, it appears unlikely that the village will actively enter the business.

On several occasions the village has sought to interest someone in a contract to collect garbage, but to no avail, and it was not until it decided to enter the business itself and had purchased a new truck that it received the two offers.

Wade L. Jones, village clerk, said that should a contract be awarded to an outsider for the collection of garbage and rubbish, costs would be borne by the payment of a fee, perhaps $10 a year or $1 a month, by each householder. He indicated that an ordinance might be passed making the collection and disposal of garbage mandatory, and that non-payment of the fee might be assessed against property. However, all plans are in the making and are tentative.

Should a contract be awarded for the collection, it was said that the new truck recently purchased by the village would be put to other uses, it being pointed out that present street department equipment is growing older and should be replaced.

Lt. Jack Gooding Tells of Alabama Twister

Lt. Jack Gooding writes his mother Mrs. H. B. Lewis, from Maxwell Field, Montgomery, Alabama, of the tornado which struck there last week. He says: " I suppose by now you've heard of our twister. It was quite a thing. Came right across the west end of Montgomery and Maxwell Field. Up to date (Feb. 13) there are 28 dead and over 1000 injured. Never saw anything like it. Went right through and didn't leave a thing. Railroad cars, locomotives, houses, cars and people went flying through the air—some haven't been found yet. A big truck and trailer was lifted about 1-4 mile and put down in the middle of a field. The car ahead was hurled over a 60 foot viaduct killing the driver. Hospitals and homes were left flat as a Kansas prairie. A whole train was picked up and put out in the middle of a field.

"The bus going to town from Maxwell Field stopped for passengers by a big viaduct and the driver couldn't get it back into gear. Fate took a hand I guess and while the driver was struggling to get started the twister turned and went across the viaduct tearing it apart. The big railings made of cement and steel were torn off the bridge.

"The thing sounded like a roaring inferno, just wheezed, roared and scared h— out of every one. You could see it coming for miles, big, black and twisting, with boards, houses and animals churning around in it. The first thing I thought of was finding a iron pole or small tree that wouldn't offer too much resistance to the wind, and hang on, or of taking my belt off and tying myself down. Before it got where I was it turned and we tnthe other way. Glad I wasn't in the center of it as the wind was plenty strong on the edge. We had no lights till 9 o'clock. Then they kept sending pleas over the radio for clothing and help for the wounded. Maxwell Field was restricted to the post except for men working in the wreckage. They still hadn't found everybody a 2 a. m."

Mrs. Alice Case Fatally Hurt

WIDOW OF ONSTED DOCTOR AND COMPANION RUN DOWN BY AUTOMOBILE

Mrs. Alice Case, 55, widow of the late Dr. C. W. Case of Onsted suffered fatal injuries and Mrs. Wm. Marr of Onsted was seriously injured Friday evening when struck by an automobile in Adrian as they were returning home from a trip to New Orleans, La., where they visited the latter's son Jack Marr. Mrs. Case was dragged nearly 100 feet. One leg was broken, her head was injured and she was dead on admittance to Bixby hospital. Mrs. Marr was thrown about 15 feet and landed in a snowbank. She also suffered a broken leg and other injuries and was taken to Bixby hospital.

George Rigdon of Rome township, driver of the car which struck the two women, was arrested on a charge of negligent homicide. He was later arraigned before Justice George Bean, waived examination and was bound over to the March term of the circuit court. He was released on his own recognizance.

Mrs. Case is survived by two daughters Mrs. Kathleen Feight of Onsted and Mrs. Adelphia Hawley of Rome, two sisters in California and five grandchildren.

The funeral and burial were held Wednesday afternoon in Onsted.

Mrs. Cecyl F. Beach Is Buried In Clinton

Mrs. Cecyl F. Beach, 51, widow of the late Irving Beach, died Thursday at her home near Clinton after several weeks illness. Mrs. Beach was born in Iowa and came to Clinton in 192.5 Her husband, a veteran of World War I, died in 1932 and his parents Mr. and Mrs. L. C. Beach made their home with her. She was a member of the Clinton Congregational church and the American Legion Auxiliary.

Survivors are two sons, James with the U. S. Marines, and Hubert, at home, and a brother James Goodrich of Onsted.

The funeral and burial were held in Clinton Tuesday, with Rev. O. E. Priest officiating.

AT BAND CLINIC

Clare Camburn, Tecumseh, was among the 300 high school band and orchestra directors from the middle west who attended the Seventh Annual Band and Orchestra Clinic held at the University of Michigan, recently.

Guest artists were composers Morton Gould, William Schuman and Edwin Franko Goldman of the Goldman Band, New York City, who conducted several of their own numbers.

At the close of the clinic, Dr. Goldman told the audience: "I consider the Michigan band under the leadership of William Revelli the finest college band in the country."

MEET IN PACIFIC

Loren Campbell bm 2/c, who is stationed in the Admiralty Islands, and Clyde Elmer Warren bm 2/c, who was recently transferred from the Atlantic to the Pacific for convoy duty, met a short time ago on one of the Islands. When the convoy entered port Warren sent a messenger in search of Campbell. He was located and they spent two hours together.

The boys were pals in Tecumseh before entering service nearly four years ago and had not seen each other since.

Mr. and Mrs. Earl Smith and family of Britton were out of town guests.

3 Persons Die In Auto Crash

HUSBAND, WIFE AND SAILOR FATALLY HURT IN HEAD-ON COLLISION OF CARS

Mr. and Mrs. Carl Robbins of Sand Creek were killed instantly and Duane S. Wynn F 1/c, son of Leo Wynn of near Blissfield was fatally injured, when their automobiles collided head on Saturday evening south of M-34 on the Sand Creek Road. Mr. and Mrs. Robbins were on their way to Adrian and Fireman Wynn was enroute to Sand Creek when the accident occurred. The collision turned the Robbins car around in the road and into the ditch, throwing Mr. and Mrs. Robbins out of the machine. The Wynn car went into a snow bank on the west side of the road. The front bumper was found 150 feet away and the oil filter 75 feet from the car. Wynn was taken from the driver's seat and rushed to Bixby hospital but died a few minutes after admittance.

The body of Mrs. Robbins was found beside the Wynn car and was thought to be that of Miss Marjorie McGregor, who was coming from Lansing to Sand Creek for the weekend and whom Wynn was supposed to meet at the bus in Adrian. Her mother Mrs. Robert McGregor appeared on her way to Adrian and was told her daughter was killed. In the meantime Miss McGregor called her home from Adrian and heard the confusing story from her brother. The body was later identified as Mrs. Robbins.

Wynn was spending a five day leave with his father and sister Mrs. Harold Goetz of Riga, while being transferred from Richmond, Va., to Shoemaker, Calif. His body was removed to the Grosse Ile Naval Base in accordance with government rulings and will be returned to the Everiss Funeral Home in Adrian later for funeral services.

Mr. and Mrs. Robbins have lived in the county all their lives. They are the parents of seven children ranging from two to 14 years. Mr. Robbins was employed at Gerity-Adrian Corporation. He leaves his parents, three brothers Glenn of Adrian, Earl and Ross of Saginaw, and one sister Mrs. Kenneth Curtis of Adrian. Mrs. Robbins, formerly Helen Gier, leaves her father James Gier of Adrian, a sister Mrs. Blanch Maloney of Madison and five brothers, John, Paul and Gerold Gier of Adrian, Carl of Cement City and Harry, overseas.

Double funeral services were held Tuesday afternoon at Braun Funeral Home in Adrian, with burial in Palmyra cemetery.

James W. Cupples, 96, Buried In Brookside

James W. Cupples, aged 96 years, a resident of Tecumseh for many years, died Friday afternoon at the home of his daughter Mrs. Raymond Mills southwest of town where he had made his home the past few years.

Mr. Cupples was born in Ohio. He received his degree of Master of Arts at the University of Illinois and was admitted to the bar in Michigan but never practiced law. Instead he was superintendent of schools in Illinois and Michigan for many years. He was a member of the Masonic Lodge of Lapeer and of the Knights Templar and the Shrine in Detroit.

He leaves only the daughter Mrs. Mills. Mrs. Cupples died here in 1939.

Funeral services were held Sunday afternoon at Belding Funeral Home. Rev. James C. Murdoch officiated and bearers were P. C. Satterthwaite, H. S. Moore, R. T. Mead, John Keeney, R. J. McCoy and Charles Warner. Burial was in Brookside cemetery.

Indians Second In Cage Battle

CLINTON QUINTET LEAGUE WINNERS; BLISSFIELD HERE TOMORROW

By Jim Sisson

In a cage battle last Thursday at Clinton, the Indian cage team took its third loss of the current season 47-21. The Indians lost a previous game to the Clinton five and also one to Manchester. Even if the high school quintet had won the game last week Clinton held the title by defeating Morenci beforehand. This leaves Tecumseh just below the title holders in second place.

The Braves gave the opposing quintet a little scare in the first half of the traditional contest as they led part of the beginning periods. The Redskins then jumped out in front by a slight margin 13-10.

As happened in the previous clinton contest, Tecumseh was outscored in the second half, thus causing their downfall. The Clinton five, led by Van Tuyle and the Gilman twins sent a barrage of baskets over the shorter Indians heads to gain the final decision of 47-21.

Osburn, Purkey, Bancroft, and Randall, each with 4 markers, held the top scorings for Tecumseh. Coach Fred Raizk's Reserves, however, triumphed again 30-17, as Cheever led the scoring with 17 points. This keeps the junior Tecumseh cagers undefeated this season and brings their total of wins to 26 out of 27 in two years.

Tomorrow, the Tecumseh quintet will entertain the Blissfield cagers who, although a comparatively weak team, are an old rival of the Braves.

TO EXPLAIN RINSE METHODS OF CLEANING

Prof. J. M. Jensen of the Michigan State College, will put on a demonstration of the new rinse method of cleaning dairy utensils at a meeting to be held at 8 o'clock next Wednesday evening, February 28, at Tecumseh Grange Hall.

By using some of the new washing powders, dairy utensils, such as pails, strainers, milking machines and separators, can be kept clean with a minimum of time and effort, it is said. The use of soap and a cloth is said to have led to dirty utensils through the formation of milkstone. The new rinse method prevents the formation of milkstone.

The meeting is open to the public and anyone interested is urged to attend. There is no admission fee.

PRESBYTERIAN LEAGUE

The Athletic Club Mothers will meet Tuesday evening, February 27, at 8 o'clock in the home of Mrs. H. V. Tuckey on North Ottawa street, to make plans for the Basketball banquet. All mothers are requested to be present.

12 P. M. Curfew On Amusements

NIGHTCLUBS, BARS, THEATRES AFFECTED BY NEW RULING AT WASHINGTON

A midnight curfew on all night life, public or private, effective at midnight next Monday, has been decreed by War Mobilization Director James F. Byrnes at Washington. The order affects every community, from the largest club in New York City to the smallest tavern at the country cross-road.

Byrnes' "request," having the effect of an order and backed by the disciplinary powers of four war agencies, has been directed to all places of entertainment. This includes clubs, taverns, dance halls, road houses, theatres, etc., either public or private. The only exception made is restaurants, where only food is served.

The text of Byrnes' order follows:

"Director of War Mobilization and Reconversion James F. Byrnes announced today that he is requesting all places of entertainment to close by 12 o'clock midnight each day, effective Feb. 26.

"By closing at 12 o'clock midnight' it is meant that patrons shall leave in time to permit full closing by that time.

"Places of entertainment are intended to include all night clubs, sport arenas, theatres, dance halls, road houses, saloons, bars, and other similar enterprises, whether public or private, excluding restaurants engaged exclusively in serving food. The purpose of this request is primarily to save coal consumed in heating and in providing electricity. But it will also be helpful in the fields of transportation, manpower, and in other ways."

Byrnes said he would ask the War Manpower Commission to "deny ceilings to any places violating this request." He also said the War Production Board, the Office of Defense Transportation and the Office of Price Administration would be asked for support.

Unofficially it was thought the ODT could act against offenders by preventing delivery of supplies and by exercising taxicab and bus controls. The WPB could cut off power, fuel and materials. The OPA could halt rations and fuel oil.

Peoples Party Elects Ticket

ELLIOTT NOMINATED FOR PRESIDENCY OF VILLAGE AT CAUCUS ON MONDAY

The Peoples Party, whose candidates have been unopposed for election to village offices here for several years, held its caucus at the council building, Monday evening, and placed in nomination for election at the March 12 polls all present village office holders. The caucus was attended by some 20 persons and lasted only a few minutes, all nominations being made by acclamation.

J. Floyd Elliott, now rounding out his fourth consecutive term as president, was nominated to succeed himself to that office. Others nominated are: Wade L. Jones, clerk, K. D. Hall, treasurer, Sam Sisson, assessor, J. H. Rohweder, E. H. VanVleet and Howard Truesdales trustees for two-year terms.

The election of an official village family will be the only issue before voters at the polls next month, and, with only one ticket in the field, a customarily light vote was forecast.

P. E. O. TO MEET

Tuesday afternoon, February 27, at 2 o'clock is the time for the meeting of Chapter AJ, P.E.O. to be held at the home of Mrs. Josephine Satterthwaite at 213 N. Union street. This is the last meeting before election of officers for the ensuing year.

George Bachman Dies In Hospital In Toledo

George W. Bachman, aged 83 years, a former resident of Ridgeway township, died Monday afternoon in a Toledo hospital where he had been a patient for two weeks following a long illness. He leaves the widow, formerly Cornelia Ballou, who is a patient in a nursing home in Toledo, and one brother Louis Bachman of Monroe. A son died three years ago and a brother Michael of Ridgeway died January 28.

The body was brought to the Niblack Funeral Home in Britton where funeral services were held Wednesday afternoon. Rev. O. E. Priest of Clinton officiated and burial was in Brookside cemetery in Tecumseh.

Cheaper Rail Travel Is Seen

TRAINS, AFTER THE WAR, TO OFFER GREATER EASE FOR PASSENGERS

Cheaper railroad transportation after the war, especially Pullman travel, and improvements in both freight and passenger service that will prove to airlines that the railroads have not been napping was forecast by Roob Allie, public relations director of the Michigan Railroads Association, when he addressed the Tecumseh Rotary Club on Tuesday evening, following dinner at Brees House.

With a shortage of manpower and with far less equipment than it had during World War I, Mr. Allie pointed out that the railroads of the nation handled billions of tons more of freight in the year 1944 than in the peak year of the first war, 1918, and without congestion or government control. Such an achievement, he pointed out, is a credit to the railroads of the nation which, according to German propaganda, were expected to break down and speed the victory for the Axis powers.

"Not at any time," the speaker said, "have the railroads failed our government since the war started. We have accomplished the impossible, we have done things that we didn't know that we could do with the equipment available. And, when the war is won, we expect to keep on with our accomplishments and to give America a transportation system such as it has never before dreamed about. No, the business is not going to the airlines. They will get some of the business, but the railroads will still continue to handle the bulk of all traffic."

After-the-war trains will take on a new appearance, the speaker said, affording greater luxury and comfort in travel for passengers. present style Pullman cars will disappear, he said, and compartments will rent for about what a lower is costing at the present time.

Mr. Allie, who has offices in Detroit, is an interesting speaker. He is a former newspaper man, and during World War I he was a war correspondent, serving in the United States and overseas.

The program was in charge of Paul Mayes. Arthur Hoff was a guest.

Next Tuesday evening Rotarians will entertain their wives and the dinner will be served at the high school, beginning at 6:45. Anthony Weitzel, Detroit newspaper columnist, will be the speaker.

WILLIAM GRAMES DIES; FUNERAL ON FRIDAY

William Grames, aged 74, a resident of Monroe county, died early Wednesday at the Will Nursing Home where he had been brought from University hospital, Ann Arbor, two days before. Mr. Grames had made his home in Milan before his illness. He never married and leaves no family.

Funeral services will be held at Collins Funeral Home Friday afternoon at 2:30. Rev. R. O. Bashore will officiate and burial will be in Brookside cemetery.

GETS NAVAL TRAINING

Joseph Ford Brown graduated February 10 from Naval Air Training School at Norman, Okla. and has been transferred to Daytona Beach Fla., for further navy ground crew training. Seaman first class Brown was employed at Meyers Aircraft prior to induction into service.

ENGAGEMENT ANNOUNCED

Time To Change On March 17th

LEGISLATIVE ACTION APPROVED BY KELLY TURNING CLOCKS BACK AN HOUR

Central Standard (War) Time, one hour slower than the present time, will become the official time of the State of Michigan on March 17, as the result of a bill passed by the Michigan legislature and signed by Governor Kelly, last week.

While the City of Detroit is likely to balk on the time change, officials there contending that it will throw that community "out of tune" with eastern states and retard war effort, it has been indicated that Wayne county may turn its clocks back and that the new slow time will officially govern outside the metropolitan area. At present, a large part of western Michigan is operating on slow time as are many communities in the north. Ohio, likewise, is on slow time.

Farm areas of Lenawee county, it has been said, definitely favor the slow time, as do many of the rural towns. The City of Adrian is divided on the issue and the question will be submitted to a vote there, April 2.

Unless the Village of Tecumseh, by official council action, rules otherwise, the slow time will automatically become Tecumseh's time on March 17.

The State Liquor Control Commission has ruled that from February 26 until March 17 all drinking establishments may remain open until midnight, local time, in keeping with a Washington directive ordering a 12 o'clock, curfew. After that date, the new slow time will become operative as Michigan's official time. This will give drinkers in "fast time" communities one hour longer of merriment, it was pointed out.

Tecumseh Is On Airline Route

AIR PICK-UP SERVICE FOR PASSENGERS, EXPRESS SEEN AFTER WAR

Washington, D. C., February 22—A system of 23 Air Pick-up routes in the Great Lakes area will be sought by All American Aviation, Inc., in an application which the company will file with the Civil Aeronautics Board within the next week, it was announced today by Helsey R. Bazley, president.

The system proposed by all American will cover cities and towns in Michigan, Illinois, Indiana and Ohio.

All American is now the only operator of Air Pick-up routes, the development of which the company has pioneered. Its present lines serve 118 cities and towns in six Middle Atlantic states. The system is now in its sixth year of operation.

Combination passenger and pick-up service will be asked over some of the new routes where the potential traffic appears to justify such an operation, Mr. Bazley said. On other routes only air mail and air express is contemplated.

Mr. Bazley's announcement was made as the Civil Aeronautics Board called into conference in Washington today applicants for new routes in the Great Lakes area for the purpose of fixing a date when these applications will be heard by the Board.

The routes will serve 46 communities in Michigan, 106 in Illinois, 76 in Indiana, and 83 in Ohio. All America's lines now cover 10 communities in Ohio.

The proposed routes in this area are as follows:

Detroit, Mich. to Dayton, Ohio via the 13 intermediate points: Dearborn, Mich., Wyandotte-Trenton, Mich., Monroe, Mich., Toledo, Ohio, Fremont, Ohio, Tiffin, Ohio, Fortoria, Ohio, Findlay, Ohio, Lima, Ohio, Sidney, Ohio, Piqua, Ohio, Troy, Ohio.

Chicago, Ill. to Muskegon, Mich. via the 10 intermediate points: E. Chicago, Ind.—Hammond, Ill., Michigan City, Ind., Three Oaks, Mich., Benton Harbor—St. Joseph, Mich., South Haven, Mich., Allegan, Mich., Holland, Mich., Grand Haven Mich.

Chicago, Ill., to Detroit, Mich. via the 19 intermediate points: Gary—Hobart, Ind., La Porte, Ind., South Bend—Mishawaka, Ind., Niles, Mich., Dowagiac, Mich., Three Rivers Mich., Sturgis, Mich., Coldwater, Mich., Hillsdale, Mich., Hudson, Mich., Adrian, Mich., Tecumseh, Mich., Milan, Mich., Wayne, Mich., Plymouth, Mich., Pontiac, Mich., Birmingham, Mich., Detroit, Mich. to Muskegon, Mich. via the 19 intermediate points: Mt. OUTDOING ALADDIN

The most common things in life are often the most essential, although few people realize it. The war has brought this fact out in bold relief and proved that our [illegible] are more valuable than gold.

For instance, a sack of flour, a ham, a quarter of beef or a ton of coal, have a value far beyond gold—they will sustain life, gold will not.

Bituminous coal, for example, means power and heat—primary necessities in sustaining life. Coal has become such a dramatic part of our nation's welfare that a motion picture has been cast around it, titled, "Power Unlimited."

The wizards of modern chemistry have created more magic from a lump of coal than Aladdin ever dreamed of. Coal dust has been turned into diaphanous gowns. Soot has been transformed into a major ingredient of the most delicate perfume. Drugs, cosmetics, dyes and countless daily necessities now stem from the lowly lump of bituminous coal.

No greater testimonial can be offered as to the genius and initiative of American enterprise, than the metamorphosis it has worked in the production and use of coal.

Do You Save Regularly
A Part of Your Earnings?

* * *

In days such as these, when payroll envelopes are full and employment is steady is the time for you to plan for the future—the days, perhaps, when work will not be as plentiful as it is now or, for that rainy day, when sickness may mean the loss of work.

That is why we are suggesting that you open a savings account in this bank and save a part of your earnings, regularly.

You'll be surprised how rapidly a savings account will grow and, you'll also be surprised how much satisfaction there is in knowing that you always have funds available—at the stroke of your pen.

QUALITY SUPPLIES Assure You of a Lasting ROOF!

A roof is very important to farm buildings in these day of war, when all farm products are weapons for Victory. And it's very important, too, that the roof you install be of guaranteed quality and properly applied.

We are stressing the installation of J. M. Asbestos shingles for life-time wear and protection against fire and the elements. J. M.'s cost no more than inferior grades of shingles, yet they are "tops" in quality.

We Will Furnish The Labor

Inspect the roof or your home and if it needs to be renewed, plan to do it this Spring. We can furnish the needed labor for all roof jobs, and will be glad to figure prices with you, either for shingles or for a complete job.

KROGER OFFICIAL SAYS OPA's DOING GOOD JOB

CINCINNATI, Feb. 22—While the housewife figures her food bill is higher during wartime, the food store finds its net income is actually lower. Sales of food have increased materially since Pearl Harbor but profits have not, according to C. M. Robertson, president of the Kroger Grocery and Baking Company, which recently released its annual report.

Larger procurement expense, increased wages and higher taxes are cited as factors of added costs in the company's operations.

The Korger report for 1944 shows total sales of $448,381,416, with a net income of $5,144,399. In comparison the company shows sales in 1939 of $243,356,605, and the net income was $5,514,597. Even though the sales increased 84 percent in six years, the net income was reduced $370,198, or nearly seven percent.

While rationing, pricing and enforcement policies of OPA have inconvenienced both customer and food store owner, still, Mr. Robertson points out, "all of us would suffer more and longer without them."

He says in his annual message to stockholders of the Kroger Company that OPA " is rendering an essential wartime service and is doing as especially creditable job in control of food prices."

TRAINING AS CADET

KEESLER FIELD, Biloxi, Miss., Feb. 1.—Having arrived at Keesler Field, Miss., Pvt. Lowell Dunbar, son of Mr. and Mrs. Walter Dunbar, Tecumseh, Mich., is now being examined by the AAF Training Command station Medical and Psychological Unit to determine qualifications as a pre-aviation cadet.

Flying officer training as a pilot, bombardier or navigator will be given Pvt. Dunbar upon successful completion of the processing he is undergoing at Keesler Field. A series of medical and psychological tests will indciate the type of air crew training for which he is best suited by aptitude and personal characteristics, while other classification tests will measure his technical skills and aptitudes. The period of his stay here will also include a number of phases of military training, and when his qualifications have been determined he will go to the proper Army Air Forces Training Command station to begin his actual air crew training.

He Inspired the Freedom we fight to Preserve - - -

The years which have followed the founding of this nation have only served to emphasize what a man of vision George Washington was. At great odds; despite hardship and physical suffering; without adequate finances and in the face of powerful opposition he kept an army together until the victory was won which was to determine for all time the glory of democracy which is American. Today, the fact that our forces are united with those of all the allied nations in a similar struggle to perpetuate freedom for all mankind, is perhaps the most effective tribute paid to Washington in all history. it is a war on a vaster scale with entirely different forms of fighting machinery than Washington could have ever envisioned, but the goal of liberty is much the same. We revere the memory of George Washington on his birthday—and hope that his spirit can know and share in the glory Victory is to bring us at the end of the present conflict—just as his memory is an inspiration to us to fight onward united, whatever sacrifice we may becalled upon to make

EARL L. PHILO and MARGARET PHILO, husband and wife.
ORDER OF PUBLICATION.
Plaintiffs,
-vs-
HENRY NICHOLAS; ASHER HATHEWAY; CELESTIA HATHAWAY; MRS. DANIEL MORTON, her Christian name being unknown; JOEL PHILIPS; ANZETTA PHILIPS; JOWEL PHILIPP, or their respective unknown heirs, devisees, legatees and assigns, and the unknown heirs, devisees, legatees ad assigns of MOWRY ALDRICH, deceased,
Defendants.

At a session of said Court held at the Courthouse in the City of Adrian in said County, on the 19th day of February, A. D. 1945.

PRESENT: Hon. G. Arthur Rathbun, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the affidavit of Henry R. Jewett, attached thereto, from which it satisfactorily appears to the court that the defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause, and,

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any or them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry,

On motion of Henry R. Jewett, attorney for Plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.

It is further ordered that within forty days Plaintiffs cause a copy of this order to be published in the Tecumseh Herald, a newspaper printed, published and circulated in said county, such publication to be continued therein once in each week for six weeks in succession.

G. ARTHUR RATHBUN,
Circuit Judge.

Countersigned:
Dolores Smith,
Deputy Clerk of Circuit Court.

Take notice that this suit, in which the foregoing order was duly made, involves and is brought to quiet title to the following described piece or parcel of land situate and being in the Township of Dover, County of Lenawee and State of Michigan, described as follows, to-wit:

No job is as sure as your Bond!

Think it over.

Think it over especially when you get the urge to *spend now*... when you get the idea that maybe it wouldn't hurt to cash some of those War Bonds.

Because if you let those Bonds go now, or before they reach maturity, you're letting go *one sure thing* in your future.

United States War Bonds are the best investment in the world. No matter what happens in postwar America, you can always be sure to collect those *four* dollars for every *three* you've loaned Uncle Sam, when your Bonds mature.

No job—no income—no other opportunity offers you such certain security, such a chance to protect your own future, or such a chance some day to have some of the things you've always wanted.

Instead of cashing in your Bonds next time you're tempted, buy another just to be on the safe side. Your country needs the money—and you need War Bonds!

Charles C. Johnson, S 2/c, has been transferred from Great Lakes, Ill., to Shoemaker, Calif.

Charles Edwards of the Merchant Marines, is home on leave after a year's sea duty and is visiting his parents, Mr. and Mrs. Drew Edwards.

Born, February 12 to Mr. and Mrs. John Houseman, a son, at Bixby hospital in Adrian.

The Dorcas class met Thursday for one o'clock luncheon at the home of Mrs. Ella Gripton.

34 members and four guests attended and worked on a quilt preceding the luncheon. The program in charge of Mrs. Wm. Kuster consisted of a piano solo by Mrs. Fern Smith; talks by L. Dowling, home on furlough from Florida; by Chas. Edwards home on leave from the Marine service, and by Mrs. Edward Escolme of Tecumseh. The March meeting will be held in the church parlors.

Mrs. Lizzie Boyd celebrated her 81st birthday Thursday and a group of 24 friends and relatives came in for a potluck dinner and social afternoon. She received many gifts and a lovely birthday cake.

Sgt. Duane Auten, son of Mr. and Mrs. Carl Auten, is ill of yellow jaundice in a hospital in the Philippines.

The condition of Clarence Bruce remains unchanged.

$5,000 Quota For Red Cross

TECUMSEH ASKED TO GIVE GENEROUSLY IN COUNTY-WIDE DRIVE OPENING DAY

Tecumseh and Tecumseh township are being asked to give $5,000 to the American Red Cross in the War Fund Drive which that organization is sponsoring, starting today. This amount is less than one-tenth of the county quota of $55,000. The national quota is $180,000,000.

The quota was decided upon at a meeting here Tuesday afternoon, attended by a group of interested local citizens and Fred P. Wood of Adrian, county chairman.

"There is but little doubt," one spokesman said today, "but that Tecumseh will raise its quota and exceed it. This community has never failed in a war fund drive, and I am certain we will not fail this time."

The selection of a chairman for the Tecumseh campaign was decided upon at Tuesday's meeting and Mrs. Lewis Lent, who has been active in Red Cross work here for several years, was chosen. It is expected that Mrs. Lent will name her committees immediately, and that the active solicitation of funds will start before the end of the week. In the meantime, anyone desiring to make a contribution to the Red Cross may leave the money at the United Savings Bank.

"The Red Cross has a tremendous job to do this year, the greatest job that it has been called upon to handle since the war started," Mr. Wood declared. "Nationally, it has been estimated that $17 is needed by the Red Cross for every man in the military service. On this basis, you can readily understand where the 180 million dollar quota comes from. We, in Lenawee county, feel certain that every community will do its share in raising the funds needed, and that again Lenawee county will go over the top in the campaign."

It was pointed out that in Tecumseh township more than 400 men and women are in service. This, if Tecumseh meets the needed $17 per person quota set up by the national organization, would mean the raising of more than $6,800. Last year, Tecumseh oversubscribed its quota by nearly $4,000.

Indians Enter Cage Tournament

TECUMSEH TAKES SECOND PLACE IN L.C.A.A., BY DEFEATING BLISSFIELD HIGH

By Jim Sisson

By downing their ancient competitors, the Blissfield Sugar Boys, the Tecumseh Indians grabbed the sole ownership to second place in the L.C.A.A. standings. The Braves ran up the final score of 55-20 on their home court last Friday. The Morenci five aided the Indians by defeating Manchester, who would have held a tie if Morenci had been beaten. The Clinton quintet had already captured the top berth in the league.

The Tribe did not get off to a very prosperous beginning with Blissfield for their ninth win, but soon collected their efforts to gain a lead of 9-5 at the finish of the first period and at the mid-way intermission 19-9.

The lowly Sugar Boys were outscored each quarter as Tecumseh piled up a satisfactory lead and allowed Coach Raizk's second stringers to compete against the skill of the league's cellar quintet.

Capt. Jim Osburn and his teammate Dermont Poley each collected 11 markers to lead the scoring. The Braves also conquered, and ran up the final score of 37-13 for their undefeated record of 14 victories. LaMar Cheever took high honors with 8 points.

Tonight the home town cagers, having completed their regular schedule, begin the district tournaments at Dundee. Tecumseh drew Dundee, whom they downed easily early in the season in a non-league contest. The victor of this contest will be entitled to play the winner of Milan-Lamberville game on Saturday for the district championship. The Indians have won the Class C District title at Dundee four years straight and have a very good chance to raise their streak to five.

Mr. and Mrs. W. H. Powell Are Married 68 Years

Mr. and Mrs. W. H. Powell celebrated their 68th wedding anniversary February 22 with open house for their friends during the afternoon. Refreshments were served by their daughters Mrs. Luella Everett and Mrs. Alta Lidke.

On Sunday a family dinner was held in their honor with guests coming from Jackson, Onsted and Vineyard Lake. They received many gifts of flowers and plants and the dinner table was centered with two anniversary cakes.

Out of town guests were Mr. and Mrs. Fred Barles and two daughters, Mr. and Mrs. Alvin Acton and son, Mrs. H. B. Raymond and Mrs. Bertha Schempf of Jackson; Mr. and Mrs. Fred Steves and Mr. and Mrs. Emil Blum of Onsted and Mr. and Mrs. Fred Whelan and Mrs. Henry F. Kempf of Vineyard Lake.

William H. Powell of Clinton and Eugenia Smith of Franklin were married February 22, 1877, in Franklin township by the Rev. Samuel Wilson. They lived in Raisin township, Adrian and Hudson before locating in Tecumseh where they have since made their home. Mr. Powell is 86 years of age and Mrs. Powell 84, and both are in excellent health for their advanced ages.

TurnBull Quits Products Post

ROBERT FULLER NAMED AS NEW TREASURER; C. B. O'NEILL PROMOTED

The Tecumseh Products Company this week announced the resignation of B. B. TurnBull as treasurer of that organization, effective March 1. Simultaneously, Ray W. Herrick, president of the company, announced that Robert B. Fuller had been elected treasurer of the company, succeeding Mr. TurnBull, and also that Mr. Fuller had been made a vice-president. Also, Mr. Herrick announced the promotion of C. B. O'Neill as a vice-president, factory manager and to the board of directors.

Mr. TurnBull served Products as its treasurer for 10 years, coming to Tecumseh from Chelsea on December 20, 1934. He was born in Chelsea and after his graduation from high school there he attended the Detroit College of Law, returning to his home town after graduation to enter his father's law office. For seven years previous to coming to Tecumseh he was associated with the Federal Screw Works. Mr. and Mrs. TurnBull, who are the

B. B. TurnBull

parents of five children, observed their golden wedding anniversary three years ago.

Mr. TurnBull has been active in the industrial and civic life of Tecumseh in the past decade. He is a member of the village council, the Rotary Club and of the Tecumseh and American Legion Clubs. He is an ardent sportsman and on the hobby side, both he and his wife do a bit of oil painting. He has not announced his plans for the future, except that he expects to enjoy a well-earned rest.

Mr. Fuller, the new treasurer, comes to Tecumseh from Detroit, where he headed the firm of Robert B. Fuller & Company, certified public accountants, for 10 years. He is a member of the Michigan Association of Public Accountants, of the American Institute of Accountants.

Mr. Fuller has purchased the Ternes property on West Chicago Boulevard and he plans to develop the site as a hobby. He has named his acreage Crooked Creek Ranch, and with the arrival of Spring and Summer he plans extensive improvements. Mr. Fuller and his family moved to Tecumseh last Fall.

Mr. O'Neill joined the Products company two years ago as director of purchases which position he held for 10 months. Previously, he was located here in the Philco Refrigeration Division as production manager and for four years before that time he was with the Fairbanks-Morse Company. His next promotion was that of factory manager which job he held until his promotion this month.

Mr. O'Neill with his family resides on N. Union street. He is a member of the Rotary and Tecumseh clubs.

WED 25 YEARS

Mr. and Mrs. R. R. VanWinkle entertained a group of 20 relatives at a family dinner Thursday evening in observance of their 45th wedding anniversary. Mr. and Mrs. A. R. Wonder and Mr. and Mrs. L. H. Wonder of Adrian were out of town guests. During the afternoon a large number of friends called including Mr. and Mrs. Charles Starrett of Clinton.

D. A. R. TO MEET

Abi Evans chapter, D.A.R., will meet March 9 for "Our Magazine Day." Miss Edith Ingersoll is leader and roll will be answered with an interesting news item. Hostesses are Mrs. B. B. TurnBull, Mrs. Clare Beland, Mrs. Burtsel Claus, Mrs. Neil Pearson and Mrs. E. D. Brown.

WED IN ADRIAN

Harlie O. Lamson of Tecumseh and Mrs. Clara Morford of St. Louis, Mo., were married February 19 in Adrian and are making their home here.

J. W. Eberhardt, Wife Married Fifty Years

Mr. and Mrs. J. W. Eberhardt will celebrate their Golden Wedding anniversary Sunday, March 4. Mr. and Mrs. Eberhardt were married March 6, 1895, near Arrowsmith, Illinois, by Rev. J. H. Gilliland, minister of the First Christian church, Bloomington, Illinois.

They moved to their present home south of Britton in March 1918.

They have one son, Elmer W. Eberhardt, a daughter, Mrs. Verna Meyers, and four grandchildren, Private Beverly L. Meyers in Italy, Jack W. Meyers, Polly Ann and Patricia Kay Eberhardt.

Open house will be held at the home Sunday afternoon from three until six and friends are invited to call.

Scouts Collect 10 Tons Paper

NEW SCHEDULE OF PICK-UP WEEKLY ANNOUNCED FOR THE FUTURE

Tecumseh Boy Scouts have collected 10 tons of paper here during the past three weeks and all of this was sold to a Monroe paper mill on Monday. How much will be realized from the sale has not been announced, but it is expected to amount to about $200.

"The Scouts are enthusiastic about the paper pick-up and they plan to continue indefinitely," Halsey Eggleston, chairman of the group and a committeeman, said today. "However, we have only a small group of Scouts at work and the task is becoming too great for them. We are getting more paper than we dreamed that we would and for that reason we will be forced, in the future, to divide the town into sections, enabling a pick-up in each section once each month. The downtown section will be cleaned up weekly."

In March, Mr. Eggleston said, the pick-up will be as follows:

This week, the Brownville section and the northwest section between Evans street and Chicago boulevard, and the downtown district.

The week of March 10, the northeast section, Chicago boulevard and Evans street being the boundaries, and the downtown district.

The week of March 17, the southeast section and the downtown district, and the week of March 24, the southwest section and the downtown district.

Mr. Eggleston pointed out that all pick-ups are made on Saturday, when the boys are not in school. The schedule for April will be announced later.

Thus far, it was said, only 10 Scouts have been participating in the pick-up. There are 33 Scouts enrolled here, but seven of that number have paper routes.

Mr. Eggleston said that it is the plan to treat the working Scouts to a chicken dinner with the trimmings and a theatre party at some not-to-distant date. At the loading of the paper on Monday, he said, all 10 Scouts were on hand as were the committeemen. They are Mr. Eggleston, Clarence Beach, Paul Maves and Archie Porter.

DIES IN RIDGEWAY

Ralph G. Johnston, aged 63 years, died Monday morning at his home in Ridgeway, after a long illness. Mr. Johnston was born in Milan September 7, 1881. He had spent 18 years in Texas and moved to Ridgeway from Clinton about a year ago. Mr. Johnston was a contractor by trade, and was a member of the Pentecostal church.

Survivors are the widow Alma, one son Ernest, two daughters Mrs. Robert Boaz and Mrs. Fred Nagel, his mother Mrs. Ida Johnston, one brother Elmer Johnston of Clinton and three grandchildren.

Funeral services and burial were held Wednesday afternoon ni Milan.

PLAN BENEFIT

Past Matrons and Past Patrons will be guests at the regular meeting of Tecumseh chapter, O.E.S., to be held this evening. A potluck lunch will be served after the meeting and members are to bring sandwiches and a dish of food to pass.

The chapter is planning a card party, for the benefit of war projects, to be held in the Masonic Temple Friday evening, March 9. Tables will be arranged for various games to suit everyone.

CULBERTSON P. T. A.

The Culbertson P.T.A. will meet Friday evening at the Culbertson school. An interesting program of music and movies has been arranged by Mr. and Mrs. M. R. Boltz and Mr. and Mrs. Herbert Long, and anyone interested is welcome to attend. Refreshments will consist of sandwiches, cookies, jello and coffee.

Crowded City Dwellers Longing for Rural Towns, Weitzel Says

SUBURBAN AREAS MAY POINT WAY TO PERMANENT PEACE, TOWN CRIER THINKS

The rural towns of America—suburban communities such as Tecumseh—may show the way to the permanent peace for which the world is searching by way of a global war, "Tony" Weitzel, "Town Crier" of the Detroit Free Press, told his audience on Tuesday evening when he addressed the Rotary Club's Ladies' Night Banquet in the gymnasium of the high school. More than 130 persons were in attendance.

"It is the small things, not the large ones, that cause disagreement, discontent and finally strikes and industrial interruptions in the metropolitan areas. There's not so much difference of opinion between labor and management. They are both seeking the same goals," Mr. Weitzel declared. "The things that are wrong are the things that irk the workers and pile up, day after day, to the breaking point. It's the same monotony, day after day, back and forth to the job. The same old buildings, the same ill-kept areas in which they live. There's no change in the routine and there's no opportunity for change. Finally, the monotony of it all crystalizes into what we know as labor disagreement and industrial interruptions."

In post-war, Mr. Weitzel predicted, industry will decentralize and go to the suburban areas where men have an opportunity to live, to have a yard in which their children may play and where the family may breathe the fresh air of the country. Lack of these privileges, in Mr. Weitzel's opinion, is what is causing, in a large measure, the labor unrest of the metropolitan areas. It can be overcome in a city the size of Detroit, he declared, but only over a long period of years under the leadership of an understanding civic and political administration.

"Talk to some of the boys, the GI's who are coming back from the battlefields of the Pacific or the Atlantic," he said. "They will tell you in a few words what their philosophy of post-war life really is. They'll tell you that the Negro boys on the battlefields bled the same kind of blood as the white boys, that it's hard for them to understand why there should be industrial strikes in times such as these when thousands of GI's are sacrificing their lives for the American way of life."

Speaking of the so-called manpower shortage, the speaker declared he was of the opinion that there is not a shortage of manpower but a shortage of labor. What is needed, he said, is for manpower to go to work, to produce eight hours worth of goods in eight hours. When that is accomplished, he declared, there will not be a shortage of either manpower or labor.

It is the suburban areas such as Tecumseh, with its diversified industries, its fine residential areas, its easy access to rural life, that will appeal to the crowded city dweller and to the industrialist in post war, Weitzel believes. And, he predicted, it may be the suburban town that will point the way to the permanent peace for which the world is searching—peace that will be enduring.

The Rotary-Ann banquet was one of the largest ever sponsored by the local club. Ralph Comfort presided as president and the invocation was by the Rev. J. C. Murdoch. Community singing was directed by W. L. Berkhof and music was furnished by Driscoll's orchestra. Earl L. Wickwire introduced the speaker.

Two new members were accepted at the meeting, J. Floyd Elliott and Dr. C. N. Brodersen.

The dinner was served by Mrs. Fannie Breese.

BURIED AT TIPTON

Funeral services were held Saturday afternoon at the Tipton Community Church for Grant Ogden, 81, whose death occurred last Wednesday at the home of his daughter Mrs. Leon Slater in Owosso. He was a resident of this community for many years.

Survivors are the widow, Sylvia, the daughter Mrs. Slater and four grandchildren.

Burial was made in Mills cemetery west of Tipton.

COMMITTEE NAMED

The Hospital sewing committee for March is composed of Mrs. George Isaacson, chairman, Mrs. R. K. Anderson, Mrs. Floyd Heesen, Mrs. Alvin Brazee, Mrs. M. G. Partridge and Mrs. Charles O'Neill.

In the Kroger Grocery & Baking Company's advertisement on page five, "Red Apples" should not have been advertised but rather crisp, juicy Winesaps at four pounds for 45c.

OLD LICENSE PLATES ARE NO GOOD, TODAY

There will be no extension in time for drivers who failed to buy their 1945 license plates, the state has announced. Old licenses expired last midnight, and at the Adrian branch office of the secretary of state, it was estimated that several hundred motorists still need the new 1945 tags in Lenawee county. More than 1,100 licenses were issued in the county yesterday.

34 out of 103 React In TB Tests at School

One hundred and three students and school employees were tested and thirty-four had positive reactions in the Michigan Tuberculosis Clinic recently held in Tecumseh high school, according to W. L. Berkhof, superintendent of schools.

The reaction simply indicates that some tuberculosis infection has occurred which it was necessary for the body to fight. The next step to safety is an x-ray to determine whether any damage was done in the lungs or whether the resistance of the person was strong enough to prevent any harm. Positive reactors will be x-rayed at the clinic scheduled by the tuberculosis association to be held at the Civic Auditorium Gymnasium, Adrian, Friday, March 2, from 9 to 4. The work of the tuberculosis association is financed by the sale of tuberculosis Christmas seals.

It is important for an ex-sanatorium patient or anyone recently exposed to an active case to have periodic check-ups, stated Miss Elaine Abbott, field representative of the association. In order to have a second x-ray at the clinic it is necessary to present a statement from a physician that symptoms have developed since the last x-ray or there has been a recent exposure to an active case.

In tuberculosis, prevention is the key-note. There are no symptoms in early tuberculosis and it is wise for everyone to be checked periodically to be sure they are free from the disease. Too long hours, worry, and wartime strain should be balanced with as much rest as possible and a trip to the doctor if one's general health is below par.

Miss Abbott may be reached through general delivery, Adrian or through the county clerk.

Mrs. M. Schumacher Buried at Clinton

Mrs. Matilda Schumacher, aged 75 years, died Sunday evening at the home of her daughter Mrs. Kennard Wise on North Maiden Lane, where she lived since coming here from Saline over a year ago. She was a member of the Evangelical church near Saline.

Survivors are the daughter Mrs. Wise, a son Durward of Saline, two grandchildren Miss Crystal Wise of Tecumseh and Pvt. Kennard L. Wise of Champaign, Ill., and one sister Mrs. Robert Stoll of Ann Arbor.

Funeral services were held Wednesday afternoon at the Belding Funeral Home with burial in Riverside cemetery in Clinton, Rev. James C. Murdoch officiated.

C. M. Ziegler To Talk at 3 County Meetings

Highway Commissioner Charles M. Ziegler, who heads the Republican spring election ticket, will attend three meetings in Lenawee county March 8, he announced today.

The commissioner, member of Lansing Rotary Club, will be a guest of the Adrian Rotary club at its annual Farmers' Day meeting at noon in the Lenawee hotel. In the afternoon he will attend a meeting of the Lenawee County Pomona Grange in the Adrian Grange hall, two miles northwest of Adrian, and at 6:30 p.m. will be guest of the Morenci Service Club in the Morenci Hotel.

Charles Figy, Commissioner of Agriculture, will speak at all three meetings. Dr. Eugene B. Elliott, superintendent of Public Instruction, candidate for re-election at the April 2 election; Otto E. Eckert, Lansing, candidate for regent of the University of Michigan and Herman Dignan, secretary of state, also will attend the three meetings.

SPECIAL MEETING

A special meeting of Tecumseh Grange will be held Thursday evening when Rome Grange will confer the first and second degrees on a class of 32 candidates. Supper will be served at 7:30 and members are to bring two dishes of food to pass, sandwiches and pie.

Local Firms To Celebrate

BUTLER MOTOR SALES, NATION-WIDE STORE ENJOY ANNIVERSARIES

Two Tecumseh firms, Butler Motor Sales and Oliver's Nation-wide store, are enjoying birthday anniversaries today. Butler Motor Sales is 15 years old, Oliver's is a 10th anniversary.

Charles O. Butler, head of the Motor Sales, came to Tecumseh from Battle Creek 15 years ago and purchased the Ford agency here from Gerald Greenwood. In Battle Creek, Mr. Butler was associated with a Ford agency, he having been connected with the Ford sales organization for 23 years.

Ralph Oliver, head of the Oliver's Nation-wide, came to Tecumseh from Britton 10 years ago and opened the store in its present location on W. Chicago boulevard. The store's stock has been enlarged considerably during the past decade and today, under one roof, are complete grocery, meat and produce departments.

"Automobiles have changed a great deal in 25 years, but not automotive problems," observes Mr. Butler. "A quarter of a century ago people were talking about many of the same things they are now," he recalled. "What the car of the future would be like and how to make the cars they already had last summer. The only difference is that then they were mainly interested in the first question, while today they are more concerned with the second.

"We are all looking forward to the wonderful new cars we have heard will come with the return of peace, but in the meantime we have an important job to do in keeping our present cars on the road.

"After 25 years of helping the Fords roll by you are bound to learn a lot about automobile care. You can sum it up in the old saying that 'an ounce of prevention is worth a pound of cure.' With cars growing older we can no longer afford to service them on a pre-war basis. Careful monthly inspection is what is needed today."

Butler Motor Sales is located in the Ford Garage Building on West Chicago boulevard. It also is the home of Tecumseh's Firestone Store.

Mr. Oliver, in announcing his 10th anniversary, also recalled that a decade ago business was operated on an entirely different plan than it is today.

"I can recall the depression days, when there was a plenty of everything except employment," Mr. Oliver said. "That was before the war and the days of rationing. Today, the tables are reversed. There is a scarcity of most everything, including labor, and we must ration most foodstuffs if we are all to get our equal share. Our customers have been very understanding about our problems and we realize that it is their loyalty and patience that have made it possible for us to observe his anniversary.

"We hope that the war will soon end, that peace will prevail everywhere. It will be a happy day, indeed, when our sons, husbands, fathers and loved ones return to their firesides."

W. A. Smith, Formerly of Macon Twp., Dies

William A. Smith, aged 76 years, a former resident of Macon township, died Friday at the home of his daughter Mrs. Jerome Squires in Milan where he had made his home recently. Mr. Smith was born near Britton.

He leaves the daughter Minnie, a son Roscoe of Macon and several grandchildren. His wife died in August 1937.

Funeral services were held Monday afternoon at the Niblack Funeral Home in Britton, Rev. Wm. Johnson of Milan officiated and the body was brought to Tecumseh for burial in Brookside cemetery.

GARDEN CLUB MEETS

Tecumseh Garden Club held its opening meeting Friday at the home of Mr. and Mrs. Thos. O'Hara when activities for the year were outlined by Mrs. Lewis Lent and yearbooks were distributed. The books were made by Martha Jane Kempf, daughter of Mrs. Charles Kempf, a member of the club. A discussion on growing African Violets was held and a paper on the "Life of George Washington" was read by Mrs. John Thompson.

POTLUCK SUPPER

A potluck supper was held at the home of Mr. and Mrs. E. H. VanVleet Thursday evening in honor of Mrs. Lillian Owen and daughter Mrs. Lucille Kempf who are leaving soon to make their home in Sioux City, Iowa.

—WEATHER—

We've heard a lot about the weather this year and, as Mark Twain said, nobody seems to be doing anything about it. Guess the Good Lord can't please folk with the weather any more than the County or the Village can please them by cleaning up the snow after it falls. In Tecumseh, for instance, they kick because the snow plows fill up the crosswalks and driveways and in the country they kick because the roads are drifted and the men folk can't get to town to buy the bacon. Or was it bacon?

—GAMBLING—

If we know our red points we'd venture to say that the farm is about the only place today where you'd find bacon—except in a butcher shop. And there it must remain unless we're more fortunate the next time we sit in on a game of tiddlewinks. An idea in the making. Why don't the girls form afternoon tiddlewink clubs and bring along their red and blue tokens. They could spend their time snapping them into a glass. Of course, some men folk might fare rather hastily if the little woman lost but, then, what's a few tokens between friends. Aren't we our brother's keeper?

—TIME—

Time seems to be like the weather. The town folk and the country folk can't seem to get together on a getting up time and a going to bed time. It's awful, Old Betsy refuses to give milk in the dark and the Little Red Hen can't find the nest. That's the farm side of the picture. The WPB says here's five billion kilowatts of electric energy involved to which the farmer says, "you can't eat kilowatts." We just refuse to worry about the situation. We'll wait until March 17 and then, if the time changes, well, the time changes.

—REGULATION—

After all is said and done, this time business is just another phase of regulation. It's a part of the social revolution. It started before the war. We used to refer to time as "Central," "Eastern," etc., now we say EWT, CWT, etc., to rhyme with the other alphabets. When a fellow stops to think about it there's derned little left in a man's life that isn't regulated. This science of government is a great thing and, unless we waken up, perhaps one of these days we'll discover that we're just a lot of robots moving about under remote control. Or are we?

Mrs. Joseph Sheward etertained a party of neighbors Friday evening for Mrs. Franc Mickel who was celebrating her birthday anniversary. A potluck dinner which featured a birthday cake was served from a linen covered table, set with crystalware and silver and centered with a bowl of white, red and orchid sweetpeas. Two silver candelabra, one near each end of the table and each holding three lighted candles, furnished the dining room light. Mrs. Mickel received the gift of a purse and cards of remembrance. A social hour was enjoyed.

The Woman's Club will be entertained Thursday March 8 for an all day meeting at the home of Mr. and Mrs. Russell Collins.

At the Community Club meet Tuesday in the home of Mr. and Mrs. Charles Bigelow a potluck dinner was served after which the meeting was called to order by Floyd Totten, president. Officers elected for the ensuing year were: Floyd Totten, president; Clayton Bigelow, vice president, Mrs. Clayton Bigelow, secretary-treasurer. For entertainment Mrs. Mildred Moore read excerpts from her brother Delmar's letters which the family have received from him during his two years' service overseas, and Floyd Totten recited impromptu Whittier's poem, "Barbara Fritchie," which he had learned in his school days. The group sang "God Be With You" for the closing number.

The W. S. C. S. met Thursday the 22nd with Mrs. Francis Collins. A business session occupied the tiem after the potluck dinner was served. Thirty guests were present.

Mr. and Mrs. Virgil Linn and family of Ridgeway were dinner guests Sunday of Mr. and Mrs. George Wintersteen.

Robert Heilman of Cheboygan was a recent caller in the home of Mrs. Gertrude McCollum.

Mr. and Mrs. Jack Smith and family of Adrian are moving this week to Macon yillage.

A SAVINGS ACCOUNT IS GOOD INSURANCE

* * *

You wouldn't think about going year after year without insurance on your car or your home, would you? The risk would be too great.

But did you ever think of a savings account in the sense of insurance? It's that something that you are laying away for an unexpected day—sickness, unusual expenses, etc.

Be wise. Open a savings account next payday. Save a part of your earnings regularly. Some day you'll be glad that you did.

And Make it Cooler in the Summer, too

You can make your home heat-tight in winter and summer if you will insulate it properly against the elements.

Insulation, you know, works for you 12 months out of every year. In winter it keeps the cold from coming into your home, reduces your fuel bill. In summer, it keeps out the hot rays of the sun and makes it cooler for yourself and your family, night and day.

Contrary to general opinion, insulation is not expensive to buy or to install. If only attic insulation is desired, this work can be done by the homeowner, without labor expense. The cost of the average attic insulation is less than $75.

Why Not Do The Work This Year?

No doubt you have been thinking about insulating your home for months—have just been putting it off. Why not resolve, now, to do the work NOW or this Spring, and enjoy its cooling benefits during the summer and reduce your heating bill next winter?

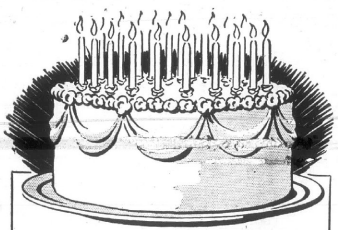
15 YEARS a FORD DEALER!



Remember back when

Remember back when you used to come in for a first look at the new Ford models—before the war? Well, there'll come a time when we will again telephone you to drop in and, "See the new Fords!"

★ ★ ★

Remember what a sensation Henry Ford's Model-A was back in 1927! And how it opened new horizons to every motorist buying low cost personalized transportation.

★ ★ ★

Remember back when Henry Ford electrified the world by establishing a $5.00 day minimum wage for all of his employees? This, at a time, when standard wages were about half that figure.

★ ★ ★

Remember back in 1932 when the Ford V-8 was introduced—and in 1936 the 3,000,000th Ford V-8 was built!

★ ★ ★

Remember back when we did not have War Bonds? But we have them now and they are the best investment you can make. Buy more and more to help win the war as fast as we can and bring our boys back home.

Anniversaries mean we are growing older but it is a pleasure to grow old as a Ford dealer. Our years of association with the Ford Motor Company have been rich in memories and friendship, resulting from close contact with the outstanding American of our time—Henry Ford.

Through the manufacturing genius of Mr. Ford we have been privileged to offer our customers low cost automobile transportation and economical service. Whatever business success we have had is secondary to the opportunity it has given us to know and become warm business and personal friends with so many of the people we have served as a Ford dealer.

COME IN AND SEE US!

We are celebrating our Ford anniversary with an "Open House" where we can meet and greet our friends and customers in a neighborly way. Please consider this a personal invitation to stop by and see us. We appreciate your loyalty and patronage which have built our business and this is our way of saying a friendly "thank you".

More than 30,000,000 Ford, Mercury and Ford Lincoln cars — and Ford trucks — have been built.

To Our Friends and Customers We Say---Thank You!

Ten years ago this week we opened our store in Tecumseh. A lot of water has gone over the dam since that day in 1935. We saw "depression days" when it was difficult to buy because of a lack of employment. We saw the beginning of the war, of rationing, of difficult days to "sell" because of a lack of merchandise.

But regardless of conditions we have enjoyed a steadily increasing list of customers whom, we feel certain, have found out for themselves that our motto for fair dealing has paid them dividends.

To these loyal friends and customers, we say THANK YOU from the bottom of our hearts. You have made it possible for us to observe this anniversary.

One Week Special on Wheel Balancing

For one week, we are offering a special price on wheel balancing at $1 per wheel plus the weights. The regular price is $1.50.

Wheel balancing, in these days of tire rationing, is particularly important. Practically every recapped tire needs to be balanced if it is to give proper service.

Bring in your car and let us check your wheels to determine whether or not you are giving your tires undue wear.

You'll be surprised how much easier your car will drive if your wheels are in balance.

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER TWENTY-THREE | TECUMSEH, MICHIGAN, THURSDAY, MARCH 8, 1945 | FIVE CENTS PER COPY

War Fund Drive Going Smoothly

MRS. LENT, CHAIRMAN, IS CONFIDENT TECUMSEH WILL EXCEED QUOTA

Tecumseh's Red Cross War Fund Drive is progressing smoothly and Mrs. Lewis Lent, chairman, today expressed complete confidence that Tecumseh village and township would far exceed its quota of $5,000 before the Easter holiday.

"We got the campaign here under way on Saturday," Mrs. Lent said, "but it is a bit too early to make a financial report. However, I will say that we have met with an excellent response, folk are giving liberally, and I can see no reason why we should not carry on with Tecumseh's tradition of never failing to meet and exceed a patriotic quota since the war started."

Nationally, the Red Cross is seeking to raise $200,000,000 to carry on its work on the battlefronts of the world and in hospitals in the United States. This is an amount equal to about $17 for every man in the armed services. In Lenawee county the quota is $56,000.

Mrs. Lent announced the workers in the Tecumseh campaign this week and she plans a complete solicitation of the business and residential districts of the village, the various clubs and organizations, the churches and the rural areas, as well as industry.

Committee announcements are as follows:

Northwest section: chairman, Mrs. Grace Coffey and Mrs. Myrtle Waring, Mrs. Luther Wood, Mrs. Pearl Brown, Mrs. Perry Hayden, Ms. Alta Lidke, Miss Minnie Russel and Mrs. Ted Ehinger.

Southwest section: chairman, Mrs. Dwight Hodges and Mrs. Mary Brown, Mrs. Arthur Brown, Mrs. Naomi Williamson, Mrs. Lena Schneider, Mrs. John H. Smith, Mrs. C. F. Sage, Mrs. Anna LaPointe, Mrs. Jennie Hodges, Mrs. Clark Rathbun, Mrs. R. H. Moore, Mrs. Vincent Haight, Mrs. Gerald Baker, Mrs. Harold Wilson, Mrs. M. H. Thellan, Mrs. Don Heesen and Miss Ella Louise Pearson.

Southeast section: chairman, Mrs. Fred Marsh and Mrs. Floyd Elliott, Mrs. Richard Preston, Mrs. Richard Russell, Mrs. W. J. Fretz, Mrs. Ira Ashley, Mrs. Wm. Damon, Mrs. Ormond Socks, Mrs. J. E. Hartsell and Miss Louise Leighton.

Northeast section: chairman, Mrs. Lawrence Bater and Mrs. Russell Garno, Mrs. J. W. Spafford, Mrs. Roland Mohr, Mrs. Russell Thurlby, Jr., Mrs. Thos. Gallant and Miss Elizabeth Chase.

Brownville: Mrs. F. C. Beal, chairman, and Mrs. Clark Goodacre and Mrs. Al Beckman.

Business section: Mrs. Lee Purkey, chairman, and Mrs. Clarence Beach.

LENTEN TEA

The Methodist Women's Society of Christian Service will hold a Lenten Tea in the church parlors on Wednesday afternoon, March 14, at 2 o'clock. Mrs. S. J. Harrison of Adrian will be the speaker and the program will include musical numbers by Misses Marjorie Black and Colleen Vedder of Adrian College; and a piano solo by Mrs. Kenton Hunt. Members are to bring Lenten offerings.

Tecumseh Grange Is Largest In Michigan

Tecumseh Grange became the largest Grange in the state of Michigan Thursday evening when 45 candidates received the first and second degrees which were conferred by the Rome Grange degree team at a special meeting. The third and fourth degrees will be conferred March 22.

The local grange now has 575 members in good standing.

A regular meeting will be held this evening when the women will present the program in the contest being held between the men and women.

Mrs. Fitzsimmons Funeral Today

FORMER LOCAL RESIDENT DIES IN GRAND RAPIDS AFTER A LONG ILLNESS

Mrs. Albertine Fitzsimmons, widow of Percival W. Adams Fitzsimmons, died Tuesday morning in a Grand Rapids hospital, after a long illness. She was the daughter of Mr. and Mrs. Albert Brewer and a granddaughter of Dr. Hamilton and Horace Brewer, pioneer Tecumseh residents. The family home was at 401 West Chicago Boulevard. She was a prominent society and club women here for many years.

After Mr. Fitzsimmons founded the Michigan Mutual Liabilities Company, the family left in about 1914 to make their home in Detroit and Mr. Fitzsimmons' death occurred in 1936 while he and Mrs. Fitzsimmons were on a trip to Jerusalem. Surviving are the daughter Mrs. Harry Hoey and two granddaughters Patricia and Deborah of Cranbrook, Bloomfield Hills.

The funeral will be held in St. Peter's Episcopal church this morning at 11 o'clock, with the Rev. John R. Scarlett officiating and burial will be in Brookside cemetery.

TurnBulls Are Honored At Testimonial Dinner

Ray W. Herrick, president of the Tecumseh Products Company, and Mrs. Herrick, were host and hostess at a testimonial dinner on Tuesday evening at the Lenawee Country Club, Adrian, honoring Mr. and Mrs. B. B. TurnBull. Some fifty couples were in attendance, a large majority of them associates of Mr. TurnBull in the Products company. A three course dinner was served and later dancing was enjoyed.

Mr. TurnBull, for 10 years treasurer of the Products company, retired from that office on March 1, and at the program that followed immediately after the dinner, Circuit Judge G. Arthur Rathbun acted as toastmaster, Mr. Herrick spoke briefly, expressing his appreciation to Mr. TurnBull for his loyalty and effort and presented him with a large chair. Frank K. Smith, of the Refrigeration Sales and Engineering division of the company, also spoke and presented the retiring officer with a set of matched golf clubs. Paul Ammer, vice-president of the company and chairman of the entertainment committee, spoke and presented Mr. TurnBull with a table.

Responding to the remarks of the Products' officers, Mr. TurnBull expressed his appreciation to the company for its many kindnesses and pleasant associations. "I'm not quitting," he concluded, "I'm just taking a vacation, a much needed one. I'm going to miss all of you folk, I've learned to know you very well, especially Mr. Herrick. To you who are younger than I am in the organization, let me say to you that he's a grand fellow."

Mr. and Mrs. Herrick honored Mr. and Mrs. TurnBull three years ago at a formal dinner at the Hotel Hayes, Jackson, when the TurnBulls observed their 50th wedding anniversary.

WOUNDED IN ACTION

Time To Change Here March 17

COUNCIL IS WITHOUT OPINION IN MATTER; ADRIAN FAVORS SLOW TIME

The residents of the village of Tecumseh and rural Lenawee county will set their clocks back one hour at midnight, Saturday, March 17, in keeping with the new state law which becomes effective at that time making Eastern Standard Time the official time for the State of Michigan.

While the village council had no choice in the matter except to conform to the new law, the trustees, in regular session on Monday evening, recognized the fact that the new statute becomes operative next week and ordered that all village labor hours be set to conform to Eastern Standard Time. Cities in the state, however, because they operate on a charter that is different than village charters, may establish their own time, despite the law.

Voters in Adrian, expressing their wishes on the time question, yesterday favored a return to slow time on March 17. There was a light vote but the slow time issue carried by 112 majority. About 2000 ballots were cast. Spokesmen at the city hall last evening said they did not know what action the commission would take on the time problem when it meets Monday, but it was indicated that the will of the voters would be respected. The commission has the power to retain fast time, should it so choose, cities not being bound, under state law, to adhere to the new time statute.

Another bit of confusion also has been pointed out. The city of Toledo and most of the state of Ohio is now operating on Eastern time but next Monday the clocks there are shoved ahead one hour, and will remain that way until October 1. Such a summertime daylight savings program has been in effect in that state for some years. Also, there is still some doubt as to what the city of Detroit will do there being serious opposition in that section to the return of the metropolitan area to Eastern Time. However, it has been announced that the remainder of Wayne county would put the slow time into effect on March 17.

$50 FOR RED CROSS

The American Legion Auxiliary met Monday evening at the home of Mrs. Marvin Watkins with 24 members in attendance. During the business meeting the unit voted to give $50 to Red Cross and $10 to the sewing chairman for emergency use at the children's billet at Otter Lake. Plans were discussed for the annual birthday party and dinner for past commanders and past presidents to be held during the month. Mrs. L. E. Brown was named chairman. It was announced that the wheel chair earned in the recent magazine sale will soon be available without charge to the public. Refreshments were served in conclusion.

Mrs. Ned Baldwin will be hostess for the April meeting and will be assisted by Mrs. R. K. Anderson, Mrs. Fred Marsh and Mrs. Hilda Will. A program will be presented.

NATTERSTAB—DOWNING

Miss Lois Downing of Tecumseh, daughter of Mr. and Mrs. Harry Downing of Macon and Pvt. Clarence Natterstab of Stordeur, Minn., were married Monday evening at the parsonage of Grace Ev. Lutheran church, by the Rev. J. de Rinter. They were attended by Mrs. Wyona Vincze and Garth Hall.

Following the ceremony dinner was served at the home of the bride's sister and husband Mr. and Mrs. Garth Hall on North Union street. The couple left later for Minnesota to visit his parents until Saturday. Pvt. Natterstad will then go to Ft. Mead, Md., for further assignment and the bride will return here to resume teaching in the Allen school near Clinton. She will continue to make her home with her sister Mrs. Hall.

BAND POTLUCK

Tecumseh school band members and their parents will meet at the high school Friday evening, March 16, for a planned potluck supper at 7 o'clock, followed by a program. Attendance awards will be presented to band members at this time.

The white elephant sale previously announced has been postponed until the April meeting of the Band Mothers.

Mr. and Mrs. Don Hunt entertained at a family supper Saturday evening in honor of their 30th wedding anniversary. Guests included Mrs. Charlotte Wright and family of Clinton, Mr. and Mrs. L. A. Dickison and Mr. and Mrs. Ivan Hunt and family of Tipton, Mrs. Corleone Walters of Adrian and George Babcock.

Red Cross Chairman Rotary Club Speaker

Fred P. Wood of Adrian, general chairman of the county's Red Cross War Fund Drive was the guest speaker at the regular meeting of the Rotary club here Tuesday evening at Brees House. Mr. Wood was accompanied by Mrs. Helen Wahl, general secretary, and Mrs. W. S. McKenzie, home service chairman, both of Adrian. Mrs. Lewis Lent, chairman of Tecumseh's War Fund Drive, also was a guest.

Mr. Wood stressed the importance of giving to the Red Cross at this time and pointed out that some $200,000 is needed if the organization is to carry on its wartime program. He was optimistic as to the outcome of Lenawee's drive, feeling confident that the county would far exceed its $55,000 quota.

Titley Heads Town's Ticket

ALL OTHER TOWNSHIP OFFICERS NOMINATED AT CAUCUS ON MONDAY EVE

LeRoy Titley, supervisor of Tecumseh township, was nominated to succeed himself at the April 3 election when the Republicans held their caucus in the council building here, Monday evening. About 50 persons were in attendance and all nominations were by acclamation.

Others nominated at the caucus and whose names will appear on the April 3 ballot, all of them present office holders, are:

H. H. Hanna, clerk; Amey K. Scutt, treasurer; George Sanford, highway commissioner; Florence Howe and Wilford Waldron, justices of the peace; B. B. TurnBull and E. J. Lowry, members of the board of review, and William Hanna, Roy Prichard, Arthur Harding and R. W. Mominee, constables.

E. H. Van Vleet acted as chairman of the caucus and John R. Zeigler was the clerk. J. H. Robweder and Perry Satterthwaite were tellers.

Past Officers Honored By The Eastern Star

Past Matrons, Past Patrons and Past Electas were guests of honor at the March meeting of Tecumseh Chapter, O. E. S., held Thursday evening. Ninety persons attended and included 27 Past Matrons and Patrons and 14 Electas, also guests from Morenci and Fairfield.

The ceremony was given by the points and remembrances were presented to the honored matrons and patrons. Mrs. George Wilson then gave a brief history of Electa and introduced the Past Electas. She was assisted by Mrs. Robert Manchester in presenting each Electa with a rose, after which Mrs. Wilson presented Mrs. Manchester with a Star vase and flowers.

Refuse Pickup Bids Are Asked

COUNCIL TO MEET IN SPECIAL SESSION, MONDAY, TO AWARD CONTRACT

The village council, meeting Monday evening, authorized the immediate advertising for bids to collect garbage, ashes and other refuse within the corporate limits of Tecumseh, and adjourned its session until next Monday evening, at which time it is likely that a contract for such work will be approved. Already, it is said, three persons are seeking the contract, all from outside of Tecumseh.

The village had intended to do the work itself and to that end had purchased a special truck, which was delivered about a month ago. However, the operation of the program was delayed due to licensing of the truck and a shortage of manpower. In the meantime two persons from outside the village contacted the council asking for a contract to perform the work and last Mpnday evening a third person also inquired about the job.

Because of the shortage of labor, the council seems to favor the granting of a contract to some private person or company and require that the work be done in accordance with a contract to be signed with the local government. If three bids are received when the council meets on Monday evening, it is altogether likely that one of them will be accepted and the pickup of garbage and ashes will begin within a very short time.

Just how the financing of the work will be handled has not been decided, but it was indicated on Monday that it might be paid out of the general fund and taxed against all property. The job would have been financed in that way had the village handled it and some trustees are said to favor such a payment program now. This would make all property owners share equally in the cost and assure a complete clean-up program, it was said.

Mrs. Martha Hendershot Formerly of Macon, Dies

Mrs. Martha Hendershot, aged 79 years, widow of Sevillian E. Hendershot, and a native of Macon, died Thursday at the home of her daughter Mrs. Leila Galloway in Adrian. She was the daughter of the late Abner and Margaret Ellis Hendershot and was born in Macon September 20, 1865.

She leaves the daughter and three grandchildren, a sister-in-law Mrs. G. D. Ellis of Macon and fire great grandchildren. Mr. Hendershot died in 1938.

Funeral services were held Saturday afternoon at the Braun Funeral Home and the body was brought to Tecumseh for burial in Brookside cemetery.

MUST TEST LIGHTS DESPITE BROWN-OUT

Several residents have called The Herald recently, inquiring as to the reason why street lights are allowed to burn in the daytime when a brown-out of lights has been ordered by the government at night. The reason, according to S. Henry Smith, local Consumers manager, is that the company must test the lights during the daytime each week. For that reason, lights in certain districts are allowed to burn about 30 minutes each week during the daytime, while the inspection is being made. A proper inspection must be made at night, the company has found.

HONORED AT DINNER

Light Vote Is Likely Monday

ONLY ONE TICKET IN THE FIELD AND DOUBT OF 100 BALLOTS IS EXPRESSED

Political observers were doubting today that 100 votes would be cast here next Monday when the electors of the village of Tecumseh name their officers for the coming year. Only one ticket is in the field, and observations are being based on the performance of voters in previous years when there was no opposition to candidates proposed.

J. Floyd Elliott, incumnent president and who has served the village as its mayor and councilman for more than 10 years, heads the Peoples Party ticket for re-election. Others, all incubments, are: Wade L. Jones, clerk, Kenneth D. Hall, treasurer, Sam Sisson, assessor, E. H. VanVleet, Howard W. Truesdale and J. H. Rohweder, trustees for two year terms.

The polls will be open in the council building from 7 o'clock on Monday morning until 5 o'clock in the evening, Eastern War Time.

These election officials have been named by the council: Commissioners, W. D. Hite, E. C. Heilman, W. J. Hanna. Inspectors, Robert Quacknebush, A. B. Harding, F. E. Smalledge and Myrna Tingley. Clerks, Bess M. Spayde, Alta Thompson, Iva Marsh and Minnie Russell. Gate Keepers, George Rubadou and John Wyrill.

Two Local Boys Hurt In Action

MAX BRANDT, KEITH DESERMIA WOUNDED IN FIGHTING IN GERMANY

Mr. and Mrs. E. C. Brandt were notified by the War Department Friday that their son Pfc. Max Brandt was slightly wounded in action February 19 in Germany. In letters received this week Max told his parents that the bandages had been removed from his eyes, but that his sight was still blurry.

Mrs. Clara DesErmia was also notified that her son Pfc. Keith Des Ermia was slightly wounded in action on the same date. Both are in a hospital in France.

The boys who are 19 years of age both graduated from Tecumseh high school in June 1944 and were inducted into army service August 10. They left in January for overseas going first to England, then on to France and Germay and have remained together since their induction.

Gee made his home with the Rubadous for many years and was employed at Tecumseh Products Co., before entering service in August 1942. He was sent overseas in January of this year.

Intangible Tax Aid To Be Given Here, Mar. 15-27

On March 15 and March 27 Howard J. Mattis, representing the Michigan Department of Revenue will be at United Savings Bank in Tecumseh, between the hours of 10 and 3 o'clock for the purpose of assisting taxpayers in the preparation of their intangibles tax returns due not later than March 31, 1945.

Intangible personal property subject to the tax includes all mortgages, land contracts, bank accounts, cash, accounts and notes receivable, stocks, bonds and other similar types of property. However, all United States bonds including War Bonds are exempt from the tax. Each taxpayer, likewise, is given an exemption of $3,000.00 in bank accounts and a deduction of $10.00 from any tax due.

The department has issued a warning to all owners of property such as is outlined above to file the necessary return forms prior to March 31 because of the fact that they are engaged constantly in checking stockholders lists, mortgage records, income tax returns and other data for the purpose of discovering evasions of the Intangibles Tax Act. Failure to file a return when a tax is due subjects the taxpayer to severe penalties.

In addition to assisting taxpayers in the preparation of their return Mr. Mattis will also be glad to advise any person concerning his liability, if any, under the Intangibles Tax Act.

Those desiring this advice or assistance are requested to bring with them full information concerning their holdings, including the face or par value, and income received therefrom during the year 1944.

ONLY A BIT—

The five thousand dollars that the American Red Cross is asking Tecumseh village and Tecumseh township to contribute toward Lenawee county's quota of $55,000 is only a drop in the bucket compared to what is really needed to put the nation over the top in the War Fund Drive now in progress. Nationally, $200,000,000 is needed if the Red Cross is to continue to do its job on the battlefronts of the world during the coming year, an amount, it is said, equal to about $17 for every man and woman in the armed services of our government.

IS MEANS SO LITTLE—

The five thousand dollars that this village and township will give to the Red Cross during its drive will never be missed by those who contribute it. A few pennies will come from children who, perhaps will shorten up the number of cokes they drink in a single day to enable them to share in the worthy cause. Another group may have to sacrifice a pack of cigarettes, a bottle of beer or a rum and soda, but, by and large, the giving will never be noticed by the giver.

THEY GIVE SO MUCH—

It's the fellow for whom we are making this small contribution that is really giving; the fellow who is at the battle front, in the fox hole, in an emergency hospital or an Axis prison camp. He's the fellow who's making the sacrifice, the fellow who is doing the job that we at home can't do. He's the fellow who really knows what war means; who really realizes that there can be a Hell on earth; who knows that there are many, many things worse than death. He's the boy who is not complaining, who is not griping about salary or hours. He's the boy who realizes that there is a job to be done and he is depending upon the folk back home to back him up.

TECUMSEH NEVER FAILS—

Tecumseh has never failed to meet a single quota in a war relief or war bond drive since the conflict started. Always, this community has far exceeded its quotas, a fact for which it may be very, very proud. Tecumseh township has some 400 men and women in the armed services of the government. If it meets the national requirements of $17 for each of them this township's quota would be $6,800, or about $1,800 more than is being sought. Let's do our rightful share, each of us. Let's pay the way for every one of our boys in the service. Let's not stop at $5,000, let's make it $7,000. There's no reason why someone else should have to pay a part of the medical and surgical care of a Tecumseh township boy. And that's exactly what they would be doing if we fail to exceed our quota by about $2,000.

Local Sergeant In French Alps

GEORGE L. FRENCH IS MEMBER OF 44TH ANTI-AIRCRAFT ARTILLERY BRIGADE

6th ARMY GROUP, FRANCE—The deep, cavernous valleys and the snowclad ridges of the French Alps are echoing to the roaring motors of a hard-driving Quartermaster Truck Company, bringing up supplies to fighting units of the 44th Anti-Aircraft Artillery Brigade; of which S/Sgt. Geo. L. French of 112 W. Patterson street, Tecumseh, Mich., is a member.

As part of Lt. Gen. Jacob L. Dever's 6th Army Group, it is transporting ammunition, equipment, rations and other supplies necessary to keep the machine of war functioning smoothly. Along the Franco-Italian border, the Truck Company is operating over some of the most difficult roads the men have seen overseas. Hairpin turns, steep grades that are smooth as glass from snow and sleet, and bitter weather have failed to hinder their schedule of getting the supplies to the front on time.

The high altitudes of the French Alps are in direct contrast to the locale of the company's earlier operations. Activated in North Africa before the close of the Tunisian campaign, it ran on a 24-hour-a-day schedule, carrying supplies to the front and returning with trucks jam-packed with German prisoners. In Sicily, the tough routine was continued, with the drivers working almost continually for the next four months, with little sleep and nightly air-raids.

During the Italian campaign, the mileage of the company's trucks jumped to six figures as requests for more and more supplies and ammunition poured in. Dividing its convoys, the company hauled the ammunition to British units fighting in one sector, to the Anzio Beachhead by ship, and to the artillery concentrations at Cassino. When the drive on Rome began, every available truck was pressed into the task of transporting supplies and troops into position for the assault. Later, north of Rome, the trucks rolled constantly over a 150-mile stretch between a railhead and forward dumps for 10 days and nights, moving more than 2,200 tons of ammo and covering 108,000 miles.

Landing in Southern France on D-plus-1, it helped supply troops in the advance towards Germany, until assigned to its present duty along the Franco-Italian border.

Pfc. Henry F. Kempf Awarded Purple Heart

Mrs. Margaret Kempf has received the Purple Heart awarded to her husband, Pfc. Henry F. Kempf for injuries received in action in France January 17. Pfc. Kempf who was a machine gunner with Patch's army, is in a hospital in France.

In a letter written February 16 he tells of receiving Christmas boxes from the Order of the Eastern Star and the Pythian Sisters, also his first Tecumseh Herald of November 29. His wounds are of the eyes and Henry who has not had a Herald since going overseas said "he would get it when he couldn't read." A letter of February 18 reports the arrival of a box from Tecumseh Poducts Co. which was thoroughly appreciated. He writes to thank everyone for everything and that he will do so as soon as he can write enough. He also said that he and all the fellows thought the Red Cross workers were sure angels, and that they deserve all they can get.

He had not been getting his mail regularly but had just received seven letters from his wife written in January, and had to have them read to him. A card received by Mrs. Kempf Saturday, from the 46th General Hospital stated that he was making normal improvement for wounds in both eyes and her husband's last letter said he was being moved to another hospital for further treatment. He has been overseas since June 1944.

GETS CITATION

Maurice A. Tuckey of Tecumseh who is with the artillery unit of the 29th Division in France, was recently cited for excellent performance of duties during the Normandy, northern France and Germany operations and has been advanced from staff sergeant to second lieutenant.

The SUNMASTER Motor Tester

Takes the Guess Work Out of Repairing

When we check your car for trouble with the SUN Master Motor Tester we can tell you in a jiffy whether the ignition, compression and carbueration are functioning properly. It enables us to put our finger on the trouble with your motor without long hours of hunting.

In these days of high costs and shortage of manpower, you can appreciate what such a Tester means when you bring your car to us for repairing. You can understand, easily, how, with this "master mind" we are able to reduce your repair costs. Why? Because it takes less time to find your trouble, and remedy it.

Here's What THE MASTER TESTER Will Do

IN TESTING COMPRESSION: The Master Tester shows whether or not the piston rings have "blown by" or are loose and need replacing. Also, whether or not the valves are seating properly.

IN TESTING IGNITION: the Master Tester shows whether your coil has the right capacity from starting to full speed. Whether your condenser is operating properly; the condition and spacing of the points, and the degrees of timing advance in the full speed range.

IN TESTING CARBUERATION: the Master Tester shows whether or not you have correct cylinder vacuum, and determines whether or not you are getting the correct fuel mixture from idle to top speed. This is very, very important in these times of gasoline rationing. Such a test may add many, many miles to every gallon of gas you burn.

If you are interested in increasing your gasoline mileage, if you want to make your car run smoother, eliminate wear and tear to a minimum, we invite you to bring it to us for service.

Our factory-trained mechanics are thoroughly familiar with all makes of cars and trucks, and our garage is open from 8 a. m. to 6 p. m., daily, for your convenience.

May we suggest that you use "the appointment system" for the repair of your car. Bring it to Mr. Andrew Bessey, our superintendent, for inspection. He'll tell you what is wrong and give you an appointment for the work to be done. This will save delay and keep you from being without a car for a minimum of time.

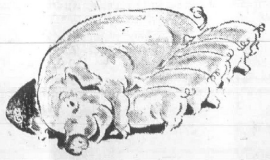
KEEP MAMA ON THE MILK WAGON!



If you are feeding your brood sows the proper ration made from your grain and HAYDEN'S PIG & HOG BALANCER, continue on this ration after farrowing until the pigs are weaned. This ration will help to keep your sow in better condition, AND SHE WILL PRODUCE MORE MILK during the nursing period. The result will be heavier pigs at weaning time and a sow in condition to breed again as soon as the pigs are weaned.

REGISTRATION NOTICE.
For
All Elections Held
MONDAY, APRIL 2nd, 1945

To the Qualified Electors of the Township of Tecumseh, County of Lenawee, State of Michigan

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Township Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth Day before any regular, special, or official primary election and the day of such election.

Notice is hereby given that I will be at The Supervisor's Office THURSDAY, MAR. 15, 1945 the Twentieth Day Preceding Said Election from 8 o'clock a. m. until 8 o'clock p. m. on said day for the purpose of Reviewing the Registration and Registering such of the qualified electors in said Township as shall Properly Apply therefor.

The name of no person but an ACTUAL Resident of the precinct at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

REGISTRATION ON ELECTION DAY

Sec. 9. If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, under oath, state that he is a resident of such precinct and has resided in the township or city 20 days next preceding such election, designating particularly the place of his residence, and that he possesses the other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself or some member of his family, or owing to his absence from the township or city on public business or his own business, and without intent to avoid or delay his registration, he was unable to make application for registration on the last 2 days provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he shall then be permitted to vote at such election or primary election. If such applicant shall, in said matter, wilfully make any false statement, he shall be deemed guilty of perjury.

PROVISION IN CASE OF REMOVAL TO ANOTHER PRECINCT

Sec. 20.—Any registered elector who has removed from 1 election precinct of a city, township or village to another election precinct of the same city, township or village in the same senatorial or congressional district shall have the right to make application to have his registration transferred on any election or primary election day by executing a request over his or her signature for such transfer and presenting the same to the election board in the precinct in which he is registered. Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and if the signatures correspond then such inspector shall certify such fact upon said request and the applicant for such transfer shall then be permitted to vote in such precinct for that election only. The application for transfer shall be filed with the city, township or village clerk and it shall be the duty of such city, township or village clerk, as the case may be, to transfer such voter's registration in accordance with the application. When the name of any street in a city or village or township has been changed, it shall be the duty of the city, village or township clerk to make the change to show the proper name of street in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote. When the resident house numbers of any section of a city or village or township have been changed, such change shall not affect the right of such voter to cast his vote. Corresponding change in the registration records may be made upon election day upon proper showing.

Tack Up This Chart In Your Brooder House For Future Reference

1st—Allow 1/2 square foot floor space for each chick the first 6 weeks. Overcrowding causes higher death loss, less vitality and less efficient use of the feed used.

2nd—Allow 1 inch per chick feeding space the first 3 weeks. Then 2 inches per chick from 3 to 6 weeks. A four inch feeder will accommodate 96 chicks for 3 weeks, and after 6 weeks, only 48. BE SURE YOU HAVE PLENTY OF FEEDER SPACE.

3rd—Supply one 1 gallon fountain for each 50 chicks. One 3 gallon fountain WILL NOT TAKE THE PLACE OF three 1 gallon fountains. Be sure of plenty of waterers in your house.

4th—Provide roosts at 3 weeks if at all possible.

5th—Be sure your brooding equipment is working properly.

KEEP THE FEEDERS FULL OF HAYDEN'S STARTER AND GROWER MASH AT ALL TIMES. No scratch grain needed the first 3 or 4 weeks.

15 YEARS A FORD DEALER

Fifteen years ago this week we announced the opening of our new "Honest Service Garage." That was in 1930.

It was in those days that we discussed "value far above price," the arrival of the new Fords with "beautiful new bodies" and "improvements that were outstanding."

At the end of our first month in business we thanked the community for its kindnesses. We sold 12 new Ford cars and 10 used cars during that period. Our service department was expanding rapidly.

It was in May, 15 years ago, that Tecumseh staged its great "Rural Bargain Days" event and in our advertising we stresesd the features of the New Ford:

It had new stream lining. There was a choice of colors. (Most cars then were black). Four wheel brakes were fully enclosed for the first time. Four Houdaille shock absorbers were regular equipment. Triplex shatter proof glass was standard in all models. All exposed parts were rustless steel. There were an unusually large number of ball and roller bearings. SPEED HAD BEEN INCREASED FROM 55 to 65 MILES PER HOUR with quick acceleration. And Ford economy and reliability were still typical of the new model.

And the prices. Well, the roadster in those days sold for $435, the tudor and coupe at $500 and the town sedan at $670.

Yes, those were the days, 15 years ago. Those were the days before World War II was dreamed about. Those were the days before gas rationing and the OPA.

Next week, watch this space for what happened the second year we were in business. You'll find those facts interesting, too.

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER TWENTY-FOUR | TECUMSEH, MICHIGAN, THURSDAY, MARCH 15, 1945 | FIVE CENTS PER COPY

5 Killed In Action

FOUR OTHERS FROM THIS AREA WOUNDED, ACCORDING TO WAR DEPARTMENT

Five boys from the Tecumseh area were killed in action and four others were wounded, some of them seriously, in fighting on the battle grounds of the European theatre, according to telegrams received by parents here during the past week.

Pfc. Henry Walden, 20, son of Mr. and Mrs. John Walden who reside about four miles northeast of here, lost his life in Luxemburg, Germany, February 26, the War Department has notified his parents. Young Walden had been overseas for 18 months and had to his credit the destruction of two German planes. He is survived by his parents and nine sisters and brothers.

Mr. and Mrs. E. H. McConnell were notified Saturday by the War Department that their son, Sgt. Lee Jack McConnell was killed in action in Germany February 26.

Sgt. McConnell was inducted into Army service April 28, 1943 and after training at Camp Wolters, Texas, and Camp McCain, Miss., was sent overseas in August, 1944. He was injured in action November 30 and received the Purple Heart. He returned to action January 10. His wife and small son are making their home with his parents. He also leaves two brothers, Russell of Kittery Pointe, Maine and Raymond, a state trooper stationed near Marquette.

John Lorenz of Britton, was notified Saturday that his son, Pfc. Donald H. Lorenz, aged 24 years, was killed in action February 18 in the Philippines.

Pfc. Lorenz entered Army service November 18, 1941, and went overseas early in May 1942. He was a member of Co. B., 39th Division and before entering service was employed at Tecumseh Products Company.

Besides his father, he leaves one sister, Mrs. Harvey Shields, five brothers, Herbert, Raymond, David and Richard, all of Britton and Pfc. Wilmer Lorenz who is stationed in Hawaii.

The Lorenz family lived in Tecumseh township before moving to Britton.

Sgt. Thomas Maynard, 29, son of Mr. and Mrs. T. L. (Barney) Maynard of Tipton, was killed in action in Luxemburg, February 7, according to notice received from the War Department.

Sgt. Maynard entered service in May 1944 and was sent overseas in October. He was with the 319th Infantry in Patton's Third Army.

His wife and four children live in Grand Rapids.

Mr. and Mrs. Burl Bumpus have received word that his son, Pvt. Joseph V. Bumpus, was killed in action in France January 6. Pvt. Bumpus was previously reported missing in action. He had been overseas since December. Besides his parents he leaves the widow and two small children in Adrian, where he was employed at the Gamble Store before entering service.

Word has been received here that Pfc. Dale Creger, husband of Mrs. Margretta Covell Creger, and son of Mr. and Mrs. Bert Creger, was seriously wounded in action in Germany February 19. Mrs. Creger and two children have been making their home here since his induction last fall. He went overseas in January.

Mrs. Edwin Deis of Tipton has been notified that her husband, Pvt. Deis was seriously wounded in action in Germany February 25. Pvt. Deis was inducted in April 1944 and went overseas in October. His wife and two daughters live in Tipton.

Pfc. Clare E. Handy, husband of Mrs. Arleen Handy and son of Mr. and Mrs. Wesley Handy of Tecumseh, is in a hospital in Belgium after being severely burned. Pfc. Handy was employed at Tecumseh Products Co., before his induction.

C. P. Morningstar has received word that his brother Pfc. Lester Morningstar, has been wounded in action in Germany. He has been in service since March 1944 and overseas since August. His parents Mr. and Mrs. Milton Morningstar live in Merencl and his wife resides in Toledo.

TO SING ON RADIO

Miss Mary Jane Hayden will sing over Station WSPD, Toledo, on Sunday afternoon, on the Toledo Gospel Tabernacle hour at 2:30, local time.

Notes From The Letters of Pfc. Henry Walden

"In regard to your question about a furlough. It's not impossible but improbable. I doubt if I ever get a chance to go home.

"Mom, if you want to make me happy please don't worry about me. You are the only thing in the world that matters to me; you and my family. So please try to forget about me and the war. If anything does happen to me just take it like a dream. I at least will have died for something that is worthwhile. Until a person has been over here he don't know what we have in the United States. In fact he will never know the meaning of the words LIBERTY and FREEDOM."

Those sentences are from a letter written by Pfc. Henry Walden, 20-year-old Tecumseh youth, who gave his life at Luxemburg, Germany, February 24, fighting with the Third Army with Gen. Patton. He was the son of Mr. and Mrs. John Walden who live about four miles northeast of here. He was inducted into the Army on April 27, 1943, received five months training at Camp Wallace, Texas, going overseas September 3, 1944. He won three stars on his service ribbon and was credited with shooting down two German planes.

How Pfc. Walden lost his life the War Department's telegram to the parents did not say. It simply announced that he was killed in Luxemburg and that a letter of explanation would follow.

The last letter the parents received from Henry was dated Luxemburg on February 20. It said in part:

"The cake you sent me was very good and I gave it to the cook for all of the boys. When they get anything they do the same.

"Boy, did I get a scare today. Some other fellow got his foot blown off and it still lays there. I hope I'm this lucky the rest of my life."

The Waldens received another letter from their son, dated Luxemburg, February 10. In it he said in part:

"Well, Mom, I guess there isn't any news that you don't already know about, probably you know more about it than we do up here. I think I told you that I am in the Third Army, Ole Blood and Guts Patton. What a man. I've got to make this one short, I'm taking a load of fellows to a movie tonight."

On February 16, Walden wrote from Germany:

"Well, Mom, a lot has happened since I wrote you last. We crossed into Germany in one day and the same day I shot down another plane. It was an ME-109. We were sitting there along side the road and here she came, going like a bat out of hell. So I jumped into our——and one burst and she started to fall.

"I hope this thing is over with soon because I'm getting spring fever. I want to come home. I've had enough of this. I've seen all that I want to see. Our truck is in ordnance getting repaired and will be finished tomorrow. Then I'll go back to the front with the boys and I know they'll be glad to see me."

Apparently Walden's truck was repaired on schedule and he did move up to the front because it was only a week later that he gave his life in the defense of his country.

Before moving to the farm here the Walden family lived near Whittaker where he attended Lincoln high school. Besides his parents he is survived by five brothers, Emanual, Matt, Lee, Alex and Clarence all at home and four sisters, Marie, Esther, Margaret and Grace, all of whom are married and live near Whittaker.

LOCAL TEACHERS RENAMED BY BOARD

Tecumseh public school teachers, including Superintendent W. L. Berkhof, were reappointed for another year by the board of education when it met in regular session, Tuesday evening. A tentative budget also was approved, but final action must await the action of the Michigan legislature which has been asked to increase the state aid to schools some $10,000,000. This would boost Tecumseh's share about $4,500.

The 1945-46 school calendar also was adopted and the opening of school next fall will be on September 10. School will adjourn for the summer recess this year on June 1.

WEDDING ANNIVERSARY

Mr. and Mrs. Wade Hendershot assisted by Mr. and Mrs. Elton Osborne of Saline entertained a group of 26 relatives at a family dinner Sunday in honor of their parents Mr. and Mrs. R. R. Hendershot who were celebrating their 49th wedding anniversary. Sweetpeas and an anniversary cake centered the table. Mr. and Mrs. Hendershot were presented with gifts. Guests were present from Adrian, Britton, Saline, Tecumseh and Ypsilanti.

A. & P. CORRECTION

In the A. & P. Company's advertisement on page three, the price of Bokar coffee should read, 3 pounds, 75c; fresh tomatoes should replace oranges at 17 cents a pound, and large Sunnybrook eggs should be 46 cents a dozen and grade-a medium eggs 42 cents a dozen.

97 DAYS OF ICE IN RED MILL POND

The ice went out of the Red Mill Pond on Sunday, March 11, according to Capt. Harry Chilson, former Great Lakes sailor who resides nearby. This year, Capt. Chilson says, the first ice formed in the pond on December 2, making a total of 97 days of ice. In 1943, Chilson says, the ice lasted for 114 days.

P. T. A. TO MEET

The Happy Circle P. T. A. will meet Friday evening at the Centennial school. The program will be on "Pre-school; Help at Home; Arithmetic, and Books Taken Home." Refreshments will consist of sandwiches, cookies and coffee. Members are to bring sugar if desired.

NEW MEMBERS INITIATED

At a meeting of the newly organized Ladies Auxiliary of Eagles held last Wednesday evening, 20 new members were initiated by a drill team from the Monroe Auxiliary. Thirty-two were present from Monroe and the group enjoyed a potluck supper at the close of the meeting.

GETS NURSE'S CAP

Nancy Tingley, daughter of Mr. and Mrs. Dale Tingley and Patsy Hickey formerly of Tecumseh were among the group of 51 young women to receive their caps at the capping exercises held Friday night at Harper Hospital School of Nursing in Detroit. Mr. and Mrs. Tingley attended.

NAMED CAPTAIN

Frederick Temple, formerly of Tecumseh, who is with a transportation division in France, has been promoted from first lieutenant to captain. He is the son of Mr. and Mrs. Leon Temple.

37 Votes Cast

PEOPLES PARTY UNOPPOSED AND RE-ELECTED AT POLLS HERE ON MONDAY

The Peoples Party was unopposed at the village election here on Monday and its candidates for office were re-elected by one of the smallest votes ever cast at a Tecumseh polls. Only 37 votes were registered.

J. Floyd Elliott was re-elected president, Wade L. Jones, clerk, Kenneth D. Hall, treasurer, Sam Sisson, assessor, and E. H. Van Vleet, Howard Truesdale and Joseph Rohweder, trustees for terms of two years each.

The newly elected officers will take office the first Monday in April.

Jersey Cattle Club Will Hold Meeting

The Lenawee County Jersey Cattle Club will hold its annual meeting Saturday, March 17 at Tecumseh Grange hall. The business session will open at 11:30 a.m., and will be followed by dinner at noon with E. R. Hancock of the state club as toastmaster. C. M. Brown of Tecumseh will give the address of welcome and speakers will include Dale Dean of the state club and H. E. Dennison, fieldman for the American Jersey Cattle Club. The "Mercury Ramblers" furnished through the courtesy of the Ford Motor Co., will furnish entertainment.

PROF. H. T. PIERCE DISCUSSES GERMANY

Dr. H. T. Pierce, from the literary school of the University of Michigan, and who was a student for several years in Germany, discussed that country interestingly when he addressed the Rotary Club following its regular dinner meeting at Brest House, Tuesday evening. Dr. Pierce was accompanied by Ira Smith, register of the University, and Herbert Wagner, comptroller.

A nominating committee composed of E. M. Campbell, Ray Sluyter and A. L. VanWinkle was named by Ralph Comfort, president, to choose three directors to succeed those whose terms will expire in June. They will report next week.

Robert Larsen, a medical student at the U. of M., was the guest of his father, and Dr. Charles Gray of Pendleton, Oregon, was the guest of Perry Hayden.

DIES AT CLINTON

Miles Martin, 78, died Monday at his home northwest of Clinton, the result of a paralytic stroke suffered March 4. He leaves the widow Myrtle, two sons Clifford and Maurice of Clinton, a daughter Mildred of Ann Arbor, a sister Mrs. Esther Phillips and several grandchildren.

Funeral services were held Wednesday afternoon and burial was in Reynolds Corners cemetery.

FUNERAL SERVICES HELD FOR MRS. FITZSIMMONS

Funeral services for Mrs. P. W. A. Fitzsimmons were held Thursday morning at St. Peter's Episcopal church, the rector, the Rev. John R. Scarlett, officiating. Bearers were H. J. Lowry of Detroit, Richard P. Watts of Adrian, P. C. Satterthwaite, P. M. Hayden, F. S. Anderson and D. F. Wright of Tecumseh. Burial was in Brookside cemetery.

P. T. A. MEETS

The Colvin P. T. A. met Friday evening at the school house with 30 in attendance. A program was presented following the business meeting and in conclusion refreshments were served.

A box social will be held at the April meeting.

Red Cross Fund Drive Lagging

ONLY $1,760 REPORTED AS OF TUESDAY; $5,000 IS NEEDED FOR LOCAL QUOTA

Tecumseh village and township is lagging behind on its Red Cross War Fund quota, Mrs. Lewis Lent, chairman, said today when she announced that contributions as of Tuesday night amounted to only $1,760 against a quota of $5,000.

"Of course, Mrs. Lent said, "we still have many solicitors to hear from and we also lack reports from many of the industrial plants but we must keep in mind that we still need about $2,300 to reach our quota. Reports to date how that we have not yet reached the half way point and the drive must be finished by Easter."

Tecumseh's quota this year is $500 less than it was a year ago, despite the drastic need for funds by the National Red Cross. In Lenawee county the quota is $55,000, a major portion of this amount being assigned to the City of Adrian. The national quota is $200,000,000, or about $17 for every man in service.

Fred P. Wood, county chairman of the War Fund Drive, speaking in Tecumseh before he Rotary club last week, pointed out that never before in the history of the Red Cross have funds been needed as badly as at this time. He declared that the job of the Red Cross has only begun and that funds must be raised if it is carry on until the end of the war and after.

"I feel confident," Mrs. Lent said, "that reports from industries and from canvassers this week-end will shove Tecumseh much nearer to its quota, but, it must be remembered, Tecumseh cannot fail to reach its quota. To do this there still is a lot of work to be done by everyone."

Slow Time to Begin Sunday

CLOCKS HERE WILL BE SET BACK ONE HOUR AT MIDNIGHT ON SATURDAY

Tecumseh will turn back its clocks to Central War Time, one hour slower than the present Eastern War Time, at 12 o'clock midnight, on Saturday, March 17, in keeping with the Michigan law, it was announced today. Likewise, it was said, all rural areas of the county would turn to slow time on that date, with the possible exception of the City of Adrian. A major portion of the state is now operating or will operate on slow time, it was said. Even metropolitan Detroit may still cling to the fast schedule, reports indicate.

School Time Changes

W. L. Berkhof, superintendent of schools, said that the time of the opening of the public schools would be changed, effective on Monday, March 19. Beginning on that date, school will call in all of the branch buildings at 8:45 in the morning and end at 3:30 in the afternoon. The noon recess will be from 11:30 to 1 o'clock.

In the central building, Mr. Berkhom said, shool will call in the morning for all students at 8:15. Eleventh grades will be dismissed for the noon recess at 11:30 and the junior and senior high students at 11:45. The afternoon session for all pupils there will start at 1 o'clock and elementary pupils will be dismissed at 3:30 and the junior and the senior high school at 3:46.

Tecumseh Must Abide

It was pointed out today that Tecumseh has no option in choosing its time schedule, villages and rural areas being bound to conform to the state law. However, there is strong pressure being brought upon the Adrian commission to resubmit the issue to the electors at the April 2 polls. Cities, under the law, may choose their own time schedule. At the primary election in Adrian a week ago, the time proposal was submitted and slow time carried by about 200 majority. Only about 2,000 persons voted, however.

A CORRECTION

In the Kroger Grocery & Baking Company advertisement in this issue, peanuts in the shell are advertised in error. Instead, tree-ripened grapefruit should have been advertised at 5 pounds for 35c.

The Pythian Past Chiefs Club will meet Wednesday evening at the home of Mrs. Harry Schuch with Mrs. Frank Gray assistant hostess.

TO MEET MONDAY

The L.O.T.M. will meet Monday evening, March 19 in the home of Mrs. George Cole on North Pearl street.

Three Fire Alarms Keep Department Busy

The fire department was called to Tipton Tuesday morning at 11:30 where fire in a smokehouse at the home of Mr. and Mrs. Geo Turpak, destroyed the smokehouse and contents. The family was smoking meat at the time. The blaze was extinguished with chemicals. About $200 damage resulted.

Monday afttrnoon, fire was discovered in an attic at the home of Mrs. Sadie Putman which did $400 damage to the house and contents. The house, located on West Logan street, is owned by Harry Dewey.

A chimney burning out at the Nation Wide Store building called the department out Sunday. No damage resulted.

Gas Franchise Approved Here

ISSUE WILL BE SUBMITTED TO VOTERS AT SPECIAL ELECTION, APRIL 16

The village council, in regular session Monday evening, approved a 30-year franchise to the Consumers Power Company to furnish natural gas to consumers in this village, and fixed Monday, April 16, as the date of a special election at which time three-fifths of the voters must approve the contract if it becomes operative.

Announcement that the Consumers company desired to bring natural gas to Tecumseh was made by H. H. Koetbel, general manager of the company, more than three months ago and the council in the meantime has been studying the proposed franchise. Rates to be charged under the village clerk and are determined by the Michigan Public Utilities Commission.

The ordinance as it was adopted by the council on Monday evening is printed elsewhere in this newspaper in its legal form. Also, there is a special notice from the village regarding the election and registration of voters.

Wade L. Jones, clerk, said today that voters who have cast their ballot at recent elections need not register for the special election. However, new residents or voters who have not cast their ballots for some time, should make sure that they are registered if they desire to vote April 16, he pointed out. Registraitons will be accepted at the office of the village clerk.

There was little other business to come before the council except routine affairs. Current bills were audited and ordered paid and reports of officers and committee heads were read and placed on file.

W.C.T.U. Is Organized; Mrs. Hayden, President

A Woman's Christian Temperance Union has been organized here with 19 active and one honorary members. At a meeting held March 7 in the Methodist church parlors the following officers were elected: Mrs. Perry Hayden, president; Mrs. Howard Everhart, vice president; Mrs. S. W. Boyce, corresponding secretary; Mrs. Margaret Kidman, recording secretary; Mrs. H. H. Loveland, treasurer. Mrs. Fred Meissner of Evanston, Ill., a national field worker, presided.

Meetings will be held on the second Tuesday afternoon of each month.

BROTHER-IN-LAW KILLED

Mrs. Charles Stephenson, formerly of Tecumseh, writes from Brooklyn that her husband, Pfc. Stephenson who was recently sent overseas, is now in the 42nd Rainbow Division of the Seventh Army. She also writes that her brother-in-law, St. Sgt. Arlo Emerson was killed in action while serving with the Third Army. His wife and four children reside in Brooklyn where Mrs. Stephenson and children are for the duration.

SURPRISE PARTY

Mr. and Mrs. Harold Miller were surprised Monday evening when her mother, Mrs. Bertha Swick, her sister, Mrs. Gladys Griffen, Mrs. Mary Collins, Mrs. Clara Wardle, Mr. and Mrs. Aden Watkins and daughter Sharon Ann, Clare Griffn and Kenneth Smith all of Britton, arrived with a chicken dinner, in honor of Mrs. Miller's birthday. The dinner also featured a birthday cake with candles, the gift of her niece. Mrs. Miller received several gifts and cards. Later the group attended the theatre.

Collection of Garbage is Up to Residents

400 SIGNATURES NEEDED BY SATURDAY IF PICK-UP IS TO START IMMEDIATELY

Are you interested in a garbage, rubbish and ash collection in the Village of Tecumseh?

If you are, then you should do this:

Register before 9 p. m., Saturday night, with Wade L. Jones, at the village clerk's office, indicating that you want such a service and are willing to pay $12 a year for it. This amount is payable six months in advance, or $6 immediately, the second payment being due a half-year later.

"The reason we are stressing the need for at least 400 families to register this week is because the contractor who is going to do the work must have his answer not later than Saturday night," Mr. Jones said. "We can't wait until Monday, we must know this week."

The service that residents will receive for the $12 is as follows:

Two garbage collections will be made in the residential district weekly between June 1 and October 15. Rubbish and ashes will be collected in the residential district monthly between those dates.

Between October 15 and June 1, garbage will be collected weekly in the residential district and rubbish and ashes semi-monthly.

All pick-ups will be made from not to exceed 10 gallon containers at or near the rear of the building or at the rear of the property, if there is an alley, and at ground floor level.

The village council, in session on Monday evening, approved such a collection program on condition a sufficient number of signatures, (at least 400 to start) are obtained on the collection contract. There are more than 700 houses in Tecumseh, a survey showed.

All money paid by residents for the collection will be turned over to the village and the village in turn will pay the contractor for his service. The contractor will be under bond to the village to perform his work.

The village previously had planned to enter the garbage collection business itself but due to the shortage of manpower it was considered best that a private contractor be employed if possible. The contractor with whom the village is negotating resides in Adrian, it was said.

Mr. Jones pointed out that there is considerable agitation here for a garbage and ash collection service and he declared that if a sufficient number indicate their desire, service under the new program will be started next week Monday.

"The $12 annual payment program means this," Jones said. "Instead of assessing the cost against the property, each resident will pay the cost as he goes. The village will handle the money and pay the contractor and bills will be sent out semi-annually, much the same as water bills are sent out at the present time."

Collection of garbage and rubbish from the downtown section will be handled through an agreement between the contractor and the stores, it was said, the village collecting from only the residential section.

Boxes Are Packed For Children Of Europe

Brownie Scouts and members of Scout Troop 1 and 2, are packing 10 boxes, sent through the Red Cross, for children in bombed countries. The gift boxes are educational, for both boys and girls, and each will contain from 13 to 15 articles.

Among the gifts to be included are pencils, crayons, erasers, pencil pads, modeling clay, tooth paste and brushes, combs, sewing materials, marbles, color books, wash cloths and soap, also a gift card from the donors.

AID SOCIETY TO MEET

The Presbyterian Ladies Aid Society will meet Wednesday, March 21 with Mrs. Kenneth Hall. Mrs. L. E. Brown, Mrs. Don Heeser and Mrs. Dwight Hodges will assist in entertaining and Mrs. Edith C. Smith will be program leader. Officers will be elected.

WED 50 YEARS

Rev. and Mrs. James Cameron Murdoch and family will go to Detroit this week to attend the 50th wedding anniversary of his parents, Mr. and Mrs. John Murdoch, at the home of his sister and husband, Mr. and Mrs. Edward A. Jacobi.

LEAGUE TO MEET

The Presbyterian League will meet Tuesday evening at the home of Mrs. John R. Thompson when a spring bazaar will be held.

A Brand New Service *for* Local Residents

We are offering a brand new service to Tecumseh residents and motorists, a service which we believe will be greatly appreciated.

We are specializing in all types of automobile repairing BY APPOINTMENT ONLY, thus assuring you of as little delay as possible in your transportation service.

We also are doing motor tune-up work, guaranteed brake service, vulcanizing and re-capping for motor tires and we also have a stock of new and used tires.

We are an official tire inspection station.

In addition to this, we do all types of repair work on appliances and contracting for spray painting, particularly farm barn painting.

We formerly operated Ben's Gulf Service Station and are now in our own new location. We'll appreciate meeting you and serving you.

CONGRATULATIONS—

We'd like to congratulate the Boy Ccouts of Tecumseh and their leaders for the fine job that they have been doing these past few weeks collecting paper and disposing of it to the mills where it is processed and sent on its way to war industry in the form of useful materials.

It's really too bad that the Scouts didn't get busy before with this work because they let slip through their fingers several hundreds of dollars in cash (realized from the sale of the paper) besides contributing to the war effort. Already, and they have been collecting for only about a month, the Scouts have earned well over $150 for themselves and they also have received many, many compliments from folk who were wondering why the boys hadn't been active before.

COMPLIMENTS PAYS DIVIDENDS—

It might be well to say here that the compliments the boys are receiving, at some future time, pay dividends in the form of cash. We can remember, year after year—in fact back a decade or more, when the Scouts looked to the community to pay membership fees in the Wolverine organization and furnish whatever other money was necessary to operate the local troops. The community, of course, was happy to do this contributing and did do it, generously, but at the same time many of these contributors said openly that they would be a lot happier if the boys showed a bit of initiative in some worth-while civic enterprise.

PAPER IS A GOOD PRICE—

Waste paper today is demanding the highest price in local history, at least since World War No. 1. Now is the time for the Scouts to cash in on the sale of the paper and put the money that they receive into a fund that will assure ample working capital for whatever enterprise Scout leaders deem advisable for Tecumseh troops. There's not a finer organization for young Americans than the Boy Scouts. The training and leadership they are given in early life will stay with them always. And so, when we say congratulations we really meant it. We're proud to know that you are at work collecting a material that is badly needed in our war effort. Truly, waste paper is ammunition.

There's Real Security in a Savings Account---

* * *

The other day one of our depositors told us that she never realized how much comfort and security there was in having a savings account of her own until she needed funds quickly for an emergency. She was happy, of course, because she had the funds instantly, with the signing of a withdrawal slip.

You can be happy too if you will open a savings account this week or next payday and then add to it regularly. You'll be surprised how rapidly it will grow.

And then, when you need funds for an emergency you'll have them, too. Come in and discuss a savings account plan with us.

Improve Your Home With Sidewall Shingles

Would your home take on the appearance you have dreamed about if you refinished it with sidewall shingles? Think of the homes you know about, right here in Tecumseh that have assumed that new, modern look after sidewalls have been applied.

We can furnish you with the shingles necessary to do this work and with the labor too, if you ACT NOW.

Shingles Cost Little More Than Paint

There is but little difference in the cost of applying sidewall shingles and two coats of paint. That is something to think about in these times.

Why don't you come in and let us figure costs with you. You'll be surprised how cheaply sidewall shingles can be applied to your home.

And remember, with sidewall shingles you get the added protection against cold in winter and heat in the summer.

Grange Program Depicts Early American Life

At last week's meeting of Tecumseh Grange the women presented a program reviewing American life from pioneer days to the present time, with Mrs. Fred Sheldon as leader, Mrs. Leroy Matthews and Mrs. Sam Sisson, accompanists. A history of Tecumseh Grange was also depicted and this part of the program was dedicated to the late Jennie Law Hardy.

At the close of the program the men who had previously presented a minstrel show, were awarded first place in the contest.

At the next Grange meeting on March 22 the third and fourth degrees will be conferred on a class of 45 candidates.

Are You Wasting 50% of Your Gasoline---

We had a car in our shop the other day for service that was giving its owner about fifty per cent of the mileage he should have received on a gallon of gasoline.

Think of it! In these days of rationing this car was wasting two and a half of every five gallons of gas the owner purchased.

Of course, the owner was surprised when we told him of this waste. . . .and that we could repair his car.

Is your car wasting gasoline, too? YOU'D BETTER CHECK UP.

Trustee TurnBull then introduced the following ordinance:

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to lay, maintain and operate natural gas mains, pipes and services on, along, across and under the streets, alleys, bridges and other public places, and to do a local natural gas business in the VILLAGE OF TECUMSEH, LENAWEE COUNTY, MICHIGAN, for a period of thirty years.

THE VILLAGE OF TECUMSEH ORDAINS:

SECTION 1. That wherever the word "Grantee" appears in this ordinance, it is hereby intended to designate, and shall be held to refer to the Consumers Power Company, a corporation duly authorized to do business in the State of Michigan, its successors and assigns.

SECTION 2. The right, power and authority is hereby granted and vested in said Grantee to lay, maintain and operate natural gas mains, pipes and services on, along, across and under the streets, alleys, bridges and other public places, and to do a local natural gas business in the Village of Tecumseh, Lenawee County, Michigan, for a period of thirty years, unless, within a period of three years from the effective date hereof, this franchise be revoked for Grantee's failure to construct its distribution system and commence serving the inhabitants of the Village, as provided in Section 9 hereof.

SECTION 3. No street, alley, bridge or other public place used by said Grantee shall be obstructed longer than necessary during its work of construction or repair, and shall be restored to the same good order and condition as when said work was commenced. No part of any street, alley, bridge or other public place of said Village, including any public drain, sewer, catch basin, water pipe, pavement or other public improvement, shall be injured, but if, due to Grantee's failure to use due care, any such damage shall occur, the Grantee shall repair the same as promptly as possible and, in default thereof, the Village may make such repairs and charge the reasonable cost thereof to and collect the same from Grantee. Said Grantee shall save the Village harmless from all liability or damage (including judgments, decrees and legal court costs) resulting from its failure to use due care in the exercise of the privileges hereby granted.

SECTION 4. Said Grantee shall be entitled to charge the inhabitants of said Village for natural gas furnished therein, the rates as shown by the schedule now on file in the office of the Village Clerk, unless and until the Michigan Public Service Commission or its successors, to which Commission the authority and jurisdiction to fix and regulate natural gas rates in said Village is hereby granted and conferred for the term of this franchise, shall fix and establish different rates, in which case the rates so fixed and established, if just and reasonable, shall prevail. Such rates shall be subject to review and change at any time upon petition therefor being made by either the Village of Tecumseh, acting by its Village Council, or by said Grantee.

All bills for natural gas furnished by the Grantee shall be payable monthly, and said Grantee may collect the minimum charge as specified in the rate schedule heretofore referred to. The Grantee shall also furnish and maintain commercially accurate meters to measure the natural gas so furnished, and it shall, by its representatives, have at all reasonable times, access to the premises of its customers, for the purpose of reading, inspecting, installing, replacing and removing such meters.

SECTION 5. Said Grantee shall construct and extend its gas distribution system within said Village, and shall furnish natural gas to applicants residing therein whenever the amount of gas to be furnished thereby shall provide an adequate and reasonable return upon the cost of making such extensions and providing such service.

SECTION 6. Said Grantee shall, before entering upon any street, highway, alley or other public place for the purpose of constructing or installing any mains, pipes or other apparatus, notify the Village Clerk, in writing, of the proposed construction or installation, and shall, if the Village Council so requires, file with the Village Clerk, a sufficient plan and specification showing the nature and extent of the proposed construction or installation. Said Grantee shall also, when requested by the Village Council, cause to be furnished to the Village Clerk, a map showing distribution of its gas mains as originally installed, and be prepared to revise said map once yearly as soon after January 1 of each year as possible, during the period of this franchise.

SECTION 7. The rights and authority herein granted are not exclusive. This franchise shall not be leased, assigned or otherwise alienated except to a corporation which shall be the lessee, assignee or grantee of all of the gas properties of said Grantee within the Village of Tecumseh and which will comply with the terms and provisions hereof. The Grantee shall be under no obligation to supply any other form of gas than straight natural gas, and its obligations in respect thereto shall continue only so long as it is able to obtain an adequate supply of such natural gas satisfactory for service hereunder.

SECTION 8. Said Grantee shall, as to all other conditions and elements of service not herein fixed, be and remain subject to the reasonable rules and regulations of the Michigan Public Service Commission or its successors, applicable to natural gas service in said Village. It shall conform with the "Standards of Gas Service" applicable to natural gas, as prescribed from time to time by said Michigan Public Service Commissions or its successors, which standards are presently set forth in said Commission's Order No. 1982. No provision of this ordinance, however, shall prevent the Village from exercising any lawfully authority or regulatory power that may now or hereafter be possessed by said Village.

SECTION 9. The franchise granted by this ordinance is not subject to revocation, and shall be and become valid and binding only upon its approval by the affirmative vote of at least three-fifths of the electors of said Village voting thereon at a regular or special municipal election to be held in the manner provided by law. Such franchise shall not be submitted to the electors unless the Grantee shall, within thirty days after the adoption of this ordinance, file with the Village Clerk its written acceptance hereof; and such franchise, when accepted by the Grantee and approval by the electors as herein provided, shall constitute a contract between the Village and the Grantee, and shall be in force and effect for the term of thirty years from and after the date of approval by said electors. In case said Grantee shall not, within a period of three years from the effective date hereof, construct its gas distribution system in said Village and commence serving the inhabitants thereof, then in such event this franchise may thereupon be revoked by the Village Council at any time.

President Elliott excused Trustee Smith from voting on above ordinance.

Moved and supported that the ordinance as read, be adopted.

The following was the vote thereon:

Yes: Trustees VanVleet, TurnBull, Kerby, Truesdale, Rohweder.

No: None.

The President thereupon declared said ordinance duly carried.

The acceptance of the above franchise ordinance, duly executed by the Consumers Power Company, was then filed with the Village Clerk, and upon motion, the same was received and ordered recorded.

We hereby certify that the foregoing ordinance was duly enacted by the Village Council of the Village of Tecumseh, Lenawee County, Michigan, on the 12th day of March A. D. 1945.

J. Floyd Elliott
Village President.

Attest:
Wade L. Jones
Village Clerk.

ACCEPTANCE

The Consumers Power Company does hereby accept the terms of the ordinance adopted on the 12th day of March, 1945, by the Village Council of the Village of Tecumseh, Lenawee County, Michigan, subject to the approval thereof by at least three-fifths of the electors voting thereon at a regular or special municipal election to be held in said Village, which said ordinance is entitled as follows:

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to lay, maintain and operate natural gas mains, pipes and services on, along, across and under the streets, alleys, bridges and other public places, and to do a local natural gas business in the VILLAGE OF TECUMSEH, LENAWEE COUNTY, MICHIGAN, for a period of thirty years.

The acceptance of said ordinance, and Grantee's exercise thereof, are conditioned upon said Grantee obtaining, in approved form, any other authority, permits or grants necessary for providing such service.

IN WITNESS WHEREOF, said Consumers Power Company has caused this acceptance to be executed by its duly authorized officer, this 12th day of March, 1945.

CONSUMERS POWER COMPANY
By M. W. Arthur, Vice President.

Trustee VanVleet then introduced and moved the adoption of the following resolution, which was supported by Trustee Kerby;

WHEREAS, the Village Council of the Village of Tecumseh has this day adopted an ordinance entitled:

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to lay, maintain and operate natural gas mains, pipes and services on, along, across and under the streets, alleys, bridges and other public places, and to do a local natural gas business in the VILLAGE OF TECUMSEH, LENAWEE COUNTY, MICHIGAN, for a period of thirty years.

The same being a public utility franchise; and,

WHEREAS, said Consumers Power Company has heretofore filed with the Village Clerk its written acceptance as provided in said ordinance; and,

WHEREAS, it is the desire of the Village Council and of said Consumers Power Company that the enactment of said franchise ordinance be submitted to the vote of the electors of said Village at a special election to be held therein on Monday, the 16th day of April, 1945, and said Grantee has indicated its willingness to pay in advance the estimated expense of holding such special election as determined by the Village Council;

NOW, THEREFORE, BE IT RESOLVED, that the sum of Two Hundred Dollars ($200.00) be, and the same is hereby determined as the expense of holding such special election, which amount shall be paid in advance by said Consumers Power Company to the Village Treasurer.

The following was the vote upon the above resolution:

Yes: Trustees VanVleet, TurnBull, Kerby, Truesdale, Rohweder.

No: None.

The President thereupon declared the same carried.

Trustee Truesdale then introduced and moved the adoption of the following resolution, which was supported by Trustee Rohweder;

RESOLVED, that a special Village election be ordered to be held in the Village of Tecumseh, Lenawee County, Michigan, on the 16th day of April, 1945, for the purpose of submitting to the vote of the electors of said Village voting at such election, the question of approving the franchise ordinance adopted by the Village Council of said Village, at its meeting held on the 12th day of March, 1945, which said ordinance is entitled as follows:

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to lay, maintain and operate natural gas mains, pipes and services on, along, across and under the streets, alleys, bridges and other public places, and to do a local natural gas business in the VILLAGE OF TECUMSEH, LENAWEE COUNTY, MICHIGAN, for a period of thirty years,

be ratified and approved?

NO [ ]

INSTRUCTIONS:

If you wish to vote in the affirmative, place a cross in the square after the word "Yes."

If you wish to vote in the negative, place a cross in the square after the word "No."

Any other mark renders this ballot void.

RESOLVED, FURTHER, that the inspectors of said election, immediately after the closing of the polls, and without adjournment, shall publicly canvass the vote cast upon said proposition, and declare the result, and upon the same day or the next day shall make a statement in writing, setting forth in words at full length, the whole number of votes given upon said proposition, and the number of votes for and against said proposition, which statement shall be certified under the hands of the inspectors to be correct, and they shall deposit such statement, together with the poll lists and registry of electors, and the box or boxes containing the ballots, in the office of the Village Clerk;

RESOLVED, FURTHER, that the Village Council shall convene upon the Thursday next succeeding such election, at its usual meeting place in said Village, at seven o'clock, P.M., and shall thereupon determine the result of the election upon said proposition voted upon, and the Village Clerk shall thereupon make duplicate cegnificates of such determination, showing the result of such election upon said proposition, one of which certificates he shall file in the office of the County Clerk of the County of Lenawee, and the other shall be filed in the office of said Village Clerk.

RESOLVED, FURTHER, that within one week from the date hereof, the Village Clerk shall cause to be published once in The Tecumseh Herald, a newspaper published in said Village, a copy of said franchise ordinance, and that he shall also, immediately after such publishing, enter the said ordinance in the record of ordinances of said Village, and shall certify thereto under his hand, stating the time and place of such publishing.

The following was the vote upon the above resolution:

Yes: Trustees VanVleet, TurnBull, Kerby, Truesdale, Rohweder.

No: None.

The President thereupon declared the same carried.

Motion made and supported that Village Clerk be authorized to engage solicitors to interview families for Garbage, Rubbish and Ash collection at rate of $12.00 per year, payable 6 months in advance, service to consist of signatures of 400 families. Applications will also be accepted at office of Village Clerk.

Motion carried.

On motion Council adjourned.

AN ORDINANCE

To Be Voted Upon April 16, 1945 By The Voters of The Village of Tecumseh, Granting a Natural Gas Franchise to The Consumers Power Co. for a period of 30 years.

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to lay, maintain and operate natural gas mains, pipes and services on, along, across and under the streets, alleys, bridges and other public places, and to do a local natural gas business in the VILLAGE OF TECUMSEH, LENAWEE COUNTY, MICHIGAN, for a period of thirty years.

THE VILLAGE OF TECUMSEH ORDAINS:

SECTION 1. That wherever the word "Grantee" appears in this ordinance, it is hereby intended to designate, and shall be held to refer to the Consumers Power Company, a corporation duly authorized to do business in the State of Michigan, its successors and assigns.

SECTION 2. The right, power and authority is hereby granted and vested in said Grantee to lay, maintain and operate natural gas mains, pipes and services on, along, across and under the streets; alleys, bridges and other public places, and to do a local natural gas business in the Village of Tecumseh, Lenawee County, Michigan, for a period of thirty years, unless, within a period of three years from the effective date hereof, this franchise be revoked for Grantee's failure to construct its distribution system and commence serving the inhabitants of the Village, as provided in Section 9 hereof.

SECTION 3. No street, alley, bridge or other public place used by said Grantee shall be obstructed longer than necessary during its work of construction or repair, and shall be restored to the same good order and condition as when said work was commenced. No part of any street, alley, bridge or other public place of said Village, including any public drain, sewer, catch basin, water pipe, pavement or other public improvement, shall be injured, but if, due to Grantee's failure to use due care, any such damage shall occur, the Grantee shall repair the same as promptly as possible and, in default thereof, the Village may make such repairs and charge the reasonable cost thereof to and collect the same from Grantee. Said Grantee shall save the Village harmless from all liability or damage (including judgments, decrees and legal court costs) resulting from its failure to use due care in the exercise of the privileges hereby granted.

SECTION 4. Said Grantee shall be entitled to charge the inhabitants of said Village for natural gas furnished therein, the rates as shown by the schedule now on file in the office of the Village Clerk, unless and until the Michigan Public Service Commission or its successors, to which Commission the authority and jurisdiction to fix and regulate natural gas rates in said Village is hereby granted and conferred for the term of this franchise, shall fix and establish different rates, in which case the rates so fixed and established, if just and reasonable, shall prevail. Such rates shall be subject to review and change at any time upon petition therefor being made by either the Village of Tecumseh, acting by its Village Council, or by said Grantee.

All bills for natural gas furnished by the Grantee shall be payable monthly, and said Grantee may collect the minimum charge as specified in the rate schedule heretofore referred to. The Grantee shall also furnish and maintain commercially accurate meters to measure the natural gas so furnished, and it shall, by its representatives, have at all reasonable times, access to the premises of its customers, for the purpose of reading, inspecting, installing, replacing and removing such meters.

SECTION 5. Said Grantee shall construct and extend its gas distribution system within said Village, and shall furnish natural gas to applicants residing therein whenever the amount of gas to be furnished thereby shall provide an adequate and reasonable return upon the cost of making such extensions and providing such service.

SECTION 6. Said Grantee shall, before entering upon any street, highway, alley or other public place for the purpose of constructing or installing any mains, pipes or other apparatus, notify the Village Clerk, in writing, of the proposed construction or installation, and shall, if the Village Council so requires, file with the Village Clerk, a sufficient plan and specification showing the nature and extent of the proposed construction or installation. Said Grantee shall also, when requested by the Village Council, cause to be furnished to the Village Clerk, a map showing distribution of its gas mains as originally installed, and be prepared to revise said map once yearly, as soon after January 1 of each year as possible, during the period of this franchise.

SECTION 7. The rights and authority herein granted are not exclusive. This franchise shall not be leased, assigned or otherwise alienated except to a corporation which shall be the lessee, assignee or grantee of all of the gas properties of said Grantee within the Village of Tecumseh and which will comply with the terms and provisions hereof. The Grantee shall be under no obligation to supply any other form of gas than straight natural gas, and its obligations in respect thereto shall continue only so long as it is able to obtain an adequate supply of such natural gas satisfactorily for service hereunder.

SECTION 8. Said Grantee shall, as to all other conditions and elements of service not herein fixed, be and remain subject to the reasonable rules and regulations of the Michigan Public Service Commission or its successors, applicable to natural gas service in said Village. It shall conform with the "Standards of Gas Service" applicable to natural gas, as prescribed from time to time by said Michigan Public Service Commission or its successors, which standards are presently set forth in said Commission's Order No. 1982. No provision of this ordinance, however, shall prevent the Village from exercising any lawful authority or regulatory power that may now or hereafter be possessed by said Village.

SECTION 9. The franchise granted by this ordinance is not subject to revocation, and shall be and become valid and binding only upon its approval by the affirmative vote of at least three-fifths of the electors of said Village voting thereon at a regular or special municipal election to be held in the manner provided by law. Such franchise shall not be submitted to the electors unless the Grantee shall, within thirty days after the adoption of this ordinance, file with the Village Clerk its written acceptance hereof; and such franchise, when accepted by the Grantee and approved by the electors as herein provided, shall constitute a contract between the Village and the Grantee, and shall be in force and effect for the term of thirty years from and after the date of approval by said electors. In case said Grantee shall not, within a period of three years from the effective date hereof, construct its gas distribution system in said Village and commence serving the inhabitants thereof, then in such event this franchise may thereupon be revoked by the Village Council at any time.

REGISTRATION NOTICE
For
All Elections Held
MONDAY, APRIL 2nd, 1945

To the Qualified Electors of the Township of Tecumseh, County of Lenawee, State of Michigan

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Township Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth Day before any regular, special, or official primary election and the day of such election.

Notice is hereby given that I will be at The Supervisor's Office THURSDAY, MAR. 15, 1945 the Twentieth Day Preceding Said Election from 8 o'clock a. m. until 8 o'clock p. m. on said day for the purpose of Reviewing the Registration and Registering such of the qualified electors in said Township as shall Properly Apply therefor.

The name of no person but an ACTUAL Resident of the precinct at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

REGISTRATION ON ELECTION DAY

Sec. 9. If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, under oath, state that he is a resident of such precinct and has resided in the township or city 20 days next preceding such election, designating particularly the place of his residence, and that he possesses the other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself or some member of his family, or owing to his absence from the township or city on public business or his own business, and without intent to avoid or delay his registration, he was unable to make application for registration on the last 2 days provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he shall then be permitted to vote at such election or primary election. If such applicant shall, in said matter, wilfully make any false statement, he shall be deemed guilty or perjury.

PROVISION IN CASE OF REMOVAL TO ANOTHER PRECINCT

Sec. 20.—Any registered elector who has removed from 1 election precinct of a city, township or village to another election precinct of the same city, township or village in the same senatorial or congressional district shall have the right to make application to have his registration transferred on any election or primary election day by executing a request over his or her signature for such transfer and presenting the same to the election board in the recinct in which he is registered. Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and if the signatures correspond then such inspector shall certify such fact upon said request and the applicant for such transfer shall then be permitted to vote in such precinct for that election only. The application for transfer shall be filed with the city, township or village clerk and it shall be the duty of such city, township or village clerk, as the case may be, to transfer such voter's registration in accordance with the application. When the name of any street in a city or village or township has been changed, it shall be the duty of the city, village or township clerk to make the change to show the proper name of street in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote. When the resident house numbers of any section of a city or village or township have been changed, such change shall not affect the right of such voter to cast his vote. Corresponding change in the registration records may be made upon election day upon proper showing.

15 YEARS
A FORD DEALER

Remember back in the year 1931—14 years ago?

We do, because that was the second year that we were in business in Tecumseh. Perhaps if we'd tell you that that was the year Mr. Henry Ford started to buy his extensive acreage in this area and the State of Michigan O.K.'d the paving of M-52 between Tecumseh and Clinton you'd remember a bit better.

It was at about this season of the year that we announced the New Model A Ford—and what prices. They ranged from $430 to $630 depending upon the style body you chose. Yes, and you had a choice of colors, too. Most cars, before then, were painted black.

Those, of course, were the days before World War No. 2 had been dreamed about and we couldn't help but notice some other prices that were advertised by local dealers as we thumbed our way through our advertising files.

For instance: Good hamburg was selling at 15 cents a pound; fresh fig bars at two pounds for 25 cents; fine creamery butter at 27 cents and bananas, all you could carry, cost a nickel a pound. There were no ration points. All you needed was the money.

On August 20 of 1931 the new United Savings Bank opened its doors to the public with assets of more than $2,000,000 and with W. H. Burnham of Adrian as president. A week later, 10,000 people helped to celebrate the opening of the new Tecumseh-Clinton highway. There were two balloon flights, an autogiro from Detroit took several local residents for a ride in the sky and a roast ox furnished the meat for thousands of sandwiches.

On October 15 it was announced that Leon Williamson, Jr., 14-year-old ninth grade high school boy here, had been awarded a medal for heroism. It was presented by the Rev. A. T. Camburn, former M. E. pastor. The reason for the award was young Williamson's acts of heroism at Marble Lake, near Quincy, July 4, when he saved the life of a man who had stepped into a deep hole in the lake. Others failed at the rescue but the lad dove and succeeded in bringing the lake victim to shore. Artificial respiration restored breathing. (This 14-year-old-lad is now Major Leon Williamson, who has received several Navy awards for heroic services in the present war. To his credit is the sinking of a Jap battleship).

In many ways, 1931 was a memorable year, a year that we were not sorry to see brought to a close. It was in October that the new United Savings Bank closed its doors and with the Britton State bank was turned over to the state banking department.

But despite all of these hardships of the depression we continued as your Ford dealer, announcing price reductions in both cars and service. It was your confidence in us that made it possible for our organization to survive those very dark days.

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER TWENTY-FIVE — TECUMSEH, MICHIGAN, THURSDAY, MARCH 22, 1945 — FIVE CENTS PER COPY

Products Votes To Change Time

EASTERN WAR TIME TO BE ESTABLISHED MONDAY; SCHOOL VOTE TO BE TAKEN

Clocks in the Tecumseh Products Company's plant will be changed to Eastern War Time, effective on Monday, it was announced last night after an employee vote that favored such a move by more than a two to one majority. The Ford-Hayden Mill also is operating on Eastern War Time, clocks there not having been changed.

Jens Teuborg, president of the board of education here, said last night that parents of school children would be asked to vote on the time question today, ballots to be sent home with children tonight, to be returned Friday at the latest. He said that if a majority of parents desired the "fast" time it would go into effect in the schools on Monday. Mr. Touborg believes that a majority of homes in Tecumseh are represented by employees at Products and Ford Mill and that mothers would find it inconvenient preparing meals if schools remained on one time and factories on another. However, he pointed out that the vote to be taken today will be a determining factor.

Would-be statesmen and meddling politicians, eyeing the vote-gathering harvest of a year or two hence, have, as a result of the passage of the Michigan "Slow Time Bill," thrown this state into such confusion that it is going to take the sincere effort of a group of clear-thinking people to untangle a situation that not only threatens Michigan's war effort but also is so confusing to the average individual that it is utterly disgusting.

As the time situation stands today, Michigan is a house divided against itself.

Detroit, a major portion of Wayne, Washtenaw and Monroe counties, the city of Lansing and many other areas in the so-called "Arsenal of Democracy" are operating on Easter. War Time, one hour faster than the time authorized under the Michigan Time Bill.

In Lenawee county, the city of Adrian is operating by-and-large on fast time. Except for the city offices, the court house and the banks, clocks are still as they were before midnight of March 17.

In Adrian, the postoffice and many manufacturing firms favor the retention of fast time and the issue is to be resubmitted to voters at the April 2 election.

For the most part, rural Lenawee county is on "slow" time but in some rural towns, the clocks have not been changed. In Clinton, only five miles away, "slow" time has been adopted as the official time but the schools, the bank, the manufacturing plants, the churches cling to "fast" time. Hudson and Morenci are operating 100 per cent on "slow" time, as is Blissfield.

Jackson county is operating whole-heartedly on "slow" time but east of here, Monroe county has refused to adopt the Michigan Time Bill and clocks there, even in Dundee, are on "fast" time.

It has been pointed out that war industries in areas operating on "slow" time lose four hours of contact with offices in areas operating on "fast" time. Here is the reason: There is one hour in the morning, from 8 to 9, that offices in "fast" time areas are open before offices in "slow" time areas. Offices in "fast" time areas close for lunch one hour earlier than they do in "slow" time areas and there is another hour of loss. Then, when "fast" time executives return from lunch the "slow" time executives are out to lunch and there's the third hour of loss. And, finally, "fast" time offices closes one hour earlier than "slow" time offices, accounting for the fourth hour of loss.

Tecumseh is operating on "slow" time, having turned its clocks back one hour on Saturday night. It seems that communities not operating under a home rule charter (city government) are bound to obey the state law. Or are they?

Tecumseh, however, is unconsciously enjoying a dual time schedule inasmuch as its mail service is still operating on Eastern War Time and mail trucks arrive and depart one hour earlier than they did when the clocks indicated the "fast" time. Likewise, the railroads are operating on Eastern War Time and the office of the New York Central here is now open between 7:30 and 5, "slow" time, instead of 8:30 to 6, as formerly. Bus schedules also are "fast" time.

WIT AND WISDOM CLUB

The Wit and Wisdom Club will meet Monday evening at the home of Mr. and Mrs. Leon VanValkenburg, with Mr. and Mrs. W. G. Waldron assisting in entertaining.

Fire Trucks Must Be Given Right-Of-Way

J. Floyd Elliott, village president, today called motorists' attention to the fact that fire trucks and fire apparatus have right-of-way under state law and that motorists who fail to observe the law will be taken into court.

"The law provides," Mr. Elliott said, "that when motorists observe an approaching truck or hear the siren they shall pull to the curb or the side of the highway and stop until the apparatus passes. The reason for this is the protection of both the motorist and the firemen. The law is not being observed and I am afraid that a serious accide it may occur unless more good judgment is used."

Mr. Elliott recalled that it was not so long ago that local motorists were making it a practice of following too close behind fire apparatus and parking too close to the scene of fires. He said that the issuance of a few dozen traffic tickets eliminated the nuisance. He warned that traffic tickets also will be issued to violators who fail to observe the "stop" regulation unless the practice is halted at once.

Community TB Tests Planned

MOBIL X-RAY UNIT TO VISIT TECUMSEH WITHIN THE NEXT FOUR WEEKS

A community-wide testing program for tuberculosis, to be started here within the next four weeks, was announced today by the Tecumseh Health Education Committee under the sponsorship of the State Department of Health and the endorsement of local physicians.

It is the hope of the committee, it was announced, that every man, woman and child in Tecumseh will avail themselves of the opportunity of obtaining the X-ray test during the time that the unit is in Tecumseh. The examination will be made without charge and will be rapid, it being possible for from 500 to 600 X-rays to be made in a single day.

"We plan, first of all, to make the service available to industry and we have been assured by some factories of complete cooperation. Next, we are interested in school children and in persons engaged in handling foods. However, the examination is open to the public and we hope that every citizen of the town will take advantage of it," Mrs. Richard Preston, chairman of the committee, said.

Just when the mobil unit will arrive in Tecumseh, Mrs. Preston did not know. She said that her committee would be in contact with the state department this week and hoped to arrange a date at that time. Undoubtedly, the unit will remain here for three or four days, she said.

PLAN BENEFIT BALL

At the March meeting of the Tecumseh Hospital Auxiliary held in the home of Mrs. D. C. Heesen it was voted to give $10 to Red Cross. It was announced that the annual hospital benefit ball will eb held May 12. Mrs. Richard Preston spoke on the mobile unit for tuberculosis x-ray which will visit Tecumseh soon and Miss Elizabeth Moran of the Ford Hospital School of Nursing, told of the work of the school.

At the April meeting of the Auxiliary a graduation program for Nurses Aides will be held.

CORNING—DAVENPORT

Miss Leah Marie Davenport, daughter of Mr. and Mrs. C. M. Davenport of Tipton and Sgt. George A. Corning of Kalamazoo were married March 10 in Eaton Rapids. Sgt. Corning who recently returned from 28 months service overseas left Monday for Santa Ana, Calif., for re-assignment.

"MICHIGAN NIGHT"

Tuesday, March 27, will be "Michigan Night" at the USO in Inglewood, Calif., and a basket supper at 6:30 will be followed by an evening of entertainment and fun. These state parties last year were very successful and through home-town newspapers many were notified of the affair.

SLIGHT FIRE LOSS

The fire department was called Thursday morning to the home of Mrs. J. W. Owen on South Maumee street where sparks from a bonfire had set fire to vines on a porch. Only slight damage resulted.

WOUNDED IN GERMANY

Mr. and Mrs. Clifford Campbell have been notified by the War Department that their son Pfc. Harry M. Campbell was wounded in action in Germany March 2.

Used Clothing Drive Planned

LOCAL LEGION TO PARTICIPATE IN NATION-WIDE COLLECTION PLAN

Underwood-Orr Post, American Legion, is cooperating completely in a nation-wide campaign that will be launched by the national Legion, April 1, in an effort to collect 150 million pounds of used clothing to be dispatched at once to war-needy areas of the world.

The drive locally is in charge of Jack Smith, as chairman of a committee composed of Lillard Brown, Marvin Watkins, J. Harrington, Vincent Haight, Chas. Howe and Donald Goddard. Persons having clothing to contribute are asked to call Bancroft Cleaners or the Watkins shop and a car will be sent to make the pick-up. Donors in rural areas will be serviced by the Tecumseh Grange. The drive for clothing locally will run on April 20, permitting time for shipment to New York before the end of next month.

Mr. Smith pointed out that clothing that is needed badly for the relief work includes: Infants garments, particularly knitted goods, men's and boy's garments of all kinds, women's and girl's garments, caps and knitted headwear, bedding, shoes, useable remnants of piece goods, cotton, rayon or wool, underwear, shawls, aprons, nightgowns, pajamas, sweaters, etc., are especially needed.

"This is a very worthy cause and I hope that Tecumseh responds generously to it," Mr. Smith said. "The people to whom the clothing will go are sorely in need of something to wear because their clothes, homes and all of their possessions have been destroyed by war. Calls received here from donors will be answered promptly and we trust that Tecumseh's shipment can be large."

MRS. WILLLIAM LUTZ DIES AT ADRIAN HOME

Mrs. William Lutz of Adrian, mother of Mrs. Harold Sisson, died Saturday morning at Bixby hospital, where she had been a patient since February 7 with a broken hip suffered in a fall in her home. Mrs. Lutz was 84 years of age. She was born in Adrian where her whole life was spent.

Besides Mrs. Sisson she leaves two other daughters Mrs. Miar McLaughlin of Jackson and Miss Louwilla Lutz of Ft. Wayne, Ind., a son Henry of Adrian and seven grandchildren. Mr. Lutz died in 1937.

The funeral and burial were held Tuesday in Adrian.

TELLS OF D-DAY

Seaman 1/c Robt. Williamson, in a letter to his father, L. P. Williamson, says that his ship was in the task force that hit Formosa and Luzon on D-Day, later hitting several points along the China sea coast. "We were attacked by Japs as we left China Sea," he writes, "and we shot them down. It was exciting to watch one of our planes follow a Jap all the way to the water and then all that is left of him is a puff of smoke and a splash. We didn't suffer any damage."

LENTEN TEA

One hundred and twenty-five persons attedned the Lenten Tea given last Wednesday in the Methodist church parlors by the Women's Society of Christian Service. Mrs. S. J. Harrison of Adrian spoke on China where she had spent five years. Misses Marjorie Black and Colleen Vedder, soloists and Bill Jones flutist, all of Adrian College presented the musical program and in conclusion tea was served by Mrs. H. H. Loveland and Mrs. Jennie Temple.

GARDEN CLUB MEETS

At the March meeting of Tecumseh Garden Club held Friday, a paper on "Seeds to Plant Indoors" by Mrs. Roy Cadmus and one on "Soil" by Mrs. L. W. Larsen were given. Flower arrangements were displayed by Mrs. Cadmus and Mrs. R. K. Anderson. During the business meeting it was voted to give $10 to the Red Cross.

GOOD FRIDAY SERVICE

A Union Good Friday service will be held in the Presbyterian church from 1:30 to 3 o'clock on Friday, March 30, with the Rev. J. C. Murdoch in charge. Participating churches are the Methodist, Baptist, Presbyterian and Friends. A more detailed announcement will be forthcoming next week.

LEAGUE TO MEET

The Presbyterian League will meet Tuesday evening March 27 at the home of Mrs. John Saling, with Miss Elizabeth Seger and Mrs. Kennard Wise assisting. Mrs. Mervyn Boltz will lead devotions and the Westminster Junior League will present the program.

Monday Club Plans For Spring Luncheon

Miss Gertrude Spaulding, superintendent of Tecumseh Hospital, was speaker at this week's meeting of Tecumseh Monday Club. Her topics were "The Present Nursing Situation and How it Affects Michigan," and "The New Drugs and Their Treatment."

Plans were discussed for the annual spring luncheon to be held April 16 and a letter was read from Mrs. W. C. Fisher who recently moved to Boston, Mass.

Mrs. D. S. Carmichael, formerly of Holloway, is to be speaker at the next meeting which will be an open one. Members are to invite a friend and a neighbor.

New Fire Truck For Rural Area

DELIVERY WILL BE MADE TO TECUMSEH ABOUT MAY 1, TITLEY SAYS

A new fire truck, to replace the rural truck that has been in use here for about 20 years, will be delivered to Tecumseh about the first of May, LeRoy Titley, supervisor, said today. The truck is now in the factory being prepared for delivery according to the township's specifications.

Under a program that went into effect here about two years ago, the Tecumseh rural fire truck answers all fire alarms in the township without expense to the individual who asks for service. Before that time, alarms were answered only to farms that were members of the township association or where payment was guaranteed. The expense of operating the rural truck is borne by township tax and the truck is manned by village firemen and housed in the village fire barn.

It was said that when the new truck arrives in Tecumseh the old truck now being used will be placed in storage, as was the village truck when it was replaced by a new one a few years ago. The old equipment is still useable and is kept in condition so that it can be placed in service immediately should the necessity arise.

Lieut. Richard Mack Dies In English Hospital

Mr. and Mrs. Fred Mack of near Britton have been notified of the death of their son, Lt. Richard L. Mack, which occurred in a hospital in England, the result of an air plane crash. The family moved to Britton from Stony Creek.

Lt. Mack who was 23 years of age, and a pilot on a B-17, had been stationed in England since last November and had completed half of his missions. He was graduate of Lincoln Consolidated School and attended Michigan State Normal College at Ypsilanti. He had enrolled at the University of Michigan engineering school before entering service in September 1942.

Besides the parents he leaves one brother Pfc. James S. Mack, who was wounded in action in France January 5, but recently returned to duty.

PLAN FOR BANQUET

St. Elizabeth's Altar Society met last Wednesday evening at the home of Mrs. Betty Strand with 20 members in attendance. Rev. Fr. Wm. MacGoldrick was also present, and Mrs. Harold Miller was a guest.

Plans were discussed for a Mother and Daughter banquet to be held May 20 and Mrs. James Tressler was named chairman. It was voted to give $10 to Red Cross. A "grab bag" was a feature of the entertainment and in conclusion refreshments in keeping with St. Patrick's Day were served. The next meeting will be held with Mrs. Walter Mueller.

PRIEST TRANSFERRED

Rev. Fr. Herbert Weier, pastor of St. Elizabeth Catholic church as well as the Clinton and Irish Hills Catholic churches, has been transferred to St. Boniface church in Detroit. He is succeeded in this parish by Rev. Fr. Frank Juras of Blissfield.

BACK IN STATES

Pfc. Dale Creger who was seriously wounded in action in Germany February 19 has been returned to the states and is expected home soon. Pfc. Creger was sent overseas in January.

WOUNDED IN ACTION

Sgt. Herbert W. Glancy of Onsted was wounded in action March 3 in Germany, according to notice received Sunday by his wife Mrs. Norma Glancy and his parents Mr. and Mrs. Ben Glancy of Onsted.

Red Cross Fund Reaches $4,255

CHAIRMAN HOPES TO FAR EXCEED QUOTA OF $5,000 HERE BEFORE EASTER

With $4,255 subscribed to Tecumseh's Red Cross War Relief Fund, Mrs. Lewis Lent, chairman of the campaign locally, expressed the hope today that this community would far exceed its $5,000 quota before the drive ends, Easter Sunday.

"Tecumseh has been asked to subscribe $5,000 of Lenawee county's $55,000 quota," Mrs. Lent said, "and, based on the national quota, the amount here is little enough. Nationally, the Red Cross is asking for $17 per man in service or a total of about $200,000,000. If Tecumseh township does as well as the nation we should raise about $7,000 here because we have some 400 in service."

Mrs. Lent said that she still had to hear from several industries locally and from town and rural solicitors in some sections before her report will be complete. Giving has been generous, she declared, many contributions being unsolicited.

There is every indication throughout the county that Lenawee will make and exceed its quota. The campaign still has some 10 days to go before Easter and county workers are confident that they will be successful in every community.

Samuel B. Richards Found Dead In Home

Samuel B. Richards, 63, was found dead Thursday evening in his home on West Pottawatamie street, by neighbors who had not seen him that day and had gone to investigate. The body was found in the bathroom where he had fallen striking his head on the tub and fracturing his skull.

Mr. Richards who was born in Perrysburg, Ohio, had made his home here 35 years and was employed by Quaker Oats Company for a number of years. Recently he was employed by Tecumseh Products Company.

He leaves the widow, Estella, who was in Michigan Center at the time of his death; a sister Mrs. Clarence Butler of Marshall, and a brother Clarence Richards of Battle Creek.

Funeral services were held Sunday afternoon at Collins Funeral Home. Rev. Alvin Brazee officiated and bearers were William Kerentoff, Theodore LaBounty, Howard Everhart, Lester Reed, F. Petee and M. W. Matthews. Burial was in Brookside cemetery. Relatives and friends attended from Toledo, Birdsall, Marshall and Battle Creek.

PYTHIANS ARE HOSTESSES TO STATE GRAND CHIEF

Mrs. Addie Drake of Muskegon, grand chief of Michigan, was the guest of the local temple of Pythian Sisters at their regular meeting, Wednesday evening. A potluck supper preceded the meeting.

During the business session it was voted to give $25 to Red Cross and Mrs. Carl Thompson was appointed to solicit white cloths for the cancer control committee. Mrs. Henry F. Kempf read interesting letters from her husband who is in a hospital in France with eye injuries.

Several members and their husbands attended a supper and social evening given by the Adrian Temple last evening. The officers and staff will go to Dundee April 10 to confer the degree.

WOUNDED IN ACTION

Clayton Greenwald has received word that his brother, Pfc. Melvin Greenwald was wounded in action in France March 1 and was moved to England for hospital treatment. His wife, the former Norma Richardson, resides in Cadillac. Pfc. Greenwald has been overseas since December 24, 1944, with the 4th Division of Patten's Third Army.

Memorial Here Sunday For Pvt. Donald Sharp

A memorial service for Pvt. Donald D. Sharp, who was killed in action in France, January 6, will be held Sunday afternoon March 25, at 3 o'clock, in the Tecumseh Friends church.

Pvt. Sharp was born in Fostoria, Ohio, October 24, 1922, and was the son of Mr. and Mrs. Vern Sharp, formerly of Tecumseh. He attended rural school in this vicinity and on August 10, 1940 he was united in marriage to Miss Eleanor Mae Sayler. To this union were born two children, Donna Mae and Gary. In November 1943 he bought a farm in Onsted and his family lived there until he was inducted into the army. The induction was at Ft. Sheridan, Ill., in May 1944 and he received his basic training at Camp Robison, Little Rock, Ark., and Camp Gruber, Okla., going overseas in December 1944.

He leaves the widow and two children, his parents who now reside at 109 Bristol street, Adrian; three sisters Mrs. Treva Pryor of Graytown, O., Mrs. Mildred Hoover of Tecumseh and Mrs. Jo Anne Porter of Chicago; three brothers Pvt. Weldon Sharp of Camp Wolters, Texas, Roy and Robert Sharp at home in Adrian.

Schools Given U. of M. Rating

TECUMSEH AND BRITTON ON ACCREDITED LIST FOR THREE-YEAR PERIOD

Tecumseh and Britton high schools once more have been visited and are being continued on the approved three-year list of the University of Michigan, according to word received by the superintendent, W. L. Berkhof and George Beale.

The three year rating is the highest which the University gives any school, and it indicates in general the quality of the educational work being done here. In addition it means two things:

Graduates of these high schools can enter almost any college or university in the entire country without taking an entrance or qualifying examination, providing the work they have done meets the requirements of the course they want to take.

Secondly, it expresses the University's confidence in the educational standards of the communities. Since the schools are on the three-year list, they are visited officially only that often to check on the type and quality of the work.

These visits, according to Dr. George E. Carrothers, director of the University Bureau of Educational Cooperation, are actually a conference for the mutual benefit of all concerned. If weak spots are noticed, ways to correct them are worked out. More often, strong points and new ideas are picked up by the visitor and are passed on to other schools, benefiting the tutire state's school system.

SAYS WOOL FARMERS ARE IN FOR TROUBLE

Unless the wool farmers of America pay more attention to the quality of their product and do a better job of merchandising they are in for serious trouble in the future, T. B. Nilsen, general manager of the Clinton Woolen Mills, told Rotarians here Tuesday evening when he addressed the club after dinner at Brees House. He was the guest of Vance Ogden.

Synthetic materials such as rayons, soy bean and skim milk fibers are giving the woolen grower a fast race in the textile field, Mr. Nilsen declared, and in addition it is now possible for the industry to import from foreign countries a higher type wool at a lower price than American wool, despite havy duties. The manufacturer is of the opinion that American farmers are paying too little attention to the quality of their wool and marchandising methods and too much attention to duties, tariffs and politics.

Mr. Nilsen explained how the synthetic fibers replacing wool are made and consumed by the manufaturer. His talk was exceedingly interesting and educational.

COMPLETES MISSIONS

Lt. Ralph J. Camburn, son of Mr. and Mrs. Clare Camburn, who is stationed in England with the Eighth Air Force, has completed his missions over Germany and expects to be granted a furlough home soon.

MEADE—MILNER

Miss Virginia Milner, daughter of Mr. and Mrs. John Milner of Macon and Tech. Sgt. James Meade, son of Mr. and Mrs. Walter Meade of Tecumseh were married Friday evening at the Friends parsonage by the Rev. Edward Escolme.

Sgt. Meade left Tuesday for Ft. Ord, Calif.

Garbage Pickup Is Inaugurated

VILLAGE TO DO THE WORK AND CHARGE RESIDENTS AT RATE OF $1 MONTH

The Village of Tecumseh has entered the business of collecting garbage, ashes and other rubbish, using village-owned trucks manned by municipal labor. The first collection [illegible] and the service will continue without interruption in the future, J. Floyd Elliott, president, said today.

The collection program has been discussed by the village council for many weeks and a new truck was purchased for the purpose but the service was not inaugurated until after the council had exhausted every available contract service source, due to the shortage of labor in Tecumseh.

"We were unable to enter into a contract with out-of-town services to do the collection work," Mayor Elliott said, "and it seems that there was nothing left for us to do but launch the service as a municipal project. It undoubtedly will take a week or two for us to get well organized but after that time, collections will be made regularly in all parts of the village."

The village is giving a weekly garbage collection service in the residential district between October 15 and June 1, and rubbish and ashes will be collected semi-monthly. Between June 1 and October 15, two garbage collections will be made weekly and rubbish and ashes will be collected monthly. For this service the village is charging residents $1 monthly, payable six months in advance. Already several hundred homes have signed and paid for the service and it is expected that more will follow within a few days or weeks. Persons desiring the service should call at the office of Wade L. Janes, village clerk, and make the necessary arrangements.

Mayor Elliott explained that because of the nearness of the present village dump to Tecumseh hospital, the state has ordered the dump closed and it will be closed on April 1. After that time, he said, no trespassing on the property will be permitted. The village has acquired a new dumping ground far outside the village limits but, due to restrictions by the property owner, this dump may be used only by the village. It will not be public.

"I feel certain," Mayor Elliott said, "that the people of Tecumseh will want to avail themselves of the new service the village is offering and that within a very short time all homes will be serviced."

It was explained that the village council would have liked to have met the expense of the collection program out of the general tax fund. However, because of the 15 mill limitation, it would have been necessary for assessments to have been boosted if sufficient funds were to have been made available. The council felt that rather than increase taxes for the service residents would appreciate being given an opportunity to pay directly into the village treasury on a plan similar to that now being used in the municipal water department.

Joseph Daykin Dies; Buried In Ridgeway

Joseph Daykin, aged 76 years, died Sunday at his home east of Britton.

He leaves three sons Leroy of Adrian, Arthur at home and Clarence of Dundee, a daughter May at home and several grandchildren. Mrs. Daykin died in 1933, a son Glenn was killed during World War I and a son Emery died in March 1944.

The funeral was held Wednesday afternoon at the Niblack Funeral Home in Britton and burial was in the Ridgeway cemetery.

MANPOWER

The manpower problems of the nation can best be understood when one considers that in 1933 only 47 million Americans out of 133,000,000 were at work.

By June of 1943, the work force including men in the armed forces amounted to 67 millions and by the end of 1943 the number had risen to 65 millions, including some 17 million women.

Later figures have not been released but there is little doubt but that the working number of both men and women as well as the number in service has increased materially and rapidly.

There is little surprise, then, that Washington has advised the Nation that "from now on out" America must learn to ration its manpower as well as its food, shoes and gasoline.

We Have The Shingles

For Roof or Sidewall

Does your home need a new roof? Would sidewall shingles improve the appearance of your home?

We know of many property owners, who, because of the war, have neglected to re-roof their homes. Some of these roofs were badly in need of repair one and two years ago.

There is no need to wait longer to have the work done. We have high quality asphalt or asbestos shingles for either roof or sidewall.

We Can Furnish The Labor

You don't need to worry about who will apply either roof or sidewall shingles if you will place your order now. Fortunately, we have the labor to do your work. But you must ACT NOW if you desire to take advantage of our manpower.

Keep Your Eye on the Laying House!

After all, eggs are what ring the cash register. They are the index to a certain degree of the quality of a starting ration.

Many chick raisers fail to keep their eye on the final result in egg production. If their baby chicks do well in the early stages, if the losses are small, and the chicks are well feathered and show good early development they think that is proof of the quality of the starting mash.

THAT'S ONLY HALF THE STORY.

Actually, that is only half the story. The real proof of the "makings" of a starting mash do not show up until those pullets start producing in the laying house. HAYDEN'S STARTER AND GROWER is scientifically and "practically" blended to give your chicks a good start toward the laying house.

DO YOU WANT YOU ASHES & GARBAGE COLLECTED

The Village of Tecumseh Has Decided To Do This Work For You!

Because the Village of Tecumseh has failed to obtain a satisfactory contract with outside interests, it has been decided by the Common Council that the Village of Tecumseh enter the garbage and rubbish collection business as a municipal enterprise, starting this week.

This service is offered to the residents of the Village of Tecumseh at the following price:

Two garbage collections weekly and one rubbish collection monthly in the residential district, during the summer.

One garbage collection weekly and one ash and rubbish collection weekly in the residential district during the winter.

This Service Is Offered To You For Only $1.00 Per Month

The first collection of garbage was started this week. The collection will continue each week hereafter, under village supervision. This will not be a hit-and-miss service.

Call The Village Clerk's Office Now If You Desire This Service

If you desire this service at your home, call the office of Wade L. Jones, village clerk, telephone 223, at once and advise him. The village is requiring that you pay one-half of the yearly cost now ($6 for six months service) in advance. Future costs will be billed to you, in advance.

The Village Dump Must Be Closed

The State Department of Health has advised the Village of Tecumseh that its dump just east of Tecumseh Hospital must be closed, as of April 1, 1945.

WARNING TO THE PUBLIC

Do not dump any garbage, ashes or other refuse in the village dump after April 1, 1945. Violators will be taken into court. The village is opening a new dump on property located well outside the village limits, but it will be a private dump and cannot be used by the public.

(Signed)

J. FLOYD ELLIOTT,
Village President.

It's a Case of Management for PORK PROFITS

Nobody knows what you will receive for your hogs next September. But you know that by following a careful plan of Sanitation and Management, along WITH THE PROPER FEED—HAYDEN'S PORK MAKER for example—that you can put your hogs to market with MORE POUNDS AT LESS COST than the hog raiser who raises hogs because his ancesters did. See us for a complete program of sanitation, management, and feeding. You can go all the way with your own grain and Hayden's Hog Balancer.

Wheels out of Line Cause Unnecessary Tire Wear--

Today, motorists are doubly conscious of tire-wear; they are doing everything possible to add more miles of service to the tires that they have.

We say to you seriously: THERE IS NOTHING THAT WILL WEAR TIRES OUT MORE RAPIDLY THAN HAVING FRONT WHEELS OUT OF ALIGNMENT!

Bring your car to us for service. Let us align your wheels and balance your tires.

It will pay you big dividends in extra tire wear.

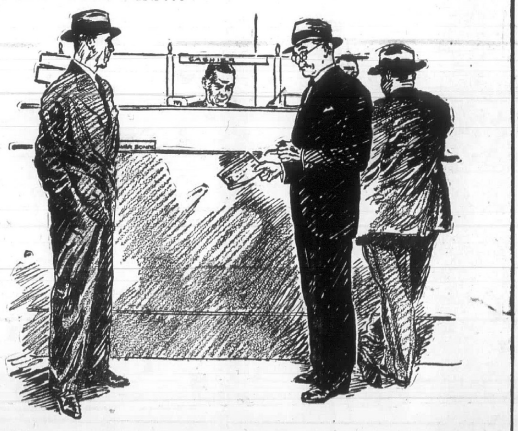
THE OLD JUDGE SAYS...



"Adding another War Bond to your collection, eh, Judge?"

"Yes, Josh, I've always looked upon buying Bonds as one of the best ways older folks like me here at home can help our fighting men overseas. For the past couple of years I've put every extra cent I had into them . . . not only during the War Bond drives . . . but on a regular basis. Of course, when there's a drive on I always try to buy an extra one or two."

"We've done the same in our family, too, Judge. We figure the more we buy . . . the better we equip our men . . . the quicker they'll finish their big job and come marching home again."

"That's the spirit, Josh. And let's be sure of one more thing. Let's be sure that they come back to the same kind of place they left. While they are away and can't express their opinions, let's not make any decisions on things that are going to concern them in years to come."

ELECTION NOTICE

To the Qualified Electors of the Township of Tecumseh, County of Michigan, **Notice is Hereby Given,** That the Biennial Spring Election will be held on

MONDAY, APRIL 2nd, 1945

at the respective polling places hereinafter designated: The Council Building.

For the purpose of Electing the following Officers:

STATE—Two Justices of the Supreme Court—Two Regents of the University of Michigan—Superintendent of Public Instruction—Member of the State Board of Education—Two members of the State Board of Agriculture, State Highway Commissioner.

TOWNSHIP — A Supervisor; Clerk; Treasurer; 2 Justices of the Peace; Commissioner of Highways; not to exceed four constables; 2 Members of Board of Review, and there may be an Overseer of Highways for each Highway District.

(Proposal No. 1)

Proposed Amendment to the Constitution to provide for an increase in Tax Millage for certain purposes upon majority vote of the electors assessed for taxes in the assessing district so that the total tax assessed shall not exceed 3 per cent of the assessed valuation for a period of 15 years.

A Joint Resolution of the 1945 Legislature proposing an amendment to Section 21 of Article X of the State Constitution relative to increase of 15 Mill limitation, and to read as follows:

Sec. 21. The total amount of taxes assessed against property for all purposes in any 1 year shall not exceed 1½ per cent of the assessed valuation of said property, except taxes levied for the payment of interest and principal on obligations heretofore incurred, which sums shall be separately assessed in all cases: Provided, That for the purpose of the acquisition of real estate or erection of public buildings or public works, or making permanent extensions or other capital improvements thereof, this limitation may be increased for a period of not to exceed 15 years at any 1 time to not more than a total of 3 per cent of the assessed valuation by a majority vote of only such persons having the qualifications of electors, who have property assessed for taxes in any part of the assessing district to be affected by the result of such election, or the lawful husbands or wives of such persons: Provided further, That for all other purposes the limitation of 1½ percent may be increased for a period of not to exceed 5 years at any 1 time, to not more than a total of 5 percent of the assessed valuation, by a 2/3 vote of the electors of any assessing district, or when provided for by the charter of a municipal corporation: Provided further, That this limitation shall not apply to taxes levied in the year 1932.

The section of the constitution which would be altered or abrogated in the event of this proposed amendment now reads as follows:

Sec. 21. The total amount of taxes assessed against property for all purposes in any one year shall not exceed one and one-half per cent of the assessed valuation of said property, except taxes levied for the payment of interest and principal on obligations heretofore incurred, which sums shall be separately assessed in all cases: Provided, That this limitation may be increased for a period of not to exceed five years at any one time, to not more than a total of five per cent of the assessed valuation, by a two-thirds vote of the electors of any assessing district, or when provided for by the charter of a municipal corporation: Provided further, That this limitation shall not apply to taxes levied in the year 1932.

(Proposal No. 2)

Proposed Amendment to the Constitution to authorize the state to control, improve or assist in the improvement and control of rivers, streams and water levels for certain purposes.

A Joint Resolution of the 1945 Legislature proposing an amendment to Section 14 of Article X of the State Constitution to authorize the state to control, improve or assist in the improvement and control of rivers, streams and water levels, and to read as follows:

Sec. 14. The state shall not be a party to, nor be interested in any work of internal improvement, nor engage in carrying on any such work, except in the improvement of or aiding in the improvement and control of public roads, rivers, streams and water levels, for purposes of drainage, public health, control of flood waters and soil erosion, in the reforestation and protection of lands owned by the state and in the expenditure of grants to the state of land or other property.

The section of the constitution which would be altered or abrogated in the event of this proposed amendment now reads as follows:

Sec. 14. The state shall not be a party to, nor be interested in any work of internal improvement, nor engage in carrying on any such work, except in the improvement of the public wagon roads, in the reforestation and protection of lands owned by the state and in the expenditure of grants to the state of land or other property.

Relative to Opening and Closing of the Polls
Act 72—Public Acts of 1943

Section 1. On the day of any election the polls shall be opened at 7 o'clock in the forenoon and shall be continued open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

Dated March 1st, 1945.

15 YEARS
A FORD DEALER

Nineteen hundred and thirty-two, our third year in business in Tecumseh and—what a year!

Depression, banking difficulties and, as though to make matters worse, we accepted a post as a member of the village council, succeeding K. D. Hall, who resigned. A. B. Boyce was mayor then and our present mayor, J. Floyd Elliott, was a member of the council.

Early in February of 1932 the American Legion was backing an organized effort to "war on the depression" which was, at that time, in full swing. It was the Legion's job to hunt out jobs for the unemployed in Tecumseh in a hope that $2,500 worth of payroll might be put into circulation within 30 days. Old clothing was being collected for the needy. The public was being made conscious that real need for food, clothing and shelter had hit the community of Tecumseh.

The Methodist Episcopal church observed its 104th birthday in February of 1932 and more than 150 persons attended the banquet.

School and village salaries were being slashed to the bone in an effort to make tax money do the best possible job, and receivers of the Tecumseh and Britton banks were busily engaged in making collections on all debts owed the financial institutions. A $400 appropriation made to the Ladies Band by the village was declared illegal by the village attorney, F. B. Wood, and John Larsen defeated R. J. McCoy for the office of village president. Others elected were Lester Rogers, E. E. Berry and Earl Updyke.

It was in the latter part of March that we announced the new Ford models for the year and the New V-8 made its first appearance. It was a "large, long, roomy Ford" that the public saw that year and in addition we were offering an "improved" four cylinder car that also was arousing considerable curiosity.

As though in answer to a long-felt need, it was announced in April that the Ford farms project would get under way in full swing with a payroll of about $500 daily in this community.

The Ridgeway Methodist church observed its 64th anniversary in April and Harry Selfridge and his daughter of London, England, visited Tecumseh.

It was in November of 1932 that the Democratic party won a sweeping victory, nationally, in the state and in the county. Franklin D. Roosevelt won an easy victory over Herbert Hoover, and rock-ribbed Republican Michigan elected William A. Comstock, Democrat, its governor. Congressman Earl C. Michener also went down to defeat, J. C. Lehr of Monroe, Democrat, succeeding him. County offices remained Republican.

Yes, 1932 was another of those years that we were not sorry to see slip by. We continued to give our customers service—a little more than they expected for their money. We believed sincerely that if we were to survive we must prove that service to the community meant more than money. We thank our customers and friends for their loyal support during that most trying year.

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER TWENTY-SIX | TECUMSEH, MICHIGAN, THURSDAY, MARCH 29, 1945 | FIVE CENTS PER COPY

Easter Sunrise Service Sunday

WILL BE UNION SERVICE AT METHODIST; OTHER PROGRAMS ANNOUNCED

Easter will be fittingly observed in Tecumseh's churches on Sunday with special programs and music, the pastors announced today.

Easter services at the Methodist church will open with a Union Sunrise Service at 7:30 in the church sanctuary. The Friends, Baptist, Presbyterian and Episcopal churches have been invited to particeate. Rev. Blair O. Bashore will give the inspirational talk and special music is planned.

At 8:30 (EWT) the Methodist men will serve an Easter breakfast to the group. Members of the Youth Fellowship of the host church are making the arrangements for the service and breakfast.

An Easter sermon will be delivered by Dr. Norman MacNaughton during the morning worship hour and special music is planned.

Children of the church school will present an Easter program at the Presbyterian church Sunday morning at 10 o'clock.

At the morning worship hour at 11 o'clock employees and management of the Ford Motor Company, Tecumseh Products Company, Bruce Foundry and the Quaker Oats Company have been invited to attend. Rev. James Cameron Murdoch will deliver the sermon on "New Garments and New Life," and St. Andrews choir will sing, under the direction of Mrs. F. C. Dickinson. The Cathedral Chimes will also be featured at this time.

At the Easter morning service at the Baptist church, special Easter music will be sung by the three choirs, the Senior, Junior and Cherub choirs. Mrs. E. H. McConnell will play the Easter Postlude. Other numbers are "Ring, Ring, Easter Bells," by the Cherub choir; "He Lives," by the Junior choir; "O Day of Rest and Gladness," by the senior choir; offertory "I Know That My Redeemer Liveth:" vocal solo "A Christ is Risen," by Mrs. Robert H. Moore, with violin obligato by Archie Boyd. Rev. B. O. Bashore will give the Easter sermon.

Easter at St. Peter's church will be marked by two choral celebrations of the Holy Communion. The church school Easter program will be a part of the late service. Both services are scheduled on Eastern War Time (fast time).

War Area Kids Need Clothing

AND SO DO THE GROWN-UPS "OVER THERE;" WHAT WILL YOU GIVE THEM?

Is there a suit or coat, a dress, hat or sweater, or something that a little boy or girl, whose home and clothing have been destroyed by war, might wear—are these things hanging in your closet or store room gathering dust and moths?

If they are, then the Underwood-Orr Post of the American Legion in Tecumseh would like to contact you. They'd like to have you give these so-called useless articles to the clothing collection drive that is now under way, nationally, in an effort to collect 150 million pounds of wearable garments for refugees in the war-torn areas of the world.

"There are literally thousands of folk in the war-torn areas of the world who have no shoes, no clothing to keep them warm, nothing for their babies and children, who are looking to the kindness of the American people to supply them with something to cover their nakedness, Jack Smith, chairman of the local campaign, said today. "I'm certain that we can find right here in Tecumseh township several tons of shoes, clothing, sweaters, jackets, wool things for babies, that can be shipped to these devastated areas. These folk are not asking for something new, they are asking only that we give to them the things that are cluttering up our closets and storerooms."

Most anything that is wearable here can be used over there, Mr. Smith pointed out. There is a terrific need, he said, for baby's garments and garments for children.

The clothing drive here starts April 1 and lasts 20 days. Persons having clothing or shoes they desire to give should call the Watkins Shop or Bancroft Cleaners. A car from the Legion will pick them up. In the township, the collection will be made through the Grange.

Persons who desire, may bring clothing to the Baldwin store, (formerly Palman's) on E. Chicago boulevard, Mr. Smith said. The store will be open on Tuesdays, Fridays and Saturdays during the weeks of the drive, he said, to accommodate contributors.

Good Friday Services Here

WILL BE AT THE PRESBYTERIAN CHURCH; STORES TO BE CLOSED

Union Good Friday services were announced today, to be held at the Presbyterian church from 1:30 to 3 p.m., EWT, with the pastor, the Rev. James Cameron Murdoch, presiding.

The Presbyterian, Methodist, Baptist and Friends churches are cooperating in the service and three sermons will be delivered. The first will be by the Rev. B. O. Bashore of the Baptist, whose subject will be, "Events Leading up to the Crucifixion." The Rev. Edward Escolme of the Friends, will speak on "The Cross in Christian Experience," and Dr. Norman MacNaughton of the Methodist will speak on "The Cross in the World Today." A solo will be sung by Glenn Van Denbergh and there will be a duet by Mrs. Walter Lang and Frederick Dickinson.

St. Peter's Episcopal church is holding its own Good Friday service, from 12 to 3 p.m.

A continuous service will be held on Maundy Thursday in St. Dominic's Catholic church, Clinton, from 7 a.m., to 9 p.m., and on Good Friday from 12 to 3. No services will be held in St. Elizabeth's Catholic church here.

At Grace Ev. Lutheran church, holy communion will be celebrated at 8 p.m., Maundy Thursday, and the Good Friday service will be at 8 p.m.

Stores and offices here will observe the usual Good Friday closing hours from 12 to 3 p.m.

Interest Shown in X-Ray Exams

MOBIL UNIT FROM STATE TO VISIT HERE BEBORE FIRST OF JUNE

Nearly a dozen industrial and business institutions have made known their desire to take advantage of the service offered by the mobil X-ray unit of the Michigan Department of Health which will visit Tecumseh sometime before June 1 to conduct a community-wide test for tuberculosis, Mrs. Richard Preston, chairman of the Tecumseh Health Education Committee, said today. Mrs. Preston and Miss Gertrude Spaulding, Tecumseh hospital superintendent, were in Lansing last week, conferring with health officers regarding the program.

The services of the unit are open to everyone 14 years of age or older. The examination is regarded by the state as a health safeguard, the X-ray showing not only tubercular dangers but other chest conditions that may need to be called to the patient's attention. The examinations are without charge, carry the endorsement of local doctors, and are strictly confidential. All reports are sent to the individual's physician, who in turn will notify the patient should further care be necessary. Added field service includes consultation by industrial nurses, routine consultation with Dr. Geo. Sherman, state director of TB control, and other doctors employed by the state.

The local health committee is contacting groups, industry and business locally in an effort to learn of Tecumseh's interest in the project. Already, Mrs. Preston said, these places have indicated a desire to take advantage of the examinations: Tecumseh Products Co., Hayden Flour Mills, Tecumseh school employees, Nation-wide store, A. & P. Store, Anderson Bros. Grocery, Hodges Drug Store, White Star Restaurant, Paul's Bakery & Restaurant, Meyers' Aircraft Co.

Winners Are Named In Speech Contest

George Avis, Martha Hewlett, Maureen McLain, Joan Church and Marilyn Weslow were winners in the speech contest held Friday at the high school and are eligible to enter the district conest to be held here in April.

The winners and their subjects were: oratorical declamation, "To the Boys and Girls of Michigan," Avis and "She Called Me a Snob," Hewlett; oratory, "Reward for Merit," McLain, and "Freedom on the Auction Block," Church; extemporaneous speaking "Can Japan Be Cracked?" Weslow. Other contestants were Marion Gilman "You are the Hope of the World;" Marilyn VanWinkle "To the Boys and Girls of Michigan" and Patsy Wilson, "Union Soldier."

HEADS CAMPAIGN

Mrs. Lee Purkey has been named chairman of the Salvation Army Campaign to be conducted here during the week of April 8.

Light Vote is Expected Here

SPRING ELECTION ON MONDAY EXPECTED TO ATTRACT FEW TO THE POLLS

Monday's spring election, at which seven state officers and a slate of township officers will be chosen and a decision made on two proposed amendments to the Michigan constitution, is expected *to attract a light vote, not only in* Tecumseh but throughout the county. Locally, only one ticket, the Republican, is in the township race and voters are apathetic when a contest is lacking.

The township slate is headed by Le Roy Titley for supervisor. Others are, H. H. Hanna, clerk, Amey Scutt, treasurer, Geo. Sanford, highway commissioner, justices of the peace, Florence Howe and Wilfred Waldron, members of the board of review, E. J. Lowry and B. B. TurnBull, and constables, W. J. Hanna, B. W. Mominee, Roy Prichard and A. B. Harding.

Two complete tickets, Republican and Democrat, are offered on the state ballot and electors will name a state highway commissioner, a superintendent of public instruction, two university regents and two members of the board of agriculture. Principal interest in the ticket centers around C. M. Ziegler and Dr. Eugene Elliott, both Republicans, who are seeking reelection. Ziegler is highway commissioner, Elliott is superintendent of public instruction.

The first proposed constitutional amendment provides for an increase in tax millage for certain purposes upon a majority vote of electors assessed for taxes in assessing districts. The second one would authorize the state to control, improve or assist in the improvement and control of rivers, streams and water levels.

It has been pointed out that the first amendment is of interest to voters in this area, should a new school building be needed here later. It provides for a 15-year sinking fund instead of 5 years as in the present law, declared by many observers to be a definite advantage. The text of the two amendments may be found in their legal form on page seven of this issue.

Junior Play April 5-6

THREE-ACT COMEDY TO BE PRESENTED AT THE HIGH SCHOOL AUDITORIUM

"Made to Order Hero," a three-act comedy, will be presented by the Junior class of Tecumseh high school on April 5 and 6 in the high school auditorium at 8 p.m.

Clarence, the lead role, a boy who has never had a date with a girl, will be played by Richard Pearson. The plot is ably abetted by his pal Beanay, played by Fred Ward. Laurence Russell, will play the part of Vaughn Beach, a conceited athlete. The remainder of the cast is as follows: Jack Bartlett, school coach, Lee Clark; Hortense Holly, talkative student, Dorothy Higgins; Helen Stringer, shadow, Betty Escolme; Mary Benson, popular student, Marda Duncan; Dolores Parker, glamour girl, Barbara Humble; Connie Nelson, school librarian, Marjorie Wickwire; Vicky Threepwood, terrible kid sister, Marilyn Bauske; Joey Work, sick star, Bob Randall; Glenn Glump, vindictive visitor, Dermont Poley; Kay Troy, chorus girl, Martha Jane Kempf; Doctor Way, visiting doctor, John Price; Officer O'Brien, puzzled policeman, Donald Everhart and Nurse Briggs, good Smaritan, Edna Reed.

The stage managers are Richard Watkins and Earl Baldwin. The play is directed by Mrs. Raymond La Bounty.

BACK IN STATES

Mrs. Clarence J. Walter has received word that her husband St./Sgt. Clarence Walter has arrived in the States from England after completing his missions over Germay. He expects to be home the last of the week.

SPRING VACATION

The public schools will recess tonight for the Easter vacation. It will be a brief one, however, classes being resumed on Tuesday morning. The short vacation is occasioned by the early summer recess which this year begins June 1.

Max Brandt Suffers Two Broken Arms

Mr. and Mrs. E. C. Brandt have received their official notice this week from the War Department that their son Pfc. Max E. Brandt was slightly wounded in Germany March 8. He had returned to duty March 2 after recovering from previous wounds.

Another message received later stated Max is making normal improvement; both arms have been fractured.

Rubbish Pickup Very Popular

SERVICE AT ONLY $1 A MONTH GAINING FAVOR; DUMP MUST BE CLOSED

Tecumseh's newly inaugurated municipal garbage and rubbish pickup is gaining in favor with residents and almost daily from five to fifteen persons are asking that the service be extended to their homes, Wade L. Jones, village clerk, said today.

The village is offering a weekly garbage pickup and a semi-monthly rubbish and ash collection between October 15 and June 1, and a semi-weekly garbage pickup and a monthly ash and rubbish collection between June 1 and October 15, for only $1 per month, payable six months in advance.

"The service started the first of last week," Mr. Jones said, "and our list of customers has grown materially since the opening day. I am of the opinion that as soon as residents realize how cheaply they can have this work done for them by the village and on a regular schedule, we will, before very long, have almost every homeowner interested."

Persons desiring the service, Mr. Jones said, should call at his office and make the cash deposit required by the village.

The council at first favored making the service available to everyone in the village without direct charge and paying the expense out of the general tax fund. However, because of the 15 mill limitation, it was feared that a higher assessment would be necessary if sufficient revenue was to be had to defray the cost. Some of the trustees were of the opinion therefore, that property owners and residents would prefer to pay for the cost directly, rather than have property values boosted.

The State of Michigan has advised the village that because of the nearness of the village dump to Tecumseh hospital, it will be necessary to close that place, effective April 1. Mayor J. Floyd Elliott has announced that the village will comply with the state's order and that a new dump, far outside the village has been obtained.

Bert E. Gray Dies; Funeral This Afternoon

Bert E. Gray, 73, veteran of the Spanish American War, died early Tuesday morning at Tecumseh hospital. He had been ill about a month and had been a patient in the hospital for two weeks.

Mr. Gray was born in Tecumseh May 27, 1871 and was a son of Charles L. and Elizabeth Gray. He spent his life here except for the time he was in service, and was principal musician of the band of the 31st Regiment, Michigan Volunteers during the Spanish American War.

Survivors are the widow Zella, a daughter Catherine and a son Jesse at home, a son Dr. Charles L. Gray of Echo, Oregon, who was called here by his father's illness, one grandson Charles L. Gray, Jr., a brother Leon C. Gray of Angola, Ind., and a cousin Miss Edith Gray of Tecumseh.

The funeral will be held today at 2:30 (EWT) at the Collins funeral Home, with military services by Underwood-Orr Post, American Legion. Rev. Edward Escolme will officiate and burial will be in Brookside cemetery.

GARAGE DESTROYED

The rural fire department was called Monday evening to the home of Kenneth Marine near Holloway where fire destroyed the garage and a trailer. Men had been working on a tractor in the garage earlier but the cause of the fire is unknown.

OATS ARE SEWED

I. W. Boltz is believed to be one of the "earliest" farmers in this area, insofar as oat sewing in 1945 is concerned. He sewed his crop Tuesday. The unusually early Spring weather, with the thermometer at times in the 80's, is causing many farmers to think that the planting season is at hand.

HIP INJURED

Everett Exelby fell in the barn at his home in Ridgeway Sunday and suffered serious hip injuries although no bones were broken.

Village Works On "Fast Time"

SCHOOLS, PRODUCTS, FORD MILL AND MANY STORES MOVE UP CLOCKS

By and large, and Village of Tecumseh was operating on "fast" (EWT) this week, although insofar as the official time in Tecumseh was concerned, Central War Time still remained the rule.

The vote of workers at the Tecumseh Products Company last week to change their clocks from "slow" to "fast" time apparently was the straw that "broke the camel's back' for the schools immediately fell in line with the proposal after a vote of parents that showed 'fast' time to be a favorite by a two to one majority. A similar majority favored the change at Products.

Thus, after one week's operation on "slow" time, or the official time of the state, Tecumseh changed almost 100 per cent to Eastern War Time on Monday. The United Savings Bank clocks recorded "fast" time this week as did the clocks in a big majority of the stores and offices. The Ford Hayden Mill clocks never were changed, that company retaining "fast" time after March 17.

With Detroit and Wayne county on "fast" time, it was declared that is was difficult to gear focal war plants with their connections in those areas if CWT was observed here.

There is some agitation locally to move the clocks back, probably about October 1, to Central time, using the Eastern War Time as a summer daylight saving measure.

It is mandatory, under the state law, for the village clocks to be set on CWT but in some instances municipal workers' hours have been speeded up to conform to those worked by a majority of others in Tecumseh.

The City of Adrian, now on EWT, will vote April 2 to decide whether or not the time will be retained or moved backward one hour. A vote three weeks ago in Adrian favored "slow" time by a small majority.

Red Cross Fund Is Over The Top

CHAIRMAN IS NOW STRIVING TO HIT $7,000 GOAL FOR THE TOWNSHIP

Tecumseh township's Red Cross War Fund is "over the top," Mrs. Lewis Lent, chairman, announced today. Tecumseh's quota was $5,000 and as of last night, Mrs. Lent said, contributions here amount to about $6,300.

"We had a small quota this year, considering the national quota of 200 million dollars and Lenawee's of $55,000," Mrs. Lent said. "The national Red Cross estimates that it will take $17 for every man in service during the next year, if it is to do its job properly. That would make Tecumseh's quota near the $7,000 mark and I sincerely hope that we reach that amount before Easter Sunday, when the drive ends."

Mrs. Lent announced that Tecumseh's drive gained considerable momentum during the past week when the Tecumseh Products Company announced the gift of $1,000, the Products Workers Union a gift of $650 and the Meyers' Airecraft company and its workers a gift of $331.50. In addition to these gifts, she said, the Strand Theatre conducted a Red Cross collection at each show, for one week ending last week Wednesday evening, and this collection amounted to $352.37.

"I am very proud of the way Tecumseh has contributed to the War Fund," the chairman continued. "Tecumseh, you will recall, has never missed an opportunity to exceed its quota in any patriotic enterprise since the war started, including bond buying. I still must hear from two or three industrial plants here and some solicitors in the residential areas have not reported. I earnestly hope that by Easter Sunday we will be able to announce that we have hit the $7,000 mark—the goal we were shooting at when the campaign started.

Three Cattle Killed When Trucks Collide

Trucks driven by Charles B. Ferguson, of Adrian, Route 3, and Hollie J. Trabbie, of Erie, collided Saturday night on M-50 west of Tecumseh near the VanDusen farm, killing three cattle. Ferguson was driving the cattle truck west and Trabbie was driving east on the wrong side of the road. Clinton State Police investing the accident and Trabbie of given two tickets on charges of driving on the wrong side of the road and for having an expired chauffer's license. He is to be arraigned before Justice F. C. Hanna here.

Three Reported War Prisoners

CHARLES IRELAN, MISSING SINCE DECEMBER 16, PRISONER OF GERMANS

Three men from this area, reported as missing in action in the European war theater, are now said to be prisoners of the Germans and to be safe in German camps.

Charles Irelan of Tecumseh, who was reported as missing on December 16 of last year, is a war prisoner in Germany, his wife was advised on Saturday. The message came to Mrs. Irelan and her four

Charles Irelan

small children from a mother in Manitoba, Canada, who wrote as follows:

"I have just received a letter dated January 3, 1945, from my son, Stephen, who is a prisoner of war in Stalag IV B, Germany, asking me to please let you know that your husband is O. K. It is just possible that your husband has been taken prisoner and may not have been issued letter forms. Hope this message brings you comfort. Stalag IV B seems to be a good camp with good facilities. We pray all soon may be liberated. (Signed) Mrs. W. B. Putnam."

Mrs. Irelan said that she previously had learned that Charles' regiment and another American regiment had surrendered to the Germans in the Battle of the Bulge. He was inducted into the Army on March 27, 1944, and went overseas in October.

Sgt. Louis A. Rebottaro, 19, son of Mr. and Mrs. Eugene Rebottaro of Rt. 1, Tecumseh, who was reported missing in action over Germany November 16, has been reported as a prisoner of war in Germany. Sgt. Rebottaro, an upper gunner on a Liberator bomber, has been overseas since September. He is a graduate of Macon high school.

Pvt. Harvey Vershum, 21, who had been announced as missing in action in Belgium since December 18, is now reported as a prisoner of war in Germany. He is the son of Mr. and Mrs. James Vershum of Britton and a brother of Mrs. Forest Abner and Mrs. Elleen Schwede of Tecumseh, and has been overseas since September.

BOOK FOR LIBRARY

The Baraca Men's Class of the Baptist church has just placed its second book "Brave Men" by Ernie Pyle, in the Tecumseh public library. The first contribution was "The Christ of American Road" by E. Stanley Jones.

The class meets each Sunday morning at 10 o'clock and timely topics are discussed at each session. George Schumm is the leader. All men, regardless of church affiliation, are invited.

Driver is Held in Crash Deaths

FOUR KILLED, THREE HURT NEAR SAND LAKE; 18 EMPTY BEER BOTTLES IN CAR

A roller skating party at Sand Lake followed by an automobile accident north of Bennett's Corners, Sunday night, resulted in the death of four young people and serious injuries to three others. The dead are: Ellenore Louise Cowan, 14-year-old daughter of Mr. and Mrs. Willard Cowan of near Sand Lake, formerly of Tecumseh; Raymond Leroy May, 19, son of Mr. and Mrs. Harvey May of Palmyra, and Norman R. Fields, 17, son of Mrs. Fred Kempf of Adrian; John Schwartz, 17-year-old son of Mr. and Mrs. John R. Swartz of Adrian, died early Monday in Tecumseh hospital.

Joyce Kennedy, 17, of Adrian, driver, Helen King, 16, daughter of Mr. and Mrs. Owen King of Rome Center and Ardis Schultz, 14, daughter of Mr. and Mrs. Albert Schultz, also of Rome Center, were brought to Tecumseh hospital for treatment. Kennedy suffered lacerations and severe bruises; the King girl, scalp lacerations and a broken arm, and the Schultz girl, head concussion and internal injuries.

State police from the Clinton post were notified and investigated the accident. The car, a five passenger coupe, overloaded with its seven passengers, had evidently gone out of control and crashed into a tree. It was a complete wreck.

The body of Ellenore Cowan was brought to the Belding Funeral Home here where funeral services were held Wednesday afternoon, Rev. F. D. Hague of Onsted officiated and burial was in Brookside.

She leaves her parents, a brother Robert and a sister Carolyn at home.

Funeral services for Raymond May will be held this afternoon at the Everiss Funeral Home in Adrian with burial in Palmyra cemetery.

Services for Norman Fields were held Wednesday afternoon at Everiss Funeral Home and burial was in Lenawee Hills Memorial Park.

Kennedy, the driver, was taken to Adrian for questioning Monday and he pleaded guilty to a negligent homicide charge before Circuit Judge Geo. Rathbun. Sentence will await a probation report.

Prosecutor L. B. Kuney said that 18 empty beer bottles were found in the wrecked car and that Kennedy had admitted "drinking four or five." Kuney also said that Kennedy admitted driving fast over the hilly road to "make the girls squeal."

Kuney also said that the accident couldn't be blamed on any beer garden. Kennedy claimed, the prosecutor said, that the beer was furnished by a "friend" who bought it for them because they were too young to buy it themselves. He said the girls did not drink. Kennedy, it is understood, has told officers who bought the beer and police are investigating.

John J. Anderson, 74, Dies; Funeral Monday

John J. Anderson, aged 74 years, died Thursday afternoon at the Will Nursing Home on South Union street after a three week's illness. Mr. Anderson was born in Dansville, N. Y., but had lived in this community nearly all his life. He was a painter and decorator by trade.

Mr. Anderson was a son of the late Samuel and Hannah Curry Anderson. He was married in January 1904 to Miss Lucy Fowler of Emmington, Ill., and they were the parents of four children, Ray Bernard, John Francis, Ethel Ora and Delmar Samuel.

Survivors are one son Delmar Anderson anam y/c, U.S.N.R., of San Diego, Calif., who was home on leave because of his father's illness; one brother Fred Anderson of Tecumseh, a sister Mrs. Tillie Hunt of Rockwell City, Iowa, and two grandchildren. His wife and three children had preceded him in death.

Funeral services were held Monday at Collins Funeral Home. Rev. J. C. Murdoch officiated and the body was taken to Redford for burial in Grand Lawn cemetery.

Bearers were Herbert Anderson of Clinton, Glenn VanVleet of North Adrian, Howard Evans of Tipton, Ernest Coller of Jackson, James Johnston and Thomas Murphy of Tecumseh. Relatives and friends from Rockwell City, Iowa, San Diego, Calif., Detroit, Jackson, Adrian, Holloway and Tecumseh attended the services.

FARM PRODUCTION PROBLEM

The government expects farmers to again break crop records in 1945. Fred H. Sexauer, President of the Dairymen's League Cooperative Association, says the average age of farm operators is 59 years. They work 12 to 16 hours a day, 7 days a week, against industrial workers' 7¼ hours per day. Drafting most of the 18-to-25-year-old farm help will put a big question mark on new crop records. With worn-out machinery, and principally older men to do the job, We will be lucky if there is not a drop in farm production.

"Brand New" Home Appearance

With Sidewall Shingles

Would you like a NEW home. Would you like to change the appearance of your present home so that it would look like new?

True, materials are frozen and the building of a new home right now is impossible, because of the war, but you can change the appearance of your present home with sidewall shingles.

They Cost Little More Than Paint

Sidewall shingles cost little more than two coats of paint. They last longer, provide insulation in both summer and winter, and they give your home a "newness" that can be obtained in no other way.

Why not let us figure the cost of sidewall shingling your home this year? We also can furnish the labor to do the work if you so desire.

DO YOU WANT YOU ASHES & GARBAGE COLLECTED?

The Village of Tecumseh Has Decided To Do This Work For You!

Because the Village of Tecumseh has failed to obtain a satisfactory contract with outside interests, it has been decided by the Common Council that the Village of Tecumseh enter the garbage and rubbish collection business as a municipal enterprise, starting this week.

This service is offered to the residents of the Village of Tecumseh at the following price:

Two garbage collections weekly and one rubbish collection monthly in the residential district, during the summer.

One garbage collection weekly and one ash and rubbish collection weekly in the residential district during the winter.

This Service Is Offered To You For Only $1.00 Per Month

The first collection of garbage was started this week. The collection will continue each week hereafter, under village supervision. This will not be a hit-and-miss service.

Call The Village Clerk's Office Now If You Desire This Service

If you desire this service at your home, call the office of Wade L. Jones, village clerk, telephone 223, at once and advise him. The village is requiring that you pay one-half of the yearly cost now ($6 for six months service) in advance. Future costs will be billed to you, in advance.

The Village Dump Must Be Closed

The State Department of Health has advised the Village of Tecumseh that its dump just east of Tecumseh Hospital must be closed, as of April 1, 1945.

WARNING TO THE PUBLIC

Do not dump any garbage, ashes or other refuse in the village dump after April 1, 1945. Violators will be taken into court. The village is opening a new dump on property located well outside the village limits, but it will be a private dump and cannot be used by the public.

(Signed)

J. FLOYD ELLIOTT,
Village President.

Miss Eula B. Jeffrey Weds Pfc. LeVern Escott

Miss Eula B. Jeffrey, daughter of Mr. and Mrs. Wesley Jeffrey and Pfc. Lavern W. Escott, son of Mr. and Mrs. Wallace Escott of near Clinton were married March 17 at the Jeffrey home west of Clinton. Rev. Norman MacNaughton read the marriage service and Mrs. Kenton Hunt played the wedding march. They were attended by Seaman and Mrs. Ronald R. Hall.

Pfc. Escott recently returned to the States from New Guinea and Australia where he spent 33 months and this was his first furlough since his induction in October 1941. The couple left on a short trip after which the groom returned to Percy Jones Hospital at Battle Creek and Mrs. Escott resumed her duties at Tecumseh Products Company.

PRESBYTERIAN LADIES AID SOCIETY ELECTS

The Presbyterian Ladies Aid Society met Wednesday at the home of Mrs. K. D. Hall and elected the following officers: Mrs. M. G. Partridge, president; Mrs. Lynn Harris, vice president; Mrs. J. R. Thompson, secretary; Mrs. Dwight Hodges, treasurer; Mrs. Jennie Satterlee, Sunshine secretary. These officers were installed and Mrs. John H. Smith, retiring president, was presented with flowers. Mrs. Edith C. Smith spoke on "Leadership" and during the business session it was voted to give $10 to Red Cross and to make garments for Philippine relief. Tea was served in conclusion.

Legion and Auxiliary Observe Anniversary

Members of Underwood-Orr Post of the American Legion and the Auxiliary held a birthday party in the Legion hall Thursday evening in observance of the 26th anniversary of the American Legion.

Dinner was served to 80 members and guests seated at tables decorated with patriotic colors and centered with a large birthday cake which was cut by R. K. Anderson the second commander of the post.

Mrs. Ray Sluyter was toastmistress and introduced 25 past commanders and past presidents and a group of service men which included Pfc. Wf. DePuy, Don Russell, rm 3/c, Sgt. Robert Gallant, William Sisson S 1/c, Ensign and Mrs. Louis Schneider and Harold Easton.

PRESBYTERIAN LEAGUE

The Presbyterian League met Tuesday evening at the home of Mrs. John Saling when the nominating committee gave their report.

At a recent meeting it was voted not to give a Mother and Daughter banquet as in previous years. About $20 was cleared from the bazaar held following the business meeting.

"GUEST DAY" AT CLUB

Monday will be "Guest Day" at Tecumseh Monday Club, each member bringing guests to the meeting. Mrs. D. S. Carmichael formerly of Holloway will be the speaker.

Easter Sunrise

(Continued on Page 5)

of the Sunrise Srevice at 7:00 a.m. (EWT) the choir will sing the anthem "Hosanna" by Granier. There will be no sermon with this early service.

The first part of the festival service at 11:15 a.m. (EWT) will be a short program for church school children. The entire school will be in the opening procession. Following a brief explanation of the children's 1945 Lenten mite box offering the boys and girls will go into the chancel to set their mite boxes and bouquets of flowers in a large cross. From the chancel the nursery and primary group and the older school group will each sing an Easter song. Then all will join in singing the doxolor, as the Lenten offerti.. is presen.. to serve God in the missions of the church. Following the children's recessional to the parish house the order for Holy Communion will proceed. The rector, the Rev. John R. Scarlett, will preach. During the offertory the choir will sing the anthem "Jesus Christ Is Risen" by Neidlinger.

The institution of the Lord's Supper will be commemorated in St. Peter's church this evening, Maundy Thursday, with a celebration of the Holy Communion at 8:00 p.m. (EWT).

On Good Friday the three hours from 12 to 3 (EWT) will be observed in this church with appropriate prayers and hymns and meditations on the Seven Last Words conducted by the rector, the Rev. John R. Scarlett.

The Sacrament of Holy Baptism will be performed on Easter Even (Saturday) at 4:00 p.m. (EWT).

"The Master Liveth" an Easter cantata-pageant will be presented Sunday evening at 7:30 o'clock in the Tecumseh Friends church. In addition to a choir of twenty-five voices the following characters will be represented: Easter by Mary Jane Hayden; light bearers, Norma Comfort, Marian Comfort, Betty Hayden, Caroline Comfort, Marjorie Martin, Josephine Powell, Lenore McKenzie, and Patty Patton; Anna, Isabelle Gillan; Beulah, Ardis Drewyor; Claudia, Nadine Covell; Deborah, Elizabeth Mary Escolme; Dedan, Charles Manley; Mary Magdalene, Mildred Mead; Mary, mother of James, Emma Day; Salome, Mrs. Gillan; reader, Edward Escolme. The offering at this service will be used for the work of the local group that is cooperating with the American Friends Service Committee.

The Easter service on Sunday morning at the Friends church will be a unified service of the church and Sunday school, and will be held at 10:30 a.m. Easter hymns will be used throughout this service, and the pastor will speak on the subject: "What Message Has Easter for 1945?"

The young people of the Friends church are uniting with the Methodist young people for the Easter Sunrise Service at the Methodist church at 7:30 Sunday morning.

The Junior Choir of St. Elizabeth Catholic church will sing at the Easter mass at 9 o'clock Sunday morning. The choir was organized last summer and is under the direction of Mrs. N. J. Geehan.

At the Martha-Mary Chapel in Macon Easter services will be held at 3 o'clock, Central War Time. Miss Bertha Kovach is leader and the service will include hymns by the chapel choir; vocal duets by Beatrice Gilmore and ClauDyne Swick and by Emogene Morden and Helen Thomas; also a vocal solo by Herbert Gilmore and solo parts by C. O. Bailey and Carl Thomas, and a reading by Francis McClue.

O. E. S. TO OBSERVE "FRIENDSHIP NIGHT"

Tecumseh chapter, O. E. S., will be hosts to neighboring chapters and association officers at the next meeting to be held April 5 when "Friendship Night" will be observed. There will be initiation with the guest officers conferring the degree. The meeting will open at 8 o'clock (EWT) and all officers of Tecumseh chapter are requested to meet at 7:30.

Final arrangements have been completed for the Ida Hibbard Fund benefit dance to be held April 13 at the high school from 8:45 to 11:45 p.m.

ELECTION NOTICE

To the Qualified Electors of the Township of Tecumseh, County of Michigan, **Notice is Hereby Given**, That the Biennial Spring Election will be held on

MONDAY, APRIL 2nd, 1945

at the respective polling places hereinafter designated: The Council Building.

For the purpose of Electing the following Officers;

STATE—Two Justices of the Supreme Court—Two Regents of the University of Michigan—Superintendent of Public Instruction—Member of the State Board of Education—Two members of the State Board of Agriculture, State Highway Commissioner.

TOWNSHIP — A Supervisor; Clerk; Treasurer; 2 Justices of the Peace; Commissioner of Highways; not to exceed four constables; 2 Members of Board of Review, and there may be an Overseer of Highways for each Highway District.

(Proposal No. 1)

Proposed Amendment to the Constitution to provide for an increase in Tax Millage for certain purposes upon majority vote of the electors assessed for taxes in the assessing district so that the total tax assessed shall not exceed 3 per cent of the assessed valuation for a period of 15 years.

A Joint Resolution of the 1945 Legislature proposing an amendment to Section 21 of Article X of the State Constitution relative to increase of 15 Mill limitation, and to read as follows:

Sec. 21. The total amount of taxes assessed against property for all purposes in any 1 year shall not exceed 1½ per cent of the assessed valuation of said property, except taxes levied for the payment of interest and principal on obligations heretofore incurred, which sums shall be separately assessed in all cases: Provided, That for the purpose of the acquisition of real estate or erection of public buildings or public works, or making permanent extensions or other capital improvements thereof, this limitation may be increased for a period of not to exceed 15 years at any 1 time to not more than a total of 3 per cent of the assessed valuation by a majority vote of only such persons having the qualifications of electors, who have property assessed for taxes in any part of the assessing district to be affected by the result of such election, or the lawful husbands or wives of such persons: Provided further, That for all other purposes the limitation of 1½ percent may be increased for a period of not to exceed 5 years at any 1 time, to not more than a total of 5 percent of the assessed valuation, by a 2/3 vote of the electors of any assessing district, or when provided for by the charter of a municipal corporation: Provided further, That this limitation shall not apply to taxes levied in the year 1932.

The section of the constitution which would be altered or abrogated in the event of this proposed amendment now reads as follows:

Sec. 21. The total amount of taxes assessed against property for all purposes in any one year shall not exceed one and one-half per cent of the assessed valuation of said property, except taxes levied for the payment of interest and principal on obligations heretofore incurred, which sums shall be separately assessed in all cases: Provided, That this limitation may be increased for a period of not to exceed five years at any one time, to not more than a total of five per cent of the assessed valuation, by a two-thirds vote of the electors of any assessing district, or when provided for by the charter of a municipal corporation; Provided further, That this limitation shall not apply to taxes levied in the year 1932.

(Proposal No. 2)

Proposed Amendment to the Constitution to authorize the state to coptrol, improve or assist in the improvement and control of rivers, streams and water levels for certain purposes.

A Joint Resolution of the 1945 Legislature proposing an amendment to Section 14 of Article X of the State Constitution to authorize the state to control, improve or assist in the improvement and control of rivers, streams and water levels, and to read as follows:

Sec. 14. The state shall not be a party to, nor be interested in any work of internal improvement, nor engage in carrying on any such work, except in the improvement of or aiding in the improvement and control of public roads, rivers, streams and water levels, for purposes of drainage, public health, control of flood waters and soil erosion, in the reforestation and protection of lands owned by the state and in the expenditure of grants to the state of land or other property.

The section of the constitution which would be altered or abrogated in the event of this proposed amendment now reads as follows:

Sec. 14. The state shall not be a party to, nor be interested in any work of internal improvement, nor engage in carrying on any such work, except in the improvement of the public wagon roads, in the reforestation and protection of lands owned by the state and in the expenditure of grants to the state of land or other property.

Relative to Opening and Closing of the Polls
Act 72—Public Acts of 1943

Section 1. On the day of any election the polls shall be opened at 7 o'clock in the forenoon and shall be continued open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

Dated March 1st, 1945.

15 YEARS
A FORD DEALER

The year of 1933, our fourth year in business in Tecumseh, appeared a bit brighter as the New Year dawned and Mr. Henry Ford announced the opening of his Brownville school with 33 pupils enrolled and the reorganized United Savings Bank prepared to open with Dr. E. E. Hendershot as its president and Geo. U. Smith, vice-president.

On February 9, 1933, we announced that the New Ford V-8, a car with 112-inch wheel base, 75 horsepower, new and distinctive lines, larger and roomier bodies, faster accelleration, greater economy and a new pace in performance in the lower price car range.

Prices—well, see if you can recall them. Newcomb's market was advertising beef to boil at 5 cents a pound, sliced bacon at 12½ cents, small franks at 2 pounds for 25c, ring liver sausage at 5¾ cents, and boneless rolled roasts of beef at 12½c. No, the depression was not over. It seemed to be at its height.

Tecumseh was doing its best to stimulate a payroll and ease the discomforts of the depression and Mr. Ford's farm payroll in this area seemed nothing short of a God-send. And then, on March 2, Mr. Ford announced the rebuilding of the old Hayden Mill, which the Hayden Milling Co. had given him. The work was being done with welfare labor.

That we may better recall financial conditions locally at that time, there was talk that the public schools might be forced to close about April 1, and village expenses were cut to the bone.

John Larsen was elected village president, Tecumseh folk in the quake area in California were reported safe. The schools will continue to operate on "money warrants" instead of cash, the board decided, and Edgar Clark, Ford superintendent, announced that many men would find jobs in the Ford farm project.

Ford's farm-industrial project locally was announced March 23, the motor manufacturer expressing a desire to be able to "grow an automobile."

The reorganized United Savings Bank opened its doors on April 15, 1933, with dividends payable April 29. Deposits on the first day amounted to $56,000.

The NRA code was being considered for towns the size of Tecumseh and a week later the "blue eagle" was flying in the stores. In September Mr. Ford announced the opening of Green Lane Academy, a school for pre-age children, and local industry announced an increase of 50 men on their payrolls. In October, St. Peter's Episcopal church observed its Centennial with Bishop Page as the speaker.

In November, Tecumseh sought a $30,000 CWA grant for civic improvements and the laying of a storm water sewer, and 65 men were furnished employment.

In December, we announced the new Ford V-8 for the year 1944 with many new refinements and greater economy. Late holiday shoppers were promised a visit from St. Nick and the year ended a bit brighter by the announcement that Tecumseh's CWA grant had been increased to $65,000 assuring greater employment for everyone.

THE TECUMSEH HERALD

TECUMSEH, MICHIGAN, THURSDAY, APRIL 5, 1945 — NINETY-FIFTH YEAR—NUMBER TWENTY-SEVEN — FIVE CENTS PER COPY

Light Vote Is Cast On Monday

ONLY 135 VOTERS GO TO POLLS HERE; ADRIAN VOTES FOR "FAST" TIME

With one ticket in the township election, only 135 voters visited the polls here on Monday and balloting was the lightest in local history. The Republican township ticket, headed by Le Roy Titley for supervisor, was re-elected and the few who voted remained solidly in the Republican column for all state offices. Again, local voters remained with the majority in the county and state on the two proposed amendments to the constitution, defeating the mill tax increase by a slight majority and favoring the flood control proposal.

The county watched closely the election in Adrian on the time proposal and there voters chose to retain EWT between April 1 and November 1, and to slow down the clocks one hour to CWT during the winter months. Another upset in the Adrian city election occurred when John K. Lowe, a deputy sheriff, defeated George Bean, attorney, for the office of Justice of the peace. Mr. Bean was the incumbent. The voters also approved a proposal for the city of Adrian to take over the operation and management of Oakwood cemetery.

In the county at large, there were only two upsets in the county board of supervisors, all others being returned to their posts. John A. Osburn, Democrat, who for 30 years has represented the township of Madison on the board, was defeated by Geo. Kunze, Republican. Another new member of the board is Joseph O'Reilly, who was elected as mayor of Hudson, unopposed, and Clarence Keller of Deerfield, who defeated Jacob Moore, Republican incubment.

Voters in the city of Hudson voted for EWT during the summer months, April 1 to October 1.

Returns from townships in this section of the county were as follows:

JACKSON BANKER IS ROTARY CLUB SPEAKER

Charl E. Greene, assistant cashier of The National Bank of Jackson, was the guest speaker at the regular Tuesday dinner meeting of the Tecumseh Rotary Club at Brees House. He was the guest of George E. Green.

Mr. Greene discussed the history of money, tracing its origin from the centuries before Christ down through the fall of the Roman empire and finally its stabilization through the organization of credit banks. His talk was very interesting as well as educational.

BAND CONCERT

The third in a series of concerts by the Tecumseh High School Band will be given on Sunday evening, April 15, at the Methodist church.

Major Arthur Sargeant Gets Bronze Star Medal

Mrs. Margaret Wehr Sargeant writes from Los Angeles, Calif., that her husband Major Arthur L. Sargeant has been awarded the Bronze Star Medal for "meritorious service in connection with military operations against the enemy in France, Luxemborg and Belgium. Acting as supply officer and latter as executive officer, he greatly aided in the fulfillment of all combat missions assigned his command. His cool deliberate manner and exercise of good judgment greatly aided commanders of troops serving under his command."

Major Sargeant, who has been overseas 14 months, is serving with the 7th Army in Germany.

Mrs. Sargeant is now employed as receptionist and private secretary in a real estate office in Los Angeles. Her parents Mr. and Mrs. W. H. Wehr who accompanied her there, are leaving for Michigan April 10.

Mrs. Helen C. Allen To Be Buried Today

Mrs. Helen C. Allen, aged 83 years, widow of the late Parker K. Allen, died Monday night at the Parrett Nursing Home where she had been cared for the past eight months.

Mrs. Allen was formerly Helen Camburn, daughter of William and Rachael Harriott Camburn and was born in Saline township July 3, 1861. She had lived in this vicinity all her life and in Tecumseh 30 years. She was a member of the Macon Methodist church.

Survivors are two step sons Charles F. Allen of Ann Arbor and Wilmont Allen of Ypsilanti, two step daughters Mrs. Mabel Kempf of Milan and Mrs. Bertha Skinner of Ann Arbor and several nieces and nephews.

Mr. Allen died in 1931.

Funeral services will be held at Collins Funeral Home this afternoon at 3 o'clock E.W.T. Rev. Norman MacNaughton will officiate and burial will be in Macon cemetery.

MRS. IDA MALLETT BURIED IN SYLVANIA

Mrs. Ida M. Mallett, aged 80 years, mother of Mrs. Fred D. Chase, died Sunday at the Will Nursing Home where she had been a patient for 10 days. Mrs. Malletts home was in Riga.

Besides the daughter Mrs. Chase she leaves a daughter Mrs. James French of Petersburg, a son Albert Mallett of Riga and several grandchildren. Her husband died in 1942.

The body was removed to the Tagsold Funeral Home in Blissfield where funeral services were held Wednesday afternoon with burial in Sylvania Memorial cemetery.

KATHERINE LANGAN DIES

Word has been received of the death of Katherine Langan of Macon, which occurred Tuesday night at the State hospital in Sault Ste Marie where she had been moved from Ypsilanti state hospital several days ago. Death was due to pneumonia.

Funeral services will be held at Collins Funeral Home Saturday afternoon at 2:30 with burial in Macon cemetery.

W.S.C.S. TO MEET

The Methodist W.S.C.S. will meet Wednesday afternoon, April 11, in the church parlors with Mrs. Jennie Temple and Mrs. T. Rentschler as hostesses. The worship service will be conducted by Mrs. C. C. Ruppel and Mrs. N. MacNaughton will speak on "The Church in England." Roll call will be answered with religious current events.

PRISONER IN GERMANY

Mr. and Mrs. W. A. Kuespert of Ft. Wayne, Ind., whose son Corp. Arthur Kuespert was reported missing in action in January, have received a letter from him stating that he is a prisoner of war in Germany. Mrs. Kuespert was the former Gladys Darling.

Jersey Club Names Cooper

TECUMSEH MAN NAMED PRESIDENT OF LENAWEE FARMERS' ORGANIZATION

At the annual meeting of the Lenawee County Jersey Club held Saturday in the Tecumseh Grange hall, the following officers were elected: Kendall Cooper of Tecumseh, president; Bernard Bowman, Addison, vice president; Alfred M. Hyatt, Adrian, secretary and treasurer; Wm. Ayers, Mr. Hyatt and Dale Dean, directors. The latter three were appointed to act on the 4-H club committee for 1945.

The meeting was held jointly with the Washtenaw County Club and all were served dinner by the Tecumseh Grange. A joint program was given with E. R. Hancock, secretary-treasurer of the Michigan Jersey Cattle Club as toastmaster. C. M. Brown of Tecumseh gave the welcoming address and H. E. Dennison, fieldman of the American Jersey Cattle Club was speaker. Other talks were given by Mr. Dean, president of the state club; Mr. Simonds, vice president of the Washtenaw Club, and Louis G. Hall, Lenawee county agent.

Robert Marsh and William Brown of Tecumseh and Robert Acker of Morenci were presented with $1 premium for each animal entered in his own name and exhibited at the county fair. Thirteen others were eligible but were not present at the meeting.

BLIND EVANGELIST TO SPEAK IN TECUMSEH

Rev. Clyde Rothrick, the blind evangelist, will tell his life's story in the First Baptist church of which Rev. Bashore is the pastor, 8:00 Sunday evening, April 8.

The evangelist tells in an interesting and stirring manner how he lost his sight when a young man in the west and how God has blessed and kept him through the years. He says, "There is no such a word as Can't, within the realm of reason, for the man who will walk and talk with God."

He will have with him on the platform his Braille Bible, Braille writer, slate, stylus and other things including his giant English Saint Bernard leader dog, "Major." This is a blue ribbon dog and a product of the Wallstark kennels of Detroit.

There will be special music and singing. Everyone is urged to attend.

WILSON—PERKO

Mr. and Mrs. Howard Wilson are announcing the marriage of their son Howard Wilson Jr. SK 2/c, U.S.N., to Miss Marie Perko, daughter of Mr. ad Mrs. James Perko of Cleveland which took place February 9 at the Imaculate Conception Church in that city. Mr. Wilson is employed as assistant in charge of printing allotment checks for the entire fleet and they will make their home in Cleveland.

SAYS THANK YOU

The Herald has received a letter of thanks from Pfc. Melvin (Pat) Murphy, for The Herald which he has been receiving the past two months. The paper has been sent regularly ever since Pat went overseas last summer and finally caught up with him in February. He writes "It is Spring in Germany and the war still goes on, but I feel it cannot go on too much longer. Would like to say Hello to my friends back there."

Clothing Drive Under Way Here

MAYOR ELLIOTT URGES COMPLETE COOPERATION IN LEGION'S ACTIVITY

Complete cooperation on the part of the public in the clothing collection campaign being directed locally by Underwood-Orr Post, American Legion, was urged today by Mayor J. Floyd Elliott, when he issued a proclamation, setting aside the first 20 days in April as United National Clothing Collection Days in Tecumseh. Nationally, it is hoped that 150 million pounds of wearable clothing can be collected for the needy in the war-torn areas of the world. Locally, Jack Smith, chairman of the drive, said that he hoped that several tons of garments could be collected.

Mr. Smith pointed out that the necessity for the drive is an outgrowth of the war. He declared that in Europe alone there are thousands upon thousands of folk who have been made homeless by the war, who have lost everything, who have few clothes on their backs.

"We need clothing for men, women and children and for babies," the chairman said. "We need most everything that you can give, including hats and shoes. We are especially interested in things for children and babies. The folk over there are not asking for new garments, they are asking for the garments that we do not need here—garments that have been worn and discarded. I'm certain that Tecumseh folk will open their hearts and their clothes closets for this needy cause."

Persons who have clothes to contribute may bring them to the Baldwin store (formerly Palman's) on East Chicago boulevard, between the hours of 10 and 6 on Tuesdays, Fridays or Saturdays. Persons who find it inconvenient to bring the clothes may call either the Watkins Shop or Bancrofts, and the Legion will send a car to make the collection. The drive ends here on April 20.

Mayor Elliott's proclamation said:

"Whereas a local committee to conduce the United National Clothing Collection in Tecumseh has been formed, and Mr. Jack Smith has been named chairman of this committee and receiving stations established, now, therefore, I, J. Floyd Elliott, mayor, do hereby proclaim April 1 to 20 Clothing Collection Days, and call upon every responsible organization and every citizen of this community to give utmost help in this urgent and humanitarian undertaking."

Monday Club Luncheon To Be Held April 16

Tecumseh Monday Club held its last regular meeting of the season Monday in the Methodist church parlors with Mrs. Guy T. Pocklington as leader.

Mrs. D. S. Carmichael of Pontiac, formerly of Holloway, was the speaker and her topic, "These United States." She gave an interesting and instructive talk on how to greet the service man when he returns to the states. The program also included a piano duet "Stars and Stripes Forever" by Mrs. E. H. McConnell and Mrs. Howard Everhart, and a vocal solo "My Own United States" by Mrs. R. S. Moore with Mrs. C. H. Williamson at the piano.

The year will close with the annual luncheon to be held Monday, April 16, in the church parlors. Reservations must be made not later than April 11 with Mrs. Perry Hayden, Mrs. Hoyt Whelan, Mrs. Fay Whelan, Mrs. Howard Matthews or Mrs. Edward Beal. Each member is to write a program suggestion and also designate whether they prefer meeting in the church parlor or in private homes, the slips to be turned in at the luncheon meeting. Mrs. R. S. Moore will have charge of the program which will be garden music in keeping with Garden Week.

Bob Randall was chosen captain for the coming year. John Murdoch and Jim Osburn were announced as members of the All-County team with honorable mention going to Charles Bancroft and Don Purkey.

The program also included a talk by Supt. W. L. Berkhof and piano selections by Winona Waldron.

Red Cross Fund Exceeds $7,000

TECUMSEH SUBSCRIBED MORE THAN $2,000 ABOVE QUOTA, REPORT SAYS

Tecumseh exceeded its Red Cross War Fund quota by more than $2,000, Mrs. Lewis Lent, chairman announced today when she turned over to the Lenawee chapter offices in Adrian a check for $6,651.74 and received a credit slip for $551.20, the gift to the fund from the Ford-Hayden Mill employees, making a total of $7,202.94. Tecumseh's quota was $5,000.

"I am very, very happy to announce that Tecumseh has again exceeded its Red Cross quota," Mrs. Lent said. "I am happy, too, that we exceeded the $7,000 mark because Tecumseh's quota this year was low, considering the fact that the national organization desired an amount equal to $17 for every man in service. Tecumseh has some 400 men in service making our rightful amount about $7,000, which we raised. We do not want it to be said that we didn't do our share in supporting our local boys, and that in substance would have been the case had we raised only $5,000.

"I also desire to express my thanks and appreciation to those who made this campaign a success. We received whole-hearted support from all of the workers and it was this support that put Tecumseh over the top," Mrs. Lent declared. "I also want to thank the public, industry and business for generous contributions. Tecumseh, you know, has never failed in any patriotic enterprise, and the Red Cross is very grateful."

Mrs. Lent said that she believed that, with one or two exceptions, all reports from workers had been received. "We may get a few more dollars from the fund, but the grand total probably will not be changed materially," she declared.

Funeral Services Held For Wm. McCarbery

Funeral services were held at the Niblack Funeral Home in Britton Saturday afternoon for William McCarbery, aged 73, who was found dead in bed last Tuesday at his home in Britton, after several weeks illness. Rev. Willis E. Weaver officiated and burial was in Brookside cemetery.

Two Are Jailed For Beer Sales To Death Driver

THOMPSON INN MANAGER AND WAITRESS AWAIT TRIAL IN ADRIAN COURT

Frank Larrow, manager of Thompson's Inn on US-112 north of Sand Lake, and Mary Bassett, a waitress there, will be tried before a jury in Justice George Bean's court in Adrian, tomorrow, on a charge of selling beer to a minor. They were arrested last week by State Trooper Murell Clark of the Clinton Post, in connection with the alleged sale of a case of beer to Joyce Kennedy, 17, of Adrian, a few minutes before he drove his car into a tree near Sand Lake, killing four of his youthful passengers.

Larrow and the waitress were taken in Justice Bean's court last Thursday and pleaded not guilty to the charge. They were released on $250 bail, each, to appear for the trial tomorrow.

Kennedy, the youthful driver, pleaded guilty to a negligent homicide charge in Circuit Judge G. Arthur Rathbun's court following the fatal crash in the evening of March 25. Sentence will await a probation officer's report.

Officers say that Kennedy told them that he purchased the beer at Thompson's Inn, after originally stating that it was "bought by a friend." Eighteen beer bottles were found in the wrecked car.

Kennedy is said to have told authorities that he and John Schwartz, 17, who was killed, first entered the inn and ordered glasses of beer while the other five young folk stayed in the car. They then asked for a case of beer and paid the waitress with a $10 bill, going to the rear of the inn for the beer, where it was obtained from the manager. The driver said that he had four or five bottles of the beer before the accident happened as he drove fast over the hills to "make the girls squeal."

Loyce Kennedy, 21, brother of Joyce, of Adrian, was arrested Saturday night by sheriff's officers, charged with drunk driving. Officers charge that they found him driving his car in a "weaving fashion."

The Kennedys are former Kentuckians, having only recently moved to Adrian.

"We've got to crack down on these beer gardens who are selling beer to minors," Prosecutor LaVon Kuney said in connection with the Kenedy case. "It's against the law to sell beer to any person under 21 years of age, but Lena wee beer gardens have been selling to under-age youth right along. It is required by state law that a person show a card that he is permitted to drink beer. These cards can be obained at the county clerk's office and are required of persons between 21 and 25 years of age. If beer gardens are going to continue to sell beer to minors, the people who sell the beer are going to be prosecuted."

Some 70 tavern keepers in Adrian and the county met at the Adrian city hall last week and were advised as to how to operate their places in accordance with the state law. Representatives of the state health and liquor departments, as well as law enforcement officers were present.

A CONSTRUCTIVE PROGRAM

There is one type of public construction that does not put government into competition with private enterprise—roadbuilding, which all the people can use. Those who think they have no interest in an adequate highway sysstem because they do not use it extensively, should revise their opinion. Even in peacetime, good roads are an essential part of the transportation machinery that keeps the country going.

According to the American Roadbuilders Association, 75,000 miles of the nation's 415,000 miles of main state highways, are worn out roads of 20 or more years of service, which must be rebuilt. Another 47,000 miles should be widened for safety's sake and to eliminate congestion. Highways that should be relocated to save time and distance, total 37,000 miles. Nearly 160,000 miles, or more than one-third of the main state highways, require major improvement. Some 30,000 unsafe bridges must be rebuilt or widened.

All of this work should be done by competitive bidding by private contractors. In this way, it would be done at minimum cost, while at the same time stimulating employment and the expansion of private business both directly and indirectly.

An intelligent road construction program is an activity in which the Federal government can cooperate with states without competing with its own citizens in business.

Don't Wait Any Longer
To Re-roof Your Home

Have you been waiting "until the war is over" to put a new roof on your house? We know many people who have—some of them to their own sorrow.

Don't wait any longer to do the job. The government has released the needed shingles to do necessary repair work and we have in our stock a sufficient quantity to care for Tecumseh's requirements.

We can furnish you with the finest quality asbestos shingles and we will be glad to quote prices.

We Can Furnish the Labor

There is no need for you to delay that shingle job because of a lack of labor. If you will act promptly, we have a labor pool that is sufficent to do the work for you.

We will quote you a price for shingles alone or for the completed job.

Hard to believe... but true!

Edward P. Weston, the famous pedestrian, at the age of 24, walked from Boston to Washington in 10 days. In his 72nd year, he walked from Coast to Coast and back, doing as much as 72 miles in a day. Among many other feats in his long career, he walked 100 miles in 20 hours and 38 minutes. Mr. Weston enjoyed being a pedestrian. Many car owners are becoming pedestrians and they're *not* enjoying it. Their cars are wearing out! If you don't want to join them, give your car the care it needs to keep it running right, running longer, and running farther on every gallon of gasoline. Right now it's time for your Standard Oil Dealer's 10 Star Spring Tune-up.

How many young men can match this performance! (See story above, right)

THE OLD JUDGE SAYS...

"That's news to me, Judge. From the way some people talk you would think it was at least 50%."

"No, Clem, there's the statement right here in the paper . . . from authorities who have made an exhaustive study of the subject. Only about 5% of the people who drink occasionally abuse the privilege . . . 95% drink sensibly."

"No wonder you say it wouldn't be fair to take the privilege away from the other 95%, Judge. I agree with you."

"I can't see it any other way, Clem. No more than I could see taking automobiles away from everybody because a few drive recklessly and have accidents. Or preventing the making or sale of cake or doughnuts because some folks eat too much and get indigestion."

"In the case of spirit beverages, the answer is one of education and better control."

"As a matter of fact, the responsible members of that industry are working constantly toward that end. They don't want folks to abuse the use of their product any more than we do."

Here Are Some Good Tips on the Operation of Electric Brooders

(If you are now using, or plan to use an electric brooder, the following pointers, gained from experience will be very helpful).

Most all makes and types of Electric Brooders on the market today will give reliable and satisfactory results if properly set, and used according to your own conditions in your brooder house.

1—BE SURE THE THERMOSTAT CONTROL IS WORKING:
and if it is a fan type, be sure the fan is working.

2—A TIP ON THE PLATFORM: AND THE LITTER:
In all cases, especially if the floor is cement, make a platform about six inches longer and wider than the hover, with about one inch cleats on the bottom side. Place a layer of litter on the floor. Then place the platform on the litter. Then cover the platform with at least two inches of litter. This done, place the hover on the platform. Then put a wire, or a wooden frame around the hover, allowing about 1½ to 2 inches of space between the guard and the hover. Fill this space with litter, the same depth as the litter on the plaform. This will insure you of a warm floor for the chicks, and will cut your cost of electricity.

3—THE THERMOMETER:
The thermometer should hang about 2 inches above the litter, and should read about 90 degrees for good brooding conditions. The temperature should be reduced about 5 degrees per week down to 60 degrees. Even if your thermometer reads 90 degrees at a 2 inch height, and you do not have sufficient litter on the floor, your chicks will chill, due to the floor being cold and damp. This will bring about a higher death loss, digestive disturbances, and retarded growth and development.

(To be continued next week).

Re-capping Your Tires is Mighty Important!

There's no fooling about the seriousness of the tire situation. Lenawee county this month is limited to 375 new tires—probably 10 percent of the number of applications that will be received.

DON'T NEGLECT YOUR TIRES. Have them recapped the minute they are smooth. That's the way to protect the carcass. You can get thousands of extra miles out of a recapped tire!

PUBLIC ENERGY NO. 1

Every electric outlet is a constant source of tireless, low-cost electric energy. When there's work to be done, Reddy Kilowatt says—"Plug in, I'm Reddy."

Reddy Kilowatt, your lively, happy electric servant, is working at top speed today at the grim job of powering war production. Through farsighted, sound planning, the business managed power companies in America were prepared to meet every wartime demand for electric power.

In the wonderful postwar world of tomorrow all of the efforts and resources of electric energy will be used to make your living happier, freer and easier. Reddy Kilowatt, your economical electric servant, will power the dozens of household appliances designed to make housekeeping less work and more fun.

The low cost of a kilowatt hour of electricity is only a few cents, but every kilowatt hour of electricity you use in your home is equivalent to the services of 13 strong men for an hour. No wonder all progressive postwar homes will be electric homes in the future!

"Americans have shown what they can do with their minds and hands in producing the ships, planes, guns, tanks, ammunition and all the materials needed to crush the Axis hordes. Now, in this month of April, America will show what Americans can do with their hearts in providing the clothing needed to relieve the suffering of millions of people in war-torn countries. It is good to know that every American family will do its share."

PRESIDENT ROOSEVELT chose Mr. Henry J. Kaiser as National Chairman of the United National Clothing Collection for just one reason: *He knows this famous industrialist as a man who gets things done.*

But Mr. Kaiser will need help—if the goal of 150 million pounds of serviceable used clothing is to be attained this month.

He will need, indeed, help and contributions from *every American family throughout the land.*

Today, in Europe alone, 125 million men, women, and children are in desperate need of the forgotten usable clothes that hang in the closets or repose in the attics of America's homes.

In some areas, deaths from exposure are as great as those from starvation.

These innocent people have given their homes, their jobs, their happiness, their health—for the same lasting Peace *we* are fighting for. They need your spare clothing *now*. Will you give it to them?

What YOU can do!

1. Get together all the serviceable summer and winter clothing you can spare. This includes: Men's, women's, children's, and infants' wear, and shoes. Overcoats, topcoats, suits, dresses, shirts, skirts, jackets, pants, work clothes, gloves, underwear, sleeping garments, robes, sweaters, shawls, and all knit goods. Also blankets, bedclothes.
2. Take your contribution to your local COLLECTION DEPOT *now* or arrange to have your LOCAL COMMITTEE collect it before April 30th.
3. Support your Local Committee not only with your clothing contribution, but also with your time, effort, and energy.

WHAT CAN YOU SPARE THAT THEY CAN WEAR?

EARL L. PHILO and MARGARET PHILO, husband and wife, ORDER OF PUBLICATION.
Plaintiffs,
vs.
HENRY NICHOLAS; ASHER HATHEWAY; CELESTIA HATHAWAY; MRS. DANIEL MORTON, her Christian name being unknown; JOEL PHILIPS; ANZETTA PHILIPS; JOWEL PHILLIPP, or their respective unknown heirs, devisees, legatees and assigns, and the unknown heirs, devisees, legatees ad assigns of MOWRY ALDRICH, deceased,
Defendants.

At a session of said Court held at the Courthouse in the City of Adrian, in said County, on the 19th, day of February, A. D. 1945.

PRESENT: Hon. G. Arthur Rathbun, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the affidavit of Henry R. Jewett, attached thereto, from which it satisfactorily appears to the court that the defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause, and,

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry,

On motion of Henry R. Jewett, attorney for Plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.

It is further ordered that within forty days Plaintiffs cause a copy of this order to be published in the Tecumseh Herald, a newspaper printed, published and circulated in said county, such publication to be continued therein once in each week for six weeks in succession.

G. ARTHUR RATHBUN,
Circuit Judge.

Countersigned:

15 YEARS A FORD DEALER

(Each week, in this space, we review one year of Tecumseh's history in the 15 years that we have been in business here, taking the years in order since 1929. Watch this space, you'll find the stories very interesting).

Things were looking a little brighter in 1934, our fifth year in business in Tecumseh. The CWA was starting to function, employment was being furnished to some 65 or 70 men and the shops were doing everything in their power to stimulate the industrial payroll.

The NRA, (in case you've forgotten that was the National Recovery Act) was functioning and the first meetings were held with farmers on the corn-hog control program.

The depression, however, was not over despite recovery efforts, both national and local. The Nation-wide store was advertising fresh hamburg at 4 pounds for 25c, pork liver at 10c a pound, tender steak at 18c a pound and sugar-cured bacon squares at 7½c. Good yellow corn sold at a dime a can and Florida oranges were 19c a dozen.

In Februry the high school Indians won the Lenawee cage title for the second time in two years by defeating Hudson and the village council applied to the federal government for a $166,000 loan to install a municipal plant.

Floyd Eliott defeated John Larsen for the village presidency and A. O. Howard was the successful candidate for township supervisor in a two-ticket township election. Perry Satterthwaite was elected president of the Rotary Club, and Mrs. B. E. Brees president of the Business and Professional Woman's Club.

Forty applications had been received for the use of welfare gardens and merchants co-operated in a free cooking school, offering more than $100 worth of prizes. Mr. Henry Ford announced that his new plant would open in Tecumseh soon in the rehabilitated Hayden Mill.

On July 19, it was announced that the Hillsdale Machine & Tool Company was negotiating for the purchse of H. Brewer & Co., the Hillsdale plant being headed by R. W. Herrick. If the plant is able to purchase the Brewer plant, Mr. Herrick promised employment of 300 men in Tecumseh with a weekly payroll of between $6,000 and $7,000.

On September 6 it was announced that the courts had confirmed the sale of the Brewer plant to the Hillsdale Machine Co., and that the new plant would be in operation in October in Tecumseh. The new industry would be known as The Tecumseh Products Co.

The Village of Ridgeway received a new fire truck, the donation of Henry Ford. On November 22, thieves blew the safe in the Butler Motor Sales and escaped with between $200 and $300 in cash.

By mid-November, work was being speeded up at the Products plant and more than 100 persons were on the payroll, and in the December 27 issue of The Herald it was announced that industry was definitely showing an up-swing in production and that a brighter new year was in prospect.

NINETY-FIFTH YEAR—NUMBER TWENTY-EIGHT | TECUMSEH, MICHIGAN, THURSDAY, APRIL 12, 1945 | FIVE CENTS PER COPY

Sinking Fund Up to Voters

PROPOSAL IS ENDORSED BY VILLAGE COUNCIL AND THE ROTARY CLUB

The proposal to establish a five-mill sinking fund over a five-year period, the money thus raised to go for the building of a new school here in post-war, will be submitted to voters of the district in a special election to be held on Thursday, May 17, the board of education decided at its meeting, Tuesday evening. The program carried the endorsement of the village council and the Tecumseh Rotary Club.

The five-mill tax, if the plan is approved, would raise about $65,000 and this money would serve as a nest-egg in the program, and reduce the shock of the building cost upon the taxpayers when the actual construction is started. A survey by the board and by interested citizens shows that the school buildings are crowded at the present time and are inadequate to serve the needs of the community. The post-war expansion program which is declared certain in Tecumseh is expected to materially increase the school's enrollment and force the construction of additional facilities.

At its meeting Tuesday, the board accepted preliminary sketches of the architects for a new building and within a week or 10 days a detailed statement of the board's study and findings will be made available to the public.

The village council, at its last meeting, endorsed the board of education's program and "complimented them for their action in preparing for the future needs of our school children in the community." The Rotary club adopted a similar resolution when it met, Tuesday.

At Tuesday's meeting of the board, John Larsen, secretary, presided in the absence of the president, Jean Touborg. Bills in the amount of $2,025.12 were audited and ordered paid. The board authorized a request for a 10 mill operating levy from the county tax allocation board. Last year's levy was 9.9 per cent.

A resolution was adopted authorizing the legal publication of the minutes of the board, following each meeting, and bids for coal for the schools for the coming year will be sought.

School Sinking Fund Is Endorsed By Rotary

The Tecumseh Rotary Club endorsed the program of the board of eudcation here for the establishment of a sinking fund, looking toward the building of a new school in post-war, when it unanimously approved a resolution, commending the board for its foresightedness, at the regular Rotary dinner meeting, Tuesday evening at Brees House. The proposal to establish a five-year sinking fund, which raise some $65,000 and serve as a nest-egg toward a new building, will be submitted to electors at a special election to be held on May 17.

Harold Helper, until recently assistant prosecuting attorney of Wayne county, was the guest speaker at Tuesday's dinner meeting. Mr. Helper, who was the guest of Vance Ogden, spoke interestingly of the operation of the courts in Wayne, told something of the inside story of the Ferguson one-man grand jury which led to the indictment of some top-ranking Detroit officials, and declared that despite police effort, the numbers racket is still flourishing in the city.

Mr. Helper also explained some of the causes underlying the race riot in Detroit two years ago and declared that the cause has not been removed. He indicated that another outbreak of trouble may be expected at any time.

PYTHIANS INITIATE

Twenty-six members of the local temple of Pythian Sisters were in Dundee Tuesday evening where they were guests of the Dundee temple and initiated a class on candidates. Last evening 30 members of the Milan temple were guests of Tecumseh temple and initiated a group. Lunch was served after the meeting.

COMPLETES MISSIONS

Lt. Elmer Owen Curtiss, son of Mr. and Mrs. Lyman Curtiss, who is with the Eighth Air Force in England, has completed his 35 missions over Germany and hopes to be home sometime in May. Another son Jack Curtiss a.o.m. 3/c is now stationed in Monterey, Calif.

LANNING P.T.A.

The Lanning P.T.A. will meet Friday evening, April 13, at the home of Mr. and Mrs. Lawrence Boyd.

Sgt. Walter Home From Europe After 35 Missions Over Germany

HAS BEEN AWARDED ARMY'S MEDAL OF HONOR WITH FIVE OAK LEAF CLUSTERS

After flying 35 combat missions over Germany and occupied territory, St/Sgt. Clarence Walter is home from the European war front to enjoy a well-earned 30-day furlough with his wife and young daughter and his mother, Mrs. D. M. Blesing, E. Pottawatamie street. He has been awarded the Army's air medal with five oak leaf clusters.

Based in England with the 8th Army Air Force, Sgt. Walter turned in his missions in record time, arriving in England about the first of September and leaving for the United States on March 12.

A tail gunner in a B-17, a spot known as "the Purple Heart seat" in the Army's language, the young flyer knows what the war is about from personal observation.

"We were lucky, though," he ocmmented. "We had the same pilot on 34 of our missions, and we used only three planes. We never received a direct hit from German fighter planes and no one of our crew was ever injured. Oh, yes," he continued, "I've seen flak, lots of it, in fact so thick that it would seem as though you might land on it, but nothing real serious ever happened to us."

Questioned about what he meant by "real serious," he confided that the plane sometimes was chopped up by flak but except for once when they were forced to land near Paris, due to a shortage of gasoline, they always returned to their home base. Sure it got cold on some of the missions, 30 or 40 below, but that didn't stop the Yanks from carrying the war to the heart of Hitler's empire.

Asked for his opinion as to when the war might end, the sergeant was not too optimistic. He said that the folk over here shouldn't be fooled, the war is not over—far from it, in Germany. He said that he was not at liberty to disclose what targets were hit on the missions he made, but he indicated

St/Sgt. Clarence Walter

that many of them were principal Nazi cities.

Mrs. Blesing, the sergeant's mother, spent many anxious hours during her son's absence because in World War I, she was in Alsace when the German's turned the "Big Berthas" loose on the section where she was staying. The castle in which she lived w as not hit, but nearby buildings were shattered. Today, she and her son are comparing notes on World War No. 1 and 2.

Sgt. Walter will report at Miami Beach, Fla., on April 25 for another assignment. Where he will go or what he will do depends upon the Army's orders.

HAWLEY PLUMBING & HEATING SHOP SOLD; HAWLEY NOW IN CLINTON

Sale of he Hawley Plumbing & Heating Shop at 130 W. Chicago boulevard, to Virgil Kash of Clinton and Carl DeNike of Ypsilanti, was announced this week by Paul Hawley. Mr. Hawley also said that he had purchased the Feldkamp Hardware Co., at Clinton, which he will operate in the future as Hawley's Hardware & Plumbing Shop.

The new owners of the shop here said that it would be operated in the future as the Tecumseh Plumbing & Heating Co., that they would specialize in all types of heating and plumbing work and would carry a complete stock of repairs.

Mr. Kash was formerly associated with Mr. Hawley in the shop here. He resides in Clinton. Mr. DeNike has resided in Ypsilanti where he was assistant superintendent of the Ypsilanti Water Works. Both men plan to move here as soon as possible.

BACK FROM BATTLE IN PHILIPPINE SEA

Keith G. Carpenter, Photographer's Mate, Third Class, U.S.N.R., of 41 Mill Street, recently enjoyed a 30-day furlough here after a tour of duty in the Pacific, where he was attached to Air Group 20, based on one of the Navy's big aircraft carriers.

Carpenter was the fighter squadron's photographer. It was his duty to install and service the gun cameras in the squadron's HELLCATS. During his cruise the carrier's aircraft fought in the second battle of the Philippine Sea and inflicted substantial damage on enemy shipping and shore installations during strikes against such targets as the Bonins, Palau, Formosa, the Philippines and French Indo-China. The 27-year-old bluejacket was educated at Tecumseh high school, where he competed in football, and enlisted in the Navy in May, 1942.

MAY BE PRISONERS

Mrs. Guy Beevers received word last weekend from the Navy Department that her husband's clothes and belongings were being returned to her. Seaman Beevers with other members of his crew took off by plane January 22 and never returned. The plane or crew have never been located and there is a possibility they may be prisoners of the Japs.

At appropriate ceremonies held at the meeting of Tecumseh Hospital Auxiliary Tuesday evening in the Methodist church, a class of 17 nurses aides were graduated. The class has trained under the direction of Miss Elizabeth Blohm assisted by Mrs. G. A. Rathbun and Mrs. F. K. Smith, co-chairmen of the nurses aide group.

The graduates who were capped and presented with pins by Miss Blohm are Mrs. George Bailey, Mrs. Lawrence Bater, Mrs. John Britt, Mrs. Mae Dillon, Mrs. Ellen Dunn, Mrs. Frank Gray, Mrs. Woodrow Green, Mrs. Kenneth Johnston, Mrs. Hazel Kruger, Mrs. L. W. Larsen, Mrs. Arthur Lepon, Mrs. Howard Matthews, Mrs. Joseph Rohweder, Mrs. Wallace Whiting, Mrs. John R. Ziegler, Mrs. Cecil Smith and Miss Lois Clark.

Mrs. J. B. MacLaughlin was also presented with her second stripe representing 500 hours of service.

BAND WILL PRESENT CONCERT ON SUNDAY

Tecumseh High School Band will present the third in a series of Sunday evening concerts in the Methodist church April 15 at 8 o'clock. The following program has been arranged:

March, "Maverick" (Noel); cornet solo, "Tramp, Tramp, Tramp" (Goldman), Milburn Harper; Chanson Triste" (Caschaiekowsky); vocal solo "Spring Moods" (Smith) Shirlie Moore; "Minute in G" (Beethoven); trombone solo "Lost Chord" (Sullivan) Charles Goodacre; Medley of Gospel Hymns (Hayes); closing "Star Spangled Banner." Mrs. Clark Goodacre and Nancy Every will act as accompanists.

WOUNDED IN ACTION

Mr. and Mrs. Vernon Flager have been informed by the Navy Department that their son, Pfc. Herbert L. Flager of Tecumseh, was wounded in action on Iwo Jima, where he was stationed with the 28th Marines, Before enlisting Pfc. Flager was employed in Oliver's Nation-wide Market.

Paper Pick-up Here April 21

MONTHLY COLLECTION BY SCOUTS IS ANNOUNCED; CO-OPERATION URGED

A monthly waste paper collection in Tecumseh, starting on Saturday, April 21, was announced by Boy Scout executives here this week, following a committee conference. Subsequent drives will be on the third Saturday of each month, it was said, and public co-operation was requested.

The Scouts who, in the past few weeks, have collected more than 12 tons of old paper, are experiencing considerable difficulty in finding storage for paper, after it has been collected. Recently, the Williamson storage on S. Ottawa street was donated for that purpose, but this is being remodeled by the owner and can no longer be used.

"Until we can find a storage spot," the Scouts announced, "we must be satisfied with a monthly collection, If we can get five tons or more, trucks from paper mills will call for it the same day it is collected. That is why we are concentrating our efforts on one Saturday each month."

The Scouts announced that the entire town would be covered on April 21 and they requested that paper be tied up by residents and placed on porches or in other spots where it may be easily collected. It was pointed out that all of the older Scouts are employed during the summer months and that the work of collection falls upon the younger boys.

"It will aid us materially," it was said, "if the residents will cooperate with us in this patriotic effort. The boys are small and they find the work rather difficult."

The pick-up will be supervised by committeemen of the Scout organization. Most of these are businessmen who donate their time and the trucks with which the work is done.

Bernard Savage Dies; Buried In Caraghar

Bernard Savage, aged 62 years, died early Saturday morning of a heart attack, at his home over the Rosacrans Store on East Chicago Blvd. The family had lived here about five years, coming from Adrian and Mr. Savage was employed by Tecumseh Products Company.

He leaves the widow Mary Ellen, three daughters Mrs. Edw. Good of Adrian, Mrs. L. R. Baker of Swanton, O., and Miss Belda Savage of Chicago; one son St/Sgt. Robert Savage with the Army Air Forces in England; two sisters, Mrs. Helen Habel of Swanton and Mrs. Alice Woodward of Sylvania; two brothers Will Savage of Swanton and Harry Savage of Toledo, and one grandson Larry Good of Adrian.

Funeral services were held Tuesday at the Belding Funeral Home and the body was taken to Caraghar, O., for burial in St. Mary's cemetery.

Power Output Doubled Here

CONSUMERS ABLE TO FURNISH TWICE AS MUCH ELECTRICITY TO TECUMSEH.

Anticipating a sharp increase in the use of electricity in Tecumseh during the postwar era, Consumers Power Company has doubled the capacity of the Tecumseh substation.

At 2 a. m. Sunday a crew of workmen set about removing the three transformers which for some years have received electricity from the Consumers statewide transmission system and "stepped down" the high voltage, making the electricity for distribution through the community. Within a few hours the old transformers had been replaced with three new ones, each having double the capacity of the transformer it replaced.

The early Sunday hours were chosen for the change because the necessary interruption of electric service would cause less inconvenience then than at any other time.

H. H. Koelbel, division manager of Consumers, said the doubling of the substation's capacity would assure ample electricity for Tecumseh's residential, industrial and commercial purposes "for many years to come."

"We anticipate that in the postwar period Tecumseh will be needing a good deal more electricity than at present," he said, "and so we have taken steps to meet the demand."

Another project in the Company's postwar planning for Tecumseh, he pointed out, is the introduction of natural gas service. A franchise granting the Company authority to carry on a natural gas business in the commuity has been unanimously approved by the Council and will be submitted to the voters for ratification at the election next Monday, April 16.

Funeral Here Friday For Mrs. Pearl Cutting

Mrs. Pearl Cutting, widow of the late Sanford Cutting, died Tuesday morning in the Johnson nursing home in Dexter where she had been for 17 months.

Mrs. Cutting was formerly Pearl Kemp, daughter of Orville Kemp and wife, and was born February 19, 1868, in Franklin township. She had spent nearly all her life in Tecumseh leaving here after the death of her husband to stay with her niece Mrs. Leigh Beach in Dexter. She was a member of the Presbyterian church and Ladies' Aid Society.

She leaves two nieces Mrs. Beach of Dexter and Mrs. Nora Weise of Santa Paula, Calif. Mr. Cutting's death occurred in May, 1941.

The body was brought to the Collins Funeral Home here where funeral services will be held Friday afternoon at 2:30. Rev. James Murdoch will officiate and burial will be in Brookside cemetery.

Public Responds to Clothes Drive

SEVERAL HUNDRED POUNDS CONTRIBUTED FOR THE WAR-NEEDY IN EUROPE

The American Legion's campaign locally in cooperation with the United Clothing Collection Drive is meeting a hearty response and already several hundred pounds of wearable garments have been contributed here, Jack Smith, chairman, said today. The drive's collection center is in the old Palman store on East Chicago boulevard and is open each Tuesday, Friday and Saturday from 10 a.m., to 6 p. m. The campaign ends next week Friday, April 20.

"Nationally, an effort is being made to collect 150 million pounds of wearable clothing, to be shipped to Europe and other war-torn areas," Mr. Smith said. "We, here in Tecumseh, are attempting to find several tons of garments to be included in the shipment. I am very well satisfied with the way the campaign is going thus far, and I am certain that before it ends Tecumseh will have given generously to the cause."

Mr. Smith declared that all types of clothing are needed. Suits, coats, hats, sweaters and shoes for men, coats, underwear, shoes and jackets for women, and there is a very urgent need for children's things, especially clothing for infants.

"There are millions of folk in the war devasted areas who have only the clothes on their backs, and few of them," Mr. Smith declared. "These folk have appealed to America for help. They are not asking that we give them new garments, they'll be satisfied with our old ones. Let's search our clothes closets and give generously, everything that we can."

Persons who find it impossible to take their clothing to the drive headquarters may call either the Watkins Shop or Bancrofts and a car will be sent for the pick-up. In the rural areas, the Grange is caring for the collection.

Clothing collected by the Red Cross in a clothing drive for air raid disaster relief some time ago, which has been reconditioned and stored in the Red Cross rooms at the Public Library, will be donated by the Red Cross to the current clothing drive sponsored by the American Legion. There are from 1800 to 2000 articles of men's women's and children's clothing.

Mrs. David Hammill, 59 Former Resident, Dies

Mrs. David Hammill, aged 59 years, died early Saturday morning at her home in Adrian after a long illness. Mrs. Hammill, was formerly Mary E. Lanning, the daughter of the late John and Effie Aten Lanning and was born May 8, 1885 in Franklin township, where she spent her entire life until moving to Adrian two years ago.

She leaves her husband and three sons John L. of Onsted, Donald and LeRoy of Adrian, two brothers Harold Lanning of Adrian and Bert Lanning of Tecumseh, and four grandchildren. A daughter Marian died 11 years ago.

Funeral services were held Tuesday afternoon at the Collins Funeral Home. Rev. Edward Escolme officiated and burial was in Tipton cemetery.

The Lenawee District Nurses' Association will hold a dinner meeting Tuesday evening, April 17, at 6:30 at Tecumseh Grange hall.

Gas Franchise Vote on Monday

VOTERS WILL DECIDE IF CONSUMERS MAY BRING NATURAL GAS TO TECUMSEH

Tecumseh voters will decide at a special election on Monday, April 16, whether Consumers Power Company shall be authorized to provide natural gas service in the village.

A pipeline bringing natural gas from the great gas fields of Texas, Kansas and Oklahoma for distribution to customers in Jackson, Kalamazoo, Pontiac and other Michigan cities passes within a few miles east of Tecumseh. Consumers proposes to build a connecting link from the pipeline to the village and install service mains in the streets as soon as necessary arrangements can be made and governmental permit obtained. Because of war-time conditions, the company has been unable to predict just when construction can begin, but Division Manager H. H. Koelbel has given assurance that it will be "at the earliest possible date."

A franchise authorizing the company to operate in the village, and setting forth the respective rights of the village and the company, was approved unanimously by the village council on March 12. In accordance with a constitutional provision, it must now be approved by at least 60 per cent of those voting at Monday's election if it is to become operative. Voting will take place in the council building.

In most particulars the franchise conforms to a standard type in effect in scores of Michigan communities. A special proviso is that unless construction begins within three years, the council may cancel the contract. This same proviso was included in franchises approved overwhelmingly during the last few months by the voters of Manchester and Clinton.

Rates are not fixed by the franchise. These would be in accordance with a schedule on file with the village clerk, which sets forth the same rates as are now in effect in communities served by Consumers. These rates would be subject to change by order of the Michigan Public Service Commission, acting on petition of either the village or the company.

Consumers believes, according to Mr. Koelbel, that natural gas will be in great demand for house-heating purposes whenever present WPB restrictions against connecting new house-heating customers are lifted.

"It will also be popular for cooking and water heating," he said, "and it has many important industrial uses. Natural gas service will be another civic asset for Tecumseh in the postwar period."

National Garden Week Will Be Observed

In observance of National Garden Week, April 15 - 21, members of Tecumseh Garden Club and Tecumshe Grange and their families have been invited to attend the Sunday morning service at the Baptist church April 15. Rev. R. O. Bashore will deliver the sermon on "Bible Gardens" and a program of Garden Music has been arranged as follows: organ prelude, "Londonderry Air;" vocal trio, "Thank God for a Garden," (Del Riego), Mrs. R. S. Moore, Mrs. Nina Heath and Mrs. Harley McConnell; chorus, "Our Master Hath a Garden," (Clokey); vocal solo, "The Years at the Spring" (Beach), Mrs. H. McConnell.

Seats on the west aisle will be reserved for the Garden Club and on the east side for the Grange.

A musicale of Garden Music in charge of Mrs. Moore will be presented at the Monday Club annual luncheon in the Methodist church parlors on Monday, and on Friday evening the D.A.R. will present a special garden program in the home of Miss Edith Ingersoll.

The Public LIbrary is also observing National Garden Week with a unique display of posters.

GARDEN WEEK

April 16 to 21 has been designated as National Garden Week in an effort to call to the public's attention the need for gardening in America this fourth year of the second world war. Never, national authorities declare, has it been more necessary for home gardening than this year.

Tecumseh will join the observance with special services in its churches and with special programs at the Grange, in an effort to bring home to residents the need for Victory gardening.

Tecumseh, in the first three years of the war, established an enviable record for home gardening and the churches, clubs and other organizations that are again this year stressing the need for "carrying on until Victory" are to be congratulated for their efforts.

How Much of Your Income Do You Save Regularly?

* * *

In these days of "easy money," many folk forgot that someday times may change, that there may be a need, a genuine need, for saving a part of what they earn.

How much of your income are you saving, regularly? Are you planning for "a rainy day," for some unexpected emergency that may arise?

Why not start this payday by depositing a part of your earnings in a saving account? Add to it regularly, then when the need arises you'll have cash that is available.

Sidewall Shingles Dress up Your Home

and They Cost Little More Than Paint

Have you been wishing that you could change the appearance of your home? Would you like to give it "that more modern look"—dress it up and make it look more appealing?

You can do just that, and at little expense, too, by installing sidewall shingles. Contrary to some opinions, sidewall shingles cost little more than two coats of paint. There's no comparison between paint and shingles for long wear. In addition, you benefit from the added insulation in both summer and winter. Coal bills are reduced.

Why not see us NOW about sidewall shingling your home? We have the necessary materials and, if you desire, we will be able to furnish the labor to do the work.

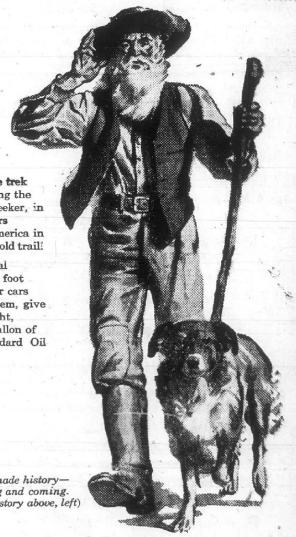
☆ SERIOUS SHORTAGE OF BAGS & PAPERS ☆
Approximately only 25% of 1941's supply of paper bag is available this year. Please cooperate . . . it's patriotic to bring your own shopping bag!

He proved he could "take it"!



One of the epic foot journeys of all time was the trek over the Oregon Trail in the '40s and '50s. Among the thousands who trudged it, was young Ezra Meeker, in 1852. Meeker made the trip again when 76 years old—this time from West to East to interest America in erecting suitable monuments to mark the famous old trail!

Ezra Meeker's foot journey was made for sentimental reasons. A lot of motor car owners are going on foot today—and there's no sentiment about it. Their cars are wearing out! If you don't want to join them, give your car the care it needs to keep it running right, running longer, and running farther on every gallon of gasoline. Right now it's time for your Standard Oil Dealer's *10 Star Spring Tune-up.*

He made history—going and coming. (See story above, left)

Keep your car running stronger . . . longer!

THE OLD JUDGE SAYS...

"When this war is all over, Judge, there will be some mighty interesting books written about it. Expect we'll learn a lot of things we didn't know before."

"Yes, Fred, when the record is finally written we'll realize what a gigantic operation this war really was and how important to final victory many factors really were."

"Take, for example, just one industry. Few people realize the importance of the great work done by the beverage distillers during the war. A high government official called it 'an almost unparalleled example of the overnight conversion of an entire industry from peace to war.' He also said not so many months ago, while speaking about synthetic rubber, 'It is fair to regard the rubber manufactured to date as being almost solely the product of the beverage distilling industry.' That's the type of thing I have in mind . . . the way great American industries at home cooperated to help our brave fighting men abroad."

"I see what you mean, Judge . . . a complete history of American teamwork."

S. A. Campaign Planned Here

Mrs. Lee Purkey and Mrs. Fred Marsh will act as co-chairmen for the Salvation Army Campaign to be conducted in Tecumseh during the week of April 15 and it is hoped that sufficient workers can be secured so that the entire work can be completed in one week.

The Salvation Army is now engaged in its second World War program. Salvation Army Canteens for our service men are located all over the world. Nothing is sold to our fighting men. In the South Pacific and Australia alone there are more than 3500 of these Red Shield Centers, financed and operated by the Salvation Army; others are located wherever our men are stationed. The Salvation Army does not maintain a publicity department feeling that the work they do for humanity does not need to be publicized.

As a typical example of the work being done—this is the operation of one Salvation Army Service Center for twelve months:

87,966 in attendance; 14,004 furnished night lodgings; 6,497 used shower facilities; 24,238 pool tables; 1,993 packages wrapped for soldiers; 1,092 packages checked; 747 garments mended for soldiers; 3,165 used ironing rooms; 1,067 used photography dark room (developing); 90,000 meals furnished; an average of 250 recordings made per month of soldiers' voices, and sent to their homes.

In addition the Salvation Army has not let up on its work on the home front. The additional cost of the war activities necessitates this campaign.

Officers Are Elected By Wit, Wisdom Club

The Wit and Wisdom Club met Monday evening with Mr. and Mrs. Alvin Brazee in Iron Creek. The meeting was held in the Iron Creek church and during the business session the following officers were elected for the coming year; Fay Van Valkenburg, president; Miss Jennie Gillespie, vice president; Mrs. H. H. Loveland, secretary, and Glenn VanDenberg, treasurer.

The program presented by George King, music instructor in the Brooklyn schools, and four of his pupils, consisted of piano baritone and French horn, violin and saxophone selections. Miss Martha Hewlett of Tecumseh also read her declamation "She Called Me a Snob."

The group then went to the Brazee home where refreshments were served.

The annual banquet will be held Monday evening, May 7, in the Methodist church parlors with a cooperative supper. Mr. and Mrs. E. A. Collins are in charge of arrangements.

CLOTHING IS NEEDED

The local temple of Pythian Sisters is cooperating with the Michigan temple in the collection of light weight clothing for persons in the Philippines. Those having articles of clothing to donate are asked to call Mrs. Duncan Oliphant, 44-J. The collection must be made not later than April 18 as the clothing must be delivered to the state chairman by April 20. Only light weight clothing is desired.

Speech Contest Here on Friday

The annual district speech contest will be held Friday afternoon, April 13, at 2:30 in the high school gymnasium with 13 contestants from Saline, Adrian Junior high and Tecumseh.

Those taking part and their subjects are: Oratorical declamation, Dorothy Pinch, "Liddie," and Donna Little "Solemn Dawn," both of Saline; David Lindbert, "Roses" and Jim Finley, "Remember Pearl Harbor," both of Adrian; George Avis, "To the Boys and Girls of Michigan" and Martha Hewlett, "She Called Me a Snob," Tecumseh. Dramatic declamation: Barbara Spike, "The Tell Tale Heart" and Catherine Burgar, "Little White Girl," both of Saline; Mary Jane Pellowe, "Elizabeth the Queen," and Janet Lovitt, "Apple Blossoms," both of Adrian Junior high. Oratorical: Joan Church, "Democracy on the Auction Block," and Maureen McLain, "Reward for Merit," both of Tecumseh. Extemporaneous speaking: "Can Japan be Cracked," Marilyn Weslow, Tecumseh.

This program is open to the public.

GRANGE COLLECTS CLOTHES

Tecumseh Grange will meet tonight in regular session and members are to bring clothes for the old clothes drive. Refreshments will consist of pie and sandwiches.

Another social evening will be held at the hall Saturday night. Members are to bring sandwiches and cookies or doughnuts.

Wife Receives Letter From Pfc. Chas. Irelan

Mrs. Charles Irelan during the past week has received a letter and a card from her husband Pfc. Irelan who is in a prison camp in Germany. The letter was dated January 3 and stated he had not been wounded and was well. Pfc. Irelan was reported missing in action December 16, but later Mrs. Irelan received a letter from a woman in Manitoba who said her son was a prisoner in the same camp and Pfc. Irelan had asked him to have his mother notify Mrs. Irelan of that fact. Pfc. Irelan was inducted in March 1944 and went overseas in October.

FUNERAL SERVICES HELD FOR KATHERINE LANGAN

Funeral services for Katherine Langan were held Saturday afternoon at Collins Funeral Home. Rev. Norman Mac Naughton officiated and bearers were Lewis Colier, Ed Miller, Guy Collins, Ray Smith, Clarence Hall and Clayton Bigelow. Burial was in Macon cemetery and friends and relatives attended from Traverse City, Jackson, Adrian, Saline, Clinton, Macon and Tecumseh.

Miss Langan, who was 69 years of age, died April 3 of pneumonia at the state hospital in Sault Ste. Marie. She was born in Macon and had spent nearly all her life there until her removal to Ypsilanti in February. She had been at Sault Ste Marie only two weeks.

Survivors are a brother Norin Langan of Jackson, a sister Mrs. Bertha Carris of Traverse City and several cousins.

FEDERATION MEETING

The annual meeting of the Lenawee County Federation of Women's Clubs will be held at Downs Hall, Adrian College, in Adrian, Thursday, April 19. Registration will be at 9 o'clock, the morning business session opening at 9:20. Dr. Willis R. Hotchkiss of Cleveland, O., will be the guest speaker at the afternoon session. Luncheon will be served at noon in Metcalf Hall.

Charles B. Anthony Buried In Brookside

The body of Charles B. Anthony, a former resident of Tecumseh, was brought here Friday from Windsor, Ontario, for burial in Brookside cemetery.

Mr. Anthony, who was 77 years of age, died April 3 in Windsor where he had lived since leaving Tecumseh 40 years ago. While here he was connected with the Anthony Fence Company.

Survivors are the widow Alice, two sisters Mrs. Jennie Dole of Adrian and Mrs. Nina Nixon of Detroit, several nieces and nephews including Mrs. Gladys Drewyor and Glenn Bowen of Tecumseh, Harris Dole and Raynor Bowen of Detroit.

LYSTER LEAGUE

The Lyster League will meet Wednesday evening, April 18 at the home of Mrs. Wallace Rutherford. Mrs. Leo Alderdyce is program leader and Miss Ruth Harding will speak in Puerto Rico.

WHITE ELEPHANT SALE

The Band Parents Club will meet Friday evening, April 20, at the home of Mr. and Mrs. Clark Goodacre at 25 Burt street. Gifts are to be brought for the white elephant sale.

GUILD TO MEET

The Florence Weld Mission Guild will meet Monday evening, April 16, at the home of Mrs. Al Heizerman with Mrs. L. D. Tallman assisting. Mrs. W. J. Penman will be leader of the program on "India."

NEW CHURCH SIGN

The Daughters of St. Peter, at their recent meeting held in the home of Mrs. John Boldon, voted to purchase an illuminated sign to be placed in front of St. Peter's church.

HONORS DAUGHTER

Mrs. Ruth Richardson entertained a group of 18 children Thursday afternoon in honor of the sixth birthday of her daughter Rita Kay. Games and music were enjoyed and refreshments were served, featuring a decorated birthday cake. Rita Kay received gifts.

NOW IN GERMANY

A letter from Mrs. James O'Neill of Houston, Texas, formerly of Tecumseh, says that her son T/5 James F. O'Neill is now with Gen. Patton's Third Army in Germany.

Wheel Alignment and Recapping are Essential—

In these critical times, it's important that you pay special attention to the alignment of your wheels and the condition of your tires.

Don't neglect tires that are smooth. Have them recapped for many thousands of miles of care-free service.

And don't drive your car when your wheels are out of alignment or out of balance. You are inviting unnecessary tire wear.

Bring your car to us for regular inspection service and recapping. Our service is prompt and satisfying.

Some More Good Tips On How To Get The Most From Your ELECTRIC BROODERS

USE PLENTY OF LITTER:

It is very important that you use plenty of litter for the first week or 10 days. Be sure to start your hover and have it adjusted to the proper temperature AT LEAST 2 DAYS before your chicks arrive.

PUT PAPER OVER THE LITTER:

It is well to put 3 or 4 layers of paper over the litter for the first few days.

PLACE FEEDERS UNDER THE HOVER:

Place the waterers and feeders under the hover for the first 3 or 4 days. The chicks become accustomed to the heat. Later the feeders and waterers can be moved away from the hover and the guard removed (see last week's item in the Hen Humper about the guard).

RAISE THE HOVER 1/2 INCH PER WEEK:

Most hovers have adjustable legs and should be raised one-half inch per week. Your brooder house should be well ventilated and free from drafts. If you observe these suggestions, and use Hayden's Starter and Grower, now in the "pretty print" bags, you and all your neighbors will continue to

Tells of Life in War Hospital

PFC. HENRY KEMPF, GUNNER WITH GEN. PATCH, WRITES HOME TO FRIENDS

Pfc. Henry F. Kempf, machine gunner with Gen. Patch's 7th Army in Europe and who until Friday was a patient in a French hospital, writes interestingly in a letter to The Herald about life at the front. Pfc. Kempf was wounded in action January 17. He remained in the hospital until last Friday when, at 10 a. m., he was flown to New York City, arriving at 10 a. m., Saturday. He telephoned his wife, the former Margaret Whelan of Vineyard Lake, that he was leaving New York immediately for a hospital somewhere in the U. S., for eye treatment, and notified her Tuesday that he was at Crile Hospital in Cleveland.

Pfc. Kempf's letter, which arrived in Tecumseh only a short time before he did in the U. S., is as follows:

France, Mar. 6, 1945.

To The Citizens of Tecumseh:

Just a few lines to let you know that I am coming along O. K. My vision is slowly getting back to normal but it will be a long time before it will be anywhere near perfect. Things are a bit hazy and my eyes are sensitive to light, so a good share of the time I wear sun glasses to cut down the glare.

I can't do much of any reading, so all of my mail is read to me. I write a few lines and then I must rest my eyes for a spell, so please bear with me.

I am getting very good care here, but most any day expect to go to some other hospital for further treatment. The nurses are doing a great job in this war and should be given all the credit in the world. Their tender hands have eased many an ache and pain and their soft, kind voices, make us laugh when we feel more like crying or thinking of our loved ones thousands of miles away from these battlefields. I know that lying flat on my back for days and not being able to see, and worrying and wondering if you would again, that it it hadn't been for them I'd have gone crazy, so my heart goes out to all of them. The Red Cross workers are doing a great job, also. The girls are in most every day to visit us. The other patients here are mostly eye cases and a swell bunch of boys, too. Never a cross word from any of them.

We have a radio in the ward and we sure enjoy that. We get programs from BBC and our own AEF station over here. Also, we hear programs from the States by rebroadcast. I can get up and around, also out of doors, so that helps to make the days go faster.

Last Friday evening I was one of five American soldiers invited to a dinner party. It was held at the home of Madamoiselle Ramonde Cardane and her mother, Madam de Gardane. Madamoiselle de Gardane is a French nurse here and it was through her and Miss Edyth Barry, American Red Cross worker, that I was invited. The dinner consisted of five courses and was served by the maid. After each course you received a clean plate for the next course and I'm just wondering who was dishwasher that evening. Seventy plates alone were used, not counting the numerous other dishes. Anyway, the dinner was very good and I will tell you what we had by courses: soup, noodles, fresh green beans and beef roast, good old-fashioned French fried potatoes and apple pudding. Throughout the meal, which took about two hours, we were served boko of wine. Boko means plenty in French. The coffee wasn't served at dinner but later on in another room where we enjoyed our after dinner smokes. Later we sang songs until it was time for us to go back to the hospital, much as we all hated to. I can't begin to describe their home or mansion as I would call it. Most all their furniture of antique style and all hand carved, some dating back to 1632, but still in as good condition as ever. Their fire place is a prize for any home, the front of solid ivory and to match that, on the mantle, a very, very beautiful clock with candle holders on each side, all in ivory and inlaid with gold. Some dishes I never saw before, all egg shell china, trimmed with gold. We also saw many old and beautiful paintings and other things too numerous to mention. I shall always remember that evening and I know that the others will, also. We are still talking about it. Miss Barry hails from South Dakota and is a grand person with a very pleasing personality. She comes in often to visit and we all like her very much.

You folk hear enough about the wra and I know I do so I will not mention anything about it. I will say that the Seventy-ninth Division is a mighty fine outfit and should be given a lot of credit for the great job they are doing now, as in the past. I miss the gang very much and I hope and pray that they and all the other American boys come through safe and have a speedy voyage home to their loved ones. I know the day can't come too soon that I can get back to Michigan and be with my wife, Mrs. Margaret C. Kempf, who lives at Vineyard Lake Point, Brooklyn. Just at present I am listening to a program from WRAV Richmond, Va. The chimes on St. Paul's church there just tolled two o'clock in the afternoon. Here in France it is eight o'clock at night and in another hour lights out and to bed we go.

Let's have a square dance, folks. They are now playing, "Little Old Log Cabin in the Lane," so what are we waiting for? I can't think of any better caller than LeRoy Mathews. How about it, Roy? Every evening a program is broadcast from some city or town in the States telling us the changes, what the home town folk are doing and so on. As yet have not heard from any place in Michigan. Wish they'd put Tecumseh on the air and boy would I cheer then. This is bringing me many memories of Tecumseh and vicinity. Main street is packed full and people busy doing their shopping. Chris Taylor is pretty busy so I'll drop in later for that hair trim. The Pontiac needs some gas so I'll drop in to see Geo. Wilson. Fill 'er up, George, and say, have you heard the story about. . . . . ? Ha, ha. I do want to say hello to Ray W. Herrick and fellow workers at Tecumseh Products Co. Pfc. Mr. Wickwire, Mr. Kerby, Dr. Brown, Don Wright and the rest of the citizens of Tecumseh. I'd like to say hello or write to each and every one of you, but that is impossible. Believe me, it does the old heart good to know you have friends back there pulling for you. I know this a bit late but I want to thank you all for the kindness to my mother last August. I regret I couldn't have been there for my father's funeral. I also wish to thank Mr. Brazee for his services and please accept my sympathies in your hour of need.

Well, time is getting short so I must close. I haven't said half what I wanted to say and I started out with just a few lines. I have filled a book already, but some time soon I'll write again and tell you something of France. I do hope this letter has been of interest to you all. Good bye for now. Sincerely,

Pfc. Henry F. Kempf.

ORDER OF PUBLICATION.
Plaintiffs,
vs.
HENRY NICHOLAS; ASHER HATHEWAY; ESTELLA HATHAWAY; MRS. DANIEL MORTON, her Christian name being unknown; JOEL PHILIPS; ANZETTA PHILIPS; JOWEL PHILLIPP, or their respective unknown heirs, devisees, legatees and assigns, and the unknown heirs, devisees, legatees and assigns of MOWRY ALDRICH, deceased,
Defendants.

At a session of said Court held at the Courthouse in the City of Adrian, in said County, on the 19th, day of February, A. D. 1945.

PRESENT: Hon. G. Arthur Rathbun, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the affidavit of Henry R. Jewett, attached thereto, from which it satisfactorily appears to the court that the defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause, and,

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry,

On motion of Henry R. Jewett, attorney for Plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.

It is further ordered that within forty days Plaintiffs cause a copy of this order to be published in the Tecumseh Herald, a newspaper printed, published and circulated in said county, such publication to be continued therein once in each week for six weeks in succession.

HOLLOWAY

Memorial Services for Pfc. Gerald Sawyer

Memorial services were held Sunday afternoon at 3 o'clock in the Holloway Presbyterian church for Pfc. Gerald W. Sawyer, son of Mr. and Mrs. Wilson Sawyer who was killed in action on Saipan November 5. The services were in charge of the Rev. D. S. Carmichael and the Rev. John Marvin. Pawson Bailey of Adrian sang a solo and there was special music by the choir.

Pfc. Sawyer attended Adrian high school until 1943 when he enlisted in the Marines. He received his training at Oceanside, Calif., and was sent overseas in December 1943. Besides the parents he is survived by a sister Delores, his grandfather Clarence Sawyer and several aunts and uncles. Friends and relatives attended the services from Dearborn, Adrian, Tecumseh, Tipton, Bowling Green, Rossford, Dunbridge and Perryburg.

Miss Carol Comfort of Kalamazoo and Mrs. Ned Comfort of Albion spent the weekend with their mother Mrs. Bertine Comfort and son Bruce in the home of Mrs. E. R. Rogers.

Mrs. Roland Fairbanks and son Roger and Mr. and Mrs. Isadore Lepley have moved from an apartment in the Myrlen Fairbanks home to 524 Dennis street, Adrian.

1000 lbs. of Milk From a Brood Sow in 8 Weeks

Of course it does not seem possible, but stop and figure!

Most hog men wean at the age of 8 weeks. The average sow will produce about 1 quart of milk per day per pig in the litter.

Therefore a nursing sow with 8 pigs will produce about 448 quarts of milk or about 1000 pounds of milk (containing 8 to 10% butter fat). Just another reason why that sow should be fed a ration containing

"CLEAN-OUT-YOUR-CLOTHES-CLOSET WEEK"

WHAT CAN YOU SPARE THAT THEY CAN WEAR?

RIGHT NOW, 125 million innocent men, women, and children in war-torn European countries alone, are in pitifully desperate need of clothing. If every American family will make this week "CLEAN-OUT-YOUR-CLOTHES-CLOSET WEEK," enough spare clothing, shoes, and bedclothes will be obtained to go far toward relieving the suffering of these people. Will you help? Then call your local UNCC Committee for full information.

15 YEARS
A FORD DEALER

(Each week, in this space, we review one year of Tecumseh's history in the 15 years that we have been in business here, taking the years in order since 1929. Watch this space, you'll find the stories very interesting).

With the Tecumseh Products Company steadily increasing its payroll and with Mr. Ray W. Herrick, president, promising a rapid expansion program to keep up with an ever-increasing number of refrigeration orders, the year 1935, our sixth year in business in Tecumseh, really looked brighter as the New Year dawned.

Right off the production line, January 3, we announced the arrival of the 1935 Ford V-8 with smaller wheels, larger tires, roomier bodies and wider seats. It was the greatest car yet produced by the Ford company.

But lest we forget that the depression was not yet over, let us review the January 10 issue of The Herald which quoted FERA officers as saying that in the month of December more than 200 grocery orders were issued at a cost exceeding $2,000. The Rotary Club was planning to relieve the unemployment problem by making a survey of the township in an effort to discover gainful jobs.

The Rev. Edward Green (now rector at Saulte Ste. Marie) was ordained a priest on January 17 in historic St. Peter's Episcopal church.

On the last day of January, Mr. Herrick announced that Products payroll had climbed to $7,400 weekly with 200 employees, and on February 14 it was announced that the payroll had exceeded $10,000, the largest single payroll for any factory in the village's history. Other plants, also, were reported to be feeling an upswing in work.

Ralph Oliver opened his new Nation-wide store, Dr. Ferris G. Hodge was married to Miss Mabel Hamra in Oklahoma City and Leo Robison purchased the Cooperative building on N. Evans street for an implement store.

The Peoples party won another election with J. Floyd Elliott as president, the bank at Britton paid a 10 per cent dividend, and the Tecumseh Club planned to stage a minstrel show. Louis Schneider was elected president of the Rotary Club, E. M. Campbell president of H. Brewer & Co., reorganized, and the stores were reported to be enjoying an upturn in business, ever since the Easter Season.

Chief Kiutus Tecumseh of Cashmere, Wash., a descendant of the famous chief, was here for the dedication of the Ford-Hayden Mill, rehabilitated by Mr. Henry Ford.

Toward the end of the year industry reported a decided upturn in business, the Hayden Milling Co., hitting an all-time peak production.

Late in October we were permitted to display the new Ford V-8 for 1936 and R. W. Herrick of the Products company forecast a busy year ahead with production hitting the $1,000,000 mark with a payroll that would exceed $275,000.

Nation Mourns As President Is Laid To Rest

TRUMAN IN COMMAND FOLLOWING SUDDEN DEATH OF PRESIDENT ROOSEVELT

WASHINGTON, Apr. 19—While the Nation mourned the passing of its first four-term president, Franklin Delano Roosevelt, the reigns of government today rested in the hands of President Harry S. Truman, former Missouri senator and vice president.

President Roosevelt's death occurred at 3:35 p.m., last Thursday at "the little White House" at Warm Springs, Ga., where the Chief Executive had gone for a rest, hoping to regain some of the strength he lost in traveling to the Yalta conference and in preparation for another trip to San Francisco the latter part of this month to convene the United Nations conference of world peace. Death came suddenly, the result of a cerebral hemorrhage.

Vice President Truman was in his office at the Senate building when he was advised of his Chief's death. He hurried to the White House were he met Mrs. Roosevelt and then went to the executive offices where the presidential oath was taken at 7:09 p.m.

The body of the late President arrived here Saturday and funeral services, marked by simplicity, were held in the East Room of the White House, Saturday afternoon. Later, by special train, the flag-draped casket bearing the nation's leader was taken to Hyde Park, N. Y. for burial Sunday morning in the gardens of the Roosevelt estate.

The President's death came as a distinct shock not only to the Nation but to the world. Recent photographs had indicated that the 63-year-old commander-in-chief had lost considerable weight and that the burdens of office were bearing down upon him. However, his personal physicians were stunned by the suddenness with which he was stricken and while preparing a speech for delivery this week.

Six other presidents of the United States have died in office.

Lenawee Pays Tribute

Tecumseh and Lenawee county paid tribute to the memory of President Franklin D. Roosevelt with special services in the churches, the schools and by the closing of stores and business houses during the period of the funeral services at the White House, Saturday afternoon.

News of the President's death was heard by radio shortly before 6 o'clock in Tecumseh, Thursday evening, and almost immediately Mayor J. Floyd Elliott issued a proclamation, asking that flags be displayed at half-staff and that all places of business close for 30 minutes during the funeral, Saturday.

Special memorial services were held at a general assembly in the high school, Friday morning, at which time brief talks were made by W. L. Berkhof, superintendent, and Alvin Brazee. Jack Tonneberger sang "The Lord's Prayer."

Similar services were held in most of the other schools in the county on Friday and in Adrian and in the several villages of Lenawee business was halted Saturday afternoon for the White House service. A special church service also was held in Adrian, Saturday afternoon.

In accordance with a WPB order, factories did not halt their war work, except for a three-minute period of silence, Saturday.

Flags will continue to fly at half-staff for a period of 30 days in keeping with an official state proclamation.

RIDGEWAY GIRL WEDS PFC. DELMAR DUNHAM

Miss Wilma Cowen, daughter of Mr. and Mrs. John Cowen of Ridgeway and Pfc. Delmar Dunham, son of Mrs. Daisy Bartells of Britton, were married Thursday by the Rev. Norman MacNaughton at the Methodist parsonage here. The double ring service was read and the couple were unattended.

Pvt. Dunham who returned in January from nearly three years in the Pacific is now stationed at Ft. Knox, Ky. Mrs. Dunham will continue with her work at the Coller Studio for the present.

BURIED IN RIDGEWAY

Funeral services were held Friday at Niblack Funeral Home in Britton for Christian Drum, 52, of Milan township, who died April 10 at University hospital in Ann Arbor. Mr. Drum had been ill for several months at the hospital but had returned home and on April 6 fell and broke his arm.

He leaves two brothers Frank and Phillip of Detroit and a sister Mrs. Paul Metzer of St. Charles.

Rev. A. B. Johns officiated and burial was in Ridgeway cemetery.

Town Frowns Upon Use of War Prisoners

The village council frowned upon the use of prisoners of war in local manufacturing plants when it passed a resolution at its meeting here Monday evening, instructing Wade L. Jones, clerk, to register [illegible] War Labor Board and the U. S. Employment Service against the allocation of prisoners to industry in this area. The council said that it had been advised that certain plants here might, in the future, furnish employment to prisoners.

Club licenses for the Fraternal Order of the Eagles and the Tecumseh Club were approved by the council. A Toledo engineering firm was paid $2,418.05 for its services in drafting plans and specifications for the construction of sewers and a sewage disposal plant here, after the war.

Current bills were audited and ordered paid and the meeting adjourned until the first Monday in May.

3 Tons Clothes Collected Here

DRIVE TO BE EXTENDED TO APRIL 30 IN THE HOPE THAT MORE WILL BE GIVEN

Tecumseh's drive for old clothing in connection with the United Clothing Collection Drive, nationwide, will be extended to Monday, April 30, Jack Smith, chairman said today. Thus far, Tecumseh village and township have contributed three tons of clothing for the needy in the war areas of Europe and the world.

"The drive locally is meeting a hearty response but I am convinced that there are still many thousands of pounds of clothes in the closets of residents here that could be contributed to this worthy cause," Mr. Smith declared. "These war victims are not asking that we buy them something new, they are asking that we give them only the garments that we have outgrown or discarded and that are doing no one any good hanging in our clothes presses."

The headquarters of the local drive is in the old Palman building on East Chicago boulevard. It is open each Tuesday, Friday and Saturday from 10 a.m., to 6 p.m. Contributors are asked to bring clothing on those days or to call Bancroft Cleaners or the Watkins Shop and a car will be sent to make the pickup. In the rural areas this work is being cared for by the Grange.

"I have hoped that we might get 10,000 pounds of old clothes to send to the war areas," Mr. Smith said. "We now have about six thousand pounds and I think the amount can be greatly increased."

The drive locally is in charge of the American Legion and Auxiliary. Representatives of those organizations are at the headquarters and are giving of their time to sort and pack the clothes as they come in. All types of garments are needed, for men, women, children and infants.

LT. LA BOUNTY BACK FROM SOUTH PACIFIC

Mrs. Raymond La Bounty, English and art teacher in the local schools, left Monday for Bremerton, Wash., to join her husband, Lt. (jg) La Bounty who has returned from 18 months duty aboard an aircraft carrier in the South Pacific. Lt. La Bounty is damage control officer on his ship and has participated in most of the major engagements in the Philippine and Tokyo areas. Mrs. Edith Cotton Smith is substituting for Mrs. LaBounty during her absence.

DISTRICT NURSES MEET

The Lenawee District Nurses' Association held a dinner meeting Tuesday evening at the Tecumseh Grange hall and tables were most attractive with centerpieces of Spring flowers. Following the business meeting a program of garden music was presented by Mrs. R. S. Moore, Mrs. Harley McConnell and Mrs. Kenton Hunt. Miss Pearl Patterson of Adrian gave an interesting talk on her work as nurse at the hospital of the Girls Training School.

$5,000 FIRE LOSS

Fire of unknown origin destroyed the farm home of Milo Denney in Franklin township Sunday morning. The blaze was out of control by the time the Adrian rural fire department arrived and efforts were confined to preventing the fire from spreading to the nearby buildings. The loss was estimated at $5000.

V-E Services Will Be Held

PROGRAM COMPLETED FOR THE DAY THAT VICTORY ARRIVES IN EUROPE

The Rev. Edward Escolme of the Tecumseh Ministerial Association, announced today that plans have been completed locally for the observance of V-E day—that time when hostilities cease in Europe.

If official notice of the end of the war in Europe arrives before one o'clock in the afternoon, the services will be held at 3 o'clock on that day. If notification arrives after 1 o'clock, the Rev. Mr. Escolme said the services would be held on the following day, at 3 p.m. The services will last for 45 minutes.

Services will be held in the Methodist, Presbyterian and Baptist churches, simultaneously, with school children going to the Baptist church and adults to the other churches. Ministers of the several cooperating churches will have charge of the programs which will include the singing of hymns, the reading of the Scripture, and prayer.

Cooperating churches in the community srevices are the Baptist, Friends, Methodist, Presbyterian and St. Peter's Episcopal. Mr. Escolme also announced that these firms had agreed to halt work that employees might attend the programs: Tecumseh Products, Quaker Oats Co., Bruce Foundry, Meyers Aircraft, Hayden Mills. The public schools also will close as will all stores and offices in the downtown area.

School Choral Groups To Give Extravaganza

The choral groups of Tecumseh high school under the direction of Mrs. John D. McColl will again present the musical extravaganza, "Let There Be Music," in the high school auditorium April 26 and 27. There will be all new stage settings, new chorus and dance numbers and lighting effects. Fifty students will take part.

Last year's etxravaganza was accredited as one of the best school entertainments presented here in some time and Mrs. McColl hopes to keep up this record.

There will be solo numbers, a tap dancing chorus and a ballet chorus. Solos will be given by Joyce Ziegler, Jack Tonneberger, Dermont Poley and Martha Jane Kempf. Those taking part in the dancing choruses are Alva Lerch, Jeannine Clark, Marion Gilman, Edna Reed, Patsy Wilson, Marilyn VanWinkle, Jeanne Swick, Rhoda Hunter, Martha Jane Kempf, Martha Hewlett, Emma Rae Witt, Dorothy Higgins, Lucille Murdoch and Louise Wilson.

The performance will begin at 8:30 so it will be dark enough to have proper lighting effects.

WED IN OHIO

Mrs. Maxine Bumpus of Tecumseh and Marion Bieber of Deerfield were married recently in Bowling Green, O., and are making their home in Deerfield. A party in their honor was given by a group of 25 friends at the bride's former home on South Evans street Saturday evening and they were presented with gifts.

P. E. O. TO MEET

Mrs. Marjorie Allen will be hostess to Chapter AJ, P.E.O., at her home northeast of town on Tuesday afternoon, April 24 at 2 o'clock.

Monday Club Holds Annual Spring Party

The annual spring luncheon of Tecumseh Monday Club was held Monday in the Methodist church parlors, and was served by the Methodist Women's Society of Christian Service. Tables were appropriately decorated with spring flowers and in observance of Garden Week, a program of garden music was presented under the direction of Mrs. R. S. Moore.

During the business session annual reports were given and it was decided to hold future meetings in the homes of members beginning October 1.

New officers of the club are Mrs. Fay Whelan, president; Mrs. Perry Hayden and Miss Ethelyn Gartinge house, vice presidents; Mrs. George E. Green, recording secretary; Mrs. Mertie Waring, corresponding secretary and Mrs. Wm. Barnes, treasurer.

Thompson's Inn Gets Suspension

BEER LICENSE ORDERED REVOKED FOR TWO YEARS BY STATE COMMISSION

A two-year suspension of the beer license at Thompson's Inn on US-112, near Sand Lake, was ordered last week by the State Liquor Control Commission, and it was further directed that a beer garden could not be operated in that location for a period of a year. The Inn is owned by James B. Thompson of Ann Arbor.

The suspension order came as the result of a drive on county taverns by Prosecutor L. B. Kuney, who ordered a crack-down on gardens following an accident near Sand Lake a few weeks ago in which four young people were killed and three others injured.

Joyce Kennedy of Adrian, 17-year-old driver of the death car, told officers that he had purchased a case of beer at Thompson's before the fatal crash.

Two of Thompson's employees, his manager and a barmaid, are under bond to appear in justice court at Adrian on May 3, in connection with the sale of beer to a minor. The case was to have been heard today but was postponed for a week to permit state police to obtain further witnesses to testify.

The Liquor Commission also revoked the license of Dot and Jack's tavern, operated by Evan Phillipoff in Adrian, for a period of seven days, ending May 1. A Pittsford boy, arrested for reckless driving when he cut in and out around a Clayton school bus, is said by officers to have been found drinking beer in the tavern. He was aged 17 years.

PRESBYTERIAN LEAGUE

Mrs. Bertram Updyke, Mrs. James Elliott and Mrs. Howard Truesdale were hostesses to the Presbyterian League Tuesday evening in the home of Mrs. Updyke. Mrs. Harold Wilson was in charge of the program on "Hobbies" and Miss Bernice Parker led the devotions.

Clinton Yard Sold To Moore

LOCAL COAL, LUMBER FIRM BUY M. J. PARDEE BROS., NOW IN POSSESSION

Purchase of the M. J. Pardee Bros. lumber and building supplies business at Clinton was announced this week by R. H. Moore of the R. S. Moore & Son Co., of Tecumseh. The Moore company now operates yards here, in Britton and in Clinton.

Mr. Moore said that in the future the Clinton yard would be known as R. S. Moore & Son Co., and that it would continue to carry as complete a line as war-time restrictions will permit. It will specialize in lumber, building supplies, shingles, etc., he said. Forrest Lemm, manager for Pardee Bros., will continue to manage the business.

"There is not much that we can do at this time in the way of expansion," Mr. Moore said, "because of the war. However, as soon as Victory comes and we can again buy without restriction, it is our plan to modernize the Clinton yard and increase the volume of supplies."

The R. S. Moore & Son Co., is one of the oldest lumber and building supplies dealers in the county. In Tecumseh and Britton the firm carries a complete line of fuels. It also operates the Tecumseh Sash & Door company, here.

Mrs. Walter Spengler, Former Resident, Dies

Mrs. Walter Spengler, aged 54 years, died suddenly Thursday at her home in Elmira, O. Mrs. Spengler who was formerly Florence Thurlby, was born in Tecumseh and was a daughter of Mr. and Mrs. John Thurlby.

Waste Paper Pick-up Here on Saturday

The regular monthly waste paper pickup by the Boy Scouts of Tecumseh will be on Saturday, April 21, and similar collections will be made on the third Saturday of each month, it was announced.

The Scouts have asked the public's cooperation in the pickup, because of a shortage of help. Many of the older Scouts are working in their off-hours in war plants, and the work of collecting the paper falls on the younger boys.

Residents are asked to tie waste paper in bundles and place it on their porches or in other conspicuous places, that it may be easily seen and collected. The entire town will be covered on Saturday, Scout executives said.

Gas Franchise Gets Approval

ONLY TWO NEGATIVE VOTES ARE CAST AT SPECIAL ELECTION HELD, MONDAY

By a vote of 173 to 2, electors in Tecumseh on Monday approved the council's proposal to grant a 30-year franchise to the Consumers Power Company to furnish natural gas to this village. It was a very light election, considering the fact that there are more than 1,700 eligible voters here.

Under an agreement with the village, Consumers must bring the gas service to the village within a three year period, otherwise it forfeits its franchise. H. H. Koelbel, district manager of the company, with offices in Jackson, assured the council that the work would be done at the earliest date, depending, of course, upon the length of the war. He expressed a hope, however, that work might be started this summer or fall.

Gas to be consumed here will come from the fields of Texas, Kansas and Oklahoma; the pipeline passing through this area only a few miles east of Tecumseh. Consumers plans to tap this line and to make natural gas available here, both for home and industrial use.

Franchises similar to the one approved here on Monday already had been voted upon favorably by electors in Clinton and Manchester.

The Consumers company is of the opinion that natural gas will be in great demand here after the war for house heating purposes, cooking and water heating. It also has a great many industrial uses, the company pointed out, that will be important in the post-war period.

Lenawee County Hit By Heavy Windstorm

Tecumseh and Lenawee county escaped the seriousness of a 70-mile gale that swept some sections of Lenawee, Michigan, about 6 o'clock Tuesday afternoon, before thousands of dollars damage in the Detroit area, flattening buildings in Hillsdale and raising havoc in the Jackson and Kalamazoo districts.

Locally, the Consumers Power Co. reported that the most serious damage was from falling branches, causing an interruption in electrical service in several sections of town. In the Britton and Ridgeway areas and on the Ridge, trees were uprooted and both electrical and telephone service was interrupted. In Adrian, 300 phones were out of commission.

The storm was accompanied by a heavy rainfall.

MRS. EDA DAISHER FUNERAL ON SUNDAY

Mrs. Eda Daisher, widow of the late Ernest A. Daisher died Wednesday morning at the Will Home on South Union street where she had been cared for the past 14 months. She had been ill for some time and had been a patient in an Ann Arbor hospital before entering the Will Home.

A WARRIOR PASSES

The death of President Franklin D. Roosevelt last Thursday afternoon at "the little White House" at Warm Springs came as a shock to the United States and to the world. A great leader, a warrior who sacrificed his life in an effort to establish world peace, he will be remembered in death for his conviction that the future security of the world lies in nations working together as good neighbors.

As the Nation paused to pay tribute to its departed President the reigns of government were handed over to a new leader, Harry S. Truman. And, as Hitler and his Axis partners paused to wonder just what effect Mr. Roosevelt's passing might have upon the war, the new President issued a statement that the battle for peace would be prosecuted without interruption, that the conference of the United Nations, scheduled for San Francisco this month, would be carried out on schedule.

That is the way of the United States. This is not a one-man nation, a one-man government. True, a president had died, but his death did not mark the end of democratic government or the end of the war, but rather the beginning of a new era, a new determination on the part of all Americans to speed up the work of ending a conflict that has threatened civilization.

The eyes of America and the world are today upon the new President, Harry S. Truman. He must play an important role in the peace that is to be written, a lasting peace, we hope and pray.

President Truman faces an enormous task. We doubt that any other President faced a greater one. He is entitled to the support not only of this Nation but of the United Nations because upon the decisions that he must make will depend the security of the world.

Notice to The Public

We desire to announce that we have purchased the M. J. Pardee Bros., lumber and building supply business in Clinton, taking possession as of Monday, April 16.

In the future the business will be operated under our firm name, R. S. Moore & Son, Co., and as quickly as conditions will permit we plan to modernize the plant and increase the stock of materials and supplies. We will, however, during the war, have as many materials available to customers as priorities will permit.

Pay Us a Visit

We will be happy to meet all Pardee customers at our new location. Mr. Forrest Lemm, who has been in charge of the management of the business for many years will continue in that capacity. Therefore, you will not be meeting a "stranger."

The purchase of the Pardee property now enables us to better serve this community and its trading areas from our three yards—Tecumseh, Britton and Clinton.

LIBRARY NOTES

Ruth Harding, Librarian

Miss Helen Clark, assistant librarian of the Michigan State Library at Lansing, was a visitor in our library recently. She was pleased with our building and complimentary of our set-up.

The Library has a new bulletin board on which there are current and timely displays. Have you seen the garden display and received one of the free garden bulletins which are available?

We are grateful to Mrs. Hoyt Whelan, Mrs. Bertram Updike and Miss Consuelo Rodriguez for magazines which they have given us.

Several people have remembered us recently with gifts of books. Among those who have shared with us are Mrs. Margaret Kidman, Mrs. C. C. Ruppel, Mrs. Marion G. Davis, Mrs. Ellen Collins and the Baraca Bible Class of the Baptist church.

There are many new books at the Library. Some of them are Bugles in Her Heart by Larrimore, Freedom Road by Fast, Time for the Singing of Birds by Hill, Earth and High Heaven by Graham, Hard Facts by Spring, Cluny Brown by Sharp, Green Dolphin Street by Goudge, Leave Her to Heaven by Williams.

For the latest books see our rental shelf.

COMMUNICATION

To the Public:

I visited our public library last week, and to the right of the entrance, I noticed a table with rebound books. I asked Miss Harding about them and she showed me other books for smaller children before and after rebinding. It was a delight to observe this fine workmanship. Before leaving Miss Harding mentioned that she had about 100 books that needed rebinding, but the budget for this year was exhausted.

The library is an extension of all the homes of Tecumseh, a place where our children grow and develop. We want them to have the best in order that we have the best children. Why not drop in the library, look over this situation, and if you feel like I did, when you leave hand Miss Harding a few dollars? Perhaps some civic minded group needs a project? Whether you do or whether you don't, I will do my part.

Man About Town.

BACK FROM PACIFIC

MIAMI BEACH, Fla., Mar. 22—Sgt. George J. Baughey, 23, son of Mrs. Marie Booker of Tecumseh, Mich., has returned from service outside the continental United States and is now being processed through the Army Ground and Service Forces Redistribution Station in Miami Beach, where his next assignment will be determined.

High School Will Play First Ball Game, Friday

Tecumseh high school's summer sports season is beginning to take shape with the first baseball game scheduled for Friday after a track meet on the local field yesterday with Blissfield.

Of the 21 to report for baseball less than half saw action last season. Missing this season through graduation are such players as: Jack Brown, Cliff Jackson, Max Brandt, Dalton Van Valkenburg, who made up most of the starting nine in last year's championship squad, which won six out of seven contests.

To see plenty of action in the first game with Adrian on their home diamond tomorrow will be: J. Murdoch 3B, B. Randall 1B, D. Poley SS, C. Brancroft 2B, T. Judd P, D. Hamilton C, J. Osburn CF, D. Titley RF, T. Sisson LF, R. Spreeman P, and B. Hayden C. Some of these played first string last season but others did not even play and still others are being converted to new positions.

Rounding out the remainder of the schedule are games with: Blissfield, there, April 22; Addison, here, May 4; Manchester, there, May 11; Clinton, there, May 15; Hudson, there, May 18; and Morenci, here, May 25.

Also on the track schedule for meets are teams from: Dundee, there, April 25; Clinton, here, May 2; Ypsi Roosevelt, there, May 7; All-County meet at Adrian, May 9; and L.C.A.A. track and field meet at Adrian, May 16. The track team, too, is expected to have a good season.

W. C. T. U. GROWS

At the first regular meeting of the newly organized W.C.T.U. held in the home of the president, Mrs. Perry Hayden, six names were added to the membership, making a total of 30 members and 10 honorary members. The constitution and by-laws were adopted and the purposes and aims of the society were explained by Mrs. H. H. Loveland.

A meeting of the executive board will be held Tuesday afternoon, April 24, at the home of Mrs. Howard Everhart on East Kilbuck street.

HONOR BIRTHDAYS

Does Your Car Shimmy? Are the Wheels out of Balance?
How does your car drive? Does it shimmy? Are you wearing out your tires prematurely?
If your car pulls to the side of the road, if at times the front wheels shake, it's time that you brought it to us to have the wheels balanced.
Certainly, you can "get along" with it, but you are only kidding yourself because when cars shimmy and pull you are wearing out your tires, unnecessarily. This is especially true with recapped tires.
Bring your car to us today for a test.

Only 60% of Your Poultry Cost is Feed

Some flocks will consume more, and others less, but the average consumption of feed for a flock of 100 birds is as follows:

100 lbs. feed first 4 weeks
360 lbs. feed first 8 weeks
765 lbs. feed first 12 weeks
1255 lbs. feed first 16 weeks
1825 lbs. feed first 20 weeks
2475 lbs. feed first 24 weeks

With these figures to go by it is good business to buy only the amount of chicks you can properly feed. Every pound of feed you short your chicks will cut deep into your profits. Since feed represents only 6% of the total poultry program why not get the very best feed you can buy.

HASTEN FOR HAYDENS STARTER AND GROWER

What Will You Harvest From Your Garden?

You may think that it's a bit early to say just what the harvest from your Victory Garden will be, but we can tell you that the harvest will depend largely upon the type of seed that you plant.

That is the reason that we urge you to plant our pre-tested garden seeds—seeds that have been tested at the nurseries—seeds that are certain to grow.

We have a large stock of seeds, sufficient to supply all of your needs. Before you plant, come in and inspect our stock.

1000 lbs. of Milk From a Brood Sow in 8 Weeks

Of course it does not seem possible, but stop and figure!

Most hog men wean at the age of 8 weeks. The average sow will produce about 1 quart of milk per day per pig in the litter.

Therefore a nursing sow with 8 pigs will produce about 448 quarts of milk or about 1000 pounds of milk (containing 8 to 10% butter fat). Just another reason why that sow should be fed a ration containing

AN ORDINANCE

Adopted March 12, 1945 by the Village Council and Approved April 16, 1945 By The Voters of The Village of Tecumseh, Granting a Natural Gas Franchise to The Consumers Power Co. for a period of 30 years.

AN ORDINANCE, granting to **CONSUMERS POWER COMPANY**, its successors and assigns, the right, power and authority to lay, maintain and operate natural gas mains, pipes and services on, along, across and under the streets, alleys, bridges and other public places, and to do a local natural gas business in the **VILLAGE OF TECUMSEH, LENAWEE COUNTY, MICHIGAN**, for a period of thirty years.

THE VILLAGE OF TECUMSEH ORDAINS:

SECTION 1. That wherever the word "Grantee" appears in this ordinance, it is hereby intended to designate, and shall be held to refer to the Consumers Power Company, a corporation duly authorized to do business in the State of Michigan, its successors and assigns.

SECTION 2. The right, power and authority is hereby granted and vested in said Grantee to lay, maintain and operate natural gas mains, pipes and services on, along, across and under the streets; alleys, bridges and other public places, and to do a local natural gas business in the Village of Tecumseh, Lenawee County, Michigan, for a period of thirty years, unless, within a period of three years from the effective date hereof, this franchise be revoked for Grantee's failure to construct its distribution system and commence serving the inhabitants of the Village, as provided in Secion 9 hereof.

SECTION 3. No street, alley, bridge or other public place used by said Grantee shall be obstructed longer than necessary during its work of construction or repair, and shall be restored to the same good order and condition as when said work was commenced. No part of any street, alley, bridge or other public place of said Village, including any public drain, sewer, catch basin, water pipe, pavement or other public improvement, shall be injured, but if, due to Grantee's failure to use due care, any such damage shall occur, the Grantee shall repair the same as promptly as possible and, in default thereof, the Village may make such repairs and charge the reasonable cost thereof to and collect the same from Grantee. Said Grantee shall save the Village harmless from all liability or damage (including judgments, decrees and legal court costs) resulting from its failure to use due care in the exercise of the privileges hereby granted.

SECTION 4. Said Grantee shall be entitled to charge the inhabitants of said Village for natural gas furnished therein, the rates as shown by the schedule now on file in the offire of the Village Clerk, unless and until the Michigan Public Service Commission or its successors, to which Commission the authority and jurisdiction to fix and regulate natural gas rates in said Village is hereby granted and conferred for the term of this franchise, shall fix and establish different rates, in which case the rates so fixed and established, if just and reasonable, shall prevail. Such rates shall be subject to review and change at any time upon petition therefor being made by either the Village of Tecumseh, acting by its Village Council, or by said Grantee.

All bills for natural gas furnished by the Grantee shall be payable monthly, and said Grantee may collect the minimum charge as specified in the rate schedule heretofore referred to. The Grantee shall also furnish and maintain commercially accurate meters to measure the natural gas so furnished, and, it shall, by its representatives, have at all reasonable times, access to the premises of its customers, for the purpose of reading, inspecting, installing, replacing and removing such meters.

SECTION 5. Said Grantee shall construct and extend its gas distribution system within said Village, and shall furnish natural gas to applicants residing therein whenever the amount of gas to be furnished thereby shall provide an adequate and reasonable return upon the cost of making such extensions and providing such service.

SECTION 6. Said Grantee shall, before entering upon any street, highway, alley or other public place for the purpose of constructing or installing any mains, pipes or other apparatus, notify the Village Clerk, in writing, of the proposed construction or installation, and shall, if the Village Council so requires, file with the Village Clerk, a sufficient plan and specification showing the nature and extent of the proposed construction or installation. Said Grantee shall also, when requested by the Village Council, cause to be furnished to the Village Clerk, a map showing distribution of its gas mains as originally installed, and be prepared to revise said map once yearly, as soon after January 1 of each year as possible, during the period of this franchise.

SECTION 7. The rights and authority herein granted are not exclusive. This franchise shall not be leased, assigned or otherwise alienated except to a corporation which shall be the lessee, assigns or grantee of all of the gas properties of said Grantee within the Village of Tecumseh and which will comply with the terms and provisions hereof. The Grantee shall be under no obligation to supply any other form of gas than straight natural gas, and its obligations in respect thereto shall continue only so long as it is able to obtain an adequate supply of such natural gas satisfactorily for service hereunder.

SECTION 8. Said Grantee shall, as to all other conditions and elements of service not herein fixed, be and remain subject to the reasonable rules and regulations of the Michigan Public Service Commission or its successors, applicable to natural gas service in said Village. It shall conform with the "Standards of Gas Service" applicable to natural gas, as prescribed from time to time by said Michigan Public Service Commission or its successors, which standards are presently set forth in said Commission's Order No. 1982. No provision of this ordinance, however, shall prevent the Village from exercising any lawful authority or regulatory power that may now or hereafter be possessed by said Village.

SECTION 9 The franchise granted by this ordinance is not subject to revocation, and shall be and become valid and binding only upon its approval by the affirmative vote of at least three-fifths of the electors of said Village voting thereon at a regular or special municipal election to be held in the manner provided by law. Such franchise shall not be submitted to the electors unless the Grantee shall, within thirty days after the adoption of this ordinance, file with the Village Clerk its written acceptance hereof; and such franchise, when accepted by the Grantee and approved by the electors as herein provided, shall constitute a contract between the Village and the Grantee, and shall be in force and effect for the term of thirty years from and after the date of approval by said electors. In case said Grantee shall not, within a period of three years from the effective date hereof, construct its gas distribution system in said Village and commence serving the inhabitants thereof, then in such event this franchise may thereupon be revoked by the Village Council at any time.

NOW, THEREFORE BE IT RESOLVED: that the Village Council endorse the program of the Board of Education and compliment them for their action in preparing for the future needs of our school children in the community, and,

BE IT FURTHER RESOLVED: that the Village Council cooperate with the Board of Education to the fullest extent within their power, to bring about a successful completion of their building program, and,

BE IT FURTHER RESOLVED: that a copy of this Resolution be presented to the Board of Education.

The foregoing Resolution introduced by Councilman J. H. Rohweder, supported by Councilman E. H. VanVleet and unanimously adopted at a meeting of the Village Council held in the Council Chambers on Monday, the 2nd. of April, A. D. 1945.

J. Floyd Elliott, Mayor.

ATTEST:
Wade L. Jones, Village Clerk.

President Elliott appointed the following members of Election Board for Special Election to be held April 16, 1945.

Inspectors — F. E. Smalledge, Sam Sisson, Mrs. H. V. Tuckey, Bess Spayde.

Clerks—Myrna Tingley, Minnie Russell, Henrietta Lindsley, Iva Marsh.

Gate Keepers — John Wyrill, George Rubadou, Robert Quackenbush, A. S. Rogers.

Moved and supported that appointments be confirmed. Motion carried.

Moved and supported that Village dump be closed. Motion carried.

On motion, Council adjourned.

J. Floyd Elliott, President
Wade L. Jones, Clerk.

MINUTES OF THE BOARD OF EDUCATION MEETING
April 16, 1945

The meeting was called to order by the Vice-President, Mr. Larsen. Members present were Mr. Larsen, Mr. Satterthwaite, Mr. Lindsley, and Dr. Brown. Member absent, Mr. Touborg.

The minutes of the last meeting were read. Mr. Larsen suggested the addition of a statement to the minutes that the proposed salary increases for the next school year are contingent upon a $5,000 increase in State Aid to the district. It was moved by Dr. Brown and seconded by Mr. Satterthwaite that this statement be incorporated into the minutes and that they then be approved. The motion was carried.

It was moved by Dr. Brown and seconded by Mr. Larsen that, effective immediately, the minutes of each Board of Education meeting, including bills approved for payment, be published in the Tecumseh Herald. Mr. Satterthwaite and Mr. Lindsley expressed the desire to have the motion tabled until the next board meeting to permit an investigation of the cost of this proposal to the district. An aye and nay vote revealed Mr. Larsen and Dr. Brown voting for the proposal and Mr. Lindsley voting against the proposal with no vote cast by Mr. Satterthwaite.

It was moved by Dr. Brown and seconded by Mr. Satterthwaite that bids be requested from dealers on the annual supply of coal used by the district during the fiscal year from July 1 to June 30; bid prices to include the cost of delivery. The motion was carried.

Upon motion made by Mr. Satterthwaite and seconded by Mr. Lindsley the bills as incorporated into the minutes, amounting to $2,025.12, were approved and ordered paid.

It was moved by Mr. Lindsley and seconded by Mr. Satterthwaite that the preliminary sketches of the proposed new high school building as prepared by the firm of Butsch and Munger be accepted. The motion was carried.

The following Resolution was presented for consideration and was acted upon by the Board of Education as indicated in the Resolution.

RESOLUTION

School District No. 7.

Township of Tecumseh, County of Lenawee and State of Michigan, April 10, 1945.

A regular meeting of the Board of Education of said district, held in the office of the superintendent in said district on the 10th day of April A. D. 1945 at 7:30 o'clock P.M.

Meeting called to order by Mr. Larsen.

Members present Mr. Satterthwaite, Mr. Lindsley, Dr. Brown, Mr. Larsen.

Members absent, Mr. Touborg.

The following preamble and resolution were offered by member Mr. Satterthwaite and supported by member Mr. Lindsley.

WHEREAS, in the opinion of Board of Education it is deemed to be desirable to create a sinking fund, as provided in Act 223 of the Public Acts of 1941, to be used for the purpose of real estate for sites for, and the construction or repair of school buildings through the levying of a tax of 5 mills on the assessed valuation for a period of not to exceed five years;

NOW, THEREFORE, BE IT RESOLVED, that the Secretary of the Board of Education of said school district be and he hereby is authorized and directed to give notice of a special meeting of the qualified electors of said school district called to be held on the 17th day of May, 1945, by causing copies of said notice to be posted in at least five (5) of the most public places in the district, one of which places shall be the outer door of each and every school building in said district, at least six (6) full days prior to said 17th day of May, 1945.

BE IT FURTHER RESOLVED, that the notice of said special district meeting shall be in substantially the following form;

NOTICE OF A SPECIAL MEETING OF THE QUALIFIED ELECTORS OF SCHOOL DISTRICT No. 7, Township of Tecumseh, County of Lenawee and State of Michigan.

TO THE QUALIFIED ELECTORS OF SAID DISTRICT PLEASE TAKE NOTICE THAT a special meeting of the qualified electors of said school district will be held in the High School Gymnasium in said school district on the 17th day of May A. D. 1945 at 2:45 o'clock P.M. for the purpose of submitting the following propositions:

1. Whether or not said school district shall levy 5 mills for a period of 5 years, the years 1945 to 1949 inclusive, to create a sinking fund for the purchase of real estate for sites for, and the construction or repair of school buildings, and

2. Whether or not the limitation on the total amount of taxes which may be assessed against property in said district, for all purposes except taxes levied for the payment of interest and principal on obligations incurred prior to December 8, 1932, shall be increased for the years 1945 and 1946 to 2.1% of the assessed valuation of all property in the district and for the years 1947, 1948 and 1949 to 2.0% of the assessed valuation of all property in the district, as provided in section 21, article X of the Constitution of Michigan.

The polls of said special district meeting will be open from 3 o'clock P.M. until 8 o'clock P.M. on said 17th day of May A. D. 1945.

This notice is given by the order of the Board of Education of said school district No. 7, Township of Tecumseh, County of Lenawee and State of Michigan.

Dated this 10 day of May A. D. 1945.

Jens Touborg,
President.
P. C. Satterthwaite,
Secretary

BE IT FURTHER RESOLVED, that the forms of the ballots to be used at said special meeting shall be as follows:

THE OLD JUDGE SAYS...

"When you think of the sacrifices our fighting men are making in this war, it's hard to figure out how we'll ever repay them, isn't it, Judge?"

"Yes, it really is, Tom. There are only certain things we can do. Such as...write them cheerful letters often. Send them favorite gifts from time to time. Work harder than ever to provide them with everything they need to finish their job quickly. Buy more and more War Bonds... especially during the current drive... to pay for the ammunition and fighting equipment they must have."

"All that still seems kind of small compared with what they're doing for us, Judge."

"True, but it's about all we older folks back home can do, Tom. Except one more thing. And that is to be sure our fighting men come home to the same kind of country they left behind. The kind of country their letters tell us they want. Nothing changed that they don't want changed while they're away and unable to express their wishes."

15 YEARS
A FORD DEALER

(Each week, in this space, we review one year of Tecumseh's history in the 15 years that we have been in business here, taking the years in order since 1929. Watch this space, you'll find the stories very interesting).

Our sixth year in business in Tecumseh—the year 1936—found us optimistic as to the future of this village with its newest industry, The Tecumseh Products Company, humming with activity and other industrial leaders reporting an upturn in business.

Nonetheless, the depression was still with us as these prices will indicate: Hamburg and sausage were selling at two pounds for a quarter, choice beef roasts were 21 cents a pound and pastry flour was 69 cents for a 24½ pound sack. Donuts were 10 cents a dozen and butter was 33 cents a pound and there was plenty of Alaska pink salmon at 10 cents a can.

Folk in the Britton area were placing a lot of hope in the value of an oil well that was being "shot" on the McCarbery farm. The Al Bagshaw home on W. Kilbuck street was badly damaged by fire as residents were praying for a break in the 23-day-old cold wave which held the mercury below the zero mark, sometimes 11 below.

We announced the arrival of the new Ford V-8 and also a plan of financing whereby a car might be purchased on an extended payment plan for as little as $25 a month.

E. M. Campbell was elected president of the village, defeating E. E. Berry, and Wade L. Jones defeated Harry Duncan for the office of village clerk. A. O. Howard defeated Frank Buck for the office of township supervisor.

The Community Church at Tipton celebrated its 100th anniversary, and the Christian Science Society opened its newly redecorated reading rooms and church on N. Union street, with many out-of-town guests. The Clinton Episcopal church also prepared to observe its Centennial and the Immanuel Lutheran church on the Ridge reached its 75th birthday.

Fifty students received their diplomas from the Tecumseh high school and 13 others from Henry Ford schools operated in this area. Tecumseh had 705 children of school age and the tax rate was $8.50 per $1,000 assessed valuation.

Mayor Campbell announced the purchase of the parking lot site, at the rear of The Herald office and in July the mercury set a new high mark in a seven-day heat wave, thermometers recording a temperature of 108.5.

The WPA inaugurated a sidewalk building program here in an effort to furnish more employment. W. D. Hite opened a new auto supply store on E. Chicago boulevard.

A Democratic landslide returned Franklin Roosevelt to the White House for his second term and Frank Murphy was elected governor of Michigan.

In November we announced the new Ford V-8 for 1937, powered by either of two engines, the '85 and the '60, horsepower.

The Friends church observed its 45th anniversary.

Santa was to visit Tecumseh over the Christmas holiday and, despite a shortage of employment, the community prepared for a gay observance.

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER THIRTY | TECUMSEH, MICHIGAN, THURSDAY, APRIL 26, 1945 | FIVE CENTS PER COPY

Canning Sugar Available May 1

TO GET 5 POUNDS LESS THAN 1944; BLANKS AT VILLAGE CLERK'S OFFICE

Canning sugar blanks will arrive in Lenawee county May 1 and in the Tecumseh area they may be obtained at the office of Wade L. Jones, village clerk, it was announced today by the Office of Price Administration at Adrian.

"Blanks must be filled out COMPLETELY and MAILED to the ration board at Adrian," Frank A. Mills, chief clerk, said. "No coupons will be issued at the board office. To save confusion, residents are asked not to come to the board's office, but to mail the blanks and then await the arrival of the coupons."

When making application for sugar, Spare Stamp No. 13 in Ration Book IV must be attached to the application for each person.

The greatest change in the program this year over 1944 is that each person will get five pounds less canning sugar than last year and whereas there was no limit on a family unit last year there will be a limit of 160 pounds per family this year. The allotment per person is 20 pounds, but the maximum for a family is 160.

Kenneth A. Carlisle, district board supervisor, made this statement regarding the sugar rationing.

"To make sure that we shall have enough sugar for all war-time uses, we are tightening up the home canning sugar program for 1945. Last year, each applicant automatically was entitled to 25 pounds of sugar for canning, and no limits were placed upon the amount a single family could have. This year, each ration will be based on the applicant's actual home canning needs, up to 20 pounds a person and 160 pounds to a family.

"With sugar supplies feeling the pinch of a long war, we cannot afford an over-issuance of home canning sugar such as occurred last year."

Mr. Carlisle pointed out that in 1944 civilians used 61 million tons of sugar or 88 pounds per person. In 1945 there will be available only 5,400,000 tons for civilian use or 78 pounds per person. Several factors, mainly the lack of shipping, have contributed to the reduction. The 1945 program will provide enough sugar to can 5,234,000,000 quarts of fruit.

Specific limits on the sugar are as follows: maximum of five pounds per person for preserving jams and jellies; 15 pounds per person for canning fruit; 160 pounds for a family unit of which not more than 40 pounds can be for jams and jellies.

Applicants will be required to answer the following questions on the application blanks: how many pounds of sugar did you use in 1944 for making jams and jellies; how many pounds of sugar will you use in 1945 for making jams and jellies; how many quarts (or equivalent) of finished canned fruit will you can in 1945; how many pounds did you use for canning fruit in 1944; how many pounds of sugar did the board grant you for home canning and preserving in 1944; do you grow your own fruit?

Tells of Raids In So. Pacific

S/1c ROBT. WILLIAMSON ABOARD SHIP ATTACKING TOKYO AND IWO JIMA

Something about the war in the Tokyo area is told in an interesting letter by S/1c Robert Williamson, aboard the USS Flint, to his father, Leon P. Williamson, W. Chicago boulevard.

"When we left the states," the young seaman writes, "we stopped first at Pearl Harbor but soon departed enroute to the forward area, arriving here in time to see our first real action since being attached to the Flint. We were in the force which made the carrier sweeps on Formosa, in the Luzon campaign."

Shortly after that, the letter says, the Flint went to the China sea, a part of the first U.S. naval force to enter those waters since the war started. "It was during this operation," he writes, "that we came into actual combat with the enemy for the first time. Our ship and our crew came through with flying colors."

After a brief rest, the Flint and other naval vessels moved to the Tokyo area. "We were scheduled forward to the bombing of Tokyo," he writes, "and we are proud that we were in the first carrier task force to strike the Japanese homeland. We went in close enough to the mainland for our planes to operate at short range, and they did a dandy job. Many planes, ships, factories and other military installations were destroyed and damaged. We were prepared for the Jap fleet to come out to try to protect their homeland, but I guess they didn't consider it advisable."

After two days in the Tokyo area the Flint moved southward and was on hand to support the Marines in the landings at Iwo Jima, which he described as "a fierce struggle."

"We are still sailing toward victory," he concludes, "and will have news for you at a later date."

Hospital Lab To Open May 12

DR. BERNHARD STEINBERG OF TOLEDO HOSPITAL RESEARCH TO DIRECT

The new laboratory installed in the Tecumseh Hospital through the efforts of the Hospital Auxiliary, will be formally opened for a public inspection on National Hospital Day, Saturday, May 12, it was announced today. The laboratory, practically complete in every detail, cost approximately $2,000.

Miss Gertrude Spaulding, superintendent, said today that Dr. Bernhard Steinberg, director of the Toledo Hospital Research Laboratory, had been retained to direct the local laboratory, and he is at the present time looking for the services of a technician. As quickly as one can be hired the new hospital department will begin to function. It will enable the hospital here to make all of its own blood tests, urinal tests, etc., it was said, and all pathological work will be done by Dr. Steinberg at the Toledo hospital.

"We are very pleased with the new addition," Miss Spaulding said, "and Dr. Steinberg has complimented us very highly on the equipment. We believe that the new laboratory will fill a long felt need in this community."

The funds for the equipping of the new lab were raised through the efforts of the Hospital Auxiliary.

The public is invited to inspect the new laboratory on Hospital day between 2 and 4 o'clock in the afternoon. Tea will be served in the sewing room and hostesses for the day will be the Auxiliary board and members of the house and finance committees.

The "open house" will take the place of the regular May meeting of the Auxiliary. The next regular meeting will be on June 11, at the home of Mrs. Paul Keyser on N. Maiden Lane.

Clothing Drive To End Monday

ESTIMATE FOUR TONS OF CLOTHES FOR WAR-NEEDY ALL READY RECEIVED

Jack Smith, chairman of the American Legion-Auxiliary old clothing drive here in connection with the National United Clothing Collection, estimated today that this village and township had thus far contributed more than four tons of discarded garments. The drive will end on Monday, April 30, Mr. Smith said, and he urged that an effort be made to reach the five ton mark.

"The clothing that we are collecting will be shipped to New York and then to the worn-torn areas of the globe where, it is estimated, 125 million people are without sufficient garments to cover their nakedness. There is a desparate need for shoes, for infants' clothes, for garments for men, women and children," Smith said. "These folk are not asking for our money, or that we buy them new garments. They will be satisfied with what we have discarded."

The clothing headquarters here is located in the old Palman building on E. Chicago boulevard. The store will be open on Friday and Saturday, from 10 a. m., to 6 p. m. and it will be open again on Monday. Persons desiring to make a contribution may take the clothes to A. or Chevalier call Bancroft's or the Watkins Shop and a car will be sent. In the rural area this service is being given by the Grange.

Nationally, an effort is being made to collect 150,000,000 pounds of clothing for the war needy. There is every indication that the drive will go over the top.

Men and women of the Legion and Auxiliary are contributing their time to operate the drive locally, and also are sorting and packing the clothing for shipment.

Mrs. Della E. Brown Dies; Funeral Today

Mrs. Della E. Brown, aged 76 years, passed away Monday night at the home of her daughter Mrs. Carl Thomson on East Chicago Blvd., after several weeks illness. Mrs. Brown was born July 4, 1868 in Millersport, Ohio, and lived for many years in Illinois, moving to Britton in 1917, and coming to Tecumseh nine years ago to make her home. She was a member of the Britton Congregational church and Dorcas class.

Survivors are the daughter Mrs. Alta Thompson, two sons Don H. Brown of Manitou Beach, and Russell L. Brown of Britton; two grandsons Thomas C. and James R. of Britton; two brothers Robert Larimer of Rock Island, Ill., and Charles E. Larimer of Bloomington, Ill. Mr. Brown died in March 1930 and three brothers, one sister and a grandson Willard B. Thompson, also preceded her in death.

Tolerance is World's Need

PSYCHOLOGIST THINKS THIRD WORLD WAR WOULD BRING END TO CIVILIZATION

World peace depends upon the attitudes of the people of the world, Dr. Norman Mac Naughton, professor of psychology at Adrian College, declared Tuesday evening when he addressed the Tecumseh Rotary Club, following its dinner at Brees House. Dr. Mac Naughton also is the pastor of the Methodist church here. He was the guest of Dr. T. Rentschler.

People dislike to face the truth and often will believe only what they care to believe rather than admit reality, the speaker said. The psychologist expressed the belief that the old World Court would have worked, had the United States participated, and he expressed a doubt of the second World War had the League of Nations functioned.

Discussing the World Security Conference in San Francisco, Dr. Mac Naughton said that it is time for the people of the world to change their attitudes, to understand their neighbors across the oceans. The world will be bigger as a result of such an understanding, he declared.

A third World War, the professor thinks, would bring an end to civilization for centuries. He expressed a doubt that the United States or any other nations of the globe could survive another armed conflict.

"Think of it," he said. "If the world should fight another war and its bombs and planes increased in power as much as they have in this war, what would happen. How long would it take to blow civilization off the face of the earth? I doubt that this nation or any other nation could survive."

It is time then, Dr. Mac Naughton believes, that we faced reality and truth and made a genuine effort to settle differences at the peace table rather than on the battlefield. The fate of nations and civilization depend upon it, he thinks.

Any world court or league formed now may not be perfect, he pointed out, but at least it will be a beginning in the right direction. He warned that nothing is perfect in its beginning and urged tolerance and patience until it can be perfected.

B.Y.F. Association Guests Here, Sunday

The Baptist Youth Fellowship groups of Lenawee county were the guests of the local B.Y.F. Friday evening in the church where the Women's Union served supper to 125 young people. The program included group singing and during a short business meeting a constitution was read and adopted. The guest speaker, Rev. Leonard Gettings of Bath, Ohio, gave a very interesting talk on his experiences as a missionary in South America.

The local B.Y.F. was in charge of the church service Sunday morning, and met in the evening for their regular weekly meeting. Clarence Rodd, association advisor, and family of Temperance were guests. During the business meeting it was decided to have a party May 8 at the home of John Price. Kathleen Powell and Dorothy Schumm are in charge of the arrangements. The group discussed the subject, "How Christ can be seen in us," in which everyone participated. Next week the officers will be elected for the coming year.

"This is a very important meeting for these tractor owners and they should come, whether they purchased their equipment in Tecumseh or not. Every Ford tractor owner will want to hear the announcements that will be made," C. O. Butler of Butler Motor Sales, said.

Tecumseh Wins Sports Honors

INDIANS DEFEAT BLISSFIELD IN TRACK MEET, ADRIAN IN BASEBALL GAME

Coach Fred Raikz's Tecumseh high school Indians wins double honors last week, defeating Blissfield in a track meet here and defeating Adrian in baseball, the first non-league game of the season.

The Tecumseh track contenders swamped Blissfield by the overwhelming score of 87½ to 18½. By winning ten first places, the relay, and eight second berths, the Indians left the lowly Sugar Boys but one first in the high hurdles, and three seconds along with some third place points.

Lillard Brown, who collected 16¼ points, was the leader in the meet, winning the pole vault, high jump, and broad jump. Also for Tecumseh, were Hayden taking honors for the low hurdles and the 100 yard dash; Bancroft the mile run; Barber the 200 yard dash and shot put; Baldwin the 440 yard run; and Randall the 880 yard run.

The Braves' baseball squad also triumphed by winning a non-league contest 7-4, from the Adrian nine, a class B team last Friday.

Tom Judd, sophomore pitcher for Tecumseh, allowed the Maples but three hits and struck out eight men in the seven inning contest. The Teepee Boys, however, worked Platt and Hurlbut for seven hits to lead the two time winner of contests this year throughout the entire contest.

The Indians gained two runs in the first inning, three in the third, and two in the fourth, while Adrian pushed in their scores of two runs at a time in the third and fifth innings.

The Tecumseh hits were made by Hayden, who knocked out a triple and single; Hamilton the catcher, a pair of singles along with Randall; and Bancroft drove out a single to account for the final hit.

The next contest will take place at Blissfield tomorrow when the Orange and Black will be entertained by the Sugar Boys.

Mrs. Ruby F. Bachtal Dies After Long Illness

Mrs. Ruby Francis Bachtal, aged 30 years, died early Saturday in the home of her parents Mr. and Mrs. Ray Bachtal in Ridgeway, after a long illness.

She was born in Tecumseh, April 23, 1914 and graduated from Tecumseh high school in 1934.

Besides her parents she leaves a daughter Irene, two brothers Leo of Adrian and Robert at home. A brother John died in 1913, a sister Georgie in 1916 and a brother Pvt. Raymond Bachtal was killed in France in 1944.

Funeral services were held Monday afternoon at the Collins Funeral Home. Rev. Edward Escolme officiated and burial was in Brookside cemetery.

Mrs. Clyde Bailey was named to have charge of the honor roll of service men and women. The society voted to hold a bazaar in the fall. Old quilts were displayed by Mrs. Howard Truesdale and Mrs. Wilbur Boyce sang two numbers.

150 Laid Off At Ford Plant

CUT-BACK AT WILLOW RUN RESPONSIBLE; + LABOR STILL SHORT IN COUNTY

One hundred and fifty persons, about 30 per cent of that number women, were laid off last week at the Ford-Hayden Mill plant here, but there is still a definite shortage of male workers in Lenawee county, Clifford Rice of the United States Employment Service, declared today.

At the beginning of this week, Mr. Rice said, there were openings in Lenawee plants classified as essential for 388 male workers. He declared, however, that there is a surplus of female workers, pointing out that it would be difficult at the present time to furnish 30 women with essential jobs.

The cut-back at the Willow Run Bomber Plant was responsible for the slump in payroll at the Ford Mill here, it was said. The 150 layoff last week left about 125 on the Ford Mill payroll. Many of this number are doing "outside work" while others are completing jobs already in the course of production in the plant.

It was reported here today that there are less than 20,000 employees at the Willow Run plant as against some 75,000 at the time of peak production. The cut-back there came when the government announced that its future needs would be for bombers of a different type than were being made by Ford. It was announced, too, that the plant would be completely closed not later than August 1.

Mr. Rice said that the Bomber cut-back would effect about 200 men in Lenawee. Of that number, he said, many would go back to farm work, to stores and filling stations or to work fro themselves. He estimated that about 100 would be avialable for essential jobs.

"Men laid off at the Bomber and at the Ford Mill will be referred by us to essential top-rating plants in the county, particularly in the Tecumseh area, if that is where they live," Rice said. "Most of the Bomber workers from Lenawee lived in what might be called the Tecumseh area. Only about 50 might be available for work in Adrian."

Band Parents Club Names New Officers

The Band Parents Club met Friday evening at the home of Mr. and Mrs. Clark Goodacre and elected the following officers: Mrs. Goodacre, president; Mrs. Geo. E. Green, secretary, and Mrs. Geo. Hay, treasurer. A white elephant sale was held and a program of musical numbers was given by the Goodacre children and Clare Camburn. In conclusion refreshments were served.

The next meeting will be held May 18 at the home of Mr. and Mrs. John R. Lott.

Grange Ladies Must Banquet The Men

In the recent program contest conducted by Tecumseh Grange the ladies were losers and in payment will give a banquet for the men at the Grange hall Thursday evening at 7:30. All Grangers are invited and those not solicited are to bring potluck. Meat, potatoes and dessert will be furnished.

Another social evening for members and their friends will be held at the hall on Saturday evening with dancing and refreshments. Members are to bring sandwiches and either cookies or doughnuts.

Ernie Pyle

In a war that is being fought for and by the "little people" an "inconspicuous little man" like Ernie Pyle could not remain either inconspicuous or little. Other fellows wrote about Presidents, Prime Ministers and Generals, but for Ernie Pyle, the G.I. was good enough.

Ernie Pyle reported this war from the fox-hole level, in terms of the individual who found himself caught up in it. He wanted to know war, and to let his readers feel it, as the men fighting it and feeling it do. These men trusted him, and he served them and their loved ones by acting as an interpreter to a great mass of folk who otherwise might have lost a common language.

Pyle saw London "ringed and stabbed with fire;" he wanted to see London "some day when peace had returned again to this odd world." But on Ie Shima he was to know still more of war as the G.I. knows it. A Japanese machine gunner, whose creed of bushido could have left little room for the unglorious facts and feeling of Ernie Pyle's more merciful world, killed this "common folk's interpreter" from ambush.

The anonymous gunner would be surprised to know how soon his shots were heard around the world, and still more surprised if he could understand the reason why.

Ernie Pyle is dead but the things he so loved and cherished will live on and on, because there are men like Pyle and the G.I. about whom he wrote. That portion of the American way of life no Jap or German will ever understand.

Save in War-time for Post-war Security—

* * *

While employment is steady and wages are high is the time to "lay by" a few dollars each week or each pay-day, looking to the years and months ahead.

We know of no better way to save money than to open a savings account in this bank and add to it regularly. If you do save regularly, you'll be surprised how rapidly your account will grow. And, you'll be surprised, too, how much security there is in a savings account of your own.

Start this week—save by opening a savings account.

Protect Your Investment with a J-M Asbestos Roof

Believe it or not, the roof is the most important part of your home. If it leaks, it can do untold damage—damage that you may not discover until the repair job may be staggering.

You, the folk who hve been waiting until after the war to re-roof your home, need wait no longer. Johns-Mansville Asbestor Shingles are now available without priority and there's not a better shingle made at any price.

The first Johns-Mansville Asbestos Shingle is yet to burn, yet to wear out. That's a record for a company that has been in business for nearly a lifetime.

Why be satisfied with inferior grades? Resolve now to re-roof your home this year, and see us at once for the necessary materials.

SAVE YOUR FUEL

1. Clean and overhaul furnace—a clean, tight furnace is more economical of fuel.
2. Install a barometric draft control—they're available, and they're fuel-savers on any hand-fired heating plant.
3. Install an electrically operated thermostat control—there's a supply being made, and they accomplish a surprising economy of fuel and save a lot of labor, too.
4. Weather-strip and storm-window the house.

You can really render a fine service to your customers by urging them to take these four steps now. And they'll thank you for good advice!

THEY'VE GIVEN ALL BUT LIFE ITSELF!

● Over the ravaged ground of war-torn Europe, trudge 125 million men, women, and children who have given all but life itself toward the same permanent peace we all are striving for.

Their need for clothing is as great as that for food—in some areas deaths from exposure equal those from starvation.

These people need something you don't. They need your spare clothing.

150 million pounds must be collected this month. Will you give your share?

What YOU *Can Do!*

1. Get together all the serviceable used summer and winter clothing you can spare. This includes: Men's, women's, children's, and infants' wear, and shoes. Overcoats, topcoats, suits, dresses, shirts, jackets, pants, skirts, work clothes, gloves, underwear, sleeping garments, robes, sweaters, shawls, and all knit goods. Also blankets, bedclothes.
2. Take your contribution to your local COLLECTION DEPOT now or arrange to have your LOCAL COMMITTEE collect it before April 30th.
3. Support your Local Committee not only with your clothing contribution but also with your time, effort, and energy.

Clothing Kept Clean Pays Dividends in Wear

We know of men and women who get two and three times as much wear out of a suit or dress as some other folk do, the materials being comparable.

How do they do it? It's easy. They keep their clothes clean, free of damaging dirt that slowly but surely grinds away at the fabric until the garments are worn out.

Protect your clothes! Send them to us regularly for cleaning and pressing. Always look your best and add months and years of wearability to your wardrobe.

Will You be Proud of Your Victory Garden?

Will you be proud of your Victory garden next July, August or September? What kind of a harvest will you have?

You may think that it's a bit early to say just what the harvest will be but we would like to tell you that, in a large measure, it will depend upon the quality of the seed that you plant.

The seed that we sell has been pre-tested, tested at the nursery to assure quick, sturdy growth. This seed cost no more than ordinary seed.

Before you plant your Victory Garden, call on us for the seed. You'll be happy that you did, next Fall.

Tires are Precious, Keep Your Wheels Balanced!

Keeping the front wheels of your car in balance and in alignment and your brakes properly adjusted are the most important factors in longer tire wear.

Ask the man who didn't heed these facts. He'll tell you that tires wear out in about a third of their normal time when brakes are out of adjustment, when wheels are out of alignment, when the car shimmys because of improper balance.

Don't neglect your tires, they're precious. Bring your car to us today for the needed adjustments.

25 Pounds of Feed Puts Chick Into Laying Pen

According to average figures, it will take about 25 pounds of feed to raise a baby chick to the laying age.
In most flocks whole home grown grain will make up apart of this total consumed.
THE STARTING MASH MUST BE RIGHT.
So much depends upon the few pounds of starting mash, that one should be certain that the starting mash contains all of the needed vitamins, proteins, and minerals to give the future layer the right kind of a start. "As a twig is bent, so inclineth the tree."
HAYDEN'S STARTING AND GROWING MASH IS RIGHT.
Feed Hayden's straight through for the first 6 or 8 weeks, and then you can feed a small amount of your own grain. You can depend upon Hayden's. It is fortified, enriched, supplemented, and everything else for the protection of your flock. Start today.
HASTEN TO HAYDENS.

TODAY AND EVERY DAY
"On to VICTORY!"

Nazi Are on the Run!
Today we are nearer to Victory than at any time since the war started.
But it's not the time for over-optimism. It's not the time to lay down our tools. It's not the time to play the black market. Right now is the most serious, most critical time of our lives. Unless we carry on our boys at the front can't do their job.
Let's do some sober thinking. Let's not slacken our pace when Victory is within our grasp!

GOOD NEWS FOR THE HOG RAISERS

A new rush into the hog business is developing—a complete turn about. Government "planners" (under congressional pressure!) are now yelling for a far bigger fall pig crop and probably will lift ceilings on live hogs—in a belated effort to undo the pork shortage their previous blunders have created. The number of hogs will increase materially as soon as nature permits.

ONE OF THE BEST WAYS TO GET READY FOR THE BIG DEMAND FOR PORK IS TO FEED YOUR PIGS

HAYDEN'S PIG & HOG BALANCER

It contains the vitamins, proteins, and minerals necessary for quick growth, and high profits.

THE OLD JUDGE SAYS...

"Judge, remember that place up in the mountains where we went trout fishing last year?"

"I sure do, George. We had a great time up there, didn't we?"

"I'll never forget it. But this will interest you, Judge. I heard just yesterday that the revenue men raided a big still right near there. Guess that's where all that high-priced moonshine we heard about has been coming from."

"Wouldn't be a bit surprised. I saw in the paper the other day where the Government has raided thousands of such stills during the past year."

"Sounds sort of reminiscent, doesn't it, Judge?"

"Exactly and it's not hard to figure out. As soon as the distillers stopped making whiskey and devoted their entire facilities to the production of industrial alcohol for the Government... the racketeers muscled in again."

"I hate to think of how that might have spread, Judge, if the Government hadn't found it possible, without interfering with our war effort in any way, to permit a short resumption of legal whiskey production recently."

15 YEARS A FORD DEALER

(Each week, in this space, we review one year of Tecumseh's history in the 15 years that we have been in business here, taking the years in order since 1929. Watch this space, you'll find the stories very interesting).

Confident that the backbone of the depression had been broken, we looked to the year of 1937, our seventh in business in Tecumseh, with renewed hope.

The year got under way with an $8,000 fire at the Hayden Milling Co., which forced the concern to operate on a 24-hour schedule to keep pace with its orders.

Lenawee county subscribed more than $3,000 for the relief of suffering in the flooded areas of the Ohio River Valley and Dr. H. H. Hammel, a colonel in the U. S. Army, was assigned to command a base hospital in the area.

Early in March, Ray W. Herrick of the Tecumseh Products Co., announced the sponsorship of a $150,000 house-building program in Tecumseh, covering a two-year period. The company's plan calls for the giving of $300 to each qualifying employee who will build a new home.

A slight earthquake rattled dishes in many cupboards here.

The village moved to extend the village limits westward to accommodate the building of new homes.

E. M. Campbell was re-elected president of the village for a second term and Wade Jones was re-elected clerk. D. F. Wright was elected president of the Rotary Club and A. O. Howard was re-elected township supervisor.

Geo. Adamson announced a new invention, the timeascope, a gadget that would revolutionize the regulation of watches.

Ellis Foot of Raisin won the county spelling championship. Leon Rosacrans became the sole owner of the Fred Rosacrans & Sons Dry Goods Store by purchasing the interests of his brother, E. T. Rosacrans.

Tecumseh's assessed valuation increased $13,850, and the tax rate was increased to $10.

A wind, rain and electrical storm swept the county doing $1,500,000 damage.

The Products company opened its new $30,000 addition with a community party and inspection of the plant.

Four persons died in the county's heat wave. Clarence Gilman opened his new dairy store on W. Logan St.

Plans for the construction of a $70,000 postoffice were announced by the government.

John R. Nyland retired from the shoe business after 31 years, and Albert Clark retired from the meat business.

Pledges were a few hundred dlolars short of assuring the building of a new community hospital here, and ground was broken for the construction of the $40,000 institution, in October. R. W. Herrick, who headed the drive for funds, said that the campaign was a success.

The year ended with merchants enjoying a more normal business, the postoffice department declaring the holiday rush to have been the heaviest in many seasons.

THE TECUMSEH HERALD

NINTEY-FIFTH YEAR—NUMBER THIRTY-ONE | TECUMSEH, MICHIGAN, THURSDAY, MAY 3, 1945 | FIVE CENTS PER COPY

Sugar Rations Are Cut by OPA

CANNING ALLOTMENT REDUCED TO 15 POUNDS A PERSON FOR THE SEASON

Wartime shortages caused the OPA to announce this week that canning sugar rations for the season of 1945 have been reduced from 20 to 15 pounds per person, with a maximum allotment of 120 per family, regardless of its size. Previously it has been stated that the allotment would be 20 pounds per person with a maximum of 160 pounds per family.

A year ago, the OPA allowed 20 pounds of sugar for each person for canning, plus an extra five pound ration stamp, if needed, making a maximum of 25 pounds. The reduction over a year ago is actually 10 pounds for every person. Also, in 1944 there was no limit on family purchases.

The new sugar stamp which became valid May 1, good for five pounds, must wait until September 1, one month longer than previously, the OPA announced. This amounts to a 25 per cent reduction in the nation's regular allotment of sugar for table use and for baking.

Canning sugar application blanks were made available in Lenawee county the first of the month and in Tecumseh they may be obtained at the office of Wade L. Jones, village clerk. The clerk's office ran out of blanks on Tuesday and was forced to call the Adrian office for an additional supply. They arrived yesterday morning. Wade L. Jones, clerk, said that he had received applications not only from residents of this area but from Macon, Britton, Holloway and Tipton.

The application blanks must be FILLED OUT by the APPLICANT and then MAILED to the Adrian ration office, from which point the sugar stamps will be sent. It was pointed out that the applications should not be taken to Adrian by the applicants because of the congestion. Taking blanks to the office there will not speed up delivery of stamps, it was said. The ration office also warned that applicants must answer all questions on the application.

Another warning that was issued by the Adrian ration office was that applicants should be sure that they attached to the application the No. 13 spare stamp in Ration Book IV, for each person listed on the application. Requests for sugar cannot be honored if this is not done.

Mrs. Charles Manley will preside and the following program will be presented: Invocation, Mrs. Richard Woodcox; toastmistress, Mrs. Emma Day; assembly singing, Mrs. Naomi Sallows; Toast to the Daughters, Mrs. Harry Creger; vocal solo, Martha Ann Hayden; Toast to the Mothers, Mrs. Euan Francouer; vocal solo, Miss Celeste Richardson; address, Miss Eva Clausen.

H. F. BAILEY TALKS TO ROTARY CLUB HERE

H. F. Bailey, business manager of The Adrian Daily Telegram and president-elect of the Adrian Rotary Club, was the guest speaker at the regular dinner meeting of the Tecumseh Rotary Club, Tuesday evening at Brees House. Mr. Bailey discussed the peace conference at San Francisco, pleading for national unity and tolerance and warning that while there may be imperfections in the results achieved, nevertheless such a conference is a step in the right direction.

Gerald Cutler, president of the Adrian club, also was a guest as was Rollo Conlin of Tipton, state representative. Dr. Ferris G. Hodge, a captain in the U. S. Army, and a member of the club, also was present. Dr. Hodge is home on leave until the middle of May.

Toledo Doctor Coming For Opening of New Lab.

Dr. Bernhard Steinberg, director of the Toledo Hospital Research Laboratory, will be in Tecumseh on Saturday, May 12, for the opening of the new laboratory in Tecumseh Hospital. He has been retained by the hospital board here to direct the local labortaory, and to do other pathological work.

The hospital will observe National Hospital Day on May 12 with "open house" between 2 and 4 o'clock in the afternoon and the new laboratory at the hospital will be opened for the first time. It was recently equipped at an expense of $2,000 through the efforts of the Hospital Auxiliary, a group of interested women. A technician is to be hired by the hospital in the near future and the laboratory will then function on a full-time basis.

Memorial Service For Mc Connell

SERVICE AT BAPTIST CHURCH FOR LOCAL BOY KILLED IN GERMANY, FEB. 26

An impressive memorial service for the late Sgt. Lee Jack McConnell who was killed in action in Germany February 26, was held Sunday morning at the Baptist church where 150 relatives and friends gathered to pay tribute to his memory and sacrifice. Numerous plants and boquets of flowers presented by friends of the family were placed on the altar. The choir san "The Soldier" by E. Jakolowski, which was followed by a message by Rev. B. O. Bashore, concerning the many fine things wrought from true sacrifice. After the presentation of the memorial plant from the church and recognition of the Gold Star, the choir sang "The Service Flag Carol."

Rev. Alvin Brazee greatly helped all present with his memorial meditation, stressing the need for catching the Vision of Faith through prayer, consecration and communion with the Holy Spirit. The service was concluded with all singing "The Star Spangled Banner."

Indians Win Track Meet; Lose Ball Game

By Jim Sisson

Last Friday, Coach Bill Mead's Indian runners traveled to Dundee to win the meet from the Vikings, 55-49. Lillard Brown again led the contenders with 12¾ points to his credit followed by Bill Hayden, his teammate, who collected 11¼ markers.

This is the second victory in two starts for the Tecumseh track team on their schedule of seven meets.

Although the baseball nine from Teepeetown triumphed over the Adrian squad in the regular season contest on April 20, the Maples had a comeback Tuesday by winning 8-6.

The Adrian nine was given their greatest threat in the fifth inning when Tecumseh gathered five of their six runs to tie the contest up at six all. But Adrian recovered in their half of the same inning by bringing in the winning two runs. Although Tom Judd struck out eleven men during the contest, he became the losing pitcher.

The next baseball contest will be played May 4 with Addison on Tecumseh's diamond if weather permits.

P.T.A. TO MEET

The Culbertson P.T.A. will meet Friday evening at the home of Mr. and Mrs. Mervyn Boltz on East Kilbuck streeet with Miss Ruth Harding as speaker. Refreshments will consist of jello and sandwiches and either cake or cookies. Members are also to bring table service.

WOUNDED IN ACTION

Pfc. Charles R. Greenfield, 20, son of Mr. and Mrs. Clyde Greenfield of Clinton, was wounded in the right leg by shrapnel April 13 in Germany. He writes his parents that an operation had been performed to remove the shrapnel and he was on his way to a base hospital.

Winona J. Waldron

Winona Waldron Gets High U. M. Scholarship

Winona J. Waldron, valedictorian of the 1945 graduating class of Tecumseh high school and daughter of Mr. and Mrs. Wilfred Waldron, has been awarded the 1945 Regents-Alumni Scholarship for Tecumseh by the University of Michigan.

Announced today by Clark Tibbetts, the University's administrator of the scholarship program, the award is one of the highest the University confers on graduates of Michigan high schools.

It is made on the basis of outstanding scholastic record, proved leadership, good citizenship and evident ability to make use of the opportunities offered by the University. The scholarship pays the tuition for the first two semesters. For those students who make a satisfactory academic record at Ann Arbor, the award will be renewed for the sophomore, junior and senior years.

Credit was given by the University to the Tecumseh school officials and the local Alumni Committee for taking care of the preliminary interviews, application forms, and arrangements for the examinations. This cooperation was necessary in order to determine who should receive the award.

Crowds Jam Kroger's To Buy "Scarce Foods"

That the folk in Tecumseh are anxiously awaiting the time when they may again buy bananas and other semi-luxury foods was evidence last Friday when the Kroger Grocery & Baking Company was forced three times to close its store here, because of the crowds of customers waiting to purchase some of the so-called "scarce" foods.

The Kroger company, in last Thursday's issue of The Herald, advertised among other things, bananas, chocolate chips for cookies, and crushed and sliced pineapple in cans. These foods have been practically out of the market in this area for many months.

The crowd gathered in front of the Kroger store on Friday morning long before opening time and before 10 o'clock it was necessary to close the doors for a brief period. Again, about 11 o'clock it became necessary to close for a second time to permit shoppers to clear out of the store through a rear exit, and again at noon-time, the store closed for a third time for a similar reason.

IN BODY CAST

Sgt. Wendell Louden who is in a station hospital at Camp Gordon Johnston, Fla., writes his parents Mr. and Mrs. Forrest Louden that he will be in a body cast for several weeks for correction of back injuries suffered while in New Guinea.

MISSING IN ACTION

WOUNDED IN BATTLE

Pvt. Milton B. Sackett, 18, son of Mrs. Ilah Sackett of Clinton, was wounded in action March 31 in Germany. Pvt. Sackett was a former employee of Tecumseh Products.

EXPECTED HOME

St/Sgt. Dale H. Aebersold, son of Mr. and Mrs. Clarence Aebersold, is expected to arrive home soon, after three years service overseas with the Army Air Force.

CLASS MEETING

The Good Cheer Class of the Baptist church will meet Friday evening at the home of Mrs. J. C. Brown, 116 South Oneida street.

JUNIOR LEAGUE TO MEET

The Baptist Junior League will meet Tuesday evening, May 15, at the home of Mrs. Helen Carter near Tipton.

Mrs. Perry M. Hayden Named "State Mother" of Michigan for 1945

GOLDEN RULE FOUNDATION OF NEW YORK CITY ADVISES HER OF DISTINCTION

Mrs. Perry Hayden, of Tecumseh, has been advised by the Golden Rule Foundation of New York City that she has been selected "State Mother of Michigan for 1945."

The selection was made by the American Mother's Committee of the Golden Rule Foundation in New York City last week. The purpose of the committee is to lift the observance of Mother's Day above the purely commercial. They use the slogan formulated by Mrs. Sara Delano Roosevelt: "Honor your own mother, by helping mothers in need."

Mrs. Hayden is a graduate of the Tecumseh high school, of Michigan State Normal College in Ypsilanti, and in addition to being the mother of five children has been active in community affairs.

In addition to being clerk of the Tecumseh Monthly "Meeting" of Friends, a teacher in that Sunday school, she is superintendent of Sunday school work for the Adrian Quarterly Meeting of Friends. At present she is vice president of the Monday Club, and president of the W.C.T.U. From the very inception of the Dynamic Kernels project in 1940, Mrs. Hayden has been a co-sponsor, with her husband, and at present is one of the three trustees of the Dynamic Kernels Foundation.

The Detroit Free Press in Monday morning's state edition carried a three column cut of Mrs. Hayden and the family, together with a story of her selection to this honor, The Herald, with others in this community join in extending congratulations to this "ideal mother" who has received such an outstanding recognition.

LOCAL POLICE CHIEF TO GO TO FBI MEET

Edward Wilson, chief of police here, will go to Jackson next Wednesday to attend the first in a series of FBI law enforcement conferences. Speakers will include R. A. Guerin, agent in charge of the Detroit office, C. M. Pontz, a special FBI agent, and M. E. Williams, firearms technician of the FBI laboratory.

The conferences, sponsored by the FBI, are held for the purpose of better acquainting police officials with the tasks that lie ahead. Mr. Guerin declared that American police may be justly proud of the battle they are winning against spies, saboteurs and subversive characters in the United States. "Mobilized unity of law enforcement prevented enemy plans from materializing into widespread sabotage and other terrorism intended to demoralize resistance in war time," the officer declared.

P. E. O. LUNCHEON

Mrs. Louise Lott has invited Chapter AJ, P.E.O. to a luncheon meeting at her home south of town on Tuesday, May 8 at 1 o'clock. The president, Mrs. Marian Spafford, one of the few delegates from the 58 Michigan chapters totalling an approximate membership of 1000, will report on the annual state convention held last week at the Book-Cadillac in Detroit.

Next year Plymouth and Tecumseh chapters will be hosts to the convention which they plan to hold at the Women's League in Ann Arbor.

REPORTED WOUNDED

Pfc. Charles Stephenson, a resident of Tecumseh and an employee of Tecumseh Products Co., before his induction, was wounded in action in Germany, April 11. Pfc. Stephenson entered service in May 1944 and has been overseas since November. They sold their home on West Chicago Boulevard at the time of his induction and Mrs. Stephenson and children went to the home of her parents near Brooklyn for the duration. Pfc. Stephenson is the son of Mr. and Mrs. T. A. Stephenson of Onsted.

DIES AT CLINTON

Mrs. Edna May Arnold, aged 68 years, died Saturday noon at the home of her daughter Mrs. John Otto east of Clinton.

Besides the daughter she leaves a son Jesse Arnold of Clinton, a brother Melville B. Hotrum of Tecumseh and several grandchildren.

Funeral services were held Monday afternoon at the Hause Funeral Home in Clinton. Rev. O. E. Priest officiated and burial was in the Benton cemetery east of Clinton.

FINAL MEETING

The final meeting of the Child Study Club will be held Monday evening, May 14 at Brees House. Dinner will be served promptly at 6:15 and reservations must be made by May 8 with Mrs. Hoyt Raymond or Mrs. Howard Truesdale.

War Needy Get 5 Tons Clothes

SHIPMENT WILL BE MADE SOON FROM TECUMSEH; ESTIMATE TWO TRUCK LOADS

It will take two large trucks to haul the used clothing that was contributed by residents of this village and township to the railroad station, where it will be shipped to New York and on to the war needy of the globe. This announcement was made today by Jack Smith, chairman of the American Legion-Auxiliary old clothes campaign, in connection with the National United Clothing Collection.

"We have filled one hundred and twenty-five boxes with clothing for men, women, children and infants," Mr. Smith said. "The boxes weigh approximately 90 pounds each, giving us an estimated total of 11,250 pounds, a little more than five and a half tons.

"We set our goal here for five tons, 10,000 pounds, and we exceeded it," Smith continued. "I am very happy with Tecumseh's response, and I believe that when the records for the county are set up Tecumseh will be in the lead. I desire at this time to express my appreciation to the residents of the community for their generous cooperation, and also to everyone who assisted us in making this drive a success. I know that when Tecumseh's boxes reach their destination they will make the war needy people very, very happy. We received many excellent gifts, including practically new shoes, clothing for men, women, children and babies, and a large amount of new comforters and blankets."

The cartoons in which the clothing is packed were contributed in Lenawee county by the Simplex Paper Co., of Adrian. The work of sorting and packing the clothes has been done by the men and women of the Underwood-Orr post, American Legion, and the receiving depot, in the former Palman store on East Chicago boulevard, has been open three days each week to receive contributions.

The clothing drive ended officially, Monday.

Earl Murphy of Macon Starts 4-H Council Fund

Earl T. Murphy of Macon township has offered to give $100 to the county 4-H Council towards a fund of $1000 to provide necessary equipment and improvements to the junior project building on the fair grounds in Adrian, on one condition—that the other $900 must be raised by September 1, 1945. Mr. Murphy gives this as his bit toward county 4-H club work and the council has accepted the challenge and is considering ways to raise the additional funds. Local leaders are asked to offer suggestions and it is hoped that clubs will take an interest in helping to finance the funds. One leader has already suggested a "March of Nickels" and a slogan "Another Step for 4-H."

Bearers were Ira Ashley, Dean and Faye VanValkenburg, N. C. McConnell, Ernest Harris and B. J. Roberts. Relatives and friends from Ann Arbor, Tipton, Raisin, Adrian, South Bend, Detroit and this vicinity attended the funeral.

ENTER U. S. SERVICE

Richard Boyd, Paul Wilcox, Carl Brighton, Henry Strand and Weston Armstrong of Tecumseh, John L. Keran of Britton, Stanley Florek and Corbin Lane of Clinton, Earl Ruttkosky of Tipton and John Hendryx of Onsted, recent inductees, were assigned to the army; George Clubberly of Tecumseh, Norman Robins of Clinton, and Lawrence Shutte of Onsted were assigned to the Navy. They were among a group of 77 men accepted for service.

Another large group will report for pre-induction physical examinations in Detroit May 11.

ANNUAL SUPPER

The annual supper meeting of the Wit and Wisdom Club will be held in the Methodist church, Monday evening at 6:30. The supper will be cooperative. The program is in charge of Mrs. Fred Sheldon, Mrs. Floy Whelan and Mrs. Glenn Van Denbergh.

MEN ARE GUESTS

The men of Tecumseh Grange, winners in a recent contest, were entertained by the women members, the losers, at a banquet in the Grange hall Thursday evening, with 130 persons seated for the dinner. The program following consisted of a talk on "World Conditions" by W. L. Berkhof and selections by the K. P. Four barbershop quartet.

ALTAR SOCIETY

The regular meeting of St. Elizabeth's Altar Society will be held on Wednesday evening, May 9, at the home of Mrs. John Gruber.

Officers are Elected By Baptist Fellowship

The Baptist Youth Fellowship met Sunday evening at the church and elected the following officers for the coming year: Kathleen Powell, president; Priscilla Sisson, vice president; Dorothy Schumm, secretary; Joan Waldron, treasurer; Dortohy Schumm, pianist; Kathleen Powell, assistant pianist. Annual reports were given and it was decided that 12 young people will attend the annual church meeting in Fairfield on Tuesday, would attend the annual church May 1. Plans are progressing for the party to be held May 8 at the home of John Price.

Herrick to Talk at School Meet

COMMITTEE OF MOTHERS CALLS CONFERENCE OF RESIDENTS FOR MAY 10

Ray W. Herrick, president of the Tecumseh Products Company, will be the principal speaker at a special meeting of parents and residents of this community, to be held on Thursday evening, May 10, in the auditorium of the high school, at 8 o'clock, it was announced today. Because of the importance of matters to be discussed, the group calling the conference expressed a desire that there be a large attendance.

Mr. Herrick, last September, addressed one of a series of twelve meetings sponsored by the Rotary Club, explaining in detail some of the problems facing his plant in post-war, and forecasting his views for the community-at-large when peace again returns to the nation. It is understood that at next week's meeting Mr. Herrick will enlarge upon those views, particularly as they affect Tecumseh's growth.

The proposed sinking fund for the building of a new school here in post-war will be discussed and questions will be answered relative to the plan, it was said. There also will be motion pictures touching upon the building of new, modern school buildings.

The sinking fund proposal will come before voters at a special election to be held at the high school on Thursday, May 17. If the issues are approved, a fund of some $68,000 would be built up here in the next five years, looking toward the construction of a new building after the war.

Persons attending the meeting will be given a first-hand glimpse of the crowded conditions in the present high school building and the need for an expansion program will be explained in detail.

Another matter to be discussed, it was said, is the proposal to organize a parent-teacher association in Tecumseh. Such an association has not functioned here this year and many parents are of the opinion that a new organization should be formed.

Mrs. Edgar Hoag Dies After Long Illness

Mrs. Edgar Hoag, aged 66 years, died Friday afternoon at her home south of town, after a long illness. Mrs. Hoag was born in Franklin township, April 21, 1879, and was formerly Ethel C. Pentecost, daughter of the Warren Pentecost and wife. She was a member of Tecumseh Baptist church and for several years was teacher of the Ever Ready Sunday school class.

She leaves her husband, two daughters Mrs. Theodore Perkins of Ann Arbor and Mrs. Robert Dannells of Tecumseh, a son Leslie Hoag of Milan, four grandchildren and several cousins.

Voters to Get School Problem

SPECIAL SINKING FUND ISSUE TO BE VOTED UPON HERE ON MAY 17TH

Voters of the Tecumseh school district will hold a special election on Thursday, May 17, to decide whether or not a sinking fund, to be raised by mill tax, shall be established here for the purpose of building a new school in post-war. The voting will take place at the high school, between the hours of 3 o'clock and 8 o'clock, two weeks from today.

The sinking fund, which would become the nest egg of the proposed building program, would be built up over a five year period through a five mill tax to be levied in the years of 1945 to 49 inclusive. The fund could be used "for the purchase of real estate for sites for, and the construction or repair of school buildings."

The amount proposed to be raised during the five-year period is in the neighborhood of $68,000 and this sum would be used as the basis for the post-war expansion program. Advocates of the plan sinking fund the distirct would be declare that by establishing the "saving in advance" as many folk do when they contemplate the building of or the improvement of a home.

With Tecumseh looking toward a rapid growth in population after the war, and with present school buildings already crowded to capacity, it has been pointed out that some plans for post-war must be made if the schools are to keep pace with the growth of the community. Already a careful study of conditions has been made by the board of education, which body has given its endorsement to the sinking fund proposal.

A similar proposition was submitted twice before to electors of the district last year and each time it was defeated by a very narrow margin. Those favoring the plan are optimistic at this time, however, pointing out that they believe that the issue is much better understood that it was when it was previously offered to the electors.

Kiddie Program Friday at 8 P. M.

The children of the kindergarten under the direction of Mrs. Dorothy Updyke, will present their ninth annual program at the high school Friday evening, May 4, at 8 o'clock. The program will stress the health activities in which the children have been interested this year.

John Naser will be the farmer and will present the entire group as his helpers. Through conversation, songs, games and dramatic play an attitude of interest has been developed in food, health, rest and safety and the following program is the result:

I Am The Farmer, John Naser; Song of the Vegetables—How We All Are Growing, Starting the day right and I washed my face; Oats, Beans and Barley Grow, played by the morning group; The Traffic Light; The Things I Sell; Thank You Mr. Farmer; The Farmer Sows his Seeds, played by the afternoon group; Milk Bottles; Brush your Teeth; Why Teddy was Thin; A Chicken's Family; Little Red Calf; Jolly is the Miller, by the morning group; Playing in the Sun, by the afternoon group; The Things on the Farm; an original dance; Don't Fence Me In, the farmer and his helpers.

The Rhythm Band led by the Farmer will play "Moment Musicale," by Schubert, "Valse Bluette" by Drigo; "Nola" by Arndt and "Stars and Stripes Forever" by Sousa. The program will close with the Pledge to the Flag and taps. There will be no admission charge.

FARM INDEPENDENCE

Practical cooperation between farmers to solve their own problems, is illustrated with the recent organization of the American Dairy Association of New York, which will join in a nationwide program of advertising to create a post-war market for from 10 to 15 billion pounds of milk now being produced over pre-war levels.

A farmer working alone could do nothing with such a gigantic task but through a cooperative, which seeks outlets at reasonable prices, the milk industry should be able to solve the problem.

The farmers are to be commended for planning their own future, instead of crying for government help to maintain wartime expanded production.

The First Johns-Mansville Shingle is Yet to Burn

That's right! The first Johns-Mansville asbestos shingle is yet to burn. Not since the first J-M shingle was made and laid on a roof has one been destroyed by fire.

Jonhs-Mansville shingles, you know, are made of asbestos. They don't burn. They resist the weather and the elements. They last a lifetime.

That's why we urge you to shingle your home this year with J-M asbestos. That's why we like to sell quality merchandise like J-M.

We know that when we sell you quality we have your good will—that you will be a booster for us and for our products.

We choose all of our merchandise for quality because of that reason.

SAVE YOUR FUEL

1. Clean and overhaul furnace—a clean, tight furnace is more economical of fuel.

2. Install a barometric draft control—they're available, and they're fuel-savers on any hand-fired heating plant.

3. Install an electrically operated thermostat control—there's a supply being made, and they accomplish a surprising economy of fuel and save a lot of labor, too.

4. Weather-strip and storm-window the house.

You can really render a fine service to your customers by urging them to take these four steps now. And they'll thank you for good advice!

Don't Store Winter Clothes Until They Have Been Cleaned!
This is just a word of warning!
Don't store your winter garments until they have been properly cleaned and pressed. If you do, you are inviting the moths to a summer picnic, right in your own home.
Before you store your family's winter wardrobe, send it to us for a thorough cleaning. You'll avoid the danger and worry of having the garments in your home uncleaned, and, too, in the fall, they will be instantly ready for wear at the first signs of colder weather.
Act today before you forget.

BRITTON

Golden Wedding Anniversary

Mr. and Mrs. James Adams celebrated their 50th wedding anniversary April 25 and in honor of the occasion a family dinner was served in the American Legion hall in Britton with 54 guests in attendance. In the afternoon open house was held in their home where they greeted 200 neighbors and friends from Adrian, Holloway, Metamora, Ypsilanti, Milan, Mooreville and the surrounding community.

Mr. and Mrs. Adams are the parents of six children, Mrs. Norman worth of Urbana, Ill., Mrs. Archie Hintz of Metamora, O., Clyde Adams of Ypsilanti, Harold Adams of Adrian, Clifford Adams of Tecumseh and Mrs. Bert Moore of Britton. They also have 21 grandchildren and four great grandchildren, and all with their families were present for the celebration. The out of town guests also included four sisters of Mr. and Mrs. Adams.

The senior play "This Being Young" will be presented in the high school gym Friday and Saturday nights, May 4 and 5.

The Baraca Philathea Class met Sunday evening with Mr. and Mrs. Bert Moore for a potluck supper and regular meeting.

Mrs. G. L. Gripton, Mrs. Raynor Benddict and Mrs. Walter Exelby attended the Association meeting of Congregational churches held last week at Grass Lake.

The Dorcas class of the Christian church has elected the following new officers: Mrs. Lottie Meyers, president; Mrs. Sylvia McElroy, vice president; Mrs. Maude Craig, secretary; Mrs. Maude Davis, treasurer; Mrs. Jennie Smith, teacher.

Mrs. Francis Eberhardt has been ill the past week.

Mrs. Maude Craig was hostess to the U. D. club Thursday afternoon.

ONSTED

New Library Open

The new branch library to be maintained by the county and the township, opened Tuesday in the building next to the Postoffice, where tea was served in the afternoon. Mrs. E. A. Stutesman is the librarian and Mrs. Vinnie Hubbard her assistant.

60th Wedding Anniversary

Mr. and Mrs. Charles W. Billmeyer celebrated their 60th wedding anniversary April 22 with a family dinner at Smaltz Restaurant at Somerset Center and with their son Victor C. Billmeyer as host.

Mrs. Billmeyer was formerly Dora E. Springer of Brooklyn and was married to Mr. Billmeyer of Cambridge Junction, April 22, 1885, at the Baptist church in Brooklyn. Six persons, including Mrs. Emma Marr, 91, who attended the wedding are still living. Mr. and Mrs. Billmeyer have lived in Onsted since October 1, 1896 and he conducted a hardware store here for 44 years, retiring at the age of 81, when his son Victor took over the business.

Mr. Billmeyer is 86 and Mrs. Billmeyer 80 years of age, and are both in good health. Both are life members of the O.E.S., of which Mrs. Billmeyer is a past worthy matron.

They have two sons Donald of Detroit and Victor of Onsted, also three grandchildren, Lt. Robt. L. Hollister in Alaska, Victor D. Hollister and Mrs. Jack Carmen of Detroit and two great grandchildren, Christine and Donald Carmen. A son Loreine died in 1907 and a daughter Mrs. Beth Hollister died in 1940.

Mr. and Mrs. Paul Harwood were here from Alma the past week.

Mr. and Mrs. Earl Kimball have been notified that their son Pvt. Alvin Kimball who was wounded January 18 in Belgium, has returned to the States and is at Ft. Henry, Va.

Miss Annette Kerr, a cadet nurse at Ford Hospital in Detroit, left last week for Santa Monica, Calif., to visit her sister Mrs. Richard Dickison.

Mrs. Earl Cheesebro was operated on last Wednesday at Bixby hospital in Adrian.

Gertrude Montgomery Now In Netherlands With Red Cross Unit

The Herald has received an interesting news release concerning Gertrude Montgomery of Tecumseh, one of a group of Clubmobile Red Cross workers in the Netherlands East Indies, now serving doughnuts and cold drinks to infantrymen on the front lines. Their front line station is one of the Molucca Islands where American troops landed a few months ago.

It is over narrow muddy trails, through towering trees and dense under-growth that these three girls with an armed escort, drive their Clubmobile up to the perimeter. The vehicle is stopped in small, crude clearings, behind rows of log and sandbag dugouts. Infantrymen, not on patrol or manning the guns, crawl out of their underground living quarters and rush over for their first cold drink in days or weeks; fresh doughnuts and news of the "outside world." The girls tramp down winding tracks through steamy undergrowth to visit soldiers unable to leave their posts. They climb over gun emplacements to serve the boys manning machine guns. They jump logs and hop puddles to reach isolated artillery positions.

Whole - heartedly enthusiastic about being allowed on the perimeter, the girls say "it's a thrill of a life-time to step in front of one of the dugouts and know we're in the jungle equivilent of No Man's Land. To be allowed to serve these boys actually on the front lines is the grandest break any girl could have. And if Division Headquarters would let us, we'd take our doughnuts in one hand, a coffee urn in the other, and follow the boys right out on patrol."

IS YOUR CAR WASTING GAS?

We know of many cars that are wasting a big percentage of the gas they burn simply because their owners do not give them proper care. Faulty carbueration and spark plugs are the worst offenders. Have yours checked this week!

Bugs & Harrys Service

Tires Most Important Part of Your Car—

There was a time when we worried about gas rationing, but those days are gone. Today we are worrying about tires, worrying whether they'll hold up to burn the amount of rationed gasoline we get.

Don't neglect your tires. Keep your wheels in alignment and in balance. See to it that your brakes are properly adjusted.

It's 25 to 1 that the tires you have on your car today are the tires you'll be wearing out a year from today. Guard them. They're precious. Bring your car to us for the needed wheel and brake adjustments.

25 Pounds of Feed Puts Chick Into Laying Pen

According to average figures, it will take about 25 pounds of feed to raise a baby chick to the laying age.

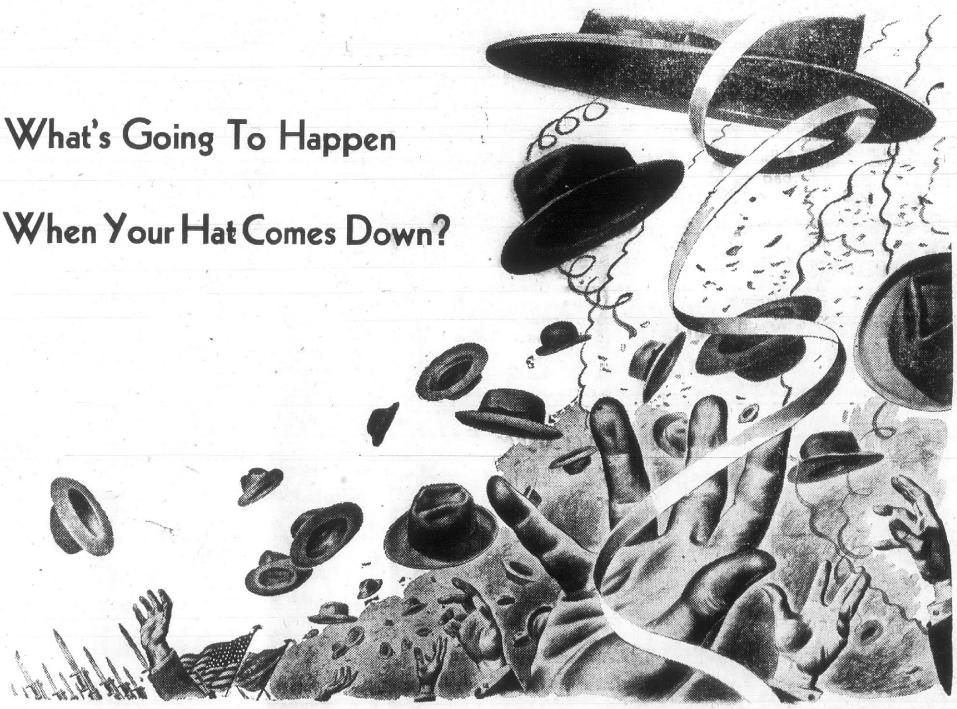
In most flocks whole home grown grain will make up apart of this total consumed.

THE STARTING MASH MUST BE RIGHT.
So much depends upon the few pounds of starting mash, that one should be certain that the starting mash contains all of the needed vitamins, proteins, and minerals to give the future layer the right kind of a start. "As a twig is bent, so inclineth the tree."

HAYDEN'S STARTING AND GROWING MASH IS RIGHT.
Feed Hayden's straight through for the first 6 or 8 weeks, and then you can feed a small amount of your own grain. You can depend upon Hayden's. It is fortified, enriched, supplemented, and everything else for the protection of your flock. Start today.

HASTEN TO HAYDENS.

What's Going To Happen When Your Hat Comes Down?



SOMEDAY, in the not-to-distant future, a group of grim-faced men will walk stiffly into a room, sit down at a table, sign a piece of paper—and the War will be over.

That'll be quite a day. It doesn't take much imagination to picture the way the hats will be tossed into the air all over America on **THAT** day.

But what about the day after?

What happens when the tumult and the shouting have died, and all of us turn back to the job of actually making this country the wonderful place we've dreamed it would be "after the war?"

No man knows just what's going to happen then. But we know one thing that must NOT happen:

We must **NOT** have a postwar America fumbling to restore an out-of-gear economy, staggering under a burden of idle factories, idle men, wracked with internal dissension and stricken with poverty and want.

We must not have breadlines, vacant farms and jobless, tired men in Army overcoats tramping the streets.

We of Tecumseh Products—management and employees alike—have given everything to the war effort. We are proud of our job. We intend to keep up the pace until the hats go into the air.

When the war is over we believe that we are prepared for the peace. We do not plan to reduce our employment but rather to double it. Our former employees who return to us in service togs will get their jobs back. We've made that pledge.

We want it to be said when the war's end comes that our shop was the first to return to peacetime production.

We of Tecumseh Products—management and employees alike—are striving to that end. We have pledged our complete cooperation until it's over, and, after the war, this cooperation will blossom into the peacetime security we've longed for with steady employment, comfortable homes and contented families.

Tecumseh Products Company
RAY W. HERRICK, President.

Rotary Meeting

At the meeting of the Clinton Rotary Club held Thursday evening, Rev. O. E. Priest conducted a discussion on "How to assist and advise returning service men on available jobs." Prof. E. W. Waugh of Ypsilanti will speak at tonight's meeting to be held in the Methodist church. His topic will be "Dumbarton Oaks" and the meeting will be open to the public.

Past Officers Night at O.E.S.

Past matrons and past patrons of Golden Rod chapter, O.E.S., were honored at the meeting held Thursday evening in the high school gym where dinner was served to over 100 persons by the home ec class of the school. O. B. Feldkamp was toastmaster and the program included the welcome by Mrs. W. F. VanTuyle with response by Mrs. Feldkamp; welcome to new members by Murl Greenfield with response by Mrs. Don Thomas; vocal trio by Mrs. Clarence Feldkamp, Mrs. R. F. Reiser and Mrs. J. C. Campbell; vocal duet by Mrs. Feldkamp and Mrs. Reiser, with Mrs. B. Stadler as accompanist; novelty dance by Mrs. Chas. Chamberlain.

The past officers then conferred the degree on Miss Leva Gillespie, Mrs. Robert Winder and Kenneth Moore, and in turn were presented with flowers by Mrs. W. F. Van Tuyle. Several guests attended from Adrian, Manchester, Somerset and Tecumseh.

The American Legion Auxiliary met Tuesday evening with Mrs. C. W. Way for a potluck supper and meeting.

T/Sgt. Robert Uphouse who recently returned from 3 years overseas, left Saturday for Ft. Sheridan, Ill., after a month's leave at home. T/Sgt. Uphouse was awarded the Purple Heart for wounds received at Anglo beachhead.

Pvt. Clair Reiser and Pvt. Arthur Culbert, recently inducted, are now at Camp Robinson, Ark.

Miss Eleanor VanDeusen, daughter of Mr. and Mrs. L. A. VanDeusen, broadcasts daily from 9 till 9:30 over the new valdo station WPAG at Ann Arbor.

Pfc. James Beach who recently came from the Pacific and has been visiting his grandparents Mr. and Mrs. L. C. Goodrich, left Thursday for Cherry Point, N. C.

Mrs. Bert Ballou is seriously ill at St. Joseph's hospital, Ann Arbor.

Mr. and Mrs. Elmer Brown have purchased the C. M. Halladay cottage at Wamplers Lake.

Henry P. Vaughan was in Montreal, Quebec, last week to meet his brother Sq. Comm. Robert Vaughan of the Royal Air Force, returning from over 3 years overseas. His wife Lt. Col. Vaughan who has been with the Red Cross in London is also on her way to Canada.

Born April 24 to Pfc. and Mrs. Robert Hunt, a son, at Bixby hospital, Adrian. Pfc. Hunt is now stationed on the west coast.

Mrs. Tony Badalucco was operated on last week at St. Joseph's hospital in Ann Arbor.

Mrs. O. L. Ugland and son left Thursday for Washington, D. C., for a month's visit with her sister Mrs. Arthur Kemsley and family.

Pfc. Wayne Carpenter of Camp Swift, Texas, visited his grandmother Mrs. Virginia Halladay during the past week.

Norman Quigley S 1/c who has been convalescing at Santa Cruz, Calif., since participating in the invasion of Leyte, has received his medical discharge, also the Purple Heart award and has arrived here to visit his parents Mr. and Mrs. E. R. Quigley. His brother St. Sgt. Eugene Quigley of Camp Ellis, Ill., is home on 11 days leave and the family spent Sunday with Lansing relatives.

Mr. and Mrs. Adelbert Campbell have returned from several months stay in Florida.

Mrs. E. H. Myers was hostess yesterday to the meeting of the Methodist W.S.C.S.

Dr. and Mrs. Harry Hart and son of Springfield, Ill., have been spending several days with his parents Mr. and Mrs. S. J. Hart at the Clinton Inn.

Word has been received here of the death of Miss Maud Rowland which occurred April 20 at the Thompson Home in Detroit. Miss Rowland left Clinton for Detroit two years ago. She leaves a sister in that city and a brother in Toledo.

New Manager

Burdette Kizer

Announcement of the appointment of Burdette Kizer to the position of district manager in charge of stores in southwestern Michigan and northwestern Ohio area was made recently by Carl Fuller, branch manager of the Toledo division of the Kroger Grocery & Baking Company. Prior to his promotion, Mr. Kizer managed the Kroger store in Hillsdale.

OBITUARY

IDA MAY TAYLOR

Miss Ida May Taylor, daughter of Marcus H. Taylor and Artemisia Maria Jeffers, born in Mount Vernon, Ohio, December 30, 1862 and passed away Tuesday, April 24 in Chicago, Illinois, at the age of 82.

She graduated from Tecumseh high school in 1883 in a class of three. The other two students were Mary Wood and Ada Waldron.

Miss Taylor spent nearly all her entire life in the teaching profession which started with her appointment to the teaching staff of the Ypsilanti Training School, because the superintendent of the high school, Mr. Hammond, thought so highly of her teaching ability.

She taught in many places in the United States including Kentucky, Indiana, Illinois, Iowa, and Michigan, several times these being teachers colleges.

She also taught many years in the Chicago Latin School for Boys. She terminated her teaching at the age of 70 and the last years of her life were spent in Chicago, tutoring and writing. She did her writing under the pen name of T. Meyer and posed as a man in the political writings. Among her papers are letters from many of the Congressmen. She did a great deal of humanitarian work and left many friends who will greatly miss her.

The deceased leaves to mourn her loss two nephews and a niece. One nephew, Marcus Fisher of South Bend, Indiana, his wife, Alice, and four children, Robert, a private in the Air Corps stationed at Las Vegas, Nevada, and Ruth Ann, Idamae, and Paul, at home, Cuyler Fisher and wife, Mildred of Bryan, Ohio, and the niece Helen Withrow and her husband of Fort Wayne, Indiana.

Funeral services were held Friday at the Belding Funeral Home, Rev. Norman MacNaughton officiated and bearers were Cuyler Fisher, Marcus Fisher, William Knight and Fred Sheldon. Burial was in Brookside cemetery.

GETS BRONZE STAR

Sgt. Elwood J. Tucker, son of Mrs. Shirley Tucker of Tecumseh is one of five Michigan soldiers with the 29th Infantry Division in Germany to be awarded the Bronze Star Medal for heroic action against the enemy. Sgt. Tucker, of Battery B, 554th Anti-Aircraft Automatic Weapons Battalion commended a gun crew that shot down a low flying German JU-88 near the Roer River.

TIPTON

Sgt. and Mrs. Harold Anderson and daughter of Camp Lee, Va., spent the past week with his father Harley Anderson.

The Pythian Sisters will meet May 9 for a potluck supper at 7:30 followed by the regular meeting when the degree will be conferred on a class of seven candidates.

Tipton Grange will hold a regular meeting Friday evening, May 4.

Mrs. Rose Slater is visiting Mr. and Mrs. Harold Dings in Berkey, Ohio.

Mr. and Mrs. McKinley Spalding recently visited their son Russell at Great Lakes, Ill.

Everett Elwood has been transferred from Greensboro, N. C., to Salt Lake City, Utah.

The Ladies Aid Society met Tuesday with Mrs. D. J. VanValkenburg for their regular meeting and supper in charge of Mrs. Selma Bishop.

Born April 27 to Mr. and Mrs. Fred Handy, a daughter.

GOOD NEWS FOR THE HOG RAISERS

A new rush into the hog business is developing—a complete turn about. Government "planners" (under congressional pressure!) are now yelling for a far bigger fall pig crop and probably will lift ceilings on live hogs—in a belated effort to undo the pork shortage their previous blunders have created. The number of hogs will increase materially as soon as nature permits.

ONE OF THE BEST WAYS TO GET READY FOR THE BIG DEMAND FOR PORK IS TO FEED YOUR PIGS

HAYDEN'S PIG & HOG BALANCER

It contains the vitamins, proteins, and minerals necessary for quick growth, and high profits.

15 YEARS A FORD DEALER

(Each week, in this space, we review one year of Tecumseh's history in the 15 years that we have been in business here, taking the years in order since 1929. Watch this space, you'll find the stories very interesting).

Tecumseh was still feeling the effects of the depression in 1938, the ninth year of our business life here, but things were looking a bit upward with rumors of a growth in population due to industrial expansion. There was also some discussion of changing Tecumseh's form of government, from village to city.

The Hayden Milling Co., announced an expansion program giving that concern 8,000 square feet more of floor space. Simultaneously, the Hayden Mill announced "dollar wheat" for one day only and the crowd of farm trucks, bringing the grain to market, blocked streets for half a mile.

Karl M. Schneider was elected president of the village and A. O. Howard was elected supervisor of the township. Guy E. Belding was elected president of the United Savings Bank, succeeding the late Dr. E. E. Hendershot. John Calhoun of Raisin, was elected chairman of the county board of supervisors.

The village council considered a plan for 2-hour parking in the downtown district.

A $15,000 WPA project for the installation of curbs and gutters was sought by the council. The A. D. Bell residence on West Pottawatamie street suffered damage by fire.

By a vote of three to one, the residents here spurned the city manager form of government.

Henry Ford donated free garden sites to the public.

Tecumseh's new $45,000 hospital, completely equipped and free of debt, was turned over to the village for municipal operation. The hospital was the result of the untiring efforts of Ray W. Herrick, and he was named as the chairman of the board of trustees. The dedication ceremonies attracted thousands of people, including high state officials. There aws a parade with floats through the business district.

Tecumseh's assessed valuation increased $62,000, and the tax rate was boosted to $13.

The council designated July 30, Henry Ford's birthday, as a day on which "this great genius" should be honored.

Five more new homes were under construction bringing to a total of 24 the number of new residents completed thus far this year.

The New York Central announced the discontinuance of passenger train service in Tecumseh.

By a vote of nearly 15 to 1 a bond issue looking toward the construction of a new school here was defeated.

The holiday rush was felt in Tecumseh, the stores remaining open evenings to accommodate shoppers, and churches planned special services.

Lt. Orville F. Gove Dies of Battle Wounds

Lt. Orville F. Gove, son of Mr. and Mrs. Orville Gove of Manitou Beach, died April 10 of wounds received in action in Germany, April 2. This was the fourth time he had been wounded.

Lt. Gove, who was 31 years of age, was a graduate of Tecumseh high school. He was inducted into army service in August 1941 and left for overseas in October 1942 when he took part in the invasion of Africa and was wounded the first time. He also took part in the Sicilian campaign and in the D-Day invasion in Normandy. After being wounded the third time in France he was sent to a hospital in England but returned to the Belgium front in October.

He had worked his way up from a private to a first lieutenant and had been awarded the Purple Heart, Oak Leaf Clusters, the Silver Star, and Bronze Star medals and his unit had received two Presidential Citations.

Besides his parents he leaves a sister Mrs. Ralph Derickson and his grandmothers Mrs. Frank Gove and Mrs. O. N. Rice, all of Manitou Beach.

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER THIRTY-TWO | TECUMSEH, MICHIGAN, THURSDAY, MAY 10, 1945 | FIVE CENTS PER COPY

Germany Quits; Allies Move on Japan

$336,000 War Bond Quota Here

"E" BOND SALES HERE MUST TOTAL $94,400 IF TECUMSEH REACHES GOAL

One of the heaviest quotas yet experienced in Tecumseh, particularly in the sale of "E" bonds, was announced today by W. L. Berkhof, chairman of the War Finance Committee here, when he let it be known that Tecumseh's share of the 14 billion dollar Seventh War Loan amounts to $336,900, of which amount, $94,400 is in "E" bonds.

"This is one of the largest quotas we have been asked to meet since the war started, and particularly is this true in the "E" bond bracket," Mr. Berkhof said. "It means that we must buckle down, take a new hitch in our belts and work just a little harder if success is to be ours in the Seventh War Loan Drive."

Mr. Berkhof pointed out that the Seventh Loan Drive will get under way officially on Monday, May 14. He also pointed out that all bond sales since the first of April will apply against the quota.

"One might think that in the past five weeks a large part of the quota had been taken through the sale of bonds, but this is not true," Berkhof continued. "On the contrary, the sale of bonds has slowed down, somewhat, due, I presume, to the fact that many folk are optimistic about the outcome of the war in Europe.

"We must not lose sight of the fact that there is still a tremendous job to be done before the war is actually over. Victory in Europe means that we are only at the half way mark, we still must conquer Japan. This job is not going to be an easy one, most men in the know predicting that it will be 1946 or 1947 before the Nips are silenced. It is going to take plenty of money to finance this phase of the war if we are to be successful. It will take untold millions to transfer our troops from Europe to the Pacific areas."

Mr. Berkhof pointed out that the Seventh Loan is known as "the people's loan" the government being especially anxious to boost the sale of "E" bonds in this drive. For that reason the "E" bond (small bond) quota is exceptionally large.

"I know that everyone in Tecumseh is anxious for the war to end just as rapidly as possible. To end the war we must have materials, ammunition, etc. It all costs money. Now is not the time to let down in bond buying.

"Here in Tecumseh we have never failed to meet a War Bond quota since the war started. Certainly, we do not intend to fail now. I trust that we will be able to make an enviable showing in our bond purchases this month, and that within the next couple of weeks we will be near to our goal."

HOME ON FURLOUGH AFTER BOAT SINKS

William Budwit S 1/c is spending a 26-day furlough with Mrs. Budwit at the home of her parents, Mr. and Mrs. Roy L. Cadmus, south of town. Seaman Budwit's boat, a merchant Liberty ship, was torpedoed about four hours out of port. The crew was picked by a destroyer, taken to the British Isles and then returned to the United States. At the end of his leave Seaman Budwit will go to the Armed Guard Center in New York for re-assignment.

RURAL COMMENCEMENT

The Eighth Grade, Rural Commencement will be held on Friday, May 18th, at 2 p.m. fast time at the Baptist church on Broad street in Adrian. Graduates will assemble on the court house lawn in time so that the march to the church may be started promptly at 1:30 p.m. In case of rain, children are to go directly to the Baptist church. The program has been prepared by the students and the speaker will be Milton Porter from the Blissfield high school.

WOUNDED IN ARM

Mrs. Ruth Couture received a letter Monday from a hospital in Italy, stating that her husband, Pfc. Kenneth Couture had been wounded in the left arm and was a patient in the hospital. The letter had been written for him by a nurse.

Brothers Meet in France, First Time in 2½ Years

Pfc. Archie Cutler and Alva Cutler, M. P., sons of Mr. and Mrs. Allan Cutler of near Holloway, met in France early in April, their first meeting in two and a half years. Both were driving jeeps and Archie saw one had the name Cutler on the windshield. He followed it and found his brother, Alva. They spent the next day together and learned that they were stationed only 12 miles apart.

This was the first news of Alva the family had received in nearly a year. Archie, who has received the Purple Heart, is now in Germany.

Baptists Hold Yearly Meeting

OFFICERS OF CHURCH ARE ELECTED; SESSION PRECEDED BY POTLUCK SUPPER

The annual meeting of the Baptist church was held last Wednesday evening, May 2, in the church parlors and was preceded by a potluck supper.

During the business meeting it was unanimously approved to increase the salary of the pastor $300. The following board members were approved for the coming year; Miss Elizabeth Chase, clerk; Ernest VanVleet, treasurer; Mrs. VanVleet, financial secretary; Carl Fosbender and Ira Ashley, trustees for three years; Fay VanValkenburg and W. J. Morse, deacons for three years; Mrs. Herbert Hoag, deaconess for three years; Jane Hoekstra and Jenny Bird, junior deaconesses; Mrs. Bertha Hoag, benevolent treasurer; Don Everhart and John Price, junior deacons; Don Everhart, Sunday school superintendent. It was reported that the church had an increase in attendance of 21% over last year.

Following the business meeting a beautiful walnut communion table given to the church by Miss Jessie VanAntwerp in memory of Mrs. A. O. Howard, was dedicated. Throughout the service a single light shone on the table and included in the service was the repeating of the 23rd Psalm by the Rev. B. O. Bashore.

The Men's Baraca group reported a growing interest in their work under the leadership of George Schumm. Several worthwhile projects have been proposed and are being carried out during the year, including the purchase of six books for the Public Library. "Christ of the American Road" by E. Stanley Jones and "Brave Men" by Ernie Pyle have already been purchased and "The Road to Serfdom" will be available in the near future. All men are welcome to attend the regular Sunday morning sessions in the church and also the social gatherings of the group.

Several from here attended the Lenawee Baptist Association meeting in Fairfield, May 1. The annual sermon was delivered by Rev. Bashore.

Mrs. Alan D. Bell Buried In Brookside

Mrs. Alan D. Bell died suddenly of a heart attack early Thursday morning at her home on West Pottawatamie street. Mrs. Bell had not previously been ill. Her death occurred on her 77th birthday.

Mrs. Bell was born in Tecumseh and was formerly Agnes Fraser, a daughter of George W. and Ellen Fraser, and had spent most of her life in Tecumseh. She was a member of the Tecumseh Monday Club and of the Huguenot Society of Michigan and a former member of the D. A. R.

Survivors are the husband, two nephews D. F. Wright of Tecumseh and Dr. Alan Fraser of New York City and a niece Mrs. J. P. Junkin of Minneapolis, Minn.

Funeral services were held Saturday morning at the Belding Funeral Home, Rev. James Cameron Murdoch officiated and burial was made in Brookside cemetery.

D. A. R. BREAKFAST

Abi Evans chapter, D. A. R., will meet Friday, May 11, at the home of Mrs. Kenton Hunt for their annual breakfast at 11:30 a.m. A memorial service will be held for the late Mrs. Andrew Wilson and annual reports will be given.

GRANGE TO MEET

Tecumseh Grange will hold a regular meeting this evening with a potluck supper at 7:30. Later George King, superintendent and music instructor of Brooklyn school and a group of his pupils will present a musical program.

Public School Meet Tonight

PARENTS, RESIDENTS URGED TO ATTEND; RAY W. HERRICK TO SPEAK

A public mass meeting of parents and residents will be held at the high school auditorium at 8 o'clock this evening, at which time Ray W. Herrick, president of the Tecumseh Products Company, will be the principal speaker, discussing Tecumseh in post-war. The meeting has been called by an interested group of parents, and, because of the important matters to be discussed, it is urged that there be a large attendance.

It is expected that Mr. Herrick will discuss many of the post-war plans for his factory, including the company's after-victory building program and the expected doubling of employment at the plant. The Products company has more than $40,000,000 worth of post war orders, it is understood that its building program will call for an expenditure of some three-quarters of a million dollars, and that peak employment after Victory will exceed 2,500.

The Products executive discussed some of these plans when he addressed the first in a series of 12 meetings, sponsored last fall by the Rotary club and attended by business and professional men. In all probality he will now be better able to see more clearly how the increased employment at his plant will affect Tecumseh, generally. At that time, however, he predicted that this village would double in population, that several hundred new homes would be built to accommodate increased employment.

Another problem to be discussed will be the proposed establishment of a sinking fund of some $68,000 over a five-year period, the money to be used in post-war for the building of a new school here. This issue will come before voters at a special election, to be held at the school auditorium on Thursday, May 17. If the issue is approved, it will make it possible for the district to accumulate a "nest egg" for the proposed building program.

Those in attendance at the meeting tonight also will be given an opportunity to personally observe the crowded condition of the present high school and to learn from faculty members something of the make-shift set up now being used to "get by" until some kind of a building program is made possible. A motion picture also will be shown, explaining the needs in modern school building.

Another matter for discussion will be the proposed establishment of an active Parent-Teachery Association. Such an organization has not functioned here in the past two or three years, and many parents believe that the association should be revived, inasmuch as the community is looking toward an ambitious post-war expansion program.

Lieut. Charles Wilson Missing In Pacific

Mrs. Charles Wilson was notified Thursday that her husband, Lt. Wilson of the U.S. Naval Air Corps, is missing in action in the South Pacific. He had been overseas since September and Mrs. Wilson had not heard from him since early in April.

Lt. Wilson, who is 30 years of age, is the son of Mr. and Mrs. Leon Wilson of Gaylord, formerly of Tecumseh. His grandparents, Mr. and Mrs. W. E. Wilson also liev at Gaylord. He is a graduate of Tecumseh high school and of Michigan State College in East Lansing and entered service soon after graduation.

Mrs. Wilson, who was formerly Maxine Leighton, and their two children make their home here in the Willamson apartments on W. Chicago boulevard.

YOUR SUBSCRIPTION, IS IT DUE?

Many subscriptions to The Herald are coming due at this season of the year, especially in the Tecumseh area. Please note the expiration date, printed beside your name and address. It will tell you when your subscription expires.

The expiration date is your signal to renew so that your name will not be removed from the list in these critical war days because of the scarcity of paper.

New Hospital Lab To Be Opened, Saturday

"Open House" will be the order of the day at Tecumseh Hospital on Saturday, May 12, from 2 to 4 o'clock in the afternoon, in observance of National Hospital Day, Miss Gertrude Spaulding, superintend, said today. During those hours the public is invited to inspect the institution, particularly the new laboratory which has been equipped for formal opening on that day.

The new laboratory has been made possible through the efforts of the Tecumseh Hospital Auxiliary, a group of interested women who have, through parties, tag days, etc., raised sufficient funds to make the addition possible. In all, some $2,000 have been spent in equipment.

Dr. Bernhard Steinberg, director of the Toledo Hospital Research Laboratory, has been retained to direct the new lab here and he will be present for the formal opening. Efforts are being made to obtain the services of a full-time technician for Tecumseh Hospital, it was said.

Perley H. Daykin, 79, Buried at Ridgeway

Perley H. Daykin, aged 79 years, a resident of Ridgeway nearly all his life, died early Monday after a few weeks illness. Mr. Daykin fell downstairs several weeks ago at the home of Mrs. T. I. Duncan on East Chicago Blvd., where he roomed and broke his left arm. He was taken to University hospital in Ann Arbor and returned from there two weeks ago.

Survivors are five nieces, Mrs. Lura Baker of Tecumseh, Mrs. Leora Howard of Detroit, Miss Lela Daykin of Britton, Mrs. Clarence Bussing and Mrs. Jessie Barker of Adrian; and four nephews, Leon and Lennie Daykin and Frank June of Britton and Fred June of Adrian.

Funeral services were held Wednesday afternoon at the Belding Funeral Home. Rev. Edward Escolme officiated and burial was in Ridgeway cemetery.

GARDEN CLUB TO MEET

Tecumseh Garden Club will meet Friday afternoon, May 18, at 2 o'clock in the home of Mrs. F. C. Hanna, 705 West Pottawatamie street. Mrs. L. W. Larsen and Mrs. R. W. Herrick will assist the hostess.

BAND PARENTS CLUB

The Band Parents Club will meet Friday evening, May 18, at 7 o'clock in the home of Mr. and Mrs. John R. Lott for a planned supper. Those attending are to bring table service.

Sinking Fund Vote May 17

FATE OF SCHOOL EXPANSION PROGRAM IN POST-WAR TO BE DECIDED NEXT WEEK

The fate of Tecumseh's post-war school expansion program, endorsed by the board of education and civic and industrial leaders here in an effort to prepare the community for the after-Victory growth of the village which is confidently expected, will rest with voters when they go to polls next week Thursday, May 17. The special election will be held at the high school, and the polls will be open between the hours of three and eight o'clock.

Two issues will be submitted to the voters, the first one to determine whether or not the tax limitation clause, restricting the amount of tax that may be levied in a single year, shall be increased in the years of 1945 to 49, inclusive, (and, second) to permit the levy of a five mill tax to establish a sinking fund in the same years, the money thus raised to be used "for the purchase of real estate for sites for, and the construction or repair of school buildings."

Voters will receive two ballots at the election. To qualify for voting on the sinking fund issue you must be a citizen, 21 years of age, resident of the school district for three months prior to the election, and the owner of property assessed by the district for school purposes. In the event property thus assesses is owned jointly by husband and wife, both may vote.

To vote on the tax limitation issue, you must be a citizen 21 years of age, a resident of the state for six months and of the school district for 20 days prior to the election.

The state law provides that the vote to boost the tax limitation clause must carry by a two-thirds majority. A simple majority is sufficient in the other issue.

The proposals, if approved, would, over the five year period, raise approximately $68,000, which money would go into the sinking fund for the purposes stated. These sinking funds are ear-marked by the state, it was pointed out, and cannot be used for purposes other than specified.

It was pointed out that both issues must carry in order to make the program effective. Even though the mill tax issue carried and the limitation clause was defeated, it would be impossible to establish the sinking fund.

The proposal to bring the issue to the voters came after a careful study of conditions here by the board of education and separate committees, named to study Tecumseh's post-war needs. Civil and industrial groups also have given the program their endorsement.

Friends of the issue point out that Tecumseh has far outgrown the present school buildings, and that some relief must be given if the town is to grow as it is expected. It was declared that a community cannot grow unless it offers suitable schools for its children, and present buildings are crowded to capacity.

The establishment of a sinking fund to off-set the cost of future building is considered by many to be "just good business." They point out that "saving for the future" is common sense practice in both home and business and that such a sinking fund is "sound business." The money thus accumulated in a five year period, it was said, will be a "nest egg" to help offset the shock of building when the actual need arises after the war, and will put the district in the position of the prudent man or woman who "saves to build his or her home before construction starts.

Issues similar to the ones to be submitted here next week were twice before given to the voters of the district and each time were defeated by very narrow margins, last year. It was pointed out, however, that residents understand the need for school building expansion and the crowded situations in the school buildings here now much better than they did a year ago, and it is expected that a much larger vote will be cast than heretofore.

NOTICE

The American Legion and Auxiliary requests that names of all service men from Tecumseh area not on the honor roll in Adams Park, be reported at once to Mrs. Florence Howe at Bancroft Cleaners so they may be placed on the honor roll before Memorial Day.

End of War in Europe Proclaimed by Truman

Tecumseh observed Victory Day in Europe on Tuesday solemnly.

Approximately 2,000 persons, men, women and children, gathered in the churches and at the high school at 3 p.m., for the largest community service held here since D-Day.

Factories halted their work, stores and offices closed their doors and all business activities ceased in Tecumseh at 2:45 Tuesday afternoon to permit everyone to attend the civic observance of the Allied victory in Europe. The ceremonies were under the direction of the Tecumseh Ministerial Association.

Grade school children marched to the Baptist church where the service was in charge of the Revs. B. O. Bashore and Alvin Brazee. The Rev. James C. Murdoch had charge of the service at the Presbyterian church, and Dr. Norman MacNaughton at the Methodist church.

At a general assembly service for junior and senior high school students at the Central building, the Revs. Edward Escolme and J. D. Scarlett were in charge. Here, music was furnished by the school band and chorus.

All services were similar in nature. They included the singing of hymns, moments of silent prayer, pastoral prayers, and responsive readings.

There were no gayety or celebration locally when news of Germany's unconditional surrender was heard on Monday and officially proclaimed on Tuesday by the President. Flags were unfurled in the downtown and residential districts, but there was no halting of work until the community service.

"This is no time for gayety," one man was heard to remark. "Our job's only half done. We must now give our attention to the Pacific, and let us pray that the job there does not last as long as it did in Europe."

Farmhouse Is Razed By Fire

SEVERAL THOUSANDS OF DOLLARS LOSS AT TAYLOR FARM NEAR BRITTON

A large eight-room house on the Ernest Taylor farm, one and one-half miles south and one-half mile west of Britton was destroyed by fire of unknown origin at 11:45, Saturday night. The blaze was discovered by Harold Millyard and Mrs. Grace Linn, neighbors, and fire departments of Britton and Ridgeway were called. The flames had spread too far to save the house but efforts of the departments saved the barn and other buildings. Mr. and Mrs. Lee Taylor who lived on the farm, were away when the fire was discovered. Furniture in the house belonging to the tenants and to Mr. and Mrs. Ernest Taylor, was a total loss.

The farm was taken up from the government by the father of Chas. S. Smith and was later purchased by Frank Taylor. It was an old landmark but in recent years the house had been remodeled and modernized. The loss of several thousands was only partly covered by insurance.

Mr. and Mrs. Lee Taylor are now at the home of his parents Mr. and Mrs. Ernest Taylor in Britton.

Friends Hold Mother and Daughter Banquet

The annual Mother and Daughter banquet of the Friends church and Sunday school was held Thursday evening in the downstairs room of the church with 104 in attendance. The dinner was served by a group of men and boys of the Sunday school.

Mrs. Charles Manley presided and Mrs. E. B. Leisenring of Ann Arbor was the guest speaker. Mrs. Emma Day was toastmistress and the invocation was given by Mrs. Richard Woodcox. The program also included assembly singing led by Mrs. Naomi Sallows; "Toast to the Daughters," Mrs. Harry Creger; vocal solo, Martha Ann Hayden, accompanied by her sister, Mary Jane; "Toast to the Mothers," Mrs. Euan Francouer and address by Mrs. Leisenring.

PRICE CORRECTION

WASHINGTON, May 10—President Harry S. Truman on Tuesday proclaimed complete and unconditional Victory in Europe.

Unconditional surrender terms were signed by the Germans at the Supreme Allied Headquarters in Europe at 8:41 p.m., EWT, Sunday, but fighting did not cease until 6:01 p.m., Tuesday night.

In a V-E proclamation, the President declared that "our blows will continue until the Japanese lay down their arms in unconditional surrender."

President Truman spoke to the nation by radio at 9 a.m., Tuesday. He set next Sunday, Mother's Day, as a day of prayer in which he asked all to join.

"This is a solemn but a glorious hour," the President declared, "I only wish that Franklin D. Roosevelt had lived to witness this day. Gen. Eisenhower informs me that the forces of Germany have surrendered to the United Nations. The flags of freedom fly over all Europe.

"For this victory we join in offering our thanks to the Providence which has guided and sustained us through the dark days of adversity."

The war which ended with the signing of the surrender terms has cost American armed forces 133,000 lives and more than 560,000 other casualties in three years, four months and seven days of fighting against the Axis powers.

"Our rejoicing is sobered and subdued by a supreme consciousness of the terrible price we have paid to rid the world of Hitler and his evil band," the President said in part. "Let us not forget, my fellow Americans, the sorrow and the heartbreak which today abide in the home of so many of our neighbors—neighbors whose most priceless possession has been rendered as a sacrifice to redeem our liberty.

"We can repay the debt which we owe to our God, to our dead and to our children only by work—by ceaseless devotion to the responsibilities which lie ahead of us. If I could give you a single watchword for the coming months, that word is—work, work, work.

"We must work to finish the war. Our victory is but half won. The west is free, but the east is still in bondage to the tyranny of the Japanese. When the last Jap division has surrendered unconditionally, then only will our fighting job be done.

"We must work to bind up the wounds of a suffering world—to build up an abiding peace, a peace rooted in justice and in law. We can build such a peace only by hard, toilsome, painstaking work—by understanding and working with our Allies in peace as we have in war. . . . I call upon every American to stick to his post until the last battle is won."

Truesdale Is Named Building Inspector

Howard Truesdale was named as building inspector for the Village of Tecumseh, when the council met in regular session, Monday evening. An amendment to the zoning ordinance, legalizing such an appointment, was adopted, and a fee of $1 for each inspection made was authorized.

The council also authorized the laying of a 6-inch water main on Adrian street, south from the American Gas Service Co., to the village limits. Laying of the main is contingent upon the payment of water permit fees by abutting property owners. The action was taken on the petition of residents.

Louis Schneider was named as marshal-of-the-day for the Decoration Day services that will be held on May 30. Mr. Schneider has asked for the use of horses in the parade that will be held on that day, and he also urged children with bicycles to decorate them and have them in the parade. Persons with horses are asked to contact him and advise him if they will participate in the parade.

THANKSGIVING SERVICE

The girls choir of Cleveland Bible College will present a program of music and song at the Tecumseh Friends church next Sunday evening at 7:30 o'clock. At the morning service prayers and thanksgiving will be offered in view of the victory in Europe. There will be special music at this meeting. This being Mother s'Day, the pastor will speak at the 10 a.m. service on "Mother's Day 1945."

RETURNING TO PEACE

Washington, a week or a month ago, might have announced the fact that V-E-Day already had come on several war-production fronts. In many lines, supplies amply sufficient for all mopping up in Europe, had been delivered or were on their way. Cutbacks already had been ordered on some items and on others the entire production is being turned to the Pacific.

The fact that this shift could be started before V-E-Day means that cessation of fighting in Europe will cause less economic upset than might have been the case.

Government plans call for continued "gradualness." Production will be kept at a relatively high level on some supplies which cannot be used immediately. By stockpiling these things they will be ready when the men to use them have shifted to the Pacific. A sharp drop will be avoided now and also a sudden spurt in the fall.

This sounds like good planning. Of course, plans, even the best-laid ones, sometimes go astray. There may be spots of unemployment alongside spots of manpower shortage. New shortages of civilian goods are predicted. But on the whole the prospect is favorable for gradual adjustments. Even so, there will be plenty of room for steadiness on the home front.

Why Don't You Pay Your Bills by Check?

* * *

One of the easiest and safest ways we know of to pay bills is by check.

1. It enables you to have funds available instantly at the stroke of the pen.
2. It makes it possible for you to keep an accurate record of your expenses.
3. It enables you to operate effeciently on a budget.
4. Your cancelled check is a receipt.

Why don't you open an account this week and enjoy the convenience of paying your bills by check. You'll find that it will save you time, and time is valuable these busy war days.

This Cozy Cottage Can Be Built From War Bonds!

Have you dreamed of a cottage for two—three or more? After the war are you planning to marry the boy you love and settle down?

Right now, during the Seventh War Loan, is the time for you to make an important decision, a decision that will affect your future greatly.

BUY WAR BONDS UNTIL IT HURTS! Then, when Victory has been won, when that boy you love comes home, you'll have a nest egg with which to make the down payment of that "dream cottage"—for two, or three or more.

After the war we will be building homes in Tecumseh, Clinton and Britton—where we operate our yards. We'd like to build one for you, too, and we will if you'll follow our advice and buy plenty of bonds and keep them.

Ask your banker or any investor. He'll tell you that War Bonds are the safest investment in the world.
